INDEPENDENT AUDITOR'S REPORT

The Plan Administrator
Party City Holdings Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Party City Holdings Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years ended December 31, 2024 and 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024, 2023 and 2022, and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

(Continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024 and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PARTY CITY HOLDINGS INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2024, 2023 and 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of Party City Holdings Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: Effective January 1, 1995, Party City Holdings Inc. (the Company or the Plan Sponsor) adopted a defined contribution plan that covers substantially all employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Plan assets are held and administered with Fidelity Management Trust Company (the "Trustee").

On January 17, 2023, the Company and certain of its subsidiaries filed voluntary petitions (the "Chapter 11 Cases") in the United States Bankruptcy Court for the Southern District of Texas (the "Bankruptcy Court") seeking relief under Chapter 11 of Title 11 of the United States Code (the "Bankruptcy Code"). The Company emerged from this bankruptcy in October 2023. On December 21, 2024, the Company initiated voluntary Chapter 11 bankruptcy proceedings in the Bankruptcy Court to accomplish an orderly wind down of its business. On December 24, 2024, the court entered an order approving bidding procedures in connection with the sale, liquidation, or other disposition of assets. See Note 9 for additional information.

Eligibility: Generally, all employees of Party City Holdings Inc. and certain of its affiliates (the "Company") age 18 and above are eligible to participate in the Plan following 30 days of service. Temporary employees and regular part-time employees are eligible to participate once they reach age 21 and have completed a year of service with 1,000 hours. Leased employees, employees covered by a collective bargaining agreement and certain nonresident aliens are excluded from participation.

Contributions: Each year, participants may contribute up to 75% of their annual compensation, both pre-tax and Roth, as defined in the Plan document, subject to limitations imposed by the Internal Revenue Code, which amounted to \$22,500 for 2023 (or \$30,000 for participants who will attain at least age 50 by the end of the year) and \$23,000 for 2024 (or \$30,500 for participants who will attain at least age 50 by the end of the year). A participant may also elect to make eligible rollover contributions to the Plan.

The Company will match 100% of employee contributions up to 3% of eligible compensation, and 50% of the next 2% of contributions. All employer match contributions are immediately vested.

Investments: Participants may direct the investment of their own contributions, as well as the Company matching contributions, among various mutual funds and collective trusts.

Participant Accounts: Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution and allocations of: (i) Company matching contributions and (ii) Plan earnings or losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of the participant's account.

Vesting: A participant is automatically 100% vested in his or her contributions, employer matching contributions, rollover contributions, and any earnings thereon.

At December 31, 2024, 2023, and 2022, forfeited non-vested amounts totaled \$105,757, \$105,730, and \$426,973, respectively. These amounts can be used to pay administrative expenses or reduce employer matching contributions. During 2024 and 2023, \$196,637 and \$600,146, respectively, were used to pay administrative expenses or reduce employer contributions in accordance with the provisions of the Plan documents.

PARTY CITY HOLDINGS INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2024, 2023 and 2022

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Participant Loans: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, subject to the provisions of the Plan document. All general loans must be repaid within five years. Loans for purposes of purchasing a residence may be repaid up to ten years. Loans are collateralized by the balance in the participant's account and bear interest at rates of 1% above the prime interest rate established by commercial lending institutions. At December 31, 2024 and 2023, interest rates on loans ranged from 4.25% to 9.50% and at December 31, 2022, interest rates on loans ranged from 4.25% to 9.75%. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits: Participants at or over the age of 59½ years may make in-service withdrawals from all accounts, their rollover account at any time, and upon hardship. Hardship withdrawals, as defined by IRS regulations, are granted to participants who are in need of financial aid due to immediate and heavy financial needs. Direct rollover withdrawals are withdrawals from the participant's rollover account.

Unless otherwise chosen, the payment of Plan benefits starts on the date which an employee attains normal retirement age. Normal retirement age is defined as 65 years or older. Participants can also elect to receive benefits on a later retirement date. This is defined as the first day of the month of which a participant stops working for the Plan Sponsor. Effective January 1, 2023, the age at which participants must begin taking required minimum distributions increased to 73 under the SECURE 2.0 ACT of 2022.

If an active employee dies, his or her account will be payable to his or her beneficiary. The beneficiary may elect to receive payments as a lump sum or in installments. In accordance with the Plan, all terminated balances under \$5,000 (under \$7,000 effective January 1, 2024) must be disbursed to participant.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation: The accompanying financial statements have been prepared under the accrual basis of accounting.

