Independent Auditor's Report

The Plan Administrator
ABARTA, Inc. Deferred Compensation 401(k)
Savings Plan for Union Employees
Pittsburgh, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of ABARTA, Inc. Deferred Compensation 401(k) Savings Plan for Union Employees (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule H (Form 5500), Line 4i - Schedule of Assets (Held at End of Year) and Schedule H (Form 5500), Line 4a - Schedule of Delinquent Participant Contributions as of December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the

financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

1. Plan Description

The following description of the ABARTA, Inc. Deferred Compensation 401(k) Savings Plan for Union Employees (the Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General

The Plan is a participant-directed defined contribution plan covering substantially all full-time and certain part-time union employees of ABARTA, Inc. and its subsidiaries: The Cleveland Coca-Cola Bottling Company, Inc.; South Jersey Publishing Company; Coca-Cola Bottling Company of the Lehigh Valley; Coatesville Coca-Cola Bottling Works, Inc.; ABARTA Coca-Cola Beverages, LLC; and ABARTA Oil & Gas Company, Inc. (collectively, the Company or Plan Sponsor). The Company is the Plan administrator that controls and manages the operation and administration of the Plan. The Plan investments and participant loans are held by Fidelity Management Trust Company (Fidelity), the trustee.

A full-time employee who has reached the age of 21 becomes eligible to participate in the Plan immediately. A part-time employee who has reached the age of 18 and completed 1,000 hours of service becomes eligible to participate in the Plan immediately.

The Plan includes an automatic enrollment policy for all newly eligible employees who are members of the Teamsters Local Union No. 585. Under this policy, if an employee does not submit a waiver, the employee is automatically enrolled in the Plan at a 2% deferral rate. The deferral rate will be automatically increased by 1% each subsequent year to a maximum rate of 6%.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute up to 60% of their annual eligible compensation to the Plan, subject to certain Internal Revenue Code (IRC) limitations.

In any calendar year in which a participant is age 50 or older, an additional catch-up contribution (limited to \$7,500 in 2024) may be made. Participants may also contribute amounts representing distributions from other qualified plans.

The Plan provides for employer matching contributions to certain employees. Eligible employees are those under Union Agreements that have employer matching negotiated within the collective-bargaining agreements. Participants eligible for employer matching contributions receive matching contributions, as set forth in Union Agreements, to the Plan.

Participant contributions and any related employer matching contributions are recognized in the period during which the Company makes the respective payroll deduction from the participant's compensation. Non-elective/profit-sharing contributions are recorded in the relevant period in accordance with the terms in the Plan document.

ABARTA, Inc. Deferred Compensation 401(k) Savings Plan for Union Employees

Notes to Financial Statements

The Company may make discretionary contributions, as determined by the Company's Board of Directors, to the Plan. No discretionary contributions were made in 2024. The discretionary contributions made in 2023 totaled \$14,855.

Participant Accounts

The Plan administrator maintains separate participant accounts for each participant. Each participant's account is credited with their voluntary and rollover contributions and with an allocation of Plan earnings. Allocations of Plan earnings are based on actual earnings on participant-directed investments. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants' contributions and earnings thereon are fully vested at all times. Employer matching contributions are fully vested after three years of service.

Participants automatically become fully vested with respect to employer contributions upon attaining age 55, permanent disability, death, or death while on a leave of absence to perform military service.

Benefits

Upon termination of service due to death, disability, or retirement, or attaining age 59½, participants may receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or installment distributions in substantially equal amounts over a period of time. If a participant's account balance is less than or equal to \$1,000 at the time of termination, the employee will automatically receive a lump-sum payment.

Subject to limitations of the Plan agreement, the Plan participant may apply to the Plan for a hardship withdrawal. A hardship withdrawal may be granted to a Plan participant for an event considered to be an immediate and heavy financial need of the participant, in accordance with the IRC.

At December 31, 2024 and 2023, there were no significant amounts allocated to accounts of individuals who have withdrawn from the Plan but have not been paid.

Notes Receivable from Participants

Participants may borrow up to the lesser of 50% of their individual vested account balance or \$50,000, reduced by the participant's highest outstanding loan balance during the prior 12 months. The minimum amount a participant may borrow is \$1,000. A participant may not have more than two loans outstanding at any time.

Loan repayment terms may not exceed 60 months unless the loan is granted for the purpose of acquiring the participant's principal residence. In such instances, repayment can be over a reasonable time period that may not exceed 120 months. Loans are repaid ratably through payroll deductions over the term of the loan.

ABARTA, Inc. Deferred Compensation 401(k) Savings Plan for Union Employees

Notes to Financial Statements

The loans are collateralized by the vested interest in the participants' accounts and bear interest at a rate commensurate with local market rates for similar loans. Participant loans currently bear interest varying from 3.75% to 9.50%.

Forfeitures

Forfeitures of terminated participants' non-vested accounts may be used to reduce future contributions made by the employer and to offset expenses incurred by the Plan. Forfeitures utilized to reduce employer matching contributions totaled approximately \$42,000 in 2024 and \$25,000 in 2023. The balance of forfeitures was \$2,300 and \$300 at December 31, 2024 and 2023, respectively.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their accounts.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are maintained on the accrual basis of accounting, except for benefit payments, which are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Fair value is defined as the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at a measurement date. When determining the fair value measurements for assets and liabilities required to be recorded at fair value, the Plan considers the principal or most advantageous market in which it would transact and considers the assumptions that market participants would use when pricing the asset or liability.

