MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		1000000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒

Community Counseling Center of Mercer County 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Community Counseling Center of Mercer County 401(k) Profit Sharing Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended June 30, 2025 and 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the

information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not

detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) as of June 30, 2025, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COMMUNITY COUNSELING CENTER OF MERCER COUNTY 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE PLAN YEARS ENDED JUNE 30, 2025 AND 2024

1. Description of Plan

The following description of Community Counseling Center of Mercer County (Organization) 401(k) Profit Sharing Plan (Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Organization is a Pennsylvania non-profit organization formed to provide a variety of professional mental health services to individuals primarily in western Pennsylvania. The Plan was established for the purpose of providing retirement benefits to the employees of the Organization. The accompanying financial statements include only the activity and financial position of the Plan and are not intended to reflect the Organization as a whole.

General

The Plan is a defined contribution plan covering substantially all hourly and salaried employees of the Organization.

Effective January 1, 2021, the Organization restated the Plan to include an automatic deferral of 3% of compensation for each payroll period for any newly eligible employees. Employees may revise their percent contribution or opt-out at any time.

Effective January 1, 2023, the Organization amended the Plan to include a provision for an annual automatic salary deferral increase of 1% to the employee's current contribution percentage not to exceed 10%. This provision does not apply to those employees that contribute 10% or greater. Employees may revise their percent contribution or opt-out at any time.

Subsequent to year-end, the Organization amended the Plan effective January 1, 2026 to remove the provision for the annual automatic salary deferral increase for all eligible employees.

Upon attaining one year of service, a person becomes eligible to participate in the employer discretionary contribution. Entry dates for the employer discretionary contribution is the first day of the first month or the first date of the seventh month of the Plan year.

COMMUNITY COUNSELING CENTER OF MERCER COUNTY 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE PLAN YEARS ENDED JUNE 30, 2025 AND 2024

Contributions

Participants may elect to contribute to the Plan, on a salary-deferral basis, the maximum amount of their pretax compensation permitted by law. Additionally, the Plan allows for a Roth contribution option for participants. Participants may contribute 100% of their compensation subject to Internal Revenue Code (IRC) limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

The Organization's profit-sharing contribution is discretionary, determined annually, and approved by the Organization's Board of Directors. The Organization's discretionary contributions are allocated based on a percentage of compensation to participants, which was five percent for June 30, 2025 and 2024. The employer discretionary contribution for the years ended June 30, 2025 and 2024 was \$174,440 and \$157,739, respectively. The Plan also provides for discretionary matching contributions; however, no such contributions were made for the years ended June 30, 2025 and 2024. During June 30, 2024, the employer identified and corrected through self-correction a participant that was eligible for the employer discretionary contribution for prior years in the amount of \$4,887 that is included in employer contributions on the statements of changes in net assets available for benefits.

Participant Accounts

Participants direct the investment of their contributions and the Organization's contributions into various investment options offered by the Plan.

Each participant's account is credited with an allocation of the Organization's discretionary contributions, Plan earnings and losses, forfeitures, and administrative expenses. The participant's account is also credited with any salary deferral and Roth contributions. Allocation of the Plan's earnings and losses are based on the proportion that each participant's account bears to the total of all participant accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Investment Account Options

Investment account options available include various funds. Each participant has the option of directing his or her contributions into any of the separate investment accounts and may change the allocation daily.

NOTES TO FINANCIAL STATEMENTS

FOR THE PLAN YEARS ENDED JUNE 30, 2025 AND 2024

Vesting

Participants are vested immediately in their elective deferral contributions plus actual earnings thereon. Plan participants become fully vested in employer discretionary contributions according to the vesting schedule below or at the earliest of the following dates: a) the date of the participant's death, or b) the date the participant incurs total disability.

The vesting schedule is as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts for any reason. Participants may not receive a loan of less than \$1,000 nor greater than \$50,000. Loans are generally limited to 50% of the participant's vested account balance. Participants are only permitted one loan during any twelve-month consecutive period and may have only one loan outstanding at a time. The Internal Revenue Code also provides certain limitations. Loans are secured by the balance in the participant's account and bear interest that ranges from 8.50% to 9.50% and 4.25% to 9.50% for the Plan year end June 30, 2025 and 2024, respectively. Principal and interest is paid ratably through payroll deductions. All loans are governed by the provisions of the Plan Loan Policy Statement. In the event of default, participants are considered to have received a distribution and are subject to income taxes on the distributed amount. Also, participants may be subject to an additional 10% penalty tax on their taxable withdrawal if it occurs prior to age 59 ½. Repayment terms may not exceed five years unless the loan is granted for the purpose of acquiring the participant's principal residence.

