## Independent Auditor's Report

To the Plan Administrator and Those Charged with Governance  
403(B) Thrift Plan of Jewish Family Home Care, Inc.  
Davie, Florida

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of 403(B) Thrift Plan of Jewish Family Home Care, Inc. (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended June 30, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the qualified institution, in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of June 30, 2025 and 2024, and for the year ended June 30, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Information Required by ERISA**

The supplemental information of Schedule H, line 4a – schedule of delinquent participant contributions and Schedule H, line 4i – schedule of assets (held at end of year), as of or for the year ended June 30, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental information, other than the information in the supplemental information that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental information related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## NOTES TO FINANCIAL STATEMENTS

### Note 1 – Description of Plan

The following description of the 403(B) Thrift Plan of Jewish Family Home Care, Inc. (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

#### General and eligibility

The Plan is a defined contribution 403(b) thrift plan established on July 1, 2017, to provide retirement savings to eligible employees of Jewish Family Home Care, Inc. and its affiliate, Nursing Plus of Broward, LLC (collectively, the Organization, the Employers or Plan Sponsor). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Employees may participate in the Plan immediately upon employment.

The Organization is the Plan Administrator. Mutual of America Life Insurance Company (Mutual of America or the Custodian) is the Plan's Custodian and recordkeeper. Mutual of America holds all investment assets of the Plan in accordance with the service provider contract with the Organization.

#### Contributions

Participants may contribute up to 100% of their annual compensation, as defined, and within the limits prescribed by the Internal Revenue Service (IRS). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). However, the Plan will not accept any rollovers from a governmental 457(b) Plan. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Organization may make discretionary base contributions to the Plan. Participants who meet the eligibility requirements to participate in the Plan, have reached age twenty-one (21), and completed one year of credited service, are eligible to receive the Organization's discretionary base contributions. For the year ended June 30, 2025, the Organization made a discretionary base contribution on the participants' behalf equal to 50% of eligible participant elective deferrals contributed during the Plan year that do not exceed 3% of the participant's eligible compensation, as defined, during the Plan year. The Organization's discretionary base contributions amounted to \$33,852 for the year ended June 30, 2025.

Contributions are subject to certain IRS limitations.

#### Participant accounts

Each participant's account is credited with the participant's contributions, and an allocation of (a) Employers' contributions, and (b) Plan earnings or losses, and (c) is charged with his or her withdrawals and an allocation of administrative expenses. Allocations are based on participant earnings or losses, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### Vesting

Participants are immediately vested in their individual voluntary contributions, plus actual earnings or losses thereon. Vesting in the Organization's discretionary base contribution (if any) portion of their accounts, plus earnings or losses thereon, is based on years of credited service. A participant is 100% vested in their Organization's discretionary base contributions after 3 years of credited service.

# 403(B) THRIFT PLAN OF JEWISH FAMILY HOME CARE, INC.

## NOTES TO FINANCIAL STATEMENTS, CONTINUED

### Note 1 – Description of Plan, Continued

#### Vesting, continued

Participants become fully vested upon reaching normal retirement age, death, disability, or Plan termination. Participants who terminate for any other reason are entitled to the vested amount of their accounts.

The Organization's contributions, plus actual earnings or losses thereon, vest according to the following schedule:

<u>Years of Service</u>	<u>Vested %</u>
Less than 1	0%
1	33%
2	66%
3 or more	100%

#### Forfeitures

Forfeited nonvested accounts are used to reduce the Employers' future contributions or pay Plan administrative expenses. No forfeitures were utilized during the year ended June 30, 2025. As of June 30, 2025 and 2024, forfeited nonvested balances available amounted to \$160 and \$155, respectively.

#### Payment of benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum distribution, or in monthly installments or a rollover into another qualified plan. Funds may also be accessed prior to the date they become distributable by way of a financial hardship in accordance with the Plan's provisions and IRS guidelines. Participants may also withdraw their vested account balances at any time on or after age 59½, if certain criteria are met.

#### Participant loans

Participants may borrow from Mutual of America using their Mutual of America Interest Accumulation Fund balance as collateral for the loan. Collateral is required in an amount equal to 120 percent (120%) of the outstanding loan balance. Participants may borrow a minimum amount of \$1,000 up to the lesser of \$50,000 or 50 percent of their Mutual of America Interest Accumulation Fund balances subject to annuity contract and Plan provisions. Generally, loans to participants are required to be repaid within a period of five years, except loans to acquire the participant's principal residence which must be repaid within a reasonable period. As of June 30, 2025 and 2024, outstanding participant loans were \$20,770 and \$4,114, respectively, with an interest rate of 5.85%. Principal and interest are paid ratably through monthly or quarterly payments made by the participant directly to Mutual of America, and each payment reduces the amounts collateralized by the participant's Mutual of America Interest Accumulation Fund account balance.

