Independent Auditors' Report

To the Plan Administrator and Those in Charge of Governance of
Family Central, Inc. Tax Sheltered Annuity Plan
Fort Lauderdale, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements

We have performed an audit of the accompanying financial statements of Family Central, Inc. Tax Sheltered Annuity Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of June 30, 2024 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the qualified institution, in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of June 30, 2024 and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on 2024 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section of our report:

- The amounts and disclosures in the 2024 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the 2024 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion for the 2024 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2024 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2024 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2024 Supplemental Information Required by ERISA

The supplemental information of Schedule H, line 4i – schedule of assets (held at end of year), as of June 30, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental information, other than the information in the supplemental information that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental information related to assets held by and certified to by qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2023 Financial Statements

The financial statements of Family Central, Inc. Tax Sheltered Annuity Plan as of June 30, 2023, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520. 103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated December 4, 2024 indicated that in their opinion (a) the amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2023 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2023 supplemental schedules, other than the information in the 2023 supplemental schedules that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2023 supplemental schedules related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets all the requirements of ERISA Section 103(a)(3)(C).

FAMILY CENTRAL, INC. TAX SHELTERED ANNUITY PLAN
NOTES TO FINANCIAL STATEMENTS

Note 1 – Description of Plan

The following description of the Family Central, Inc. Tax Sheltered Annuity Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General and eligibility

The Plan is a tax deferred annuity plan established on July 1, 1986, amended and restated through the years to comply with certain tax legislation. The Plan covers all eligible employees of Family Central, Inc. and Family Central Child Care Centers, Inc. (collectively, the Organization, the Employer or Plan Sponsor). The purpose of the Plan is to provide retirement benefits for participating employees. The Plan is a defined contribution Internal Revenue Code (IRC) 403(b) Section plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

All employees of the Plan Sponsor, who are the age of 18 or older, are eligible to make salary deferrals to the Plan on the first day of employment. Participants are automatically enrolled after 30 days at a deferral rate of 3%, unless they affirmatively elect not to participate. All employees of the Plan Sponsor are eligible for Employer contributions except for the Organization's Executive Director.

The Plan contracted with Lincoln Financial Group Trust Company, Inc. (the Trustee or Lincoln) and Variable Annuity Life Insurance Company (VALIC) for custodial services. Lincoln also provides recordkeeping services to the Plan.

Contributions

Participants may contribute up to 100% of their annual compensation, as defined, and within the limits prescribed by the Internal Revenue Service (IRS). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover).

The Organization may make discretionary matching to the Plan of up to 50% of a participant's contribution to the Plan up to 6% of a participant's eligible compensation, as defined. For the year ended June 30, 2024, the Organization's non-elective contributions totaled \$105,800.

The Organization may also make an additional discretionary contribution allocated to participant accounts in proportion to a participants' annual compensation divided by the total annual compensation of all eligible participants. The Organization did not make an additional discretionary contribution for the year ended June 30, 2024.

Contributions are subject to certain IRS limitations.

Participant accounts

Each participant account is credited with the participant's contribution, and an allocation of: (a) the Organization's contributions, and (b) Plan earnings or losses thereon. Participants are charged with his or her withdrawals and an allocation of administrative expenses, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investment of his or her account to any of the investment options available under the Plan.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 1 – Description of Plan, Continued

Vesting

Participants are immediately vested in their voluntary contributions, plus actual earnings or losses thereon. Vesting in the Organization's contributions, plus actual earnings or losses thereon, is based on years of credited service. Participant accounts become fully vested in the Organization's contributions after five years of credited service based on a five-year graded vesting schedule. Participant accounts become fully vested upon death, disability, attainment of normal retirement age (65 years of age), or upon termination of the Plan.

Forfeitures

Forfeited nonvested accounts by participants are used to offset certain administrative expenses or reduce future Employer contributions. For the year ended June 30, 2024, forfeitures utilized by the Plan to offset certain administrative Plan expenses totaled \$9,565. At June 30, 2024 and 2023, total forfeited nonvested accounts approximated \$14,600 and \$2,400, respectively.

Payment of benefits

Upon termination of service due to death, disability, or normal retirement age (65), a participant may elect to receive either a lump-sum amount, equal to the value of the participant's vested interest in his or her account, installment payments, or an annuity. For termination of service for other reasons, distribution of the value of a participant's account will begin as soon as possible after the participant's request. The Plan allows for in-service withdrawals if the participant reaches age 59½ and hardship withdrawals, subject to Plan provisions. If a participant terminates before retirement, the participant will receive either a lump-sum payment of his or her vested account balance, installment payments, or annuity payments available under the group annuity contract. Distributions of a participant's after-tax account may be made at any time while participants are still employed by the Organization.

