## *Report of Independent Auditors*

To the Retirement Benefits Committee,  
Westwood Holdings Group, Inc. Savings Plan

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements***

We have performed an audit of the accompanying financial statements of Westwood Holdings Group, Inc. Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) (“ERISA Section 103(a)(3)(C) audit”). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the 2024 audit of Westwood Holdings Group, Inc. Savings Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion on the 2024 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2024 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Westwood Holdings Group, Inc. Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2024 financial statements.

### ***Responsibilities of Management for the 2024 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Westwood Holdings Group, Inc. Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2024 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we—

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Westwood Holdings Group, Inc. Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Westwood Holdings Group, Inc. Savings Plan's ability to continue as a going concern for a reasonable period of time.

***Auditor's Responsibilities for the Audit of the 2024 Financial Statements (continued)***

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matters***

***2024 Supplemental Schedule Required by ERISA***

The supplemental schedule, including the Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**1. Description of Plan**

The following brief description of the Westwood Holdings Group, Inc. Savings Plan (“the Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

**General**

The Plan is a defined contribution savings plan established by Westwood Holdings Group, Inc. (“the Company” or “Plan Sponsor”) and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended. Participation in the Plan is entirely voluntary. The Plan’s Retirement Benefits Committee and Plan Administrator control and manage the operation and administration of the Plan. The Retirement Benefits Committee has all powers necessary to carry out the provisions of the Plan and to satisfy the requirements of any applicable law. BOK Financial Asset Management, Inc. (“BOK”) served as the Plan’s recordkeeper, third party administrator, and investment advisor until February 29, 2024. Effective March 1, 2024, Schwab Retirement Plan Services, Inc. became the Plan’s recordkeeper, third party administrator, and investment advisor. Westwood Trust served as the Plan’s directed Trustee for the Westwood Trust Funds until January 16, 2024. Charles Schwab Trust Bank, trustee, and Bank of New York Mellon hold custody of the Plan assets.

*SECURE 2.0 Act*

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023, which included the Setting Every Community Up Retirement Act (“SECURE”) 2.0 Act. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2033. Since the provisions of SECURE Act 2.0 include both required and optional elements, applicable provisions will be evaluated and implemented in accordance with accompanying regulations and guidance prior to the deadline, December 31, 2026. Effective January 1, 2023, the age requirement for minimum distributions was raised to 73 from 72 for any participant who turns 72 on or after January 1, 2023. Effective March 1, 2024, the Plan allows qualified birth or adoption distributions to be taken from participant’s vested portion of all eligible accounts. Certain provisions became effective for 2024, including changes to long-term part-time eligibility. These changes had no material impact on the Plan’s 2024 financial statements.

*Significant Current Year Events and Plan Amendments*

On January 16, 2024, the Plan eliminated all money market funds, mutual funds, and common collective trust funds held by Westwood Trust, Trustee, totaling approximately \$10,700,000, as an investment option. Participants were provided with other investment alternatives. Monies from the liquidation of these investments were transferred from Westwood Trust to the appropriate target-date retirement funds held with Charles Schwab Trust Bank.

Effective January 30, 2024, the Plan authorized the processing of hardship withdrawals using participant self-certification.

Effective March 1, 2024, the Plan was amended to now permit qualified birth or adoption distributions to be taken by participants from their vested portion of all eligible accounts.

Effective March 1, 2024, in conjunction with a change in recordkeeper from BOK to Schwab Retirement Plan Services, Inc., the Plan was restated. The restatement resulted in no significant changes to plan provisions.

**1. Description of Plan (continued)**

**Eligibility**

Employees who have attained the age of 18 are eligible to participate and enroll in the Plan immediately upon their date of hire. Leased employees and employees classified as interns are excluded from participation in the Plan.

**Contributions**

*Participant Contributions*

Participants can contribute up to 100% of pretax annual compensation, as defined by the Plan, subject to Internal Revenue Service (“IRS”) limitations. Participants may also contribute a minimum of 5%, up to a maximum of 20% of after-tax annual compensation, as defined by the Plan, subject to IRS limitations. Effective March 1, 2024, the Plan amended the voluntary after-tax contribution to a maximum of 5% of after-tax annual compensation. Participants have the option of designating a portion of their elective deferral contributions as after-tax “Roth” contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also rollover amounts representing distributions from other qualified defined contribution plans.

