INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Security Risk Advisors Intl, LLC Employee Benefit Plan
Philadelphia, Pennsylvania

Opinion

We have audited the accompanying financial statements of Security Risk Advisors Intl, LLC Employee Benefit Plan ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2022 and 2021, and the changes in its net assets available for benefits for the year ended December 31, 2022, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

INDEPENDENT AUDITOR'S REPORT

(continued)

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

EMPLOYEE BENEFIT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of Security Risk Advisors Intl, LLC Employee Benefit Plan (“Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

General

The Plan is sponsored by Security Risk Advisors Intl, LLC (“Company”) and is a defined benefit health and welfare plan that provides medical and prescription drug benefits for employees of the Company and their dependents. The Plan’s assets are held by the Security Risk Advisors Intl, LLC Health Benefit Trust (“Trust”).

Benefits

The Plan provides health benefits (medical and prescription drug) to active, full-time employees of the Company who work 30 hours or more per week. Employees are eligible to participate on the first day of the month following the completion of 30 days of continuous employment with the Company. Current health claims of active participants and their dependents are paid out of the assets of the Plan.

Contributions

Contributions to the plan are funded in part by the Trust and in part from pre-tax contributions made by the participants. The participant contribution is determined on an annual basis by Company management and generally represents approximately 25% of total contributions.

Stop-loss insurance

The Plan maintains a stop-loss insurance policy that covers claims in excess of \$50,000 per participant on an annual basis. The policy also covers aggregate exposure in excess of certain proscribed limits up to \$50,000 per participant and \$1,000,000 for the Plan in total, on an annual basis.

Other

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to participants, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions set forth in ERISA.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities as of the date of the financial statements. Actual results could differ from those estimates.

Cash

The Plan maintains a cash account at a financial institution administered by the Plan's third-party administrator. This cash account is insured by the FDIC for up to \$250,000. The balance, at times, may exceed federally insured limits. Management does not believe that the Plan is exposed to any significant credit risk on cash balances.

Receivable for stop-loss insurance reimbursements

Management utilizes the direct write-off method to record bad debts, which approximates the allowance method. Management believes that all accounts are collectible as of December 31, 2022 and 2021.

Payment of benefits

Benefits for claims reported are paid on a weekly basis as determined by the Plan's third-party administrator based on the processing of actual claims filed. The Plan accrues a liability for claims incurred but not reported which is estimated based on the historical experience of the Plan and updated on a quarterly basis.

Administrative expenses

Administrative expenses are paid by the Plan. Administrative expenses include management, broker, and claims processing fees.

NOTES TO FINANCIAL STATEMENTS
(continued)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Subsequent events

The Plan evaluates events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The accompanying financial statements consider events through October 13, 2023, the date on which the financial statements were available to be issued.

NOTE 3 - INCOME TAX STATUS

The Plan is required to operate in conformity with the Internal Revenue Code ("IRC") to maintain tax-exempt status. The Plan Administrator maintains a current tax determination letter and believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Plan management has analyzed the tax positions taken by the Plan, and have concluded that as of December 31, 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE 4 - PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries of the Plan, employees of the Company, any person who provides services to the Plan, or relatives of such persons. Administrative services, broker, and management fees paid to the Plan's service providers constitute party-in-interest transactions and are reported as administrative expense in the statement of changes in net assets available for benefits.

Administrative fees that constitute party-in-interest transactions are as follows for the year ended December 31, 2022:

Plan administration and management	\$ 33,323
Broker	84,200
Claims processing	<u>48,396</u>
