## INDEPENDENT AUDITOR'S REPORT

Board of Trustees  
United Food and Commercial Workers  
Union Local No. 1529 and Employers  
Health and Welfare Fund for Retirees

### Opinion

We have audited the accompanying financial statements of United Food and Commercial Workers Union Local No. 1529 and Employers Health and Welfare Fund for Retirees, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of benefit obligations as of May 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and of benefit obligations of the United Food and Commercial Workers Union Local No. 1529 and Employers Health and Welfare Fund for Retirees as of May 31, 2025 and 2024, and the changes in its net assets available for benefits and of changes in benefit obligations for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the United Food and Commercial Workers Union Local No. 1529 and Employers Health and Welfare Fund for Retirees and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

## **Responsibilities of Management for the Financial Statements (continued)**

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the United Food and Commercial Workers Union Local No. 1529 and Employers Health and Welfare Fund for Retirees' ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the United Food and Commercial Workers Union Local No. 1529 and Employers Health and Welfare Fund for Retirees' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

## Auditor's Responsibilities for the Audit of the Financial Statements (continued)

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the United Food and Commercial Workers Union Local No. 1529 and Employers Health and Welfare Fund for Retirees' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at year end) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

HEALTH AND WELFARE FUND FOR RETIREES**

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED MAY 31, 2025 AND 2024

**NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Method of Accounting** - The financial statements have been prepared using the accrual basis of accounting.

**Benefit Obligations** - Amounts currently payable at year end were estimated by the United Food and Commercial Workers Union Local No. 1529 and Employers Health and Welfare Fund for Retirees Plan's (the Plan) consultant based on claims experience.

The actuarial present value of the expected post-retirement benefit obligation is determined by the Plan's consultant and is the amount that results from applying actuarial assumptions to historical claims-cost data to estimate future annual incurred claims costs per participant and to adjust such estimates for the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as those for death, disability, withdrawal or retirement) between the valuation date and the expected date of payment.

**Use of Estimates** - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition** - Investments of the Plan are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell an asset (or paid to transfer a liability) in an orderly transaction between market participants at the measurement date (the exit price). Purchases and sales of securities are reported on a trade-date-basis. Interest income is reported on the accrual basis. Dividends are reported on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as, held during the year.

**Reclassifications** - Certain prior year amounts have been reclassified to conform to the current year's presentation. These reclassifications did not change the previously reported net assets available for benefits.

## **NOTE 2. DESCRIPTION OF THE PLAN**

The Board of Trustees (Trustees) established the Plan effective January 1, 2014. The Plan will provide for a lifetime maximum benefit of \$50,000 for each Retiree and each dependent. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

## **NOTE 3. PRIORITIES UPON TERMINATION**

It is the intent of the Trustees to continue the Plan in full force and effect; however, to safeguard against any unforeseen contingencies, the right to discontinue the Plan is reserved to the Trustees. In the event of termination, the Trustees shall first satisfy or make provisions to satisfy the obligations of the Plan. Any remaining Plan assets will be distributed in such manner as will in the opinion of the Trustees bring about the purpose of the Plan. Termination shall not permit any part of the Plan assets to be used for or diverted to purposes other than the exclusive benefit of the participants.

## **NOTE 4. TAX EXEMPT STATUS**

The Internal Revenue Service has advised that the Plan qualifies under Section 501(c)(9) of the Internal Revenue Code (IRC) and is, therefore, not subject to tax under present income tax laws. The Plan's administrator and the Plan's counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. They believe the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

The Plan accounts for income taxes in accordance with the Accounting Standards Codification (ASC) Topic *Income Taxes*. These provisions provide consistent guidance for the accounting for uncertainty in income taxes recognized in an entity's financial statements and prescribed a threshold of "more likely than not" for recognition and derecognition of tax positions taken or expected to be taken in a tax return. The Plan performed an evaluation of uncertain tax positions for the years ended May 31, 2025 and 2024, and determined that there were no matters that would require recognition in the financial statements or that may have an effect on its tax-exempt status. As of May 31, 2025, the statute of limitations for tax years 2021 through 2023 remains open with the U.S. federal jurisdiction and the various states and local jurisdictions in which the Plan files returns.

