Opinion

We have audited the financial statements of The Chazen Companies Employee Stock Ownership Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024 (both in liquidation), and the related statements of changes in net assets available for benefits for the years then ended (both in liquidation), and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of The Chazen Companies Employee Stock Ownership Plan as of December 31, 2025 and 2024 (both in liquidation), and the changes in its net assets available for benefits for the years then ended (both in liquidation), in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Chazen Companies Employee Stock Ownership Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter — Plan Termination and Liquidation Basis of Accounting

As further discussed in Note 1 to the financial statements, the Board of Trustees of The Chazen Companies Employee Stock Ownership Plan approved a plan of liquidation on December 31, 2020, and management determined liquidation is imminent during fiscal 2025 and 2024. As a result, The Chazen Companies Employee Stock Ownership Plan changed its basis of accounting from the going-concern basis of accounting used in presenting the 2020 financial statements to the liquidation basis of accounting used in presenting the 2025 and 2024 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement,

whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Chazen Companies Employee Stock Ownership Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

THE CHAZEN COMPANIES EMPLOYEE STOCK OWNERSHIP PLAN

NOTES TO FINANCIAL STATEMENTS

1. Plan Description:

The following description of The Chazen Companies Employee Stock Ownership Plan (the "Plan") is provided for general information only. Participants should refer to the Plan agreement for a more complete description.

General

Chazen Engineering, Land Surveying, Landscape Architecture & Geology Co., D.P.C. (the "Company") established the Plan effective as of January 1, 2007. The Plan was amended and operates, in relevant part, as a nonleveraged employee stock ownership plan ("ESOP") and is designed to comply with Section 4975(e)(7) and the regulations thereunder of the Internal Revenue Code of 1986 as amended (the "IRC"), and is subject to the applicable provisions of the Employment Retirement Income Security Act of 1974 ("ERISA").

The Plan purchased Company common stock using employer contributions and held the stock in a trust established under the Plan.

On December 31, 2020, an amendment was adopted to terminate the Plan. As a result of the decision to terminate the Plan, all participants who had not incurred a forfeiture as of January 1, 2020, became 100% vested. Participants had the option to take a distribution or rollover their remaining balance. Partial distribution occurred during 2021 through 2022. The remaining account balances were fully distributed as of December 31, 2025.

Eligibility

Prior to plan termination, employees of the Company and its participating subsidiaries became eligible to participate in the Plan upon completion of twelve months of service as of the beginning of the next Plan year. Participants must work a minimum of 1,000 hours and be employed on the last working day of the year to be eligible for an allocation of Company contributions for that year.

Contributions

Contributions may be paid in cash or shares of Company stock as the Company's Board of Directors may from time to time determine in their discretion. Shares of Company stock will be valued at their then fair market value. Employee contributions are not permitted.

Vesting

As a result of the decision to terminate the Plan, all participants who had not incurred a forfeiture as of January 1, 2020 became 100% vested.

Payment of Benefits

Upon retirement, termination, death, or permanent disability, a participant receives a lump-sum or annuity amount equal to the value of his or her vested account balance. The non-vested portion of their account is forfeited.

Distributions pursuant to the Plan termination will be paid at the participants' election by a combination of cash distribution paid directly to participants, rollover to an IRA, or rollover distribution to the LaBella Associates Profit Sharing/401(k) Plan. Effective December 31, 2021, Chazen Companies 401(k) Plan merged into LaBella Associates Profit Sharing/401(k) Plan. Distributions of the participant's account balances made during 2024 totaled \$0. Remaining account balances, totaling \$97,193, were distributed in 2025.

Participant Accounts

Each participant's account is credited with the allocation of the Company's contributions and Plan earnings or losses and charged with an allocation of administrative expenses that are paid by the Plan. Allocations may be charged based on participant earnings, account balances, or specific participant transactions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Accounts and Forfeitures

Company contributions and Plan forfeitures are allocated to each participant's account based upon the ratio of the participant's eligible compensation to total eligible compensation for the Plan year. There were no accumulated forfeitures at December 31, 2025 or 2024 or forfeitures reallocated to eligible participants during the years ended December 31, 2025 or 2024.

THE CHAZEN COMPANIES EMPLOYEE STOCK OWNERSHIP PLAN

1. Plan Description (continued):

Administration

All administrative expenses of maintaining the Plan are paid by the Company unless paid by the Plan.

2. Summary of Significant Accounting Policies:

Basis of Accounting

Due to the decision to terminate the Plan as of December 31, 2020 and the subsequent liquidation of the plan, management determined that liquidation of the Plan is imminent and the financial statements for 2025 and 2024 have been prepared using the liquidation basis of accounting.

Pervasiveness of Estimates

The preparation of financial statements in conformity with the liquidation basis of accounting requires the Plan Administrator to make significant estimates and assumptions that affect the reported amounts of net assets available for pension benefits at the date of the financial statements and the actuarial present value of accumulated plan benefits as of the valuation date, and the changes in net assets available for benefits during the reporting period. Actual results may differ from those estimates.

Employer Contributions

Pursuant to the Plan agreement, the Company may elect to make contributions to the Plan on a yearly basis. There were no contributions made to the Plan for 2024. The final contribution was made in October 2025.

Benefits

Benefits are recorded when paid.

Income Taxes

The Internal Revenue Service has determined and informed the Company, by a letter dated June 15, 2015, that the Plan is qualified, and the trust established under the Plan is tax exempt, under the appropriate sections of the IRC. The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan Administrator has analyzed the tax positions taken by the Plan and concluded that, as of December 31, 2025, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2022.

Priorities Upon Termination

The Company reserves the right to terminate the Plan at any time subject to Plan provisions. Upon such termination of the Plan, the interest of each participant in the trust fund will be distributed to such participant, or his or her beneficiary, at the time prescribed by the Plan terms and the IRC. Upon termination of the Plan, the Board of Directors shall direct the trustees to make distributions to participants in accordance with the provisions of the Plan.

Effective December 31, 2020, there was an amendment adopted to terminate the Plan. Remaining account balances were distributed in 2025.

Subsequent Events

The date to which events occurring after December 31, 2025, the date of the most recent statement of net assets available for benefits, have been evaluated for possible adjustment to the financial statements or disclosure is February 24, 2026, which is the date on which the financial statements were available to be issued.

Administration of Plan Assets and Related Party Transactions

The Plan's assets are held by the trustees of the Plan. Company contributions are held and managed by the trustees, who invest cash received and make distributions to terminated participants. Certain administrative functions are performed by officers or employees of the Company or its subsidiaries. No such officer or employee receives compensation from the Plan.
