Re: Information Schedule A (Form 5500)  
BCN: E7206428

Dear D Courtright/K Garcia:

Colonial Life & Accident Insurance Company is pleased to certify the enclosed Schedule A information on your Colonial Life insurance products.

This Schedule A information is forwarded to you for use by your Plan Administrator in completing your annual report Form 5500 if your company is required to file this form. Colonial Life takes no position as to whether or not your insurance program constitutes a "Welfare Benefit Plan" under the ERISA Act of 1974. The enclosed report shows producer compensation information, including earned commissions and bonuses. Bonuses and non cash incentives are reported as "Amount of Fees Paid, If Any." The report also contains premium paid information and the approximate number of covered persons.

Colonial Life's premium paid information may differ from your records due to timing of posting payments, timing of employee payroll changes, and our internal business practices related to the application of premium. For this reason we suggest you use premium information from your records for reporting "Premium Paid to Carrier."

For more information on reporting requirements or assistance in completing the Form 5500, call the EFAST helpline at 1-866-463-3278. The form and additional information can also be accessed at [www.efast.dol.gov](http://www.efast.dol.gov). Consult your company attorney or other advisors if you have any questions regarding your obligation to file a Form 5500. For questions regarding the enclosed information, please contact Service Operations at 1-800-256-7004, option 1.

We appreciate this opportunity to serve you.

Sincerely,

Service Operations Department

Blue Shield uses the following allocation methodologies in reporting 5500 data:

Compensation Received by Blue Shield

- A. Pharmacy Manufacturer Retained Rebate (self-funded groups): Every quarter Blue Shield reconciles the pharmacy rebate payments received from manufacturers, and remits a portion of the payments (reimbursement amount as specified in contracts) back to self-funded groups either via a check or credit to claims reimbursement billing. An estimate of the remaining portion (retention amount) is used by Blue Shield to reduce administrative fees. This estimate is based on Blue Shield's self-funded book of business pharmacy rebate.

The payments received from manufacturers are distributed at the employer group level based on the calculated reimbursement amounts. The reimbursement amount is calculated based on payments received at the rebate claim level.

Reportable Compensation Paid to Third Parties

- A. Pharmacy Administration Fee (compensation to key vendors – self-funded groups): Blue Shield calculates a monthly per paid claim value based on invoice data; each employer group's portion is based on paid claim volumes for the months during the policy/contract timeframe.
- B. Broker Bonus Override (monetary item)\*: Blue Shield calculates an overall payment per broker; each employer group's portion is calculated based on their contribution to this payout for the policy/contract timeframe.
- Bonus Override values will be based on the actual payments received during the period and the type of bonus program.
- C. Marketing Allowances (monetary or non-monetary items)\*: In cases where the allowances cannot be attributed to a specific group, Blue Shield calculates a ppm value per broker per calendar year; each employer group's portion is based on member months for the policy/contract year.

Example: \$1,800 marketing allowance for Broker A / 150,000 mmos for Broker A's book of business x 3,000 mmos for Employer Group A = \$36.

D. Miscellaneous Gifts, Meals and Expenses (non-monetary item):

- For Core accounts (100 to 2,999 eligible subscribers): Blue Shield sums the miscellaneous gifts, meals, and entertainment expenses excluding the portion (based on a sampling) of the costs related to clients and Blue Shield personnel. The net expenses are divided by the entire mid/large book of business member months for the calendar year to derive one overall per member per month (pmpm) value; each customer's portion is based on member months for the policy/contract timeframe. **Note:** The amount reflected on the report does not reflect actual amounts (if any) received by an employer group's brokers/consultants.
- For Premier accounts (3,000+ eligible subscribers): Blue Shield allocates the broker/consultant portion of the expenses either to the specific employer groups involved or across the broker/consultant's entire book of business when a specific employer group cannot be identified.

\*These dollars are part of Blue Shield of California's overall SG&A and are not directly charged back to the client in the specific amount given.

D. Miscellaneous Gifts, Meals and Expenses (non-monetary item):

- For Core accounts (100 to 2,999 eligible subscribers): Blue Shield sums the miscellaneous gifts, meals, and entertainment expenses excluding the portion (based on a sampling) of the costs related to clients and Blue Shield personnel. The net expenses are divided by the entire mid/large book of business member months for the calendar year to derive one overall per member per month (pmpm) value; each customer's portion is based on member months for the policy/contract timeframe. **Note:** The amount reflected on the report does not reflect actual amounts (if any) received by an employer group's brokers/consultants.
- For Premier accounts (3,000+ eligible subscribers): Blue Shield allocates the broker/consultant portion of the expenses either to the specific employer groups involved or across the broker/consultant's entire book of business when a specific employer group cannot be identified.

\*These dollars are part of Blue Shield of California's overall SG&A and are not directly charged back to the client in the specific amount given.
