INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Acieta Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Acieta Retirement Plan ("the plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of May 7, 2025, December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the period / years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor ("DOL")'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of and for the period / years ended May 7, 2025, December 31, 2024 and 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's elections of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for one year after the date that the financial statements were available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risk of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of the ERISA Section 103(a)(3)(C) audits is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings and certain internal control related matters that we identified during the audits.

Other Matter - Plan Merger

As described in Note 1 to the financial statements, effective May 1, 2025, the plan sponsor elected to merge the plan into the Risk Strategies Pooled Employer Plan for Private Equity Portfolio Co's. As a result, all net assets of the plan were transferred to the Risk Strategies Pooled Employer Plan for Private Equity Portfolio Co's Plan during 2025.

ERISA-Required Supplementary Information

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and is derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2024 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Acieta Retirement Plan
Notes to Financial Statements
May 7, 2025, December 31, 2024 and 2023

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of accounting - Acieta Retirement Plan ("the plan") followed the accrual method of accounting wherein additions and deductions are reflected in the period earned or incurred.

Accounting estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Plan merger - Effective May 1, 2025, the plan sponsor elected to merge the plan into the Risk Strategies Pooled Employer Plan for Private Equity Portfolio Co's. As a result, all net assets of the plan were transferred into the Risk Strategies Pooled Employer Plan for Private Equity Portfolio Co's during 2025.

Subsequent events - The financial statements include management's evaluation of the events and transactions occurring subsequent to May 7, 2025 through February 10, 2026, which is the date the financial statements were available to be issued.

Key parties of the plan - Acieta LLC was the plan sponsor, employer and the plan administrator. Empower Trust Company, LLC was the trustee that held custody of the plan's mutual funds and common/collective trusts. Empower Annuity Insurance Company of America held custody of the plan's guaranteed investment contract. Empower Retirement, LLC was the recordkeeper that maintained investment and participant records and is the brand name which refers to the products and services provided by both Empower entities discussed above, collectively referred to as "Empower". Peak Retirement Group was the third-party administrator and performed various compliance tests as tax counsel. M3 Financial was the plan's investment advisor.

Investments - The plan sponsor determined the investments available to plan participants. The participants allocated their contributions and transfer existing balances among the available investment options. The earnings on investments bought, sold, and held during the period and years are reflected in the statements of changes in net assets available for benefits. Participants should refer to the prospectuses and annual reports of the investments for more information.

Fair value measurements - GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical investments (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1 - Valuation is based upon quoted prices in active markets for identical investments.
- Level 2 - Valuation is based upon other significant observable inputs (including quoted prices for similar investments).
- Level 3 - Valuation is based upon significant unobservable inputs (including the plan's assumptions in determining the fair value of investments).

Following is a description of the valuation methodologies used for investments measured at fair value.

Mutual funds - Valued at the daily quoted market prices as reported by the funds. Mutual funds held by the plan were registered with the U.S. Securities and Exchange Commission, and were required to publish their daily net asset value ("NAV") and were deemed to be actively traded.

Common/collective trusts - The common/collective trusts were valued at NAV and were direct filing entities. The NAV was generally based on the fair value of the underlying common/collective trusts held by the trusts less their liabilities. The NAV was used as a practical expedient to estimate fair value. This practical expedient would not be used if it was determined to be probable that the common/collective trusts would sell the investment for an amount different than the reported NAV.

Acieta Retirement Plan
Notes to Financial Statements
May 7, 2025, December 31, 2024 and 2023

The plan administrator determined by level, within the fair value hierarchy, the plan's investments at fair value as set forth below.

Investments at fair value as of December 31, 2024

	Level 1	Level 2	Level 3	Total
Mutual funds	\$16,077,530	\$ -	\$ -	\$16,077,530
Total investments in the fair value hierarchy	\$16,077,530	\$ -	\$ -	16,077,530
Investments measured at NAV (a)				1,131,508
Total investments at fair value				\$17,209,038

Investments at fair value as of December 31, 2023

	Level 1	Level 2	Level 3	Total
Mutual funds	\$15,002,025	\$ -	\$ -	\$15,002,025
Total investments in the fair value hierarchy	\$15,002,025	\$ -	\$ -	15,002,025
Investments measured at NAV (a)				1,064,837
Total investments at fair value				\$16,066,862

(a) In accordance with GAAP, certain investments that were measured at NAV have not been classified in the fair value hierarchy. The fair value amounts presented in the above table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value was measured using the NAV as a practical expedient. There were no participant redemption restrictions for these investments; the redemption notice period, if any, was applicable only to the plan.

