INDEPENDENT AUDITORS' REPORT

To the Trustee, Plan Administrator and Participants of
TF Inter-Holdings, Inc. Profit Sharing Plan
Goshen, Indiana

SCOPE AND NATURE OF THE ERISA SECTION 103(a)(3)(C) AUDIT OF THE 2025 FINANCIAL STATEMENTS

We have performed an audit of the financial statements of TF Inter-Holdings, Inc. Profit Sharing Plan, previously known as TF Inter-Holdings, Inc. Employee Stock Ownership Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of September 3, 2025 (in liquidation) and the related statement of changes in net assets available for benefits for the period September 29, 2024 through September 3, 2025 (in liquidation), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2025 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of September 3, 2025 and for the period September 29, 2024 through September 3, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

OPINION ON THE 2025 FINANCIAL STATEMENTS

In our opinion, based on our audit and on procedures performed as described in the Auditors' Responsibilities for the Audit of the 2025 Financial Statements section:

- The amounts and disclosures in the accompanying 2025 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying 2025 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FOR OPINION ON THE 2025 FINANCIAL STATEMENTS

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2025 financial statements.

EMPHASIS OF MATTER - PLAN TERMINATION BASIS OF ACCOUNTING

As further discussed in Note 1 to the financial statements, the Board of Directors of TF Inter-Holdings, Inc. Profit Sharing Plan approved a plan of liquidation on February 22, 2022, and management determined liquidation is imminent. The plan was then amended and filed for termination on May 31, 2023. The plan formally closed on September 3, 2025. As a result, TF Inter-Holdings, Inc. Profit Sharing Plan changed its basis of accounting from the going-concern basis of accounting to the liquidation basis of accounting used in presenting the 2024 and 2025 financial statements. Our opinion is not modified with respect to this matter.

RESPONSIBILITIES OF MANAGEMENT FOR THE 2025 FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

AUDITORS' RESPONSIBILITIES FOR THE AUDIT OF THE 2025 FINANCIAL STATEMENTS

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2025 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2025 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

OTHER MATTER - AUDITORS' REPORT ON THE 2024 FINANCIAL STATEMENTS

Predecessor auditors performed an audit of the 2024 financial statements of the Plan. NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the TF Inter-Holdings, Inc. Profit Sharing Plan, previously known as TF Inter-Holdings, Inc. Employee Stock Ownership Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General and Plan termination

The Plan was a leveraged employee stock ownership plan (“ESOP”) covering all qualified employees of TF Inter-Holdings, Inc. and adopting affiliated employers (collectively, the “Employer”). The Plan was designed to comply with Section 4975(e)(7) and the regulations thereunder of the Internal Revenue Code of 1986, as amended (“Code”), and is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). GreatBanc Trust Company is the Plan’s Trustee as is responsible for oversight of the Plan.

On February 22, 2022, the Trustee of the Plan and the Employer, entered into a stock purchase agreement with Stanz Troyer Holdings, LLC, for sale of 100 percent of the stock of the Employer in exchange for cash consideration. Since the Plan would no longer be primarily invested in the common stock of the Employer, the Plan converted to a profit sharing plan designed to comply with Section 401(a) of the Code and was renamed the “TF Inter-Holdings, Inc. Profit Sharing Plan.”

Additionally, on February 22, 2022, the Plan was frozen by the Trustee, thereby no employee shall become a participant in the Plan and there would be no further contributions to the Plan. Those participants who were not 100% vested as of February 22, 2022, became 100% vested.

Effective May 31, 2023, the Plan was terminated. Participants were allowed to elect a distribution of 85% of their account balance. Final distributions were made to participants in 2025 and the Plan closed on September 3, 2025.

Basis of presentation

Due to the decision to terminate the Plan on May 31, 2023, the financial statements as of September 3, 2025, and September 28, 2024, have been prepared using the liquidation basis of accounting, in accordance with accounting principles generally accepted in the United States of America (“GAAP”).

Payment of benefits

At plan termination effective May 31, 2023, participants were allowed to elect a disbursement of 85% of their account balances, with the remainder distributed following receipt of the Internal Revenue Service (“IRS”) favorable determination that termination of the Plan does not adversely affect its tax-qualified status. Favorable determination was received February 6, 2025, and remaining balances were distributed during the period.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Benefit payments

Benefit payments are recognized in the year paid.

Administrative expenses

All expenses of maintaining the Plan will be paid by the Plan. Investment-related expenses are included in the administration expenses and fees.

Investment valuation and income recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan determines the valuation policies utilizing information provided by the Custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Events occurring after reporting date

The Employer has evaluated events and transactions that occurred between September 3, 2025 and February 23 2026, the date the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

NOTE 3 - INFORMATION CERTIFIED BY CUSTODIAN

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2025 and 2024. Accordingly, GreatBanc Trust Company, the custodian of the Plan, has certified to the completeness and accuracy of all investments reported in the accompanying Statements of Net Assets Available for Benefits as of September 3, 2025 and September 28, 2024 and the related investment activity reported in the Statement of Changes in Net Assets Available for Benefits for the period September 29, 2024 to September 3, 2025. Such information was obtained by management and agreed to or derived from information certified as complete and accurate by a qualified institution.

NOTE 4 - FAIR VALUE

The Plan classifies its investments based on a hierarchy consisting of: Level 1 (valued using unadjusted quoted prices from active markets for identical assets), Level 2 (not traded on an active market, but for which observable market inputs are readily available) and Level 3 (valued based on significant unobservable inputs). The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets and liabilities measured at fair value:

| | |
|--------------------|--|
| Money market funds | Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The funds held by the Plan are deemed to be actively traded. |
|--------------------|--|

There have been no changes in the valuation methodologies used at September 28, 2024.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 - FAIR VALUE (CONTINUED)

The following table summarizes, by level, within the fair value hierarchy, investments measured at fair value on a recurring basis as of:

| | September 28, 2024 | |
|-------------------|--------------------|--------------|
| | Level 1 | Total |
| Money market fund | \$ 1,069,042 | \$ 1,069,042 |

NOTE 5 - PLAN TAX STATUS

The IRS determined and informed the Plan Administrator by letter dated November 29, 2017, that the Plan and related trust was designed in accordance with the applicable requirements of the Internal Revenue Code (“IRC”). The Plan has been amended since receiving the initial determination letter. On February 6, 2025, the IRS determined and informed the Plan Administrator by letter that the termination of the Plan does not affect its qualification for federal tax purposes.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in investment securities which are exposed to various risks, such as interest rate, credit and overall market risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

At September 28, 2024, the Plan had a concentration of investments in one fund, which represented approximately 100% of total investments.
