INDEPENDENT AUDITORS' REPORT

To the Trustees of
Glade Run Lutheran Services Employee Benefit Plan

Opinion

We have audited the accompanying financial statements of Glade Run Lutheran Services Employee Benefit Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of June 30, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

GLADE RUN LUTHERAN SERVICES EMPLOYEE BENEFIT PLAN

NOTES TO FINANCIAL STATEMENTS

1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization - Glade Run Lutheran Services Employee Benefit Plan (the "Plan"), which was established on July 1, 2021 by Glade Run Lutheran Services (Glade Run), provides funding for medical benefits covering eligible full-time employees of Glade Run and their dependents and utilizes a trust as its operating vehicle. Effective July 1, 2023, the plan was amended and restated to incorporate elections for prescription benefits through the Consolidated Omnibus Budget Reconciliation (COBRA) Act. Effective July 1, 2024, the plan was amended and restated to establish HealthNow Administrative Services as the Plan's administrative services provider. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended, and regulation under state law.

The Plan is self-insured; however, individual and aggregate stop loss insurance policies are utilized to mitigate risks and control claim costs. The Plan is sponsored by Glade Run and is a member of the Veris Benefits Consortium (which does business as Benecon and which provides access to competitive rates and performs recordkeeping services). There are also administrative services agreements with HealthNow Administrative Services (HealthNow) and AmeriHealth Administrators Inc. (AmeriHealth) for the years ended June 30, 2025 and 2024, respectively (see Note 2).

Eligibility of participants is defined by the Plan and participants should refer to the eligibility provisions of the Plan for a more complete description. Generally, full-time employees are defined as at least 30 hours of service per week and must be employed for 30 consecutive days to become eligible to participate in the Plan.

The Plan pays claims net of established deductibles. The participants are responsible for the full deductibles.

Contributions - Each month, Glade Run is billed a fixed amount for each type of coverage (individual, family, etc.), which is comprised of an administrative service fee, management fee, stop loss insurance premiums and an estimated claims amount which is remitted to the Plan. Contributions are funded in part by contributions made by Glade Run and in part by pre-tax contributions made by participants as determined on an annual basis, which ranged from approximately 19% to 34% of the total cost for the years ended June 30, 2025 and 2024.

Use of Estimates - The preparation of financial statements in conformity with accounting principles accepted in the United States (U.S. GAAP) often involves estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and

liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from these estimates.

Cash - The Plan maintains, in an interest-bearing checking account via a trust at a financial institution, cash which may at times exceed federally insured amounts and which may at times exceed reported amounts due to outstanding checks.

Stop Loss Reimbursement - This receivable represents the amount due from an insurer as a result of claims incurred exceeding the stop loss amounts for the years ended June 30, 2025 and 2024.

Estimated Claims Incurred But Not Reported - The estimated medical claims incurred but not reported is computed by Benecon, utilizing accepted actuarial principles, on the basis of the historical experience relative to the time lag between incurrence of claims and the reporting of such claims to the Plan.

Management and Administrative Expenses - Management and administrative expenses are paid by the Plan; audit expenses are paid by Glade Run.

Subsequent Events - Management has evaluated subsequent events through March 4, 2026, the date which the financial statements were available to be issued.

2. SELF-INSURED CLAIMS AND RELATED MATTERS

The Plan is self-insured with respect to the coverage options provided to the participants. Claims are processed for payment on the Plan's behalf under an administrative services contract. Claims are recorded as incurred by the Plan, net of stop loss reimbursements, which were \$363,336 and \$10,736 for the years ended June 30, 2025 and 2024, respectively, including \$92,839 and \$672 reflected as receivable at June 30, 2025 and 2024, respectively.

At any point in time, there are claims outstanding as a result of participants or providers not submitting documentation regarding services provided and the related expense. As of June 30, 2025 and 2024, the Plan recorded estimated liabilities of \$155,000 and \$128,000, respectively, for claims incurred but not reported. The incurred but not reported claims were determined based on historical data, as adjusted by an actuarially determined reserve factor.

Because actual claim costs depend on complex factors such as inflation and changes in doctrines of legal liability and damage awards, the process used in computing claim liabilities does not necessarily result in an exact amount. Claim liabilities are recomputed periodically to produce current estimates that reflect claim settlements, claim frequency and

other economic and social factors. As the claims are estimated, it is at least reasonably possible that the estimate will change in the near term.

3. PLAN TERMINATION

Although they have not expressed any intention to do so, the Trustees have the right under the Plan to modify the benefits provided to active participants and to terminate the Plan subject to the provisions set forth in ERISA.

4. INCOME TAX STATUS

The Plan is a self-funded, welfare benefit plan which has established a trust to hold the Plan's assets and is operated in accordance with ERISA. Federal and state income taxes are provided for income taxes attributable to taxable interest income. The Trustees believe the Plan has operated in compliance with the applicable provisions of the Internal Revenue Code. Management believes there is no liability related to uncertain tax positions at June 30, 2025. The Plan is no longer subject to income tax examinations for tax years prior to 2023.

5. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

As described in Note 1, the Plan has arrangements with Veris Benefits Consortium, HealthNow, and AmeriHealth for various administrative functions. The costs associated with these transactions are included in management and administrative fees. Therefore, these transactions qualify as party-in-interest transactions.

Neither Glade Run nor the Trustees involved in administering the Plan receive any compensation from the Plan.
