### **Opinion on the 2024 Financial Statements**

We have audited the accompanying financial statements of Surefire Wireline Health Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets (deficiency in net assets) available for benefits as of December 31, 2024, and the related statement of changes in net assets (deficiency in net assets) available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion on the 2024 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the 2024 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the 2024 Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **2023 Financial Statements**

The financial statements of the Plan as of December 31, 2023 were audited by other auditors whose report dated August 26, 2025 expressed an unmodified opinion on those statements.

## SUREFIRE WIRELINE HEALTH PLAN

### NOTES TO FINANCIAL STATEMENTS

---

#### 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

*Organization* - Surefire Wireline Health Plan (the "Plan") was established on May 1, 2018 by Surefire Wireline, LLC, which served as the Plan Sponsor and Plan Administrator through December 31, 2023. Effective January 1, 2024, Surefire Wireline West, LLC (the "Company") serves as the Plan Sponsor and Plan Administrator.

The Plan is a self-insured health benefit plan that provides benefits to eligible employees of the Company and, through January 31, 2024, Surefire Wireline, LLC, as well as former employees electing coverage under the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). In order to be eligible for health benefits, the employee must be a regular full-time employee and work at least 30 hours per week. Employees are eligible upon their date of hire.

The Plan is a member of Veris Benefits Consortium, LLC, which operates as a health insurance consortium and performs recordkeeping services for the Plan.

Plan contributions are remitted by participating employers to the Veris Benefits Consortium, LLC Trust, which pays certain plan expenses and remits remaining funds to the Surefire Wireline LLC Health Benefit Trust, which is administered by appointed Trustees and serves to pay claims.

The Plan maintains individual and aggregate stop loss insurance policies utilized to mitigate risks and control claim costs.

Coury Health Services, LLC prepares the Plan's Form 5500 and also provides benefit consulting services to the Plan. Meritain Health provides administrative services under an administrative services-only (ASO) arrangement (see Note 2).

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and applicable regulations.

*Contributions* - Each month, the Company is billed a fixed amount for each type of coverage (individual, family, etc.), which is comprised of an administrative service fee, management fee, stop loss insurance premiums and an estimated claims amount which is remitted to the Plan. Contributions are funded in part by contributions made by the Company and in part by pre-tax contributions made by participants as determined on an annual basis, which were approximately 20% of the total cost for both of the years ended December 31, 2024 and 2023. Deficiencies in net assets available for benefits that may arise from time to time as a result of claims in excess of contributions are expected to be resolved by way of future contributions.

*Benefits* - The Plan provides health (medical, hospital, surgical, and major medical) and prescription drug benefits to eligible employees and their covered dependents. The Plan also provides continuation of certain benefits upon termination of employment through COBRA as defined in the plan document. Participants are responsible for deductibles.

*Basis of Accounting* - The accounts of the Plan are maintained on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (U.S. GAAP).

*Use of Estimates* - The preparation of financial statements in conformity with U.S. GAAP often involves estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from these estimates.

*Cash* - The Plan maintains, in an interest-bearing checking account via a trust at a financial institution, cash which may at times exceed federally insured amounts and which may at times exceed reported amounts due to outstanding checks.

*Management and Administrative Fees* - Management and administrative fees are paid by the Plan; audit expenses are paid by the Company.

*Reclassifications* - Certain amounts in the 2023 financial statements have been reclassified to conform with the 2024 presentation. This includes the reclassification of the liability for claims incurred but not reported, which was presented as a benefit obligation and included in a separate statement of benefit obligations in the 2023 financial statements. The reclassified presentation includes the liability for claims incurred but not reported within liabilities on the statement of net assets available for benefits, which more appropriately reflects the nature of the obligation.

Accordingly, claims incurred but not reported of \$337,579 and \$183,569 at December 31, 2023 and January 1, 2023, respectively, were reclassified from benefit obligations to liabilities in the accompanying 2023 financial statements. These reclassifications resulted in a decrease to net assets available for benefits at December 31, 2023 of \$337,579, a decrease in the change in net assets available for benefits for the year ended December 31, 2023 of \$154,010, and a decrease to net assets available for benefits at January 1, 2023 of \$183,569. These reclassifications did not impact the overall financial position or changes therein as previously reported in the 2023 financial statements.

*Subsequent Events* - Management has evaluated subsequent events through March 23, 2026, the date which the financial statements were available to be issued.

## **2. SELF-INSURED CLAIMS AND RELATED MATTERS**

The Plan is self-insured with respect to the coverage options provided to the participants. Meritain Health processes claims for payment on the Plan's behalf under an ASO contract. Claims are recorded as incurred by the Plan net of stop loss reimbursements, which were \$119,258 and \$93,334 for the years ended December 31, 2024 and 2023, respectively.

At any point in time, there are claims outstanding as a result of participants or providers not submitting documentation regarding services provided and the related expense. As of December 31, 2024 and 2023, the Plan recorded liabilities of \$183,348 and \$337,579, for claims incurred but not reported. The incurred but not reported claims were determined based on runouts of actual claims for subsequent periods.

Because actual claim costs depend on complex factors such as inflation, changes in doctrines of legal liability and damage awards, the process used in computing claim liabilities does not necessarily result in an exact amount. Claim liabilities are recomputed periodically to produce current estimates that reflect claim settlements, claim frequency and other economic and social factors. As the claims are estimated, it is at least reasonably possible that the estimate will change in the near term.

## **3. PLAN TERMINATION**

Although it has not expressed any intention to do so, the Plan Sponsor retains the right to modify the benefits provided to active employees and to terminate the Plan subject to the provisions set forth in ERISA.

## **4. INCOME TAX STATUS**

The Plan is a self-funded, welfare benefit plan which has established a trust to hold the Plan's assets and is operated in accordance with ERISA. Federal income taxes are provided for income taxes attributable to taxable interest income, which are paid by the Plan Sponsor and were \$1,960 and \$225 for the years ended December 31, 2024 and 2023, respectively. Plan management believes the Plan has operated in compliance with the applicable provisions of the Internal Revenue Code. Management believes there is no liability related to uncertain tax positions at December 31, 2024 or 2023. The Plan is no longer subject to tax examinations for years prior to December 31, 2022.

## **5. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

As described in Note 1, the Plan has arrangements with Meritain Health, Veris Benefits Consortium, LLC, and Coury Health Services, LLC for various administrative functions. The costs associated with these transactions are included in management and administrative fees. Therefore, these transactions qualify as party-in-interest transactions.

Neither the Company nor the Trustees involved in administering the Plan receive compensation from the Plan.