The Plan includes an automatic deferral election feature whereby all employees who do not make another election are automatically enrolled as participants of the Plan with a default pretax deferral rate of 6%, 30 days after meeting the eligibility requirements of the Plan. Participants direct the investment of their contributions into the various investment options offered by the Plan. Effective March 1, 2024, the Plan amended the automatic enrollment period to 45 days after meeting the eligibility requirements.

*Employer Safe-Harbor Matching Contributions*

The Company makes safe-harbor matching contributions equal to 100% of each participant’s elective deferrals that do not exceed 6% of the participant’s eligible annual compensation. For the year ended December 31, 2024, the Company made contributions under this arrangement totaling \$1,618,634, which are included in employer contributions on the statement of changes in net assets available for benefits. The Company also made a true-up contribution of \$29,652 after year-end, which is included in employer contributions receivable on the statements of net assets available for benefits.

*Employer Discretionary Qualified Non-Elective Contributions*

At the discretion of the Company, the Company may also make additional qualified non-elective contributions (“QNECs”) to a participant’s account. Participants are immediately 100% vested in such contributions. For the year ended December 31, 2024, the Company authorized QNEC contributions of 1%. QNEC contributions of \$35,385 were remitted to the Plan after year-end, which are included in employer contributions receivable on the statements of net assets available for benefits.

---

**1. Description of Plan (continued)**

**Contributions (continued)**

*Employer Discretionary Non-Elective Profit-Sharing Contributions*

At the discretion of the Company, the Company may contribute and credit employer profit sharing contributions to eligible participant accounts. To be eligible to receive the employer profit sharing contribution, a participant must be employed on the last day of the plan year. For the year ended December 31, 2024, the Company authorized employer profit sharing contributions equal to 1% of eligible annual compensation, totaling \$283,848. These contributions were remitted to the Plan after year-end and are included in employer contributions receivable on the statements of net assets available for benefits, net of forfeitures utilized after year-end totaling \$96,351.

Contributions from Plan participants and the associated matching contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation.

**Participant Accounts**

Each participant's account is credited with the participant's contributions, the Company's contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**

Participants are vested immediately in their contributions, the Company's safe-harbor matching contributions, additional discretionary matching contributions, and any discretionary QNECs plus actual earnings thereon. Discretionary non-elective profit-sharing contributions are vested based on years of continuous service.

Vesting of participants' accounts related to the Company's discretionary non-elective profit-sharing contributions are based on years of continuous service. Discretionary non-elective profit-sharing contributions made prior to January 1, 2018 vest in accordance with the schedule below:

<u>Years of Credited Service</u>	<u>Vesting Percentage</u>
Less than 2 Years	0%
2 Years	20%
3 Years	40%
4 Years	60%
5 Years	80%
6 Years	100%

---

**1. Description of Plan (continued)**

**Vesting (continued)**

Discretionary non-elective profit-sharing contributions made after December 31, 2017 vest in accordance with the schedule below:

<u>Years of Credited Service</u>	<u>Vesting Percentage</u>
Less than 2 Years	0%
2 Years	50%
3 Years	75%
4 Years	100%

**Notes Receivable from Participants**

Participants may borrow a minimum of \$1,000 and the maximum of the lesser of 50% of the vested account balance or \$50,000 reduced by the highest outstanding loan balance in the account during the prior 12-month period. Loan terms range from one to five years. However, terms may exceed five years for the purchase of a primary residence. Participants may have a maximum of one loan outstanding at a time. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest are paid ratably through payroll deductions.

**Payment of Benefits**

Upon separation of employment due to death, retirement, or termination, or in the event of a permanent disability, a participant is entitled to receive a cash distribution of all or a portion of their vested account balance. Effective August 1, 2022, the Plan was amended to permit in-kind distributions in addition to cash as a form of payment.

*Normal Retirement*

A participant may withdraw all or a portion of their vested account balance upon reaching normal retirement, which is defined as the later of the date a participant reaches age 55, and the fifth anniversary of the participant's participation in the Plan.

