Independent Auditor's Report

To the Board of Trustees
Plumbers and Steamfitters Local Union 248
Health and Welfare Plan

Report on the Financial Statements

We have audited the accompanying financial statements of the Plumbers and Steamfitters Local Union 248 Health and Welfare Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of May 31, 2025 and 2024 and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plumbers and Steamfitters Local Union 248 Health and Welfare Plan as of May 31, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plumbers and Steamfitters Local Union 248 Health and Welfare Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plumbers and Steamfitters Local Union 248 Health and Welfare Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plumbers and Steamfitters Local Union 248 Health and Welfare Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plumbers and Steamfitters Local Union 248 Health and Welfare Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Assets Held at End of Year as of May 31, 2025 and the Schedule of Reportable Transactions for the year ended May 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules are fairly stated, in all material respects, in relation to the financial statements, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Plumbers and Steamfitters Local Union 248
Health and Welfare Plan

Notes to Financial Statements

May 31, 2025 and 2024

1. Description of the Plan

The following descriptions of the Plumbers and Steamfitters Local Union 248 Health and Welfare Plan (the Plan) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan.

General

The Plan is a multi-employer plan established to provide health insurance and other health care benefits to all eligible participants working under the jurisdiction of Plumbers and Steamfitters Local Union 248. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

The Plan is currently financed by employer contributions at a current rate of \$9.70 per hour worked, and direct contributions by members. Effective June 2024, the contribution rate was increased from \$9.45 to \$9.70 per hour worked.

Insured Benefits

The Plan fully insures the life insurance, dental insurance, vision insurance, and Medicare Advantage benefits. The Plan purchases annual insurance contracts for these insured benefits. In addition, the plan purchases stop loss insurance to actively manage catastrophic medical claims.

Self-Insured Benefits

All other Plan benefits are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by the Plan. Ultimate responsibility for payments to providers and participants is retained by the Plan.

Plumbers and Steamfitters Local Union 248

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

Payment of Benefits

Premiums paid are recorded as premium payments in the accompanying consolidated statement of changes in net assets available for benefits. Claim payments are recorded when submitted to the Plan by the third-party claims processor for reimbursement. Claims paid by the claims processor prior to year end or claim payments submitted to the Plan by the third-party claims processor that are not yet paid are recorded as an amount currently payable in the accompanying statements of benefit obligations disclosed in the footnotes.

Stop Loss

Claims that were already paid from the Plan that exceeded the stop-loss coverage and are due to the Plan at year-end are recorded as a receivable. Premiums for stop-loss insurance are included in premium payments in the accompanying consolidated statement of changes in net assets available for benefits. Stop-loss refunds for the years ended May 31, 2025 and 2024 were \$1,980 and \$5,291, respectively and have been netted against claims paid in the accompanying consolidated statements of changes in net assets available for benefits.

2. Summary of Significant Accounting Policies

Basis of Presentation

The financial statements have been prepared on the accrual basis accounting.

Recent Accounting pronouncements

In June 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2016-13, Financial Instruments - Credit Losses (Topic 326), which is effective for the Plan for the year ended May 31, 2024. This new standard provides financial statement users with more decision-useful information about the expected credit losses on financial instruments and other commitments to extend credit held by a reporting entity at each reporting date. The standard replaced the incurred loss impairment model with a methodology that reflects expected credit losses and requires consideration of a broader range of reasonable and supportable information to inform credit loss estimates. The standard had no material impact on the Plan's financial statements.

2. Summary of Significant Accounting Policies (continued)

Subsequent Events

Subsequent events were evaluated through March 9, 2026, the date the financial statements were available to be issued.

Federal Income Taxes

The Internal Revenue Service has ruled that the Trust established under the Plan is a tax exempt organization as defined under Section 501 (c)(9) of the Internal Revenue Code; accordingly, no provision for Federal income taxes has been made in the accompanying financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examinations by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of May 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosures in the financial statements. The plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

2. Summary of Significant Accounting Policies (continued)

Postretirement Benefits

The postretirement benefit obligation represents the actuarial present value of those estimated future benefits that are attributed by the terms of the Plan to employees' service rendered to May 31, reduced by the actuarial present value of contributions expected to be received in the future from current participants. Postretirement benefits include future benefits expected to be paid to or for (1) currently retired or terminated employees and their beneficiaries and (2) active employees and their beneficiaries after retirement from service with the participating employers. Prior to an active employee's full eligibility date, the postretirement benefit obligation is the portion of the expected postretirement benefit obligation that is attributed to that employee's service in the industry rendered to the valuation date.

The actuarial present value of the expected postretirement benefit obligation is determined by an actuary and is the amount that results from applying actuarial assumptions to historical claims-cost data to estimate future annual incurred claims costs per participant and to adjust such estimates for the time value of money (through discounts of interest) and the probability of payment (by means of decrements such as those for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment.

For measurement purposes, "medical inflation" was assumed to be 7.5% for the next year, 7% for the second year, 6.5% for the third year, 6% for the fourth year, 5.5% for the fifth year, 5% in the sixth year, and 4.5% annually thereafter.

