INDEPENDENT AUDITOR'S REPORT

Board of Trustees and Plan Participants
I.B.E.W. Local 241 Welfare Plan

Opinion

We have audited the financial statements of I.B.E.W. Local 241 Welfare Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of plan benefit obligations as of May 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and of changes in plan benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and plan benefit obligations of I.B.E.W. Local 241 Welfare Plan as of May 31, 2025 and 2024, and the changes in its net assets available for benefits and plan benefit obligations for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of I.B.E.W. Local 241 Welfare Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about I.B.E.W. Local 241 Welfare Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of I.B.E.W. Local 241 Welfare Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about I.B.E.W. Local 241 Welfare Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets Held for Investment Purposes at End of Year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

I.B.E.W. LOCAL 241 WELFARE PLAN

NOTES TO FINANCIAL STATEMENTS

MAY 31, 2025 AND 2024

NOTE A: DESCRIPTION OF THE PLAN

The following description of the I.B.E.W. Local 241 Welfare Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General

The Plan provides health and other benefits to eligible participants. Coverage is afforded to members working in the jurisdiction of I.B.E.W. Local 241 for employers with union agreements providing for contributions to the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Benefits

The Plan provides health benefits (hospital, surgical, major medical, vision, and dental), life insurance and accidental death benefits to full-time participants (with at least 400 hours of work in the preceding three-month period) and to their beneficiaries and their covered dependents. Retired members are entitled to similar health benefits (in excess of Medicare coverage).

The Plan also provides health benefits to participants during periods of unemployment, provided they have accumulated in the current year or in a prior year's credit amounts (expressed in hours) in excess of the hours required for current coverage.

The Plan has "Health Reimbursement Accounts". One dollar and seventy five cents of every hourly contribution is placed into personal accounts for eligible participants for each of the years ended May 31, 2025 and 2024.

Contributions

Employers with collective bargaining agreements with I.B.E.W. Local 241 contribute to the Plan a specified amount for each hour worked (increased from \$12.25 per hour to \$12.75 per hour, effective June 1, 2024) to provide benefits for Union members. The established contribution rates are anticipated to be sufficient to maintain the benefits provided by the Plan.

Other

The Plan's Board of Trustees, as Sponsor, has the right under the Plan to modify the benefits provided to active employees. The Plan may be terminated only by joint agreement between industry and union, subject to the provisions set forth in ERISA.

I.B.E.W. LOCAL 241 WELFARE PLAN

NOTES TO FINANCIAL STATEMENTS, Cont'd

MAY 31, 2025 AND 2024

NOTE B: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting, except that benefit payments are recorded when paid.

Cash

The Plan considers all highly liquid investments with a maturity of three months or less at the date of acquisition to be cash equivalents. Cash balances are maintained at a financial institution located in Central New York State and are insured by the FDIC up to \$250,000 at each institution. In the normal course of business, the cash account balances at any given time may exceed insured limits. However, the Plan has not experienced any losses in such accounts and does not believe it is exposed to significant risk in cash.

Investment valuation and income recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Dividends include capital gain distributions. Net appreciation (depreciation) includes the Plan's gains and losses on investments sold as well as held during the year.

Contributions receivable and allowance for doubtful accounts

Contributions to the Plan are recorded in the period they are earned. Earned contributions not received are included in contributions receivable. The Plan reviews contributions receivable periodically to determine if any receivables will potentially be uncollectible. After attempts to collect a receivable have failed, the receivable is written off. Based on the information available, the Plan believes no allowance for credit losses is necessary as of May 31, 2025 or 2024.

Net assets available for benefits – allocated

The portion of net assets attributed to participants' Health Reimbursement Accounts has been disclosed as allocated in the accompanying statements of net assets available for benefits.

Group insurance premiums

The Plan has a contract with Union Labor Life Insurance Co. (ULLICO) under which the Plan makes monthly premium payments for life insurance. ULLICO is responsible to pay all related life insurance claims submitted to the Plan.