*In-Service Distributions*

Participants may elect to receive an in-service distribution of certain portions of their account balance upon reaching age 55, and any portion of their account upon reaching age 59 ½, as defined by the Plan. The Plan also permits participants of any age to receive a hardship distribution in the event the participant can provide evidence to the satisfaction of the plan administrator of an immediate and heavy financial need. Hardship distributions or distributions prior to age 55 are subject to income tax penalties by the IRS. Participants are permitted to receive an in-service distribution of any amounts contributed to the plan that were rolled over from another qualified retirement plan at any time. Effective March 1, 2024, the Plan will permit qualified birth or adoption distributions to be taken by participants from their vested portion of all eligible accounts.

NOTES TO FINANCIAL STATEMENTS

*As of December 31, 2024 and 2023, and for the Year Ended December 31, 2024*

---

**1. Description of Plan (continued)**

**Payment of Benefits (continued)**

*Automatic Cash-Out Provision*

The Plan includes an involuntary cash-out provision that requires, upon separation of employment with the Company, participants with account balances less than \$1,000 automatically receive a lump-sum payment for the entire vested portion of their account balance. Participants with account balances of less than \$5,000 upon termination will automatically have their vested account rolled over to an individual retirement account (“IRA”). Such automatic distributions are made without the consent of the participant. A participant with an account balance of more than \$1,000 but less than \$5,000 may elect to roll over their vested account to another qualified retirement plan or as a cash payment, provided the participant makes a timely election with the Plan Administrator.

**Forfeitures**

The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. Forfeited balances of terminated participants’ non-vested accounts may be used to reduce future administrative expenses or Company contributions. During the year ended December 31, 2024, participants forfeited \$59,604. During the year ended December 31, 2023, \$684 was used to offset administrative expenses or reduce employer contributions. At December 31, 2024 and 2023, the Plan’s unallocated forfeited accounts available to offset future administrative expenses or Company contributions totaled \$96,351 and \$42,726, respectively.

**Investment Options**

Participants direct the investment of contributions into a variety of money market and mutual funds offered by the Plan. In addition, the Plan allows participants to invest in a selection of common collective trust funds. Participants electing to invest in these common collective trust funds receive the benefit of a reduced management fee. The Plan also offers a self-directed brokerage option to participants.

**2. Summary of Significant Accounting Policies**

**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

**Use of Estimates**

The preparation of financial statements in conformity with U.S. GAAP requires plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation**

The Plan’s investments in money market funds and registered investment companies (mutual funds) are stated at fair value. The common collective trust funds are stated at net asset value (“NAV”) as determined by the Trustee at the end of the plan year. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability (an “exit” price) in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value investments.

NOTES TO FINANCIAL STATEMENTS

*As of December 31, 2024 and 2023, and for the Year Ended December 31, 2024*

---

**2. Summary of Significant Accounting Policies (continued)**

**Investment Valuation (continued)**

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 or 2023. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

**Benefit Payments**

Benefits are recorded when paid.

**Administrative Expenses**

The Company pays certain administrative expenses incurred by the Plan. Certain investment and administrative fees are deducted directly from participant's investment returns. Transaction costs borne by the Plan are charged to the individual participant who initiated the transaction to which the charge relates by reducing the participant's account balance.

**Recently Adopted and New Accounting Principles**

In June 2016, the FASB issued ASU No. 2016-13, *Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, and subsequent amendments to the initial guidance, ASU 2019-10. This accounting standard changes the methodology for measuring credit losses on financial instruments and the timing of when such losses are recorded. ASU No. 2016-13 is effective for fiscal years, and interim periods within those years, beginning after December 15, 2022. The Plan adopted the provisions of ASU 2016-13 for the year ended December 31, 2023. The adoption of this standard did not have a material impact on the Plan's financial statements.

**Subsequent Events**

Subsequent events have been evaluated through the date of the report of independent auditors, which is the date the financial statements were available to be issued. There were no items that would require recognition in the financial statements or disclosure in the notes to the financial statements.

**3. Information Certified by the Plan's Trustee (unaudited)**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplementary schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Charles Schwab Trust Bank, the trustee of the Plan.