Notes Receivable From Participants: Notes receivable from participant are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024, 2023, or 2022. If a participant ceases to make loan repayments and the plan administrator deems the notes receivable from participants to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

Valuation of Investments and Income Recognition: The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See Note 4 for a discussion and disclosures related to fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned and dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses: Administrative expenses of the Plan are paid by the Plan or the Plan's Sponsor as provided in the Plan document.

(Continued)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results could differ from those estimates.

Payment of Benefits: Benefit payments are recorded upon distribution.

NOTE 3 – CERTIFIED INVESTMENTS AND NOTES RECEIVABLE FROM PARTICIPANTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2024, 2023, and 2022, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2024 and 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company (the Trustee of the Plan).

NOTE 4 - FAIR VALUE MEASUREMENTS

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e., an exit price).

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below.

- Level 1 – Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.
- Level 2 – Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:
 - Quoted prices for similar assets and liabilities in active markets
 - Quoted prices for identical or similar assets or liabilities in markets that are not active
 - Observable inputs other than quoted prices that are used in the valuation of the asset or liabilities (e.g., interest rate and yield curve quotes at commonly quoted intervals)
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means
- Level 3 – Unobservable inputs for the asset or liability (i.e., supported by little or no market activity). Level 3 inputs include management's own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The level in the fair value hierarchy within which the fair value measurement is classified is determined based on the lowest level of input that is significant to the fair value measurement in its entirety.

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

The following is a description of the valuation techniques and inputs used for each general type of investment measured at fair value by the Plan:

Mutual funds: The fair values of mutual funds are determined by obtaining quoted prices on nationally recognized securities exchanges.

Collective trust funds: The fair value of participation units held in collective trusts is based on the NAV as reported by the fund managers. The collective trusts provide for daily redemptions by the Plan at reported NAV, with no advance notice requirement.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024, 2023, and 2022.

* Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the hierarchy tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statement of net assets available for benefits.

NOTE 5 - FEDERAL INCOME TAX STATUS

The Plan has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the Plan is qualified under Section 401(a) of the Code, and, therefore, the related trust is exempt from taxation. Subsequent to this determination by the IRS, the Plan was amended. Plan management believes that the Plan is designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024, 2023 and 2022, that there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

NOTE 6 - PLAN TERMINATION

The Company has the right under the Plan to amend or terminate the Plan at any time, subject to the provisions set forth by ERISA. Accounts will continue to accrue investment earnings or losses until used to provide benefits according to the terms of the Plan. See Note 9 for additional information.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 - PARTY-IN- INTEREST TRANSACTIONS

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Certain plan investments are shares of mutual funds and units of collective trust funds managed by the Trustee or an affiliate of the Trustee, therefore these are party-in-interest transactions, as are notes receivable from participants. Fees paid by the Plan to the Trustee qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA.

NOTE 9 - SUBSEQUENT EVENTS

Effective January 1, 2025, the Board of Directors delegated authority to the Chief Human Resources Officer of the Plan Sponsor to specify a date for the termination of the Plan and to prepare for its liquidation with an amendment that effective January 1, 2025, no employer matching contributions shall be made into the Plan. Subsequently, effective February 22, 2025, the Plan was frozen to employee contributions.

NOTE 9 - SUBSEQUENT EVENTS (Continued)

Also in February 2025, party goods supplier New Amscan PC LLC became the winner for a bid for the Company's intellectual property and related wholesale operating intangible assets, as well as a significant portion of the brand's real estate lease portfolio. The sale order was approved on February 26, 2025 by U.S. Bankruptcy Court for the Southern District of Texas and subsequently closed as of March 7, 2025.

Effective May 16, 2025 (the "Termination Date"), the Company elected to terminate the Plan. All participants were eligible for a distribution of their account balance after the Termination Date. During 2025 communications were sent to participants to inform them that if they do not take their distribution by the end of November 2025, their account balance will be rolled over to an individual retirement account. As of December 31, 2025, all participant account balances had been liquidated (unaudited) and the Plan held approximately \$380,000 in Plan assets which was held in an unallocated suspense account. In early January 2026, the suspense account was allocated per capita to participants who had an account balance on January 1, 2025 (unaudited). During January 2026, Fidelity completed the distribution of remaining Plan assets and the Plan is expected to be fully liquidated of all remaining Plan assets by the end of February 2026 (unaudited).

Effective April 15, 2025, the Am-Source 401(k) Profit-Sharing Plan merged into the Plan. Approximately \$390,000 in assets were transferred into the Plan as a result of the merger (unaudited).

Plan management has evaluated subsequent events for recognition and disclosure through February 17, 2026, which is the date the financial statements were available to be issued.

