Independent Auditor's Report

To the Board of Trustees
Indiana Union Construction Industry Substance Abuse Trust Fund

Opinion

We have audited the accompanying financial statements of Indiana Union Construction Industry Substance Abuse Trust Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits – modified cash basis as of May 31, 2025 and 2024, and the related statements of changes in net assets available for benefits – modified cash basis for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Indiana Union Construction Industry Substance Abuse Trust Fund as of May 31, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with modified cash basis of accounting.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Indiana Union Construction Industry Substance Abuse Trust Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Indiana Union Construction Industry Substance Abuse Trust Fund's ability to continue as a going concern within one year after the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Indiana Union Construction Industry Substance Abuse Trust Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Indiana Union Construction Industry Substance Abuse Trust Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of May 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INDIANA UNION CONSTRUCTION INDUSTRY SUBSTANCE ABUSE TRUST FUND

NOTES TO FINANCIAL STATEMENTS May 31, 2025 and 2024

NOTE 1 - DESCRIPTION OF FUND

The following description of Indiana Union Construction Industry Substance Abuse Trust Fund (the Fund) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Fund's provisions.

General: The Fund was organized on July 1, 2002, as a multiemployer defined benefit welfare plan which is financed by employer contributions as specified in the Collective Bargaining Agreement between certain employers and unions. The employers make contributions based on total hours worked. The Fund is managed by a board of trustees consisting of union and employer representatives (Fund Sponsor). The Fund is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees is responsible for oversight of the Fund. Management determines the appropriateness of the Fund's investments, monitors investment performance and reports to the Board of Trustees.

Contributions: Employer contributions are used to pay participant claims and Fund expenses.

Benefits: The Fund provides medical and other benefits to all members of the participating unions. The Fund also provides drug testing for all new members, as well as for a random monthly sample of 5% of existing members. In addition, an Employee Assistance Program is available for all members and their families who need professional guidance in assessing their substance abuse or alcohol-related problem and choosing an appropriate course of treatment. Educational seminars and training on the negative impact of drugs and alcohol on the workforce is also provided. Benefits provided by the Fund are not vested by participants.

Fund Termination: In the event the Fund is terminated, all expenses of termination and all liabilities of the Fund are to be paid. Any funds remaining thereafter shall be for the exclusive benefit of Fund participants.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The Fund reports its financial position and results of operations using the modified cash basis of accounting. Under the modified cash basis, the only assets recognized are cash and deposits. Transactions are recognized as either revenues when collected or expenses when paid. This basis differs from accounting principles generally accepted in the United States of America primarily because the effects of outstanding contributions from member contractors and obligations for assessments unpaid at the date of the financial statements and medical and other benefits incurred and not paid are not included in the financial statements.

Estimates: The preparation of financial statements in accordance with the modified cash basis of accounting requires the Fund's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Cash: The Fund maintains its cash balances in bank accounts which, at times, may exceed federally insured limits. However, the Fund has had no losses from the use of such accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Tax Status: The Fund is funded through a voluntary employee benefit association (VEBA) trust established under Internal Revenue Code Section 501(c)(9). Accordingly, the Fund and the Trust are exempt from federal and state income taxes. No provision for taxes has been included in the financial statements. The Fund Sponsor has received a determination letter from the Internal Revenue Service (IRS) dated August 13, 2004, in which the IRS stated that the Fund as designed was tax exempt. The Fund Sponsor believes that the Fund continues to qualify and operate as designed.

The Fund is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in process.

Subsequent Events: The Fund’s management has evaluated the financial statements for subsequent events occurring through March 12, 2026, the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

The Fund has categorized its assets and liabilities that are measured at fair value into a three-level fair value hierarchy. The hierarchy prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Fund has the ability to access.

Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement. In situations where there is little or no market activity for the asset or liability, the Fund makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

Following is a description of the valuation methodology used by the Fund for assets that are measured at fair value on a recurring basis.

Certificates of Deposit: Valued by discounting cash flows based on interest rates of similar instruments with similar credit ratings and duration.

Following is a summary, within each level of the fair value hierarchy, of the Fund’s assets that are measured at fair value on a recurring basis as of May 31, 2025 and 2024.

2025	Level 1	Level 2	Level 3	Total
Certificate of Deposit	_____	\$543,586	_____	\$543,586
Total Investments at Fair Value	=====	\$543,586	=====	\$543,586

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

2024	Level 1	Level 2	Level 3	Total
Certificates of Deposit	_____	<u>\$519,135</u>	_____	<u>\$519,135</u>
Total Investments at Fair Value	=====	<u>\$519,135</u>	=====	<u>\$519,135</u>

NOTE 4 - FUND BENEFIT OBLIGATIONS

The benefit amounts currently payable for participants, beneficiaries, and dependents as of May 31, 2025 and 2024, are summarized as follows:

	2025	2024
Benefit claims payable	<u>\$117,905</u>	<u>\$214,396</u>
Total Benefit Obligations	<u>\$117,905</u>	<u>\$214,396</u>

There were no estimated claims incurred but not reported at May 31, 2025 and 2024.

NOTE 5 - CHANGES IN FUND BENEFIT OBLIGATIONS

Changes in the benefit amounts currently payable for participants, beneficiaries, and dependents for the years ended May 31, 2025 and 2024, are summarized as follows:

	2025	2024
Claims Payable:		
Balance at beginning of year	\$ 214,396	\$ 98,851
Claims reported and approved for payment	1,133,518	1,266,004
Claims paid	<u>(1,230,009)</u>	<u>(1,150,459)</u>
Total Benefit Obligations at End of Year	<u>\$ 117,905</u>	<u>\$ 214,396</u>

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Fund, any person who provides services to the Fund, an employer whose employees are covered by the Fund, an employee organization whose members are covered by the Fund, a person who owns 50% or more of such an employer or employee association, or relatives of such persons.

The Fund has a professional services agreement with m2 Performance Strategies, LLC (m2) which includes administrative staffing, accounting staffing, and office and technology rental. Total fees paid to m2 for the years ended May 31, 2025 and 2024 were \$255,302, and \$107,563, respectively.

The above are allowable party-in-interest transactions under ERISA guidelines.