**4. Fair Value Measurements**

The fair value hierarchy prioritizes the inputs used to measure fair value, giving the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB accounting guidance are described below:

Level 1            Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2            Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3            Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The money market and mutual funds held by the Plan are deemed to be actively traded.

NOTES TO FINANCIAL STATEMENTS

*As of December 31, 2024 and 2023, and for the Year Ended December 31, 2024*

**4. Fair Value Measurements (continued)**

*Common collective trust funds:* Valued at the net asset value (or unit value) of the units held by the Plan at year-end based on information reported by the Trustee. The NAV of each of the collective investment trust accounts is calculated in a manner consistent with the U.S. GAAP for investment companies and is determinative of their fair value and represent the price at which the Plan would be able to initiate a transaction. NAV is used as a practical expedient for fair value. Several of the collective investment trust accounts invest in publicly quoted money market mutual funds or actively managed stocks. Some of the collective investment trust accounts also invest in fixed income securities. The fair value of the underlying money market mutual funds or stocks and of the underlying securities, which is based on quoted prices of similar assets, is used to determine the NAV of the collective investment trust accounts which are not publicly traded.

*Participant-directed brokerage accounts:* This asset category represents a separate brokerage account that offers a wide range of investment opportunities including mutual funds and common stocks listed on major U.S. exchanges and fixed-income securities. The fair value of common stocks and other exchange traded investments that are publicly traded is based on the closing price per the principal stock exchange on which they are traded. The fair value of mutual funds is based on the net asset values of shares held at year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Investments, at fair value:				
Mutual funds	\$ 31,050,784	\$ -	\$ -	\$ 31,050,784

NOTES TO FINANCIAL STATEMENTS  
As of December 31, 2024 and 2023, and for the Year Ended December 31, 2024

**4. Fair Value Measurements (continued)**

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Total
Investments, at fair value:				
Cash and cash equivalents	\$ 139,009	\$ -	\$ -	\$ 139,009

Investments measured at NAV(a)				5,241,421
Total investments, at fair value				<u>\$ 47,821,120</u>

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient.

**5. Related-Party and Party-In-Interest Transactions**

Fees incurred by the Plan for investment management services are included in net appreciation (depreciation) of fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. During the year ended December 31, 2024, the Plan made direct payments to the recordkeeper and third party administrator totaling \$16,356. These costs incurred by the Plan are included in administrative expenses on the statement of changes in net assets available for benefits. The Plan Sponsor pays directly any other fees related to the Plan's operations.

Certain plan investments are shares of money market funds or mutual funds managed by Charles Schwab Trust Bank. Charles Schwab Trust Bank is one of the Trustees of the Plan. Common collective trust funds sponsored by Westwood Trust were held by the plan from January 1, 2024, to January 16, 2024. Therefore, these transactions qualify as party-in-interest transactions.

**6. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

**7. Income Tax Status**

The IRS has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

**8. Risk and Uncertainties**

The Plan offers a variety of investment options to participants. These investment options are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investments in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**Appendix 1 - Shareholder Servicing Payment Rates :**

Charles Schwab & Co., Inc. and its affiliates ("Schwab") may receive indirect compensation from fund companies or their affiliates for shareholder related services. The rate received by Schwab may change from time to time as changes are made by fund companies. Outlined below is an illustration of rates received by Schwab as of the end of the reporting period for funds held in your plan at that time.

On average, the rate earned with respect to your plan's fund holding(s) in plan brokerage account(s) in the fund family(ies) listed is 0.08%, as further detailed below:

<b>Received by Charles Schwab &amp; Co., Inc. (EIN#94-1737782)</b>		
<b>Fund Family/Provider</b>	<b>EIN</b>	<b>Formula</b>
Baird	39-6037917	Rate of 0.05% of average daily balance of asset(s)
Baron Capital Group, Inc.	Not Available	Rate of 0.09% of average daily balance of asset(s)
Westwood	04-1983910	Rate of 0.10% of average daily balance of asset(s)

Please note, the EIN for Fund Family/Provider was provided by Morningstar and is based on how the fund is marketed on the fund website or in other sales literature. Morningstar evaluates the legal entity options that are available and assigns the Provider Company EIN reflected in the above table(s). The EIN should be representative of the fund company or its affiliates, one or more of which may pay Schwab for shareholder related services.