Notes receivable from participants

Participants may borrow from their fund a minimum of \$1,000 or, if the amount borrowed is greater than \$1,000, participants may borrow the lesser of \$50,000 or 50% of their vested account balance. Such loans are secured by the participant's individual account balance. Participant loans must bear a reasonable interest rate at prime rate plus 1%. Principal and interest are deducted from the participant's pay and remitted to the Custodian. All loans are required to be repaid within a period of five years, except loans to acquire the participant's principal residence which may be repaid over 30 years. A participant may only have one (1) loans outstanding at any time. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Participant loans

Participants may borrow from Variable Annuity Life Insurance Company (VALIC) using their VALIC Fixed Account Plus fund as collateral for the loan. Collateral is required in an amount equal to 120 percent (120%) of the outstanding loan balance. Participants may borrow a minimum amount of \$1,000 up to the lesser of \$50,000 or 50 percent of their VALIC Fixed Account Plus fund balances subject to annuity contract and Plan provisions. Generally, loans to participants are required to be repaid within a period of five years, except loans to acquire the participant's principal residence which must be repaid within a reasonable period. As of June 30, 2024, outstanding participant loans approximated \$7,000, with interest rates ranging from 2.50% to 3.00%. Principal and interest are paid ratably through monthly or quarterly payments made by the participant directly to VALIC, and each payment reduces the amounts collateralized by the participant's VALIC Fixed Account Plus fund account balance. Since loans to the participants are made directly from VALIC to the participant, these loans are not reflected in the accompanying statements of net assets available for benefits for each year-end presented.

FAMILY CENTRAL, INC. TAX SHELTERED ANNUITY PLAN
NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 1 – Description of Plan, Continued

SECURE Act 2.0

In December 2022, the Securing a Strong Retirement Act (SECURE Act 2.0) was passed into law. The provisions of SECURE Act 2.0 continue the reforms that began with the 2019 SECURE Act. Most of the SECURE Act 2.0 provisions will become effective in 2024 and thereafter, therefore, there was no impact to the Plan during 2023. Since the provisions include both required and optional elements, the Plan Administrator will determine the optional SECURE Act 2.0 provisions to elect.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

Investment valuation and income recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the Plan's investment advisor and the Trustee.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets and changes in net assets and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and those differences may be material.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. No allowance for credit losses has been recorded as of June 30, 2024 and 2023. If a participant ceases to make scheduled repayments and the Plan Administrator deems the participant note receivable to be in default, the note receivable balance is reduced and a benefit payment recorded.

Risks and uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate risk, market risk, and credit risk. Due to the high level of risk associated with certain investment securities and the level of uncertainty related to changes in the values of investment securities, it is at least reasonably possible that changes in such risks in the near-term would materially affect participants' account balances and the amounts reported in the financial statements.

Payment of benefits

The Plan records benefits when paid.

FAMILY CENTRAL, INC. TAX SHELTERED ANNUITY PLAN
NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 2 – Summary of Significant Accounting Policies, Continued

Plan administration

The Employer is the Plan Administrator and, as such, controls and manages the operations of the Plan. The Plan's investment assets are maintained by Lincoln and VALIC who invests cash received, interest and dividend income and makes distributions to participants (subject to the direction of participants).

Plan expenses

The Plan allows certain administrative expenses to be paid directly from Plan investment assets. Certain administrative expenses for maintaining the Plan are paid directly by the Organization and are not reflected in these financial statements. Investment related expenses are included in net appreciation in fair value of investments.

Uncertain tax positions

U.S. GAAP requires Plan management to assess its uncertain tax positions for the likelihood they would be overturned upon examination by the IRS. In accordance with this guidance, the Plan Administrator has determined it does not have any positions at June 30, 2024 that it would be unable to substantiate.

Note 3 – Certified Investment Information

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Lincoln Financial Group Trust Company, Inc. and Variable Annuity Life Insurance Company, qualified institutions, have certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown on the statements of net assets available for benefits as of June 30, 2024 and 2023;
- Net investment activity and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended June 30, 2024; and
- Investment information included in the Schedule H, Line 4i – Schedule of Assets (held at end of year) as of June 30, 2024, as shown on the ERISA-required supplemental information.

At the request of the Plan's Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified information, except for comparing such certified information to the related investment information included in the financial statements, including the disclosures related to the investments, to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP, and in the ERISA-required supplemental schedule, including assessing whether the supplemental schedule is in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 4 – Fair Value Measurements

Accounting guidance provides a framework for measuring fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

FAMILY CENTRAL, INC. TAX SHELTERED ANNUITY PLAN
NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 4 – Fair Value Measurements, Continued

The three levels of the fair value hierarchy are described as follows:

Level 1	Unadjusted quoted prices for identical, unrestricted assets or liabilities in active markets that a plan has the ability to access.
Level 2	Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means for substantially the full term of the assets or liabilities.
Level 3	Significant unobservable inputs.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodology used at June 30, 2024 and 2023. During the year ended June 30, 2024, there were no transfers of financial instruments into or out of Level 3.

