INDEPENDENT AUDITORS' REPORT

To the Trustees of
Independent Care Group Plus

Opinion

We have audited the accompanying financial statements of Independent Care Group Plus (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of benefit obligations as of May 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the year ended May 31, 2025, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of May 31, 2025 and 2024, and the changes in its net assets available for benefits and of changes in its benefit obligations for the year ended May 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Plan Termination

Effective July 30, 2025, the plan trustees, as permitted by the plan document, made the decision to terminate the Plan subject to the provisions of ERISA. The remaining assets will be applied in full to the Plan's benefit obligations and subsequent professional and administrative fees related to the termination of the Plan.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control

relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Respectfully submitted,

Fasten Halberstam LLP

- 1. DESCRIPTION OF PLAN:** The following description of the Independent Care Group Plus (the Plan) provides only general information about the Plan's provisions. Participants should refer to the plan agreement for a complete description of the Plan's provisions, copies of which may be obtained from the plan sponsor.

General

The Plan is available to regular full-time employees of Healthcare Staffing & Consultants and various affiliated companies that are members of a controlled group pursuant to Section 414 of the Internal Revenue Code (collectively known as the Participating Companies). The Participating Companies operate various skilled nursing and rehabilitation facilities and provide other healthcare related services in the state of New Jersey.

The Plan provides health benefits to eligible employees of the Participating Companies and covered dependents. Certain plan assets are held in a voluntary employees' beneficiary association (VEBA) trust. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

At each annual enrollment, provisions, such as participant contribution rates, coverage, deductibles, copays, and out-of-pocket maximums, may change.

Benefits

The Plan provides health benefits including coverage for medical and prescription drugs. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Self-Insured Benefits

All plan benefits are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants using funds received from the Plan's trust or the general assets of the Participating Companies. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

The Plan utilizes a pharmacy benefit manager (PBM) which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

Stop-Loss Coverage

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

Contributions

Under the terms of the Plan and its funding policy, all amounts used to fund benefits are considered employer contributions for financial reporting purposes, including amounts initially elected and deferred by participants. The Participating Companies contribute amounts, including such deferred amounts, based on applicable monthly premiums for the respective benefit elections and as needed to fund claims. Any deficiency of the Plan's net assets over benefit obligations is funded by the Participating Companies on a pay-as-you-go basis.

**2. SUMMARY OF
SIGNIFICANT
ACCOUNTING
POLICIES:*****Basis of Accounting and Use of Estimates***

The accompanying financial statements have been prepared using the accrual basis of accounting. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Premiums paid by either the Participating Companies or the plan trust are recorded as premium payments in the accompanying statement of changes in net assets available for benefits.

Claim payments are recorded when paid by the third-party claims processor. Plan obligations at year-end for health claims incurred by active participants but not reported at that date are reported in the accompanying statement of benefit obligations.

Stop-Loss

Premiums for stop-loss insurance are recorded as premium payments in the accompanying statement of changes in net assets available for benefits.

Rebates

Rebates due from the Plan's PBM are recorded when earned. Rebates due as of the financial statement date have been reported as a receivable, with the offset being netted against claims paid. Rebates totaling \$69,537 have been recognized this year.

Subsequent Events

Management has evaluated subsequent events through March 16, 2026, the date which the financial statements were available to be issued.

**3. CLAIMS
INCURRED BUT
NOT REPORTED:**

Plan obligations at May 31 for claims incurred but not reported are estimated by the plan administrator based on claims data provided by the Plan's third-party claims administrators. These amounts are paid by the Plan only if claims are submitted and approved for payment.

**4. ADMINISTRATIVE
EXPENSES:**

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. Such transactions are party-in-interest transactions under ERISA. Administrative expenses paid by the Participating Companies on behalf of the Plan are excluded from these financial statements.

INDEPENDENT CARE GROUP PLUS**Notes to Financial Statements****May 31, 2025 and 2024**

- 5. TAX STATUS:** The VEBA trust funding certain benefits of the Plan received an exemption letter from the Internal Revenue Service (IRS) dated March 20, 2015, stating that the trust is tax-exempt under the provisions of Section 501(c)(9) of the Internal Revenue Code. However, as a result of the Plan's funding policy, from time to time the trust may be subject to income taxes. No federal or state income taxes have been recorded during the year for unrelated business taxable income.

In addition, the Plan and the trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain tax position that more likely than not would not be sustained upon examination by the relevant taxing authorities.

- 6. TERMINATION OF THE PLAN:** Effective July 30, 2025, the plan trustees, as permitted by the plan document, made the decision to terminate the Plan subject to the provisions of ERISA. The remaining assets will be applied in full to the Plan's benefit obligations and subsequent professional and administrative fees related to the termination of the Plan.

- 7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500:** The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

Claims and premiums that have been processed and approved for payment at year-end but not paid and claims incurred but not reported are not considered liabilities under GAAP and, therefore, are not presented as liabilities or claims and premiums paid in the accompanying financial statements but are recorded on the Form 5500 as a liability.

8. CONCENTRATIONS: At times, the Plan maintains cash balances in excess of the Federal Deposit Insurance Corporation's insured limits. Financial instruments that subject the Plan to concentrations of credit risk include cash on deposit with a financial institution that is not federally insured or otherwise collateralized. Therefore, the Plan may be exposed to credit losses in the event of non-performance by the financial institution. The Plan has not experienced such losses.

9. RISKS AND UNCERTAINTIES: On occasion, the Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

The present value of benefit obligations is reported based on certain assumptions pertaining to interest rates, healthcare inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near-term would be material to the financial statements.
