Sun Community Federal Credit Union 401(k) Plan

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Sun Community Federal Credit Union 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2025 (in liquidation), and December 31, 2024 (ongoing), and the related statement of changes in net assets available for benefits (in liquidation) for the period from January 1, 2025 through June 30, 2025 (the period ended June 30, 2025), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Sun Community Federal Credit Union 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained certifications from a qualified institutions as of June 30, 2025, and December 31, 2024, and for the period ended June 30, 2025, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sun Community Federal Credit Union 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sun Community Federal Credit Union 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sun Community Federal Credit Union 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sun Community Federal Credit Union 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting

As further discussed in Notes 1 and 8 to the financial statements, the Board of Sun Community Federal Credit Union (Sun Community Federal Credit Union 401(k) Plan), the Plan's sponsor, adopted a resolution to terminate the Sun Community Federal Credit Union 401(k) Plan effective April 8, 2025. In June 2025, the Plan was merged into Happy Horizons Pooled Employer Plan. All assets of the Plan were distributed by June 30, 2025. In accordance with accounting principles generally accepted in the United States of America, Sun Community Federal Credit Union 401(k) Plan has changed its basis of accounting from the ongoing basis of accounting used in presenting the financial statements to the liquidation basis of accounting used in presenting the financial statements. Our opinion is not affected with respect to this matter.

Sun Community Federal Credit Union 401(k) Plan

Notes to Financial Statements

Note 1 – Description of Plan

The following description of the Sun Community Federal Credit Union 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement, as amended, for a more complete description of Plan provisions.

General – The Plan is a defined contribution plan covering substantially all employees of Sun Community Federal Credit Union (the Credit Union) and is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Credit Union is the Plan's sponsor and serves as Plan administrator. Sun Community Federal Credit Union 401(k) Plan adopted a resolution to terminate the Plan effective April 8, 2025. In June 2025, the Plan was merged into Happy Horizons Pooled Employer Plan. All assets of the Plan were distributed by June 30, 2025.

Eligibility – Employees of the Credit Union are eligible to participate in the Plan upon reaching age 21 and after completing six months of service. Participants must complete at least 1,000 hours of service during the Plan year to be eligible to receive any employer paid profit sharing contributions.

Contributions

Participant contributions – Each year, participants may contribute between 1% and 90% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

Employer match and profit sharing contributions – The Credit Union may elect to make discretionary matching and profit sharing contributions to the Plan. The Credit Union matches 100% of employee contributions, up to 4% of eligible compensation deferred to the Plan. Profit sharing contributions are allocated to participants in the same proportion as a participant's compensation bears to the total of all participants' compensation. There were no profit sharing contributions for the period ended June 30, 2025. The match contribution for the period ended June 30, 2025, was \$88,754.

Employer safe harbor – The Credit Union also makes safe harbor contributions equal to 3% of the participant's eligible compensation, regardless of the employee's hours of service or employment each pay period. The safe harbor contribution for the period ended June 30, 2025, was \$86,009.

Contributions are subject to regulatory limitations.

Sun Community Federal Credit Union 401(k) Plan adopted a resolution to terminate the Plan effective April 8, 2025. See Note 8 for additional information regarding the Plan termination.

Participant accounts – Each participant's account is credited with the participant's contributions and employer matching and safe harbor contributions as well as allocations of the Credit Union's profit sharing contribution and Plan earnings. Participant accounts are charged with certain Plan expenses based on use of a particular Plan feature. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their accounts into various investment options offered by the Plan.

Sun Community Federal Credit Union 401(k) Plan

Notes to Financial Statements

Vesting – Participants are vested immediately in their contributions and the Credit Union's safe harbor contributions, plus actual earnings thereon. Vesting in the Credit Union's contribution portion of their accounts and profit sharing contributions is based on years of continuous service. A participant is 100% vested after one year of credited service. A participant becomes fully vested in the event of death, permanent disability, or early retirement.

Notes receivable from participants – Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are issued by the Plan and secured by the balance in the participant's account. All loans must be repaid within a period of five years, unless the loan is used to purchase a principal residence, in which case, the loan must be repaid within a reasonable period of time. Under the terms of the Plan agreement, Plan loans will bear a reasonable rate of interest determined by the Plan administrator. Principal and interest is paid ratably through biweekly payroll deductions.

Payment of benefits – On termination of service due to retirement, or prior to retirement, on death, disability, resignation, discharge, termination, or proven hardship, a participant is eligible to receive the value of the participant's vested interest in his or her account. Participants may request a distribution from funds rolled over from another qualified plan into the Plan at any time. Distributions may be made as a lump sum distribution, as substantially equal installments, or may be partial withdrawals. A participant receives an automatic lump-sum distribution if their account balance is less than \$7,000 at termination.

Forfeitures – Forfeitures are the nonvested portion of a participant's account that is lost upon termination of employment. Forfeitures are retained in the Plan, must be used before year end, and will be used to pay Plan administrative expenses, or used to reduce future Credit Union contributions. As of June 30, 2025 and December 31, 2024, forfeited nonvested accounts totaled \$0 and \$1,196, respectively. For the period ended June 30, 2025, Credit Union matching contributions were reduced by \$243 from forfeited nonvested accounts.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting – The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP), using the liquidation basis of accounting.