INDEPENDENT AUDITOR'S REPORT

The Plan Administrator
Party City Holdings Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Party City Holdings Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years ended December 31, 2024 and 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024, 2023 and 2022, and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

(Continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024 and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PARTY CITY HOLDINGS INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2024, 2023 and 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of Party City Holdings Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: Effective January 1, 1995, Party City Holdings Inc. (the Company or the Plan Sponsor) adopted a defined contribution plan that covers substantially all employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Plan assets are held and administered with Fidelity Management Trust Company (the "Trustee").

On January 17, 2023, the Company and certain of its subsidiaries filed voluntary petitions (the "Chapter 11 Cases") in the United States Bankruptcy Court for the Southern District of Texas (the "Bankruptcy Court") seeking relief under Chapter 11 of Title 11 of the United States Code (the "Bankruptcy Code"). The Company emerged from this bankruptcy in October 2023. On December 21, 2024, the Company initiated voluntary Chapter 11 bankruptcy proceedings in the Bankruptcy Court to accomplish an orderly wind down of its business. On December 24, 2024, the court entered an order approving bidding procedures in connection with the sale, liquidation, or other disposition of assets. See Note 9 for additional information.

Eligibility: Generally, all employees of Party City Holdings Inc. and certain of its affiliates (the "Company") age 18 and above are eligible to participate in the Plan following 30 days of service. Temporary employees and regular part-time employees are eligible to participate once they reach age 21 and have completed a year of service with 1,000 hours. Leased employees, employees covered by a collective bargaining agreement and certain nonresident aliens are excluded from participation.

Contributions: Each year, participants may contribute up to 75% of their annual compensation, both pre-tax and Roth, as defined in the Plan document, subject to limitations imposed by the Internal Revenue Code, which amounted to \$22,500 for 2023 (or \$30,000 for participants who will attain at least age 50 by the end of the year) and \$23,000 for 2024 (or \$30,500 for participants who will attain at least age 50 by the end of the year). A participant may also elect to make eligible rollover contributions to the Plan.

The Company will match 100% of employee contributions up to 3% of eligible compensation, and 50% of the next 2% of contributions. All employer match contributions are immediately vested.

Investments: Participants may direct the investment of their own contributions, as well as the Company matching contributions, among various mutual funds and collective trusts.

Participant Accounts: Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution and allocations of: (i) Company matching contributions and (ii) Plan earnings or losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of the participant's account.

Vesting: A participant is automatically 100% vested in his or her contributions, employer matching contributions, rollover contributions, and any earnings thereon.

At December 31, 2024, 2023, and 2022, forfeited non-vested amounts totaled \$105,757, \$105,730, and \$426,973, respectively. These amounts can be used to pay administrative expenses or reduce employer matching contributions. During 2024 and 2023, \$196,637 and \$600,146, respectively, were used to pay administrative expenses or reduce employer contributions in accordance with the provisions of the Plan documents.

PARTY CITY HOLDINGS INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2024, 2023 and 2022

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Participant Loans: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, subject to the provisions of the Plan document. All general loans must be repaid within five years. Loans for purposes of purchasing a residence may be repaid up to ten years. Loans are collateralized by the balance in the participant's account and bear interest at rates of 1% above the prime interest rate established by commercial lending institutions. At December 31, 2024 and 2023, interest rates on loans ranged from 4.25% to 9.50% and at December 31, 2022, interest rates on loans ranged from 4.25% to 9.75%. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits: Participants at or over the age of 59½ years may make in-service withdrawals from all accounts, their rollover account at any time, and upon hardship. Hardship withdrawals, as defined by IRS regulations, are granted to participants who are in need of financial aid due to immediate and heavy financial needs. Direct rollover withdrawals are withdrawals from the participant's rollover account.

Unless otherwise chosen, the payment of Plan benefits starts on the date which an employee attains normal retirement age. Normal retirement age is defined as 65 years or older. Participants can also elect to receive benefits on a later retirement date. This is defined as the first day of the month of which a participant stops working for the Plan Sponsor. Effective January 1, 2023, the age at which participants must begin taking required minimum distributions increased to 73 under the SECURE 2.0 ACT of 2022.

If an active employee dies, his or her account will be payable to his or her beneficiary. The beneficiary may elect to receive payments as a lump sum or in installments. In accordance with the Plan, all terminated balances under \$5,000 (under \$7,000 effective January 1, 2024) must be disbursed to participant.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation: The accompanying financial statements have been prepared under the accrual basis of accounting.

