## Independent Auditor's Report

Board of Directors and Participants  
CDM Investment Group, Inc. 401(k) Savings Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of CDM Investment Group, Inc. 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of May 31, 2025 and 2024, the related statement of changes in net assets available for benefits for the year ended May 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of May 31, 2025 and 2024, and for the year ended May 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter—Supplemental Schedules Required by ERISA**

The supplemental schedules of Schedule H, line 4a—schedule of delinquent participant contributions for the year ended May 31, 2025, and Schedule H, line 4i—schedule of assets (held at end of year) as of May 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### Note 1. Plan Description

The following description of the CDM Investment Group, Inc. 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document or summary plan description for a more complete description of the Plan's provisions.

**General:** The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was established to provide retirement benefits for the employees of CDM Investment Group, Inc. (the Plan Sponsor) who are not under a collectively bargained agreement.

**Eligibility:** Employees are eligible to make salary reduction contributions and receive discretionary employer matching and profit sharing contributions from the Plan Sponsor after attaining age 21 and completing two months of service, as defined. Union, nonresident and leased employees are not eligible to participate. Eligible employees may become participants on the first day of the month coinciding with or next following completion of eligibility requirements. Active participants must be employed on the last day of the plan year and will share in the additional matching contribution regardless of the amount of service completed during the year.

**Contributions:** Participants may contribute up to 75% of their annual compensation in connection with the 401(k) provisions of the Plan. The Plan allows for both pretax deferrals and Roth deferrals. Participants who are eligible to make deferral contributions and who are projected to attain age 50 before the close of the calendar year shall be eligible to make catch-up contributions. In addition, participants are automatically enrolled with a 2% salary deferral contribution, effective on the first payroll period after such participant meets eligibility requirements. After the initial year, the salary deferral contribution will escalate by 1% annually, not to exceed 6%. The Plan Sponsor shall provide annual notice and reasonable time for participants to opt out of the automatic enrollment or change the deferral percentage. Eligible participants may also contribute amounts representing distributions from other qualified plans. The Plan permits the Plan Sponsor to make discretionary matching and profit sharing contributions as approved by the Plan Sponsor's Board of Directors. The Plan Sponsor made discretionary matching contributions of \$1,305,172 in 2025. Contributions are subject to certain limitations.

**Vesting:** Participants are immediately vested in their contributions, the Plan Sponsor's discretionary matching and profit sharing contributions, and actual earnings thereon.

**Payment of benefits:** In-service distributions, including hardship withdrawals for qualifying expenses, are permitted by the Plan. Lump-sum payments are required for distributions upon the termination of service resulting in a benefit payment prior to retirement. Distributions due to death or retirement may be distributed either as a lump-sum amount equal to the value of the participant's vested interest in the participant's account, or annual installments over a predetermined period.

**Notes receivable from participants:** Participants may borrow from their fund accounts a minimum of \$500 up to the lesser of \$50,000 or 50% of their vested account balance. Participants are allowed a maximum of two outstanding loans at any given time. The loans are secured by the balance in the participant's account and bear interest at rates that are 1% above the prime rate at the time of loan issuance. Notes receivable at May 31, 2025 and 2024, have interest rates ranging from 4.25% to 9.50%. Loan terms may not exceed five years. Notes receivable at May 31, 2025, mature from June 2025 through May 2030. Principal and interest are paid through payroll deductions. Participants pay a loan origination fee, which is remitted to the third-party administrator on a periodic basis.

**Forfeitures:** Forfeited nonvested balances are used to pay plan expenses or fund employer contributions. As of May 31, 2025 and 2024, forfeited nonvested accounts totaled \$8 and \$19, respectively. There were \$1,238 of nonvested accounts used to pay plan expenses or fund employer contributions for the year ended May 31, 2025.

#### Note 1. Plan Description (Continued)

**Participant accounts:** Each participant's account is credited with the participant's contributions and allocations of: (a) the Plan Sponsor's discretionary matching contributions, (b) the Plan Sponsor's discretionary profit sharing contributions, and (c) Plan net earnings or net losses. The Plan Sponsor's matching contributions are allocated among participants based upon each eligible participant's elected salary deferral. The Plan Sponsor's profit sharing contributions are allocated among participants based upon compensation of eligible participants. Plan earnings or losses are allocated on the basis of actual results of the investments selected by each participant. The accounts are charged with withdrawals and the allocation of administrative expenses.

#### Note 2. Summary of Significant Accounting Policies

**Basis of accounting:** The financial statements of the Plan are prepared under the accrual method of accounting.

**Contributions:** Contributions from Plan participants and the matching contributions from the employer are recorded in the year in which the employee contributions are withheld from compensation.