Liquidation basis of accounting – The financial statements as of and for the period ended June 30, 2025 were prepared in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) 2013-07, Presentation of Financial Statements: Liquidation Basis of Accounting. Liquidation basis of accounting requires reporting of resources that will be available for distribution.

ASU 2013-07 requires a plan to prepare its financial statements using the liquidation basis of accounting when liquidation of a plan is deemed imminent, rather than when the decision to terminate a plan is made. ASU 2013-07 is effective for plans that determine liquidation is imminent during the annual reporting period.

Use of estimates – The preparation of financial statements in conformity with GAAP requires the use of estimates and assumptions that may affect certain amounts and disclosures. Accordingly, actual results could differ from those estimates.

Sun Community Federal Credit Union 401(k) Plan

Notes to Financial Statements

Investment valuation – The Plan's investments are reported at fair value. The Plan's trustee, ADP Retirement Trust Services, LLC, certifies the fair market value of investments. If available, quoted market prices are used to value investments.

Fair value is the price that would be received to sell an asset or paid to transfer a liability (the exit price) in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Income recognition – Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the liquidation basis. The net depreciation in fair value of investments consists of both the realized gains and losses and unrealized appreciation and depreciation of those investments.

Contributions – Contributions from participants and corresponding matching contributions are recorded in the year in which the related participant compensation is earned.

Notes receivable from participants – Notes receivable from participants are measured at their unpaid principal balance, plus accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions upon the occurrence of a distributable event, based on the terms of the Plan agreement.

Payment of benefits – Benefits are recorded when paid.

Expenses – Certain expenses of maintaining the Plan are paid directly by the Credit Union and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation in fair value of investments.

Subsequent events – Subsequent events are events or transactions that occur after the statements of net assets available for benefits date but before the financial statements are available to be issued. The Plan recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the statements of net assets available for benefits, including the estimates inherent in the process of preparing the financial statements. The Plan's financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the statements of net assets available for benefits but arose after the statements of net assets available for benefits date and before the financial statements are available to be issued.

The Plan has evaluated subsequent events through January 23, 2026, which is the date the financial statements were available to be issued.

Note 3 – Fair Value Measurements

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

Sun Community Federal Credit Union 401(k) Plan

Notes to Financial Statements

The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation techniques used for assets measured at fair value.

Registered investment companies (mutual funds) – Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission.

Collective trust – Units held in the collective trust (CT) are valued using the NAV practical expedient of the CT as reported by the CT manager. The NAV practical expedient is based on the fair value of the underlying assets owned by the CT, minus its liabilities, and then divided by the number of units outstanding.

The following table provides additional information for investments in certain entities that calculate net asset value per share (or its equivalent):

	<u>Fair Value</u> <u>6/30/2025</u>	<u>Fair Value</u> <u>12/31/2024</u>	<u>Redemption</u> <u>Frequency</u>	<u>Redemption</u> <u>Notice</u> <u>Period</u>	<u>Redemption</u> <u>Restrictions</u>
Collective trust	<u>\$ -</u>	<u>\$ 278,153</u>	Daily	Up to 24 months	N/A

The valuation methods used by the Plan may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Sun Community Federal Credit Union 401(k) Plan

Notes to Financial Statements

The following table discloses the fair value hierarchy of the Plan's assets by level as of December 31, 2024:

	Fair Value Measurement at December 31, 2024			
	Level 1	Level 2	Level 3	Total
Registered investment companies	<u>\$ 8,869,269</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 8,869,269
Investments measured at NAV (practical expedient)				<u>278,153</u>
Investments at fair value				<u>\$ 9,147,422</u>

Note 4 – Tax Status

The Plan document is a prototype nonstandardized defined contribution plan that received a favorable opinion letter from the Internal Revenue Service on October 6, 2020, which stated that the Plan, as then designed, was in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

In accordance with guidance on accounting for uncertainty in income taxes, the Plan administrator has evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 5 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risks. It is reasonably possible, given the level of risk associated with investment securities, that changes in the values of the investments in the near term could materially affect a participant's account balance and the amounts reported in the statement of net assets available for benefits.

Note 6 – Certified Investment Information

The following information related to investments was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company for the December 31, 2024, balances and ADP Retirement Trust Services, LLC, for the June 30, 2025 balances, qualified institutions:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of June 30, 2025 and December 31, 2024.
- Net depreciation in fair value of investments, dividends, and interest income on notes receivable from participants reflected on the accompanying statement of changes in net assets available for benefits for the period ended June 30, 2025.

Sun Community Federal Credit Union 401(k) Plan

Notes to Financial Statements

Note 7 – Party-in-Interest Transactions

ADP Retirement Services is the Plan's recordkeeper, ADP Retirement Trust Services, LLC, is the trustee of the Plan, and Pensionmark Financial Group is the Plan's investment advisor; therefore, transactions with these entities qualify as exempt party-in-interest transactions. During the period ended June 30, 2025, the Plan paid ADP Retirement Services, LLC, \$8,702 for recordkeeping services and paid Pensionmark Financial Group \$11,064 for investment advisory services.

Note 8 – Plan Termination

Sun Community Federal Credit Union 401(k) Plan adopted a resolution to terminate the Plan effective April 8, 2025. In June 2025, the Plan was merged into Happy Horizons Pooled Employer Plan. All participant account balances held by ADP Retirement Trust Services, LLC, were transferred to Voya Retirement Insurance and Annuity Company by June 30, 2025. The plan merger did not result in significant changes to plan features or operations.