Notes Receivable From Participants: Notes receivable from participant are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024, 2023, or 2022. If a participant ceases to make loan repayments and the plan administrator deems the notes receivable from participants to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

Valuation of Investments and Income Recognition: The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See Note 4 for a discussion and disclosures related to fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned and dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses: Administrative expenses of the Plan are paid by the Plan or the Plan's Sponsor as provided in the Plan document.

(Continued)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results could differ from those estimates.

Payment of Benefits: Benefit payments are recorded upon distribution.

NOTE 3 – CERTIFIED INVESTMENTS AND NOTES RECEIVABLE FROM PARTICIPANTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2024, 2023, and 2022, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2024 and 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company (the Trustee of the Plan).

NOTE 4 - FAIR VALUE MEASUREMENTS

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e., an exit price).

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below.

- Level 1 – Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.
- Level 2 – Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:
 - Quoted prices for similar assets and liabilities in active markets
 - Quoted prices for identical or similar assets or liabilities in markets that are not active
 - Observable inputs other than quoted prices that are used in the valuation of the asset or liabilities (e.g., interest rate and yield curve quotes at commonly quoted intervals)
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means
- Level 3 – Unobservable inputs for the asset or liability (i.e., supported by little or no market activity). Level 3 inputs include management's own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The level in the fair value hierarchy within which the fair value measurement is classified is determined based on the lowest level of input that is significant to the fair value measurement in its entirety.

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

The following is a description of the valuation techniques and inputs used for each general type of investment measured at fair value by the Plan:

Mutual funds: The fair values of mutual funds are determined by obtaining quoted prices on nationally recognized securities exchanges.

Collective trust funds: The fair value of participation units held in collective trusts is based on the NAV as reported by the fund managers. The collective trusts provide for daily redemptions by the Plan at reported NAV, with no advance notice requirement.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024, 2023, and 2022.

* Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the hierarchy tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statement of net assets available for benefits.

(Continued)

NOTE 5 - FEDERAL INCOME TAX STATUS

The Plan has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the Plan is qualified under Section 401(a) of the Code, and, therefore, the related trust is exempt from taxation. Subsequent to this determination by the IRS, the Plan was amended. Plan management believes that the Plan is designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024, 2023 and 2022, that there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

NOTE 6 - PLAN TERMINATION

The Company has the right under the Plan to amend or terminate the Plan at any time, subject to the provisions set forth by ERISA. Accounts will continue to accrue investment earnings or losses until used to provide benefits according to the terms of the Plan. See Note 9 for additional information.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 - PARTY-IN- INTEREST TRANSACTIONS

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Certain plan investments are shares of mutual funds and units of collective trust funds managed by the Trustee or an affiliate of the Trustee, therefore these are party-in-interest transactions, as are notes receivable from participants. Fees paid by the Plan to the Trustee qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA.

NOTE 9 - SUBSEQUENT EVENTS

Effective January 1, 2025, the Board of Directors delegated authority to the Chief Human Resources Officer of the Plan Sponsor to specify a date for the termination of the Plan and to prepare for its liquidation with an amendment that effective January 1, 2025, no employer matching contributions shall be made into the Plan. Subsequently, effective February 22, 2025, the Plan was frozen to employee contributions.

NOTE 9 - SUBSEQUENT EVENTS (Continued)

Also in February 2025, party goods supplier New Amscan PC LLC became the winner for a bid for the Company's intellectual property and related wholesale operating intangible assets, as well as a significant portion of the brand's real estate lease portfolio. The sale order was approved on February 26, 2025 by U.S. Bankruptcy Court for the Southern District of Texas and subsequently closed as of March 7, 2025.

Effective May 16, 2025 (the "Termination Date"), the Company elected to terminate the Plan. All participants were eligible for a distribution of their account balance after the Termination Date. During 2025 communications were sent to participants to inform them that if they do not take their distribution by the end of November 2025, their account balance will be rolled over to an individual retirement account. As of December 31, 2025, all participant account balances had been liquidated (unaudited) and the Plan held approximately \$380,000 in Plan assets which was held in an unallocated suspense account. In early January 2026, the suspense account was allocated per capita to participants who had an account balance on January 1, 2025 (unaudited). During January 2026, Fidelity completed the distribution of remaining Plan assets and the Plan is expected to be fully liquidated of all remaining Plan assets by the end of February 2026 (unaudited).

Effective April 15, 2025, the Am-Source 401(k) Profit-Sharing Plan merged into the Plan. Approximately \$390,000 in assets were transferred into the Plan as a result of the merger (unaudited).

Plan management has evaluated subsequent events for recognition and disclosure through February 17, 2026, which is the date the financial statements were available to be issued.