Since participant loans are made directly from Mutual of America to the participant, these loans are not reflected in the accompanying statements of net assets available for benefits for all periods presented.

#### Plan administration

The Plan is administered by the Organization pursuant to the terms and conditions of the Plan document. Mutual of America serves as the Custodian of the Plan, provides recordkeeping, reporting, and Plan accounting services, and holds the Plan's investment assets. Participant and Plan Sponsor contributions are held and managed by the Custodian who invests cash received and makes distributions to participants (subject to participants' directions). Fees from covered service providers of the Plan are in compliance with the Department of Labor's (DOL) regulations regarding ERISA Section 408(b)(2).

#### Note 2 – Summary of Significant Accounting Policies

##### Basis of accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

##### Investment valuation and income recognition

Investments are reported at fair value (except for the fully benefit responsive investment contract which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the Plan's Custodian and investment advisor.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

##### Use of estimates

The preparation of financial statements in accordance with U.S. GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates, and those differences may be material.

##### Risks and uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the high level of risk associated with certain investments, including uncertainty related to changes in the values of investment securities, it is at least reasonably possible that changes in such risks in the near-term will materially affect participant account balances and the amounts reported in the financial statements.

##### Payment of benefits

The Plan records benefits when paid.

##### Plan expenses

Administrative expenses of maintaining the Plan are paid by the Organization and are excluded from these financial statements. Certain administrative expenses paid by the Plan consist of recordkeeping, custodial, and third-party administrator fees. Certain participant directed transactions such as withdrawal processing fees are charged directly to the participants' accounts.

##### Contributions

Contributions from Plan participants and the matching contributions from the Organization are recorded in the year in which the employee contributions are withheld from compensation.

##### Uncertain tax positions

U.S. GAAP requires Plan management to assess its uncertain tax positions for the likelihood they would be overturned upon examination by the IRS. In accordance with this guidance, the Plan Administrator has determined it does not have any positions at June 30, 2025, that it would be unable to substantiate.

#### Note 3 – Certified Investment Information

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mutual of America Life Insurance Company, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental information is complete and accurate:

- Investments as shown on the statements of net assets available for benefits as of June 30, 2025 and 2024;
- Net investment activity as shown in the statement of changes in net assets available for benefits for the year ended June 30, 2025; and
- Investment information included in the schedule of assets (held at end of year) as of June 30, 2025, as shown on the ERISA-required supplemental schedule.

At the request of the Plan's Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified information, except for comparing such certified information to the related investment information included in the financial statements, including the disclosures related to the investments to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP, and in the ERISA-required supplemental schedule, including assessing whether the supplemental schedule is in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

#### Note 4 – Fair Value Measurements

Accounting guidance provides a framework for measuring fair value and establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1	Unadjusted quoted prices for identical, unrestricted assets or liabilities in active markets that a plan has the ability to access.
Level 2	Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means for substantially the full term of the assets or liabilities.
Level 3	Significant unobservable inputs.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodology used at June 30, 2025 and 2024. During the year ended June 30, 2025, there were no transfers of financial instruments into or out of Level 3.

### NOTES TO FINANCIAL STATEMENTS, CONTINUED

#### Note 4 – Fair Value Measurements, Continued

The following is a description of the valuation methodology used for assets measured at fair value:

*Pooled Separate Accounts (PSAs)- are measured at the net asset value of the mutual funds in which the PSAs solely invest, these mutual funds are registered with the Securities and Exchange Commission and are actively traded on national securities exchanges. Accordingly, the PSAs are classified as Level 1 within the fair value hierarchy.*

The preceding method described may produce a fair value calculation that may not be indicative of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments measured at fair value, on a recurring basis as of June 30, 2025 and 2024:

	Fair Value Measurements as of June 30, 2025			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	<u>\$ 1,217,981</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,217,981</u>

  

	Fair Value Measurements as of June 30, 2024			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	<u>\$ 1,252,968</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,252,968</u>

#### Note 5 – Group Annuity Contract with Insurance Company

The Plan invests in a fully benefit-responsive guaranteed investment contract issued by Mutual of America Life Insurance Company (Mutual of America or the Issuer) with a contract value of \$209,742 and \$167,555 as of June 30, 2025 and 2024, respectively. The Mutual of America Interest Accumulation Account (the Account) is issued and guaranteed by Mutual of America. Contributions made to the Account are maintained in the Account which is a group annuity contract issued by Mutual of America.

