Phillips Lytle LLP Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Phillips Lytle LLP Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of assets (held at end of year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PHILLIPS LYTLE LLP RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following brief description of Phillips Lytle LLP Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan sponsored by Phillips Lytle LLP (the Partnership) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Retirement and Benefits Committee is responsible for oversight of the Plan and monitors investment performance. Further, the Retirement and Benefits Committee is assisted in its oversight of the appropriateness of the Plan's investment offerings by the investment custodians and its investment advisor, The Robertson Group.

Eligibility:

Partners and all employees (other than associate attorneys) who have attained age 21 are eligible to participate in the Plan. Upon change in classification from an associate attorney, eligible individuals and their account balances are transferred to the Plan from the Phillips Lytle LLP Associate Retirement 401(k) Plan.

Effective April 1, 2025, the Plan was amended to allow contract attorneys to make elective deferrals into the Plan.

Contributions:

Each year, participants may make contributions in the form of a salary reduction. Participants who are fifty years and older are eligible to make catch-up contributions. The Plan also includes a Roth feature whereby participants are able to pay taxes on qualifying contributions when made. The Plan includes an auto-enrollment provision whereby all participants are automatically enrolled in the Plan within one year after they become eligible unless they affirmatively elect not to participate in the Plan annually. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation and their contributions invested in a designated balance fund until changed by the participant. The Plan also provides for an auto escalation feature whereby the participant's deferral rate automatically increases by 1% on each November 1st until a participant's deferral rate reaches 10%. Participants are eligible to also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Contributions are subject to limits imposed by the Internal Revenue Code (the Code).

For those participants that have met the one year of service eligibility requirement as defined in the Plan document, the Partnership matches $\frac{1}{2}$ of the contributions made by employees up to 4% of the participant's compensation plus $\frac{1}{4}$ of the employee contributions in excess of 4% and up to 6% of the employee's compensation, but not more than 2.5% of the participant's compensation.

PHILLIPS LYTTLE LLP RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan (Continued)

Contributions (continued):

The Partnership may make discretionary contributions to the Plan for those participants who have completed at least two years of service as defined in the Plan document. For the years ended December 31, 2024 and 2023, the Partnership made discretionary contributions equal to a percentage of the participant's eligible compensation as follows: 7% for employees, 7% for partners who are under the age of forty-five and have been a partner for less than six years, and 14% for all other partners.

Participant accounts:

Each participant's account is credited with the participant's contributions, Partnership contributions, an allocation of Plan earnings, reduced for benefits paid, and charged directly for loan origination and benefit processing fees, if applicable, and an allocation of other administrative expenses that are paid by the Plan. Allocations of Plan earnings are based on the investments held by the participant. The benefit to which a participant is entitled is limited to that which can be provided from the participant's vested account.

The Plan permits participants to convert all or a portion of the participant's vested accounts to an after-tax (Roth) basis, subject to the participant paying the related income taxes as prescribed by the Code.

Participants have the option of allocating their contributions among certain investment fund options or into a self-directed brokerage account. Through this self-directed brokerage account, the participant has the ability to purchase any publicly traded security including mutual funds, exchange traded funds (ETF's), common stocks, corporate bonds, U.S. government securities, and interest-bearing cash.

Vesting:

Participants are immediately fully vested in all participant and Partnership contributions plus actual earnings thereon.

Payment of benefits:

On termination of employment with the Plan Sponsor, death, disability, or retirement, a participant or a participant's beneficiary may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or periodic payments. Distributions are also permitted for participants who have attained age 59½. Participants may also withdraw from the portion of their account related to after-tax contributions at any time that will be subject to income taxes on the investment earnings thereon.

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan (Continued)

Notes receivable from participants:

Participants may borrow from their account a minimum of \$1,000 up to a maximum loan equal to the lesser of \$50,000 or 50% of their vested account balance. Notes receivable from participants must be repaid within a five-year period. The participant's notes are secured by the participant's vested account balance and bear interest at the prime rate plus 1%. Principal and interest is paid ratably through bi-weekly payroll deductions.

Administrative expenses:

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Partnership. Expenses that are paid by the Partnership are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Note 2. Summary of Significant Accounting Policies

Basis of accounting:

The accompanying financial statements have been prepared on the accrual basis of accounting.

Investment valuation and income recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of benefits:

Benefits are recorded when paid.

Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan document.

PHILLIPS LYTTLE LLP RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 2. Summary of Significant Accounting Policies (Continued)

Use of estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Subsequent events:

Subsequent events have been evaluated through October 9, 2025, which is the date the financial statements were available to be issued.