Mutual funds – valued at quoted market prices, which represent their daily net asset value (NAV) reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are traded on national exchanges (active markets).

The preceding method described may produce a fair value calculation that may not be indicative of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments measured at fair value, on a recurring basis, as of June 30, 2024 and 2023:

	Fair Value Measurements as of June 30, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 7,121,108</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 7,121,108</u>
	Fair Value Measurements as of June 30, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 6,422,472</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 6,422,472</u>

Note 5 – Guaranteed Investment Contracts with Life Insurance Companies

The Plan has investments in fully benefit responsive investment contracts issued by VALIC and Lincoln National Life Insurance Company (LNL) (collectively, the issuers) with contract values as provided by VALIC and LNL totaling \$1,193,067 and \$1,208,892 at June 30, 2024 and 2023, respectively. Contributions are maintained in the general accounts of VALIC and LNL. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

FAMILY CENTRAL, INC. TAX SHELTERED ANNUITY PLAN
NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 5 – Guaranteed Investment Contracts with Life Insurance Companies, Continued

Both VALIC and LNL are contractually obligated to repay the principal at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the issuers. The crediting rates are reset annually. The annual crediting rate for the Fixed Account at June 30, 2024 and 2023 was 1.00%.

Contract value, which approximates fair value, as reported to the Plan by VALIC and LNL represents contributions made under the terms of the contracts, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on VALIC and LNL's ability to meet their financial obligations. VALIC and LNL's ability to meet their contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with VALIC or LNL. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with VALIC or LNL and that also would limit the ability of the Plan to transact at contract value with the participants.

Based on ongoing credit evaluations of its guaranteed investment contract investments, Plan management does not expect payment defaults or delinquencies and has not recorded an allowance for credit losses for these investments as of June 30, 2024.

Note 6 – Party-In-Interest Transactions

The Plan's investments include shares of mutual funds and a guaranteed investment contract managed and/or administered by Lincoln and its affiliate, as well as, mutual funds and guaranteed investment contracts which are administered, managed and/or issued by VALIC. Recordkeeping services are provided by Lincoln. Therefore, transactions with VALIC, Lincoln, and Lincoln's affiliate qualify as party-in-interest transactions. Such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA.

Under the Plan's service agreement, Lincoln receives revenue from service providers for its services. This revenue is used to offset certain amounts owed to Lincoln for its trust and recordkeeping services to the Plan.

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides sources to the Plan, or Plan Sponsor whose employees are covered by the Plan. Certain administrative functions are performed by officers and employees of the Organization. No officer or employee receives compensation from the Plan for these services.

Note 7 – Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Plan Sponsor may determine.

FAMILY CENTRAL, INC. TAX SHELTERED ANNUITY PLAN
NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 8 – Tax Status

On March 31, 2017, the IRS stated that the Volume Submitter 403(b) Plan adopted by the Plan, as then designed, qualifies under Section 403(b)(7) of the IRC and, therefore, the related trust is tax-exempt. The Plan has not received a determination letter specific to the Plan itself. The Plan has been amended since adoption, however, the Plan Administrator and the Plan's tax counsel believe that the Plan is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes that the Plan is no longer subject to income tax examinations for years prior to 2019.

Note 9 – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for plan benefits as shown on Form 5500 at June 30, 2024 and 2023 and changes in net assets available for benefits as shown on Form 5500 for the year ended June 30, 2024 with the amounts shown in the financial statements:

	2024	2023
Net assets available for benefits – Form 5500	\$ 8,495,883	\$ 7,813,575
Reconciling items:		
Add: participant contributions receivable	-	9,924
Add: Employer contributions receivable	-	3,843
Net assets available for benefits – financial statements	\$ 8,495,883	\$ 7,827,342
	2024	
Change in net assets – Form 5500	\$ 682,328	
Reconciling items:		
Less: prior year participant contributions	(9,924)	
Less: prior year Employer contributions	(3,843)	
Change in net assets – financial statements	\$ 668,541	

Note 10 – Subsequent Events

Subsequent to June 30, 2024, the Plan contracted with Empower Annuity Insurance Company of America and Empower Trust Company, LLC (collectively, Empower), to provide custodian and trust services to the Plan and terminated its contract with Lincoln.

The Plan evaluated events occurring subsequent to June 30, 2024 through July 1, 2025, the date on which the financial statements were available to be issued, for matters that should be recorded in the financial statements or disclosed in the footnotes thereto.