December 31, 2024	Fair value	Unfunded commitments	Redemption frequency	Redemption notice period
Common/collective trusts	\$1,131,508	n/a	Daily	n/a
December 31, 2023	Fair value	Unfunded commitments	Redemption frequency	Redemption notice period
Common/collective trusts	\$1,064,837	n/a	Daily	n/a

Investment at contract value - The plan had a fully benefit-responsive guaranteed investment contract through an annuity contract issued by Empower. Empower maintained the contributions in a general account product backed by the general assets of Empower. Empower was contractually obligated to repay the principal and a specified interest rate that was guaranteed to the plan. The interest crediting rate was reset quarterly.

Acieta Retirement Plan
Notes to Financial Statements
May 7, 2025, December 31, 2024 and 2023

This contract met the fully benefit-responsive investment contract criteria and therefore was reported at contract value. Contract value was the relevant measure for fully benefit-responsive investment contracts because this was the amount received by participants if they were to initiate permitted transactions under the terms of the plan. Contract value, as reported to the plan by Empower, represented contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may have ordinarily directed the withdrawal of all or a portion of the investment at contract value.

The contract did not have a maturity date and there were no contract provisions that required a distribution at contract value at any specified time. There was no market value adjustment from contract value deducted from plan assets at the time of liquidation.

2. DESCRIPTION OF PLAN

The following brief description of the plan is provided for general information purposes only. Participants should refer to the plan agreement for more complete information.

General - The plan was established on July 1, 2019, as a defined contribution plan and had a 401(k) salary deferral arrangement. It was subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and subsequent amendments.

Eligibility - Employees were eligible once they had completed 3 months of service and had reached 18 years of age. An employee was allowed to enter the plan on the first day of the month immediately following the employee meeting the eligibility requirements.

Contributions - Contributions to the plan were recorded in the year in which the eligible compensation was paid. Contributions to the plan could have been made as follows:

- a. Participants could contribute a percentage of their compensation subject to certain limitations (elective deferral contributions). Upon meeting the eligibility requirements, employees were automatically enrolled in the plan and had 8% of their compensation withheld as elective deferral contributions. Those participant deferral percentages automatically increased by 1% each year until they reached a maximum of 15%. Such participants had the option to increase, decrease, or stop the deferral by completing the necessary documentation. The plan also allowed Roth elective deferral contributions.
- b. Participants could make rollover contributions to the plan from other qualified plans.
- c. Employer matching contributions could be made at the employer's discretion. During 2025, 2024 and 2023, the employer offered an employer matching program, paid bi-weekly coinciding with the employer's payroll, equal to 100% of the first 3% and 50% of the next 2% of the employee compensation contributed as elective deferral contributions.
- d. Employer non-elective contributions could have been made at the employer's discretion. No such contributions were made in 2025, 2024 and 2023.

Participant accounts - Earnings, including the fair value appreciation (depreciation), were allocated to participant accounts on a daily basis based upon the performance of the investment options selected. Each participant's account was credited with the participant's elective deferral contributions and rollover contributions and an allocation of employer contributions. Participants were allowed to transfer funds between the various investment options on a daily basis and could change their deferral percentage each pay period.

Vesting - Participants were always 100% vested in their elective deferral and rollover contributions and related earnings. Participants began vesting in employer contributions and related earnings after their first year of service, at which time they were 20% vested. The participant then vested at a rate of 20% for each year thereafter. Upon death, disability, or attainment of normal retirement age (defined as 62) while employed, participants became 100% vested.

Acieta Retirement Plan
Notes to Financial Statements
May 7, 2025, December 31, 2024 and 2023

Payment of benefits - Benefit payments were recorded when paid and could commence upon death, disability, attainment of normal retirement age or termination of employment. Participants could receive the distribution of their accrued benefits in the form of a single lump sum payment or partial withdrawals. In-service withdrawals could commence upon reaching age 59½. Hardship withdrawals were also permitted under certain circumstances.