Benefit Payments

Plan benefits are generally paid to participants at retirement, death, or disability. Normal retirement is at age 65; however, participants may take in-service distributions when they are 59.5 years old. The Plan also permits participants to take hardship distributions. Participants or their beneficiaries may elect to receive an amount equal to the value of the participant's vested account in either a lump sum

amount or in annual installments over a fixed period of time. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts

If a participant is not vested upon termination, the nonvested portion of their account balance contributed by the employer and the earnings thereon are forfeited. Forfeited amounts are re-allocated to the account balances of the remaining participants based upon the ratio of the employees' eligible compensation to the compensation as a whole for all eligible participants. At June 30, 2025 and 2024, forfeited amounts re-allocated to remaining participants totaled \$8,215 and \$17,259, respectively.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is defined as the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at a measurement date. When determining fair value, the Plan considers the principal and most advantageous market in which it would transact and considers the assumption that market participants would use when pricing the asset or liability. See Note 3 for a discussion of fair value measurements

The cost of investments sold or distributed is determined using the specific identification method. Investment purchases and sales of securities are accounted for on a trade-date basis. Interest and dividends are recorded when earned.

COMMUNITY COUNSELING CENTER OF MERCER COUNTY 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE PLAN YEARS ENDED JUNE 30, 2025 AND 2024

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains (losses) on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Investment Management Fees and Operating Expenses

Investment management fees and operating expenses charged to the Plan for investments in the various funds are deducted from income earned on a daily basis and are reflected as a component of net appreciation (depreciation) in fair value investments in the accompanying statements of changes in net assets available for benefits.

Benefit Payments

Benefits payments are recorded when paid. There were no benefits allocated to the accounts of persons who had withdrawn from the Plan but were not paid as of June 30, 2025 and 2024.

Administrative Expenses

Certain administrative and recordkeeping expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Organization. Expenses that are paid by the Organization are excluded from these financial statements. At any time, the Plan may elect to have all such expenses paid by the Plan participants.

Subsequent Events

Subsequent events have been evaluated through the Independent Auditor's Report date, which is the date the financial statements were available to be issued.

3. Fair Value Measurements

The three levels of inputs that may be used to measure fair value are as follows:

Level 1 – Quoted prices in active markets for identical assets or liabilities.

COMMUNITY COUNSELING CENTER OF MERCER COUNTY 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE PLAN YEARS ENDED JUNE 30, 2025 AND 2024

Level 2 – Observable inputs other than quoted market prices in active markets for identical assets and liabilities, quoted prices for identical or similar assets or liabilities in inactive markets, or other inputs that are observable for the asset or liability and can be corroborated by observable market data for substantially the full term of the asset or liability.

Level 3 – Inputs that are generally unobservable and typically reflect management’s estimates of assumptions that market participants would use in pricing the asset or liability.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in methodologies used at June 30, 2025 or 2024.

Mutual funds are valued at the closing price reported on the active market on which the individual securities are traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of the future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The tables below set forth the fair value of the Plan’s assets measured on a recurring basis, by level, as described above:

Description	Fair Value Measurement as of June 30, 2025			Total
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	
Mutual funds	\$ 3,718,617	\$ -	\$ -	\$ 3,718,617
Total assets in the fair value hierarchy	<u>\$ 3,718,617</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,718,617</u>

Total assets in the fair value hierarchy	\$ 3,424,353	\$ -	\$ -	\$ 3,424,353

4. Certification of Financial Information by the Plan's Custodian

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at June 30, 2025 and 2024, and net (depreciation) appreciation in fair value of investments and dividends and interest for the years ended June 30, 2025 and 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Ascensus Trust Company, the custodian of the Plan.

5. Income Tax Status

The Internal Revenue Service (IRS) issued an opinion letter dated June 30, 2020 indicating that the prototype adopted by the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the prototype sponsor and the Plan administrator believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. In addition, the Plan annually files a Form 5500.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The

NOTES TO FINANCIAL STATEMENTS

FOR THE PLAN YEARS ENDED JUNE 30, 2025 AND 2024

Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress for the Plan.

6. Related-Party and Party-In-Interest Transactions

Certain Plan investments in the mutual funds accounts are managed by Vanguard. Vanguard has an agreement with Ascensus Trust Company for Ascensus Trust Company to provide certain recordkeeping and administrative services on behalf of Vanguard. As such, Ascensus Trust Company is the custodian and Vanguard is the recordkeeper, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Administration fees paid by the Plan to Ascensus Trust Company amounted to \$16,200 and \$13,266 for the years ended June 30, 2025 and 2024, respectively. The Organization provides certain accounting, administrative, and investment management services to the Plan for which no fees are charged.

7. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

8. Plan Termination

Although it has not expressed an intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.