**Use of estimates:** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Valuation of investments and income recognition:** Investments are valued and reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

**Payment of benefits:** Benefit payments are recorded when paid.

**Administrative expenses:** Certain administrative expenses, primarily investment management expenses of the Plan, are paid by the Plan and are reflected in the Plan's financial statements. Other administrative expenses, primarily audit fees and record-keeping expenses, are paid by the Plan Sponsor and are not reflected in the Plan's financial statements.

**Notes receivable from participants:** Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of May 31, 2025 or 2024.

**Subsequent events:** The Plan Administrator has evaluated subsequent events through March 6, 2026, the date the financial statements were available to be issued.

#### Note 3. Information Certified by Newport Trust Company, LLC and Ascensus Trust Company (Custodians)

The following is a summary of the Plan's asset information as of May 31, 2025 and 2024, and for the year ended May 31, 2025, included throughout the Plan's financial statements and ERISA-required supplemental schedules obtained by management and agreed to or derived from information provided by Ascensus Trust Company, the current custodian, as of May 31, 2025 and for the period from April 24, 2025 to May 31, 2025, and Newport Trust Company, LLC, the former custodian, for the period from June 1, 2024 through April 23, 2025 and as of May 31, 2024. The Plan Administrator has obtained certifications from the custodians that information provided to the Plan Administrator by the custodian related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and ERISA-required supplemental schedules related to the following:

	2025	2024
Statements of net assets available for benefits:		
Investments, at fair value, mutual funds	\$ 34,332,267	\$ 30,424,527
Investments, at fair value, money market fund	8,210	1,996
	<u>\$ 34,340,477</u>	<u>\$ 30,426,523</u>

The current and former custodians also certified to the completeness and accuracy of the net appreciation in fair value of investments, the dividends from investments related to the aforementioned assets, and the interest income on notes receivable from plan participants for the year ended May 31, 2025:

Statement of changes in net assets available for benefits:	
Net increase in fair value of investments	\$ 2,607,224
Dividends from investments	785,287
Interest income on notes receivable from participants	34,130

#### Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under the Financial Accounting Standards Board Accounting Standards Codification Topic 820 are described as follows:

**Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2:** Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

### Notes to Financial Statements

---

#### Note 4. Fair Value Measurements (Continued)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in valuation methodologies at May 31, 2025 compared to May 31, 2024. There were no transfers between Level 1, 2 or 3 assets or liabilities during the year ended May 31, 2025.

**Money market funds:** Money market funds are valued at quoted prices, which represent the net asset value of shares held at year-end.

**Mutual funds:** Mutual funds are reported at net asset value based on the quoted market price of each fund and are classified within Level 1 of the valuation hierarchy.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of May 31, 2025:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 34,332,267	\$ -	\$ -	\$ 34,332,267
Money market fund	8,210	-	-	8,210
Total assets at fair value	<u>\$ 34,340,477</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 34,340,477</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of May 31, 2024:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 30,424,527	\$ -	\$ -	\$ 30,424,527
Money market fund	1,996	-	-	1,996
Total assets at fair value	<u>\$ 30,426,523</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 30,426,523</u>

#### Note 5. Tax Status

The Plan has adopted a preapproved plan document that has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the form of the preapproved plan document was in compliance with applicable requirements of the Internal Revenue Code (IRC). The Plan Administrator believes the Plan is designed, and is being operated, in compliance with the applicable requirements of the IRC.

### Notes to Financial Statements

---

#### **Note 5. Tax Status (Continued)**

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **Note 6. Related-Party Transactions and Party-in-Interest Transactions**

The Plan paid approximately \$263,000 of record-keeping and other fees paid to related parties and party-in-interest during the year ended May 31, 2025. The Plan Sponsor also provides certain administrative services at no cost to the Plan.

#### **Note 7. Plan Termination**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Any unallocated assets of the Plan shall be allocated to participant accounts and be distributed as soon as practicable after the termination date.

#### **Note 8. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the 2025 statement of net assets available for benefits.

#### **Note 9. Prohibited Transactions**

During the year ended May 31, 2025, the Plan Sponsor inadvertently failed to deposit approximately \$161 of participant contributions within the required timeframe as stated by the United States DOL regulations. The Plan Sponsor will deposit lost earnings in the amount totaling approximately \$20 to correct this failure in the year ending May 31, 2026. The Plan Sponsor will file Form 5330 and pay applicable excise tax to the IRS. The correction and any excise taxes, if applicable, were made from the Plan Sponsor's assets and not from assets of the Plan.

During the year ended May 31, 2024, the Plan Sponsor inadvertently failed to deposit approximately \$17,163 of participant contributions within the required timeframe as stated by the United States DOL regulations. The Plan Sponsor deposited lost earnings in the amount totaling approximately \$35 to correct this failure in the year ending May 31, 2025. The Plan Sponsor filed Form 5330 and paid applicable excise tax to the IRS. The correction and any excise taxes, if applicable, were made from the Plan Sponsor's assets and not from assets of the Plan.