The Plan is self-insured and an insurance contract with an insurance carrier provides coverage if claims for a specific individual or the Plan exceed a specified amount.

The Plan has an insurance contract with an insurance carrier that provides supplemental Medicare prescription drug benefits for retired participants who have reached the age of 65.

I.B.E.W. LOCAL 241 WELFARE PLAN

NOTES TO FINANCIAL STATEMENTS, Cont'd

MAY 31, 2025 AND 2024

NOTE B: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Cont'd

Postretirement benefits

The amount reported as the postretirement benefit obligation represents the actuarial present value of those estimated future benefits that are attributed by the terms of the Plan to employees' service rendered to the date of the financial statements, reduced by the actuarial present value of contributions expected to be received in the future from current plan participants. Postretirement benefits include future benefits expected to be paid to or for (1) currently retired or terminated employees and their beneficiaries and dependents, and (2) active employees and their beneficiaries and dependents after retirement from service with the participating employers. The postretirement benefit obligation represents the amount that is to be funded by contribution from the Plan's participating employers and from existing plan assets. Prior to an active employee's full eligibility date, the postretirement benefit obligation is the portion of the expected postretirement benefit obligation that is attributed to that employee's service in the industry rendered to the valuation date.

The actuarial present value of the expected postretirement benefit obligation is determined by an actuary and is the amount that results from applying actuarial assumptions to historical claims-cost data to estimate future annual incurred claims costs per participant and to adjust such estimates for the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as those for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment.

The medical trend assumption used is an assumption developed using the Society of Actuaries (SOA) Long-Run Medical Cost Trend Model baseline projection. The SOA Long-Run Medical Cost Trend Model baseline projection is based on an econometric analysis of historical U.S. medical expenditures and the judgments of experts in the field. For measurement purposes, a 7.0% base trend for medical and prescription drug benefits was assumed for 2025 with the rate assumed to decrease to 6.20% in 2026 and to decrease gradually thereafter to 4.04%. These assumptions are consistent with those used to measure the benefit obligation at May 31, 2025.

The following were other significant assumptions used in the valuations as of May 31, 2025 and 2024:

Discount rate	5.70% (2025); 5.41% (2024)
Retirement rates	25% at ages 60, 61 and 63 50% at age 62 100% at age 64
Mortality	2025 and 2024 - PRI-2012 Blue Collar Employee and Retiree Tables with generational projection using Scale MP-2021 for non-disabled lives and the PRI-2012 Disabled Retiree Mortality Table with generational projection using Scale MP-2021 for disabled lives.

I.B.E.W. LOCAL 241 WELFARE PLAN

NOTES TO FINANCIAL STATEMENTS, Cont'd

MAY 31, 2025 AND 2024

NOTE B: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Cont'd

The weighted average discount rate was changed in 2025 from 5.41% to 5.70% based on matching the Plan's projected cash flows to the spot rates in the FTSE Pension Discount Curve as of the valuation measurement date. The per capita cost assumption was updated to reflect claims experience through May 31, 2025.

The marriage assumption of active participants assumed to be married was 85% as of May 31, 2025 and 2024. The future retiree assumption was the average retiree/widow contributions as of May 31, 2025 and 2024. The foregoing assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of the postretirement benefit obligation.

Other plan benefits

Plan obligations at May 31, 2025 and 2024 for health claims incurred by active participants but not reported at that date and for accumulated eligibility of participants, are estimated by the Plan's actuary in accordance with accepted actuarial principles. Such estimated amounts are reported in the accompanying Statements of Plan Benefit Obligations at present value, based on a 5.70% and 5.41% discount rate as of May 31, 2025 and 2024, respectively. Health claims incurred by retired participants but not reported at year end, are included in the postretirement benefit obligation.

Administrative expenses

Expenses incurred in connection with the general administration of the Plan are paid by the Plan and are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investments related expenses are included in net appreciation (depreciation) of fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

Reclassifications

Certain prior year amounts have been reclassified to conform with the current year presentation.