The following were the other significant assumptions used in the valuations as of May 31, 2025 and 2024.

	<u>2025</u>	<u>2024</u>
Discount rate	6.5%	6.5%
Mortality	Pri-2012 Blue Collar	Pri-2012 Blue Collar
Medicare eligible retirees	\$263.80	\$164.89
Retiree premiums (range)	\$445 to \$890	\$445 to \$890
Pre-age 65 base claim cost	\$1,229/\$2,524	\$1,292/\$2,474

Changes in Assumptions

Effective May 31, 2024, for current retirees, the marital status and spouse's age was changed from assumed to actual participant data.

Other Plan Benefits

Plan liabilities for retiree health claims incurred but not reported are estimated by the Plan's actuary in accordance with accepted actuarial principles.

Employer Contributions and Reciprocals (Net)

Contributions paid from employers under union agreements and reciprocals received, less reciprocals paid (net) for the fiscal years ended May 31, 2025 and 2024, is comprised of the following:

	<u>2025</u>	<u>2024</u>
Contributions from employers	\$ 4,780,133	\$ 3,983,710
Reciprocal receipts	<u>1,536,408</u>	<u>2,250,000</u>
	6,316,541	6,233,710
Deduct: reciprocal payments	<u>(42,058)</u>	<u>(168,084)</u>
Employer contributions and reciprocals (net)	<u>\$ 6,274,483</u>	<u>\$ 6,065,626</u>

3. Benefit Obligations

The Plan's deficiency of net assets over benefits obligations at May 31, 2025 and 2024, relates primarily to the postretirement benefit obligation, the funding of which is not covered by the contribution rate currently charged to participants. It is expected that the deficiency will be funded through future increases in rates.

The weighted average health care cost-trend rate assumption (see Note 2) has a significant effect on the amounts reported in the accompanying financial statements. If the assumed rates increased by one percentage point in each year, it would increase the obligation as of May 31, 2025 by \$3,997,610 and by \$4,332,839 as of May 31, 2024.

4. Estimated Liability for Future Claims and Benefits

The Plan's eligibility provisions require each participant to earn insurance coverage on a month-to-month basis by working a minimum number of hours (140 hours in 2025 and 2024) to meet the current cost of insurance, with the current month's work hours being applied toward insurance premiums two months in the future. The estimated liability at May 31, 2025 and 2024 for future benefits and claims is comprised of the following:

	<u>2025</u>	<u>2024</u>
Future claims	\$ 650,743	\$ 709,890
Future benefits	319,057	231,218
	<u>\$ 969,800</u>	<u>\$ 941,108</u>

Hours worked each month in excess of 150 are "banked" at current contribution rates and can be accumulated up to \$8,148 (six months of coverage) for use during periods of unemployment, shortage of hours, or for medical reimbursements. Any monthly "banked" hours causing a participant's account to exceed \$8,148 is forfeited to the Plan. The estimated liability for "banked" work hours at May 31, 2025 and 2024 is listed below:

	<u>2025</u>	<u>2024</u>
Eligibility dollar bank	\$1,613,061	\$1,501,207
HRA account balances	241,478	0
Total	<u>\$1,854,539</u>	<u>\$1,501,207</u>

7. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the accompanying financial statements for the Form 5500:

	<u>2025</u>	<u>2024</u>
Net assets available for benefits per the financial statements	\$ 10,933,871	\$ 9,955,239
Benefit obligations currently payable	<u>(438,507)</u>	<u>(535,439)</u>
 Net assets available for benefits per the Form 5500	 <u>\$ 10,495,364</u>	 <u>\$ 9,419,800</u>

The following is a reconciliation of benefits paid to participants per the financial statements to the Form 5500 for the year ended May 31, 2025 and the seven months ended May 31, 2024.

	<u>2025</u>	<u>2024</u>
Benefits paid per financial statements	\$ 6,295,846	\$ 6,037,526
Add: Amounts payable at end of year	438,507	535,439
Less: Amounts payable at beginning of year	<u>(535,439)</u>	<u>(429,683)</u>
 Benefits paid to participants per Form 5500	 <u>\$ 6,198,914</u>	 <u>\$ 6,143,282</u>

Amounts currently payable to or for participants are recorded on the Form 5500 for benefit claims that have been processed and approved for payment prior to May 31, but not yet paid as of that date.

8. Risks and Uncertainties

The actuarial present value of benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonable possible that changes in these estimates and assumptions in the near-term would-be material to the financial statement.

9. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at May 31, 2025 and 2024.

- Mutual Funds/Money Market Funds: Valued at the daily closing price reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Change Commission. These funds are required to publish their daily net asset value (NAV) and to transact that price. The mutual funds held by the Plan are deemed to be actively traded.
- Limited Partnership: Valued at net asset value (NAV) of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

9. Fair Value Measurements (continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. Money market funds below determine fair value using a calculated net asset per share, or its equivalent. As of May 31, 2025 and 2024, there were no unfunded commitments related to these investments. These investments can be redeemed daily with no redemption notice required.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of May 31, 2025 and 2024.

Assets at Fair Value as of May 31, 2025
