INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator, Plan Management, Board of Directors, Trustee, and Participants of
Signum 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of **Signum 401(k) Plan (Plan)**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of **December 31, 2024 and 2023**, the related statement of changes in net assets available for benefits for the year ended **December 31, 2024**, and the related notes to the financial statements (Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared

and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2024 Supplementary Schedule Required by ERISA

The supplementary Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2024 and 2023

NOTE A – DESCRIPTION OF PLAN

The following description of Signum 401(k) Plan (Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

Signum, LLC (plan sponsor/administrator) is a professional employer organization (PEO) that provides services to a variety of different employers, many of which have adopted the Plan (participating employer). Therefore, the Plan is a multiple employer defined contribution plan covering substantially all employees of the participating employers who have met the age and service requirements as defined in each employer's participation agreement. The Plan was originally effective July 1, 1999. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Transfer of Assets into / out of the Plan

In 2024, several participating employers transferred assets out of the Plan ("Southeastern Sand Company, LLC" - \$94,733 total into the "PEOPlease, LLC / PLC Services LLC 401(k) Plan" in June 2024; "Toll Solutions, LLC" - \$6,790 total into the "Toll Solutions 401(k) Plan" in July 2024; "Bilt Rite Corporation" - \$1,409,056 total into the "Bilt Rite Corporation 401k Plan" in July and December 2024).

In 2024, "Weathers Farms, Inc." became a participating employer in the Plan. In October 2024, significant assets from "Weathers Farms, Inc. 401(k) PS Plan" were transferred/merged to the Plan (\$1,095,293).

Contributions

Each year, participants may contribute (employee contributions) up to the maximum allowed by the Internal Revenue Code (IRC). Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions). As defined in each employer's participation agreement, a safe harbor contribution is commonly provided; certain participating employers allow for an additional discretionary contribution (employer contributions). Participants direct the investment of these contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with participant contributions, and allocations of earnings / losses, administrative expenses, etc. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Signum 401(k) Plan

Notes to Financial Statements

December 31, 2024 and 2023

Vesting

Participants are immediately vested in their voluntary and employer safe harbor contributions plus actual earnings thereon. Vesting in any other employer contributions plus actual earnings thereon is based on years of continuous service and a vesting schedule as defined in each employer's participation agreement. A year of service is earned for vesting purposes upon completing 1,000 hours of service during a plan year.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

Upon termination of service, a participant may elect to receive their vested account balance. Distributions are made as a lump sum. Under certain circumstances, a participant may be able to elect a distribution prior to termination of service. If a participant has a financial hardship or once a participant reaches the age 59 ½, they can elect a distribution.

Forfeited Accounts

At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$9,121 and \$28,108, respectively. These accounts are used to reduce employer contributions, and/or pay administrative expenses of the Plan. During the plan year ended December 31, 2024, \$27,950 of these accounts were used to reduce employer contributions.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Notes to Financial Statements

December 31, 2024 and 2023

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by the Plan's custodian, record-keeper, investment adviser, and insurance company. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation / depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the plan year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment.

Contributions

Employee contributions are recorded in the period in which they are withheld from compensation. Employer contributions, as applicable, are recorded in the period in which they become employer obligations as defined by the plan agreement. No allowance has been recorded on contributions receivable, as applicable.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the plan sponsor and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation / depreciation in fair value of investments. Certain fees relating to the administration of notes receivable from participants, processing withdrawals, etc. are included in administrative expenses and charged directly to the participant's account.

Subsequent Events

The Plan has evaluated subsequent events through March 16, 2026, the date the financial statements were available to be issued.

NOTE C – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include -

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value (there have been no changes).

Pooled Separate Accounts (Not Classified)

The fair value of pooled separate accounts is based on the net asset value (NAV) of units as reported by the fund. The NAV is used as a practical expedient to estimate fair value, which is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023.

Fair Value Measurements at the End of the Reporting Period Using:				
	Fair value	Level 1	Level 2	Level 3
<u>December 31, 2024</u>				
Investments measured at NAV (a)	\$ <u>47,650,499</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>-</u>
<u>December 31, 2023</u>				
Investments measured at NAV (a)	\$ <u>39,770,037</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>-</u>

(a) In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2024 and 2023. There are no redemption restrictions for these investments.

	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
<u>December 31, 2024</u>				
Pooled separate accounts	\$ <u>47,650,499</u>	N/A	Daily	None
<u>December 31, 2023</u>				
Pooled separate accounts	\$ <u>39,770,037</u>	N/A	Daily	None

The investments noted above include many different fund types that have particular investment strategies. The Plan's investments include the following: **(1) stable value fund** - seeks to preserve capital and achieve stable returns **(2) index funds** - seeks to reproduce returns of a specific index **(3) income funds** - seeks to provide income and some appreciation **(4) target date retirement funds** - seeks to provide an asset allocation based on the investor's targeted retirement date (asset allocation becomes more conservative as the target retirement date is approached) **(5) risk based funds** - seeks to provide an asset allocation based on the investor's risk tolerance **(6) growth funds** - seeks to provide growth / appreciation of capital (primarily invests in common stocks)

Notes to Financial Statements

December 31, 2024 and 2023

GAAP requires the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE H – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE I – INTERNAL REVENUE SERVICE (IRS) EXAMINATION

The IRS conducted an examination of the Plan for plan years 2016-2021. On April 4, 2024, the IRS approved and signed the closing agreement, which addressed the resolution of errors and plan sponsor payment to the U.S. Treasury. As a result, the IRS agreed to treat the Plan as if it had complied.