## **NOTE 5. FUNDING POLICY**

The Plan was initially financed by a one-time \$1.1 million contribution made by The Kroger Company and Retiree contributions. Subsequently, the Kroger Company contributes \$91,667 per month plus retiree contributions. The Kroger contributions were discontinued effective January 1, 2023.

## NOTE 6. CASH AND CASH EQUIVALENTS

The following are the balances of the cash and cash equivalents accounts as of May 31, 2025 and 2024:

	<u>2025</u>	<u>2024</u>
Sweep	\$ 1,363,114	\$ 1,816,642
Operating	100,000	100,000
Claims	<u>(9,390)</u>	<u>(26,503)</u>
Total	<u>\$ 1,453,724</u>	<u>\$ 1,890,139</u>

## NOTE 7. FAIR VALUE MEASUREMENTS

Accounting standards provide the framework for measuring fair value which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include other significant observable inputs including:
- Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability; and
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

## NOTE 7. FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables sets forth by level, within the fair value hierarchy, the Fund's investments at fair value as of May 31, 2025 and 2024:

	Assets at fair value as of May 31, 2025			
	Total	Level 1	Level 2	Level 3
Cash equivalents	<u>\$ 900,055</u>	<u>\$ 900,055</u>	<u>\$ -</u>	<u>\$ -</u>
Total assets in the fair value hierarchy	<u>\$ 900,055</u>	<u>\$ 900,055</u>	<u>\$ -</u>	<u>\$ -</u>

	Assets at fair value as of May 31, 2024			
	Total	Level 1	Level 2	Level 3
Cash equivalents	<u>\$ 860,618</u>	<u>\$ 860,618</u>	<u>\$ -</u>	<u>\$ -</u>
Total assets in the fair value hierarchy	<u>\$ 860,618</u>	<u>\$ 860,618</u>	<u>\$ -</u>	<u>\$ -</u>

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in methodology used at May 31, 2025 and 2024.

Cash equivalents are valued at cost which approximates fair value.

## NOTE 8. DEFERRED REVENUE

Deferred revenue represents June or later contributions by retirees received by the Plan prior to May 31, 2025.

## NOTE 9. ESTIMATED LIABILITY FOR INCURRED BUT UNPAID CLAIMS

At May 31, 2025, the liability for claims incurred but unpaid by the Plan is estimated by the consultant to be \$31,000. This represents \$22,000 reported and unpaid and \$9,000 incurred but unreported.

## NOTE 10. POST-RETIREMENT BENEFIT OBLIGATIONS

The Plan provides health care coverage to certain retirees for themselves and their dependents. The Trustees reserve the right to alter or terminate the retiree benefits at any time. The amount reported as the post-retirement benefit obligation represents the actuarial present value of those estimated future benefits that are attributed by the terms of the Plan to employees' service rendered to the date of the financial statements. Post-retirement benefits include future benefits expected to be paid to or for (1) currently retired or terminated employees and their beneficiaries and dependents and (2) active employees and their beneficiaries and dependents after retirement from service with the participating employers.

## NOTE 10. POST-RETIREMENT BENEFIT OBLIGATIONS (CONTINUED)

The post-retirement benefit obligation represents the amount that is to be funded by contributions from the Plan's participating employers from existing Plan assets.

## NOTE 11. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA.

## NOTE 12. REIMBURSEMENT OF ADMINISTRATIVE EXPENSES

The percentage of Retirees to the percentage of total eligibles was determined to be 6.80%. The Trustees approved this percentage and the Plan will reimburse the Active Fund for rent, utilities, postage, telephones, printing and paper products.

Benefit related expenses will be paid on the per member per month fee by the Plan.

The Active Plan stopped paying for rent, utilities, postage, telephones, printing and paper products for the Retiree Plan, effective January 1, 2025.
