## Independent Auditor's Report

The Plan Administrator  
Equine Network LLC 401(k) Plan  
Albuquerque, New Mexico

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of Equine Network LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter – Supplemental Schedules Required by ERISA***

The supplemental Schedule of Delinquent Participant Contributions for the year ended December 31, 2024 and the Schedule of Assets (Held at End of Year) as of December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For

information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedules agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

### 1. Description of the Plan

The following brief description of the Equine Network LLC 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

#### *General*

The Plan, which was established effective March 15, 2021 by Equine Network LLC (the Company or Employer), is a contributory, defined contribution retirement plan available to qualifying employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

The Plan has been amended and restated at various dates; most recently restated effective May 1, 2022.

#### *Trustee and Administration of the Plan*

Empower Retirement is the administrator for the Plan's recordkeeping services, Empower Trust Company LLC is the trustee of the Plan's assets, and Empower Annuity Insurance Company of America is the issuer of the group annuity contract (GAC) (collectively, Empower).

The administrator of the Plan is the Company. The Fiduciary Committee (Committee) determines the appropriateness of the Plan's investment offerings and monitors investment performance.

#### *Eligibility*

An employee is eligible to become a participant in the Plan on the first day of the month following the completion of one month of service. Employees that are residents of Puerto Rico and leased employees are not eligible to participate in the Plan.

#### *Contributions*

Participants may contribute on a pre-tax basis or after-tax Roth basis up to 100% of their eligible annual compensation (as defined) into the Plan, subject to certain Internal Revenue Code (IRC) limitations. The Plan also allows catch-up contributions for participants age 50 and over based on IRC limitations. Participants can terminate or change their deferral agreements according to procedures and limitation as determined by the Plan document.

Participants that do not affirmatively elect to opt out of the Plan are automatically enrolled at a pre-tax deferral rate of 3% after meeting eligibility requirements.

The Company may make discretionary employer matching or nonelective contributions. Employees must be employed on the last day of the year and work 1,000 hours in the year to be eligible for the employer discretionary match and nonelective contributions. For the year ended December 31, 2023, the Company made a discretionary matching contribution of 50% up to 3% of eligible compensation deferred not to exceed \$750. The Company did not make an employer contribution to the Plan for the year ended December 31, 2024.

## Notes to Financial Statements

---

Rollover contributions from other qualified plans or individual retirement accounts (IRA) may also be made to the Plan if certain criteria are met.

### ***Participants' Accounts***

Each participant's account is credited with the participant's pre-tax and Roth, rollover, catch-up, and Employer contributions and an allocation of net investment earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. The investment earnings or losses are allocated to each participant's account in the proportion that the balance of each participant's account bears to the total balance of all participants in each investment option. Participants may direct the investment of their account balances into various investment options offered by the Plan. The benefit to which participants are entitled is the vested portion of their accounts.

### ***Notes Receivable from Participants***

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The maximum term of the loans is five years, unless used for the purchase of a residence, which may have a longer loan period. Participants may only have one loan outstanding at a time. The loans are secured by the balances in the participants' accounts and bear interest at rates that are commensurate with local prevailing rates as determined on the date of issuance and are fixed for the term of the loan. Principal and interest are paid ratably through payroll deductions. Outstanding borrowings at December 31, 2024 bore interest between 8.75% and 9.50%.

### ***Payment of Benefits***

Upon death, disability, attaining normal retirement age (65), attaining early retirement age (59½), or termination of service, a participant may receive a lump-sum payment in the amount equal to the participant's vested account balance. Balances less than \$1,000 upon a distributable event are disbursed as a lump-sum payment to the participant if no election is made. Balances over \$1,000 and up to \$5,000 may be rolled over to an IRA in the name of the participant if no election is made. The Plan allows participants to receive hardship withdrawals if certain criteria are met. Other in-service withdrawals are also allowed by the Plan if certain criteria are met.

### ***Vesting***

Participants are 100% vested in their pre-tax, Roth, and rollover contributions, and the allocated earnings thereon. A participant's vested interest in the employer discretionary matching and non-elective contributions vests at 25% after two years of service, 50% after three years of service, 75% after four years of service, and 100% after five years of service, as defined. Participants who attain normal retirement age, attain early retirement age, or terminate employment due to death or disability are fully vested. Certain prior service credit is granted to employees of acquired companies as further described in the Plan document. Certain other vesting schedules related to previous participating employers merged plans may apply.

### ***Forfeitures***

Forfeited amounts may be used to pay administrative expenses and reduce Company contributions. The balance of forfeitures at December 31, 2024 and 2023 was \$11,330 and \$4,484, respectively.

# Equine Network LLC 401(k) Plan

## Notes to Financial Statements

---

For the year ended December 31, 2024, no forfeitures were used to pay administrative expenses or fund employer contributions.

### 2. Summary of Accounting Policies

#### *Basis of Presentation*

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

#### *Use of Estimates*

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### *Investment Valuation and Income Recognition*

The Plan's investments are stated at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value), which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Capital gain distributions are included in dividend income. The net appreciation in the fair value of investments consists of the realized gains and the unrealized appreciation on those investments.

Management fees and operating expenses (in the form of an expense ratio) charged to the Plan for investments are deducted from income earned on a daily basis and reflected as a reduction of investment return for such investments.

#### *Accounting for Investment Contracts with Insurance Companies*

The Plan entered into a Guaranteed Interest Account offered through a GAC with Empower. The Guaranteed Interest Account is a fixed-rate group annuity contract. The Guaranteed Interest Account meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts since this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. The Guaranteed Interest Account is a general account product and is credited with participant and employer contributions and earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to pay the principal and specified interest rates guaranteed. The interest rate can never be below 0% and interest earned is compounded daily. The interest crediting rate is reset quarterly. The method for calculating the interest crediting rate is determined by Empower. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

# Equine Network LLC 401(k) Plan

## Notes to Financial Statements

---

Certain events could limit the ability of the Plan to transact at contract value, including, but not limited to, premature termination of the contract by the Plan, layoffs, Plan termination, bankruptcy, mergers, and early retirement incentives. This would cause a one-time adjustment to the aggregate contract value, resulting in a fair value different from the contract value. Plan management is not aware of any of these events occurring.