Use of estimates in the preparation of financial statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, IBNR, eligibility credits, claims payable and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and assumptions.

Subsequent events

The Plan has conducted an evaluation of potential subsequent events occurring after the date of the statement of net assets available for benefits through March 9, 2026, which is the date the financial statements are available to be issued. No subsequent events requiring disclosure were noted.

I.B.E.W. LOCAL 241 WELFARE PLAN

NOTES TO FINANCIAL STATEMENTS, Cont'd

MAY 31, 2025 AND 2024

NOTE C: BENEFIT OBLIGATIONS

The weighted-average health care cost-trend rate assumption has a significant effect on the amounts reported in the accompanying financial statements. If the assumed rates increased by one percentage point in each year, it would increase the obligation as of May 31, 2025 and 2024, by approximately \$961,000 and \$1,136,000, respectively.

NOTE D: FAIR VALUE MEASUREMENTS

Accounting principles generally accepted in the United States of America provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at May 31, 2025 or 2024.

Cash and cash equivalents: Fair value approximates cost.

Mutual funds: Valued at the net asset value of shares held by the Plan at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE E: TAX STATUS

The Trust established under the Plan to hold the Plan's assets is intended to qualify pursuant to Section 501(c)(9) of the Internal Revenue Code, and accordingly, the Trust's net investment income is exempt from income taxes. The Trust has obtained a favorable tax determination letter from the Internal Revenue Service, and the Plan sponsor believes that the Trust, as amended, continues to qualify and to operate in accordance with applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of May 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by tax jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to May 31, 2022.

NOTES TO FINANCIAL STATEMENTS, Cont'd

MAY 31, 2025 AND 2024

NOTE F: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

The actuarial present value of benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

NOTE G: RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	<u>May 31,</u>	
	<u>2025</u>	<u>2024</u>
Net assets available for benefits per the financial statements	\$ 12,524,246	\$ 11,526,806
Benefit obligations currently payable (health claims, death and disability benefits)	<u>(36,363)</u>	<u>(89,691)</u>
Net assets available for benefits per Schedule H of Form 5500	<u>\$ 12,487,883</u>	<u>\$ 11,437,115</u>

The following is a reconciliation of benefits paid to participants per the financial statements to Schedule H of Form 5500 for the years ended May 31, 2025 and 2024:

	<u>Year ended May 31,</u>	
	<u>2025</u>	<u>2024</u>
Benefits paid to participants per the financial statements	\$ 3,212,299	\$ 2,653,823
Add: Group insurance premiums paid	303,017	256,974
Add: Amounts incurred but not reported at end of year	36,363	89,691
Less: Amounts incurred but not reported at beginning of year	<u>(89,691)</u>	<u>(157,327)</u>
Benefits paid to participants per Schedule H of Form 5500	<u>\$ 3,461,988</u>	<u>\$ 2,843,161</u>

Amounts currently payable to or for participants, dependents, and beneficiaries are recorded on Schedule H of Form 5500 for benefit claims that have been incurred but not reported prior to May 31, 2025 and 2024.

NOTE H: TRANSACTIONS WITH PARTIES-IN-INTEREST

The Union Local provides administrative services to the Plan. The Plan reimburses the Union Local for these expenses, which amounted to \$30,000 for each of the years ended May 31, 2025 and 2024.

The Plan leases office space from I.B.E.W. Local 241 Ithaca Electrical Joint Educational Training Trust Fund for \$1,155 per month. Rent expense amounted to \$13,860 for each of the years ended May 31, 2025 and 2024.

The amount due from related plan at May 31, 2025 and 2024 amounted to \$32,072 and \$308,832, respectively, and primarily relates to employer contributions in transit from a clearing account.

Also, the Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan. As described in Note B, the Plan paid certain expenses related to plan operations and investment activity to various service providers.