The Account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Mutual of America is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rates are reviewed on a quarterly basis for resetting. Mutual of America may not terminate the contract prior to the scheduled maturity dates.

The contract meets the fully benefit-responsive investment criteria and, therefore, is reported at contract value in the accompanying statements of net assets available for benefits. Contract value is the relevant measurement for fully benefit-responsive investment contracts, because it is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan.

Contract value, as reported by Mutual of America, represents contributions made under the contract, plus earnings and losses, less participant withdrawals and expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of Mutual of America or otherwise.

The Plan's ability to receive amounts due is dependent on Mutual of America's ability to meet its financial obligations. Mutual of America's ability to meet its obligations may be affected by future economic and regulatory developments.

## 403(B) THRIFT PLAN OF JEWISH FAMILY HOME CARE, INC.

### NOTES TO FINANCIAL STATEMENTS, CONTINUED

#### **Note 5 – Group Annuity Contract with Insurance Company, Continued**

Certain events limit the ability of the Plan to transact at contract value with Mutual of America. Such events, include amendments to the Plan documents (including complete or partial termination or merger with another plan), changes to the Plan's prohibition or competing investment options or deletion of equity wash provisions, bankruptcy of the Plan Sponsor, or other Plan Sponsor events that cause a significant withdrawal from the Plan, the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA or premature termination of the contract. The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with the Plan's participants are probable of occurring.

In addition, certain events allow the Issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include an uncured violation of the Plan's investment guidelines, a breach of a material obligation under the contract, a material misrepresentation or a material amendment to the agreement without the consent of the Issuer.

Based on ongoing credit evaluations of its guaranteed investment contract investment, Plan management does not expect payment defaults or delinquencies and has not recorded an allowance for credit losses for this investment as of June 30, 2025 and 2024.

#### **Note 6 – Plan Termination**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in the Organization's contribution portion of their accounts.

#### **Note 7 – Tax Status**

On March 31, 2017, the IRS stated that the Prototype Non-Standardized 403(b) Plan adopted by the Plan, as then designed, qualifies under Section 403(b)(7) of the IRC, and therefore, the related trust is tax-exempt. The Plan has not received a determination letter specific to the Plan itself. The Plan has been amended since adoption, however, the Plan Administrator and the Plan's tax counsel believe that the Plan is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes that the Plan is no longer subject to income tax examinations for years prior to 2022.

#### **Note 8 – Party-In-Interest Transactions and Related Parties**

The Plan's investments consist of pooled separate accounts and a guaranteed investment contract issued, administered, and managed by Mutual of America, the Custodian and the Plan's recordkeeper. Participant loan and processing fees are paid directly to the Custodian. These transactions with the Custodian qualify as party-in-interest transactions. Certain management, recordkeeping and investment fees in the form of an expense ratio fee to each investment option are paid by the Plan and deducted from earnings on investments. These transactions are party-in-interest transactions, which are exempt from the prohibited transaction rules under ERISA.

Certain administrative functions are performed by officers and employees of the Employers. No officer or employee receives compensation from the Plan for these services. Such transactions are exempt from the prohibited transaction rules under ERISA.

**403(B) THRIFT PLAN OF JEWISH FAMILY HOME CARE, INC.**

**NOTES TO FINANCIAL STATEMENTS, CONTINUED**

**Note 9 – Delinquent Participant Contributions**

As required by ERISA Section 2510.3-102, the Plan Sponsor is required to segregate participant contributions from its general assets and remit to the Plan as soon as is practicable. Failure to remit participant contributions to the Plan in a timely manner results in a prohibited transaction which must be separately reported to the DOL and may result in penalties to the Plan Sponsor. During 2022, 2020 and 2019, the Plan Sponsor failed to timely remit certain participant contributions totaling \$8,203, \$121,701 and \$76,914, respectively. The 2022, 2020 and 2019 late contributions have been corrected and the lost earnings have been remitted to the Plan's participants during the fiscal year ended June 30, 2025.

**Note 10 – Subsequent Events**

The Plan evaluated events occurring subsequent to June 30, 2025 through February 11, 2026, the date on which the financial statements were available to be issued, for matters that should be recorded in the financial statements or disclosed in the footnotes thereto.
