INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Management
Paradigm Rehab & Nursing LP 401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Paradigm Rehab & Nursing LP 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Paradigm Rehab & Nursing LP 401(k) Profit Sharing Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Paradigm Rehab & Nursing LP 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Paradigm Rehab & Nursing LP 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Paradigm Rehab & Nursing LP 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Paradigm Rehab & Nursing LP 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

2023 Financial Statements

The statement of net assets available for benefits for the year ended December 31, 2023 was compiled by us. We did not audit or review the statement and, accordingly, do not express an opinion or provide any assurance about whether the statement is in accordance with accounting principles generally accepted in the United States of America.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Paradigm Rehab & Nursing LP 401(K) Profit Sharing Plan & Trust (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL

Paradigm Rehab & Nursing LP is a member of a controlled group of employers with similar ownership. Members of the controlled group who elected to participate in the Plan are considered “participating employers”. Paradigm Rehab & Nursing LP and all participating employers are, collectively, hereinafter referred to as the “Company”.

The Plan is a defined contribution plan adopted on January 1, 2012 covering all employees of the Company who have satisfied eligibility requirements. Eligible employees are permitted to make tax-deferred contributions and after-tax (Roth) contributions under Section 401(k) of the Internal Revenue Code (IRC). The Plan is subject to the provisions of the Employee Retirement Income Securities Act of 1974 (ERISA). The Plan Administrator and Plan management oversee governance of the Plan, determine the appropriateness of the Plan's investment offerings and monitor investment performance.

ELIGIBILITY

Employees become eligible for participation at the age of twenty-one and upon completion of at least three months of service. Eligibility provisions apply to participation and all Company contributions other than Company profit sharing contributions. Employees become eligible for Company profit sharing contributions at the age of twenty-one and upon completion of at least one year of service. Employees of the Company are eligible to participate in the Plan immediately upon meeting age and eligibility provisions.

CONTRIBUTIONS

Participant contributions are made on a voluntary basis and directly withheld from the participant's eligible compensation, as defined in the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have deferral set at 3 percent of eligible compensation and their contributions are invested in a target retirement date fund based on their age until changed by the participant. The Plan also includes an escalation at the beginning of each plan year of the automatic deferral amount by 1 percent of compensation on the first day of the plan year until deferrals reach 6 percent. The Plan allows participants to contribute up to 92 percent of eligible compensation, as defined by the Plan agreement, subject to certain maximum limitations imposed by the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions, subject to the maximum limitation imposed by the IRC. Rollover contributions from qualified plans are allowed.

Under the safe harbor matching contribution provision of the Plan, employee contributions are matched by the employer at a rate of 100 percent of the first 1 percent and 50 percent of the next 5 percent of eligible participant compensation. For the year ended December 31, 2024, the Company made safe harbor matching contributions totaling \$180,873.

Under the Plan, the Company may also make additional discretionary profit-sharing contributions. Such contributions are determined annually and are allocated pro rata among all qualifying participants. Qualifying participants include all employee participants who are not highly compensated. For the year ended December 31, 2024, the Company made no additional discretionary profit-sharing contributions.

VESTING

Participants are immediately vested in their elective deferral contributions, rollover contributions and Company profit sharing contributions, plus actual earnings thereon. Vesting in Company safe harbor contributions and additional matching contribution, plus earnings thereon, is based on years of service. A participant is 0 percent vested for the first 2 years and 100 percent vested after two years of credited service.

FORFEITURES

Any portion of the balance in a participant's account that is not vested will become a forfeiture upon the distribution of the entire vested account balance or upon the occurrence of a break in service, as defined by the Plan agreement. Forfeitures can be used to pay administrative expenses of the Plan, reduce employer contributions, or as an employer profit sharing contribution allocation. At December 31, 2024 and 2023, unallocated forfeitures totaled approximately \$14,405 and \$19,713, respectively. During the year ended December 31, 2024, forfeitures received by the Plan totaled \$14,708, and amounts used by the Plan totaled \$20,016.

PAYMENT OF BENEFITS

Participants are entitled to the benefits that can be provided from their vested individual account balances upon death, disability, termination of service or normal retirement, as defined by the Plan agreement. Hardship withdrawals are permitted for employee contributions, plus actual earnings thereon. In-service withdrawals up to the vested balances for the participants are permitted, as described within applicable sections of the IRC. Distributions are to be made in the form of lump-sum payments as cash distributions or direct rollover to another qualified plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisor and trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Participant loans are classified as notes receivable and are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2024 and 2023, no allowance for credit losses has been recorded. If a participant fails to comply with the terms of a loan and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced and the delinquent participant note receivable is recorded as a benefit payment, a deemed distribution, or a combination of the two.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

PLAN MANAGEMENT'S REVIEW OF SUBSEQUENT EVENTS

Plan Management has evaluated subsequent events through March 12, 2026, which is the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation method include
 - quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the assets or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

NOTE 3 - FAIR VALUE MEASUREMENTS - CONTINUED

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Money market funds: Valued at the per unit price as quoted by the financial institution.

Mutual funds: Valued at the daily closing price, as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023.

Fair Value Measurements at December 31, 2024				
	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Other Unobservable Inputs (Level 3)
Money market fund	14,408	14,408	-	-
Mutual funds	3,472,305	3,472,305	-	-
Total	<u>\$ 3,486,713</u>	<u>\$ 3,486,713</u>	<u>\$ -</u>	<u>\$ -</u>

Fair Value Measurements at December 31, 2023				
	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Other Unobservable Inputs (Level 3)
Money market fund	19,713	19,713	-	-

Total	<u>\$ 2,675,724</u>	<u>\$ 2,675,724</u>	<u>\$ -</u>	<u>\$ -</u>

Gains and losses (realized and unrealized) included in the statement of changes in net assets available for benefits for the year ended December 31, 2024 are reported in net appreciation (depreciation) in fair value of investments.

NOTE 4 - INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

Certain information related to investments disclosed in the accompanying financial statements and the ERISA-required supplemental schedule, including investments held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Mid Atlantic Trust Company, the custodian.

	2024	2023
Investments, at fair value:		
Money market fund	\$ 14,408	\$ 19,713
Mutual funds	3,472,305	2,656,011
Total investments, at fair value	<u>\$ 3,486,713</u>	<u>\$ 2,675,724</u>
 Investment income	 <u>\$ 379,733</u>	

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to related information included in the financial statements and supplemental schedule.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their accounts.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer and certain others. Fees paid to the custodian, third party administrator, and other service providers are party-in-interest transactions and are included in administrative expenses or net appreciation (depreciation) of fair value of investments in the statement of changes in net assets available for benefits. Notes receivable from participants are also considered party-in-interest and related party transactions.

All such party-in-interest transactions are covered by an exemption from the "prohibited transactions" provisions of ERISA and the IRC.

NOTE 7 - TAX STATUS

Effective August 31, 2020, the Plan adopted a non-standardized pre-approved profit-sharing plan with the IRC Section 401(k) Cash or Deferred Arrangement (CODA) which received a favorable opinion letter from the Internal Revenue Service (IRS) dated August 31, 2020, which states that the form of the plan is acceptable under Section 401 of the IRC, not subject to tax under present income tax law. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and tax counsel believe the Plan is designed and is being operated in compliance with the applicable requirements of the IRC and, therefore, believe the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has concluded there are no uncertain positions as of December 31, 2024 and 2023. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investments in general are exposed to various risks such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such change could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