Forfeitures - Forfeitures could have been used to pay administrative expenses or reduce employer contributions. There were no forfeitures used during 2025 and 2024. Forfeitures of \$21,000 were used to reduce employer contributions during 2023. Unapplied forfeitures of \$14,000 were transferred to the Risk Strategies Pooled Employer Plan for Private Equity Portfolio Co's. Unapplied forfeitures were \$4,000 as of December 31, 2024. There were no unapplied forfeitures as of December 31, 2023.

Administrative fees - Certain administrative expenses of the plan were paid by the employer. Certain other administrative fees were paid using plan assets and recorded as administrative expenses in the accompanying financial statements. Such expenses included participant directed charges for distribution fees and loan fees and nonparticipant directed charges for service, administrative and advisory fees. Nonparticipant directed charges were allocated to the participants on an account value basis.

Notes receivable from participants - Participants could obtain loans from their accounts with approval of the plan administrator. Each participant could only have one loan outstanding at any time. The minimum loan amount was \$1,000 and the loans could not exceed the lesser of 50% of the participant's vested account balance or \$50,000. Loans were required to be paid back over a period not to exceed five years. As of December 31, 2024, loans outstanding had various repayment schedules through October 2029 with interest rates ranging from 5.25% to 10.50%. The notes receivable from participants were valued at their unpaid principal balances plus any accrued but unpaid interest, which approximated fair value. The loan balances on May 7, 2025 were transferred to the Risk Strategies Pooled Employer Plan for Private Equity Portfolio Co's as a result of the plan merger.

3. INCOME TAX STATUS

The plan was operating under a CCH Incorporated pre-approved profit sharing plan that received a favorable opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan administrator has not obtained a separate Internal Revenue Service opinion or determination letter for the plan. However, the plan administrator and tax counsel believe that the plan was designed and operated in compliance with the applicable requirements of the Internal Revenue Code, and therefore, believed the plan was qualified, and the related trust was tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the plan and recognize tax liabilities (or assets) if the plan has taken any uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. Plan management analyzed the requirements for accounting for uncertain tax positions taken and determined the plan was not required to recognize any tax liabilities (or assets) related to uncertain tax positions taken as of May 7, 2025, December 31, 2024 and 2023. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress.

4. PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments were managed by Empower. Empower was the plan trustee that held custody of the plan assets and therefore, these transactions qualified as party-in-interest transactions.

In addition, the plan had an administrative service agreement with Empower in which Empower provided certain administrative services to the plan. Empower received indirect compensation from the mutual fund service providers for services Empower provided to the funds. This indirect compensation was used to offset certain amounts owed to Empower for its administrative services to the plan. The plan paid Empower directly for certain other service fees that were not covered by the revenue sharing provisions per the administrative service agreement. These direct fees paid were \$16,000, \$28,000 and \$24,000 in 2025, 2024 and 2023.

Acieta Retirement Plan
Notes to Financial Statements
May 7, 2025, December 31, 2024 and 2023

Notes receivable from participants also qualified as party-in-interest transactions.

All of the above party-in-interest transactions were exempt from the prohibited transaction rules of ERISA.

5. INFORMATION CERTIFIED BY EMPOWER

Management has obtained certifications from Empower, a qualified institution under the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, that stated the following information with respect to assets held for investment of the plan is complete and accurate:

- a. Investments held and the fair values and contract values of such and the notes receivable from participants as of May 7, 2025, December 31, 2024 and 2023;
- b. Dividends from investments, net appreciation (depreciation) in fair value of investments and interest income on notes receivable from participants for the period ended May 7, 2025 and years ended December 31, 2024 and 2023;
- c. Contributions to, withdrawals from, purchases, sales, transfers and transfers between investment accounts for the period ended May 7, 2025 and for the years ended December 31, 2024 and 2023; and
- d. The report of individual participant accounts as of and for the period ended May 7, 2025 and as of and for the years ended December 31, 2024 and 2023.