Note 3. Information Certified

The following is a summary of the Plan's asset information as of December 31, 2024 and 2023, and for the years then ended, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information certified by Charles Schwab Trust Bank (Charles Schwab), custodian and trustee of the Plan. The Plan Administrator has obtained certifications from the trustee and custodian that information provided to the Plan Administrator by the trustee and custodian related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedule related to the following assets:

	2024	2023
Investments at fair value:		
Mutual funds	\$ 121,769,179	\$ 110,141,603

PHILLIPS LYTTLE LLP RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 3. Information Certified (Continued)

Charles Schwab has also certified to the completeness and accuracy of the following financial information related to the aforementioned assets for the years ended December 31, 2024 and 2023:

	2024	2023
Net appreciation in fair value of investments	\$ 16,815,851	\$ 19,159,430
Dividends	3,642,675	2,158,498
Interest	1,018,761	1,027,948
Interest income on notes receivable from participants	44,778	37,416
	<u>\$ 21,522,065</u>	<u>\$ 22,383,292</u>

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority level to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2024 and 2023.

PHILLIPS LYTTLE LLP RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 4. Fair Value Measurements (Continued)

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate account: Valued at NAV of units of the pooled separate account. The NAV is determined by dividing the net assets, at fair value, of the fund by the number of units outstanding on the day of valuation. The pooled separate account is comprised primarily of shares of fixed income securities held through sub-accounts of a separate account of an insurance company. The Plan has concluded that the NAV, as reported by the insurance company, is used as a practical expedient to estimate fair value.

The investments are redeemable daily at the adjusted NAV under agreements with the insurance company. However, it is possible that the redemption rights may be restricted or eliminated in the future. Were the Plan to initiate a full redemption of the underlying investments, the investment advisor reserves the right to temporarily delay withdrawal from the pooled separate accounts to ensure that securities liquidations will be carried out in an orderly business manner.

Collective trust fund: Valued at the NAV of units of a bank collective trust. The NAV, as provided by Charles Schwab, is used as a practical expedient to estimate fair value. The NAV is primarily based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

Participant directed brokerage account: Primarily consist of mutual funds, ETF's, common stocks, corporate bonds, U.S. government securities and interest-bearing cash. ETF's are traded at quoted prices throughout the day and valued at the end of the day at NAV as determined by the fund based upon the fair value of the underlying investments held by the fund less its liabilities. The ETF's are registered with the Securities and Exchange Commission and are deemed to be actively traded. Common stocks are valued at the closing price reported on the active market on which the individual securities are traded. U.S. government securities and corporate bonds are valued using pricing models maximizing the use of observable inputs for similar securities.

Note 4. Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2024 and 2023:

Collective trust fund measured at NAV ^(a)				<u>9,122,874</u>
Investments at fair value				<u>\$ 179,217,341</u>
	2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 110,141,603	\$ -	\$ -	\$ 110,141,603
Participant directed brokerage account	18,218,380	8,517,733	-	26,736,113
	<u>\$ 128,359,983</u>	<u>\$ 8,517,733</u>	<u>\$ -</u>	<u>136,877,716</u>
Pooled separate account measured at NAV ^(a)				23,603,122
Collective trust fund measured at NAV ^(a)				<u>8,668,558</u>
Investments at fair value				<u>\$ 169,149,396</u>

(a) In accordance with Accounting Standards Codification Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

For investments using the NAV practical expedient, there are no participant redemption restrictions; no redemption notice period; the redemption frequency is daily, and there are no unfunded commitments at December 31, 2024 and 2023.

PHILLIPS LYTTLE LLP RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 5. Party-In-Interest Transactions

A party-in-interest is defined under the Department of Labor's regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer, certain participants, and others. The Plan allows participants to take loans from their accounts in the Plan. Certain notes receivable from participants and income thereon qualify as party-in-interest transactions.

Certain Plan investments are managed by Charles Schwab. Charles Schwab is the custodian and trustee and Schwab Retirement Plan Services, Inc., an affiliate of Charles Schwab, is the recordkeeper. Transactions with these entities qualify as party-in-interest transactions. Fees paid by the Plan for loan origination and recordkeeping services are included as administrative expenses. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment from the Plan.

Courier Capital LLC provides investment advisory services to the Plan's participants. Transactions with this company qualify as party-in-interest transactions and are reported as administrative expenses.

Note 6. Tax Status

The Partnership has adopted a pre-approved plan document sponsored by Schwab Retirement Plan Services, Inc. that has received an opinion letter from the Internal Revenue Service (IRS) dated September 21, 2020, stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the Code. Although the Plan has been amended since adopting the pre-approved plan document, the Plan Administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code, and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2021.

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Partnership has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, the assets of the Plan would be distributed according to the Plan document.

PHILLIPS LYTTLE LLP RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9. Reconciliation of Differences between these Financial Statements and the Financial Information Required on Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2024 and 2023 to Form 5500:
