INDEPENDENT AUDITOR'S REPORT

To the Plan Trustees, Plan Participants and Beneficiaries of the
JANA, Inc. Retirement Plan
Universal City, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

I have performed an audit of the Financial Statements of the JANA, Inc. Retirement Plan, as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in the net assets for benefits for the year ended December 31, 2024 and the related notes to the financial statements

Management, having determined it is permissible in the circumstances, has elected to have the audit of the JANA Retirement Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications signed by an authorized signatory of Fidelity Workplace Services LLC, the Plan's recordkeeper, on behalf Fidelity Management Trust Company, a qualified institution, as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In my opinion, based on my audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

I conducted my audit in accordance with auditing standards generally accepted in the United States of America (GAAS). My responsibilities under those standards are further described in the Auditor's Responsibilities for the

MEMBER

TEXAS CERTIFIED PUBLIC ACCOUNTANTS**

JANA, Inc. Retirement Plan

Audit of Financial Statements section of my report. I am required to be independent of the JANA, Inc. Retirement Plan and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the JANA, Inc. Retirement Plan's ability to continue as a going concern for the one year after the financial statements are available for issuance.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the JANA, Inc. Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about JANA, Inc. Retirement Plan's ability to continue as a going concern for a reasonable period of time.

My audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in

To the Plan Trustees, Plan Participants and Beneficiaries of the

accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i, Schedule of Assets Held at Year-End is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

In forming my opinion on the supplemental schedule, I evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion

- The form and content of the supplement schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – PLAN DESCRIPTION

General: The Plan, established by JANA, Inc. (the Company) on April 1, 1976, is a defined contribution plan covering all employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). A summary of the plan provisions follow. The Plan committee oversees Plan Operations and determines the appropriateness of the Plan investments, monitors the Plan investment performance and reports to the Company Board of Directors.

Participant Eligibility: Participants are automatically enrolled in the Plan on the first day of the month following three months of employment. The initial employee deferral is set at 5% of employee compensation and the proceeds are invested in a designated mutual fund. Both the deferral and investment may be changed by the participant. The employee may opt out of this Plan provision as it relates to automatic enrollment.

Contributions: Participants may contribute up to 90% of eligible compensation or \$23,000 (\$30,500 for employees age 50 or over) of annual compensation as an elective deferral. Participants may elect pre-tax deferrals or after-tax deferrals (Roth deferrals).

The Plan Sponsor makes discretionary matching contributions. The match is based on 50% of the participant’s elective deferral up to \$1,000 of the elective deferral. Also, the Plan Sponsor may make discretionary non-elective contributions. For the year ended December 31, 2024, the Plan Sponsor did not make a qualified non-elective contribution.

Participants direct the investment of their contributions into various mutual fund options offered by the Plan trustee, Fidelity Management Trust Company.

Participant Accounts: Each participant’s account is credited with the participant’s contribution and allocations of:

- Plan Sponsor discretionary matching contributions
- Account earnings
- Administrative expenses, if any

Allocations of any Plan Sponsor non-elective contributions are based on the amount of a participant’s compensation to total eligible compensation paid to all eligible participants. Allocation of earnings is based on the investments held in each participant’s account. Allocation of expenses is based on the nature of the expense.

Vesting: Participants vest immediately in their contributions and actual earnings thereon. Participants are also fully vest in the Plan Sponsor discretionary matching contributions and other Plan Sponsor contributions.

Benefit Payments: On termination of services due to separation, death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the participant’s vested interest in the account, or periodic distributions required for minimum distribution purposes. Under certain circumstances, participants may receive in-service or hardship distributions, which are limited to the participant’s contributions and earnings thereon. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts: Forfeited, non-vested accounts if any may be used to pay Plan expenses or reduce future employer contributions. At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$82 and \$1,546, respectively.

Participant Loans: The Plan allows participants to have two outstanding loans. Participants may borrow from their fund accounts a minimum of \$1,000 up to the lesser of (1) \$50,000 less the highest outstanding note balance during the previous 12-month period or (2) 50% of their account balance. The notes are secured by the balance in the participant’s account. Note terms generally range from 1 to 5 years unless the note is for the purchase of

a principle residence in which case the term of the note may not extend beyond 10 years. Interest is at prime (7.5% at December 31, 2024) plus 1%. Principle and interest are paid through payroll deductions under a level amortization schedule. Interest rates on notes receivable outstanding as of December 31, 2024 range from 4.25% to 9.50%. The maturity dates for the notes receivable ranged from January 2025 to April 2034.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The accompanying financial statements have been prepared on the accrual basis of accounting, in accordance with generally accepted accounting principles in the United States (U.S. GAAP).

Use of Estimates: The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: The Plan's investments are stated at fair value. The investments consist of publicly-traded mutual funds at December 31, 2024 and 2023. The mutual funds are valued at the net asset value of shares held. Purchases and sales of mutual funds are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

The purchase and sale of investments are determined and directed by Plan participants.

Participant Notes Receivable: Participant notes receivables are valued at their unpaid principle balance plus accrued interest, if any. Interest income is recorded on an accrual basis. Related administrative fees are expensed when incurred. No allowance for credit losses was required as of December 31, 2024 or 2023. If a participant ceases to make loan repayments and the Plan administrator deems the loan to be in default, the loan balance is reduced and a benefit payment to the participant is recorded.

Excess Salary Deferral Contributions Refundable to Participants: Amounts payable to participants for contributions in excess of amounts by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding reduction to participant contributions. The Plan distributes the excess contributions to the applicable participants within the statutory requirements of the internal Revenue code.

Benefit Payments: Benefit payments are recorded when paid.

Subsequent Events: Subsequent events have been evaluated by Plan management through the date of the independent auditor's report.

Concentration of Credit Risk: Concentration of credit risk with respect to investments is reduced as a result of the diversity of the underlying investments.

NOTE 3 – CERTIFIED INVESTMENTS

Certified information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by an authorized signatory of Fidelity Workplace Services LLC, Plan recordkeeper, on behalf of Fidelity Trust Management Company, Plan trustee.

NOTE 4 – PLAN TERMINATION

Though it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants would become fully vested in any employer contributions made prior to that time.

NOTE 5– TAX STATUS

The Plan operates under an FMR, LLC pre-approved profit-sharing plan document with CODA (pre-approved Plan document) approved by the IRS on June 30, 2020 as a qualified under IRC 401(a). The Plan adopted the pre-approved Plan document as a restatement of the existing Plan document on June 10, 2021. The Plan has not obtained a separate determination letter from the IRS; however, the Plan Administrator and Trustees believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they conclude that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the U.S. federal, state, or local tax authorities. Management is not aware of any uncertain tax positions that would have a significant impact on the Plan's financial statements. The Plan is subject to income tax examinations by the U.S. federal tax authorities over a three year period from the date of filing. Currently, there are no tax examinations in progress.

NOTE 6 – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit.

FASB ASC 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Level 1: The fair value of mutual funds is based on quoted net assets values of the shares held by the Plan at year-end. Quoted net asset values per share in public markets are considered level 1 inputs.

Level 2: Inputs other than Level 1 prices that is observable for the asset or liability, either directly or indirectly, including quoted prices for similar assets or liabilities in active markets, inactive markets, or inputs. The Plan has no investments valued using level 2 inputs.

NOTE 6 – FAIR VALUE MEASUREMENTS (continued)

Level 3: Inputs that are not observable. The Plan has no investments valued using level 3 inputs.

The classification of investments by level of inputs is as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>December 31, 2024</u>				
Participant Directed:				
Mutual Funds	<u>\$ 8,891,307</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 8,891,307</u>

Total Investment Assets	<u>\$ 7,278,068</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 7,278,068</u>

NOTE 7 – RISKS AND UNCERTAINTIES

The mutual fund investments are exposed to various risks such as interest rate, market and credit risks. Due to these risks, it is at least reasonably possible that changes in the values of the mutual fund investments will occur in the near term and that such changes could materially affect the participants' account balances and amounts reported in the statement of net assets available for Plan benefits.

NOTE 8 – RELATED PARTY TRANSACTION AND PARTIES-IN-INTEREST TRANSACTIONS

The Plan paid \$8,070 in administrative and investment management fees in 2024 to the Plan Trustee and other Plan service providers. The Plan Sponsor paid other Plan expenses.

Certain Plan investments are shares of mutual funds managed by affiliates of the Plan Trustee. Transactions with the affiliates are considered related party and parties-in-interest transactions.