### ***Contributions***

Employee contributions and related employer contributions are recognized in the period during which the Company makes payroll deductions from the participant's compensation or the year in which the compensation relates.

### ***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance. Any accrued but unpaid interest was de minimis. Related fees are recorded as administrative expenses and are expensed as incurred. If a participant ceases to make loan repayments and the Plan administrator deems the loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

### ***Payment of Benefits***

Benefit payments to participants are recorded when paid to participants.

### ***Administrative Expenses***

The Company absorbs a portion of the Plan's administrative expenses on behalf of the Plan, which are excluded from these financial statements. Fees related to the processing of notes receivable from participants and benefit payments are charged directly to the participant's account. Additionally, participants may elect to participate in a managed account in which an investment advisor fee is withheld from the participant's account for investment advisory services. Investment-related expenses (in the form of an expense ratio) are included in net appreciation in fair value of investments.

### ***Plan Termination***

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants' accounts will become fully vested and non-forfeitable.

### ***Risks and Uncertainties***

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Additionally, the value, liquidity, and related income of the investment securities are sensitive to changes in economic conditions. Due to the level of risk associated with certain investment securities and the level of uncertainty related to the changes in the value of investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect

# Equine Network LLC 401(k) Plan

## Notes to Financial Statements

---

participants' account balances and the amounts reported in the statements of net assets available for benefits.

### 3. Certified Investment Information

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA. Accordingly, Empower Trust Company LLC and Empower Annuity Insurance Company of America, qualified institutions, have certified that the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments and notes receivable from participants, as reported in the statements of net assets available for benefits as of December 31, 2024 and 2023.
- Net appreciation in fair value of investments, interest and dividend income, and interest earned on notes receivables, as reported on the statement of changes in net assets available for benefits for the year ended December 31, 2024.
- Certain investment amounts included in the notes to financial statements.
- All investment information included in the supplemental Schedule H (Form 5500), Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedule, and reading the disclosures relating to the investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP and whether the supplemental schedule is in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

### 4. Fair Value Measurements and Disclosures

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels. Level 1 inputs are the highest priority and consist of unadjusted quoted prices in active markets the Plan has the ability to access for identical assets and liabilities. Level 2 inputs are inputs other than quoted prices that are observable for the asset or liability, either directly or indirectly (quoted prices in active markets for similar assets and liabilities, quoted prices for identical or similar instruments in markets that are not active, and model-derived valuations whose inputs are observable or whose significant value drivers are observable). Level 3 inputs are the lowest priority and are unobservable and significant to the fair value measurement of an asset or liability.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. There have been no changes in the valuation methodologies used at December 31, 2024 and 2023.

# Equine Network LLC 401(k) Plan

## Notes to Financial Statements

---

The following is a description of the valuation methodology used for assets measured at fair value:

*Mutual Funds* - Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value on a recurring basis:

### *December 31, 2024*

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 4,787,038	\$ -	\$ -	\$ 4,787,038
<b>Total Investments, at fair value</b>	<b>\$ 4,787,038</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ 4,787,038</b>

### *December 31, 2023*

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,634,422	\$ -	\$ -	\$ 3,634,422
<b>Total Investments, at fair value</b>	<b>\$ 3,634,422</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ 3,634,422</b>

## 5. Income Taxes

The Plan adopted a non-standardized pre-approved profit-sharing/money purchase plan document that received an opinion letter from the Internal Revenue Service (IRS) dated November 14, 2022, stating that the form of the plan document is qualified under Section 401 of the IRC and, therefore, the related trust is tax exempt. The Plan administrator believes that the Plan, as amended, is designed and is currently being operated in compliance with applicable requirements of the IRC.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## 6. Related Party and Party-in-Interest Transactions

Fees were paid to Empower for certain administrative fees and other service fees were paid to the investment advisor. The Plan invests in an insurance contract issued by Empower. The Plan also issues loans to participants that are secured by the vested balance of the participants' accounts. These transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

## 7. Delinquent Participant Contributions

During the years ended December 31, 2023 and 2022, the Company failed to timely remit participant contributions and loan repayments to the Plan. The Company calculated and funded lost earnings

Department of Labor / Internal Revenue Service

**Re: Reasonable Cause for Late Filing of Form 5500**

Plan Name: Equine Network LLC 401(K) Plan  
Plan Number: 782208-01  
EIN: 32-0089097  
Plan Year End: 01/01/2024, ending 12/31/2024

To Whom It May Concern:

We are writing to respectfully request relief from penalties related to the late filing of the Form 5500 for the plan year ending 2024.

The late filing was due to ongoing processing of a plan audit which caused administration confusion over the need to file while awaiting the accounting review letter.

This error was inadvertent and a misunderstanding of the rules and not the result of willful neglect.

Once the oversight was discovered, we immediately took steps to correct the filing and ensure compliance. The Form 5500 has now been filed as of today, January 7, 2026. Additionally, we have implemented improved procedures, including additional internal review, compliance calendar reminders, and better coordination efforts with service providers, to prevent such an error from recurring.

We respectfully request that the Department of Labor/IRS consider these facts as demonstrating reasonable cause and good faith, and that penalties associated with this filing be waived or reduced.

Thank you for your consideration.

Sincerely,  
*Connie M. Gentry*  
Chief Human Resources Officer