The three levels of inputs that may be used to measure fair value are as follows:

Level 1 - This level consists of quoted prices in active markets for identical assets or liabilities.

Level 2 - This level consists of observable inputs other than quoted prices in active markets for identical assets and liabilities, quoted prices for identical or similar assets or liabilities in inactive markets, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

ABARTA, Inc. Deferred Compensation 401(k) Savings Plan for Union Employees

Notes to Financial Statements

Level 3 - This level consists of inputs that are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

There were no transfers between levels during the year ended December 31, 2024.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds are public investment vehicles valued using the net asset value (NAV) provided by the administrator of the fund on the last day of the Plan's year-end using a quoted price in an active market and are classified within Level 1 of the fair value hierarchy.

The Plan's investment in the Managed Income Portfolio (the Fund) is a public investment vehicle that seeks to preserve capital and to provide income over time.

The Fund is valued using the NAV provided by the trustee on the last day of the Plan's year-end, as a practical expedient for fair value. NAV is based on the value of the underlying assets owned by the trust, primarily corporate bonds, U.S. and foreign government agency bonds, mortgage securities, and money market funds, minus its liabilities, and then divided by the number of shares outstanding. The Plan's participants may exchange units in the Fund on a daily basis with minimal restrictions. The Plan is required to provide a one-year redemption notice to liquidate its entire share in the Fund. The Plan has no unfunded commitments relating to the Fund at December 31, 2024 or 2023.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net investment gain or loss includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Risks and Uncertainties

The Plan's investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with these investments and the level of uncertainty related to changes in the value of these investments, it is at least reasonably possible that changes in the near term could materially affect the amounts reported in the statements of net assets available for plan benefits, the statement of changes in net assets available for plan benefits, and participant account balances.

Savings Plan for Union Employees**

Notes to Financial Statements

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Administrative Expenses

Administrative expenses are paid by the Company or the Plan, as provided by the Plan document. Expenses paid by the Company are excluded from the financial statements.

Benefit Payments

Benefits are recorded when paid.

Consideration of Subsequent Events

Plan management has evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through March 9, 2026, the date the financial statements were approved and authorized for issue.

3. Investments

The following tables set forth the fair value of the Plan's assets measured on a recurring basis, by level, as described in Note 2:

December 31, 2024

	Level 1	Total
Mutual funds at fair value	\$ 12,960,663	\$ 12,960,663
Common collective trust measured at NAV	-	533,443
Investments at Fair Value	\$ 12,960,663	\$ 13,494,106

December 31, 2023

	Level 1	Total
Mutual funds at fair value	\$ 11,305,325	\$ 11,305,325
Common collective trust measured at NAV	-	517,304
Investments at Fair Value	\$ 11,305,325	\$ 11,822,629

4. Certification of Financial Information

Certain information disclosed in the accompanying financial statements and ERISA-required supplemental Schedule H (Form 5500), Line 4i - Schedule of Assets (Held at End of Year), related to investments and notes receivable from participants held as of December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity, a qualified institution.

ABARTA, Inc. Deferred Compensation 401(k) Savings Plan for Union Employees

Notes to Financial Statements

5. Related Parties and Exempt Parties-in-interest Transactions

Certain Plan investments in mutual funds and the common collective trust are managed by the trustee. Therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for custodian and recordkeeping services were not significant for the year ended December 31, 2024.

The Plan has notes receivable from participants subject to specific guidelines as defined in the Plan document (see Note 1).

These transactions are not deemed prohibited party-in-interest transactions, because they are covered by statutory or administrative exemptions from the IRC and ERISA's rules on prohibited transactions.

6. Tax Status

The Plan Sponsor has adopted a pre-approved plan of Fidelity. Fidelity obtained a letter, dated June 30, 2020, in which the Internal Revenue Service stated its opinion that the form of the pre-approved plan of Fidelity is acceptable under Section 401 of the IRC for use by employers for the benefit of their employees. The Plan has since been amended.

The Plan administrator, the trustee, and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a taxing authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for plan benefits per the financial statements to Schedule H of Form 5500:

<i>December 31,</i>	2024	2023
Net assets available for plan benefits per the financial statements	\$ 14,595,143	\$ 12,214,102
Adjustment from Form 5500 reporting to financial statements	(32,083)	(29,450)
Net Assets Available for Plan Benefits per Schedule H of Form 5500	\$ 14,563,060	\$ 12,184,652

**ABARTA, Inc. Deferred Compensation 401(k)
Savings Plan for Union Employees**

Notes to Financial Statements

The following is a reconciliation of the net increase in net assets available for plan benefits per the financial statements to Schedule H of Form 5500:

Year ended December 31, 2024

Net Increase in Net Assets Available for Plan Benefits Before Transfers, per the financial statements	\$ 2,394,919
Adjustment from Form 5500 reporting to financial statements	(2,633)
Net Income, per Schedule H of Form 5500	\$ 2,392,286

8. Contribution Corrections

The Company failed to timely remit employee deferrals to the Plan in 2018 through 2024 due to an error in the auto-enrollment process. The employee deferrals and employer contributions of approximately \$446,200 will be remitted to the Plan during the 2026 Plan year. The Company computed lost earnings on these deposits of approximately \$172,000, which the Company will contribute to the Plan during the 2026 plan year.
