Independent Auditor's Report

To the Board of Trustees
Hebrew Academy for Special Children Defined Contribution Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements

We have performed audits of the financial statements of Hebrew Academy for Special Children Defined Contribution Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from Great-West Trust Organization, LLC, a qualified institution as of June 30, 2025 and 2024 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by Great-West Trust Organization, LLC, a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by Great-West Trust Organization, an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at end of year, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by Empower that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Hebrew Academy for Special Children Defined Contribution Retirement Plan

Notes to Financial Statements

Years Ended June 30, 2025 and 2024

Note 1 - Summary of Plan Provisions

The following brief description of the Hebrew Academy for Special Children Defined Contribution Retirement Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

a. General

The Plan is a defined contribution plan covering all eligible employees of Hebrew Academy for Special Children (the "Organization"). Employees are eligible when they have reached the age of 21, have been employed by the Organization for at least one year, and have worked 1,000 hours at the Organization, and are actively employed on the last day of the plan year. The Plan is subject to the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan assets are currently held by Great-West Trust Organization, LLC, Custodian of the Plan. Organization contributions, and participant accounts are also held by the Custodian, who invests cash received and income from investments based on written instructions from the Organization and participants and makes distributions to participants. The Plan Trustees are responsible for oversight of the Plan and for determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

b. Contributions

There are no employee deferrals under the Plan. Participants may contribute amounts representing distributions from other qualified pension or profit-sharing plans.

Each year, the Organization may contribute a percentage of each participant's pre-tax annual compensation, subject to certain limitations as defined by the Plan and the Internal Revenue Code ("IRC"). When elected, these contributions will be reported as contributions receivable until remitted into the Plan. No allowance for credit losses has been recorded as of June 30, 2025 and 2024.

c. Participant Accounts

Each participant's account is credited with the plan earnings as well as allocations of: (a) the Organization's contributions, (b) the Plan's investment earnings (losses), net of investment expenses, and (c) administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

d. Vesting

Participants are 100% vested immediately in their rollover contributions, plus actual earnings thereon.

Vesting in the Organization's discretionary contributions is based on years of continuous service. A participant is 100% vested upon: (1) disability; (2) death; (3) normal retirement at age 65; or (4) termination of the Plan. If a participant's employment with the Organization is terminated before age 65 for any reason other than disability or death, the participant shall be entitled to an amount equal to the "vested percentage" of his or her account balance.

Hebrew Academy for Special Children Defined Contribution Retirement Plan

Notes to Financial Statements

Years Ended June 30, 2025 and 2024

Note 1 - Summary of Plan Provisions - Continued

d. Vesting - Continued

A participant shall have a vested and nonforfeitable interest in the employer's contribution portion of his or her account balance determined by the number of years of credited service as follows:

<u>Years of Credited Service</u>	<u>Vesting %</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

e. Payment of Benefits

In the event of a participant's death, disability or retirement, the participant or participant's beneficiary shall be entitled to receive the participant's entire interest in his or her account. For termination of service due to other reasons, the participant shall be entitled to receive the value of the vested interest in his or her account. A participant or beneficiary who is entitled to receive a distribution will receive it in a lump-sum payment or partial payments, as elected. Vested accounts are automatically distributed as soon as administratively feasible following termination of employment. In-service distributions are permitted if elected by a participant who has reached the normal retirement age of sixty-five.

The Plan provides for benefits upon termination of employment through retirement, required minimum distribution, death, or for other reasons.

Prior to termination, a participant may withdraw their vested account balance in the event of undue financial hardship. The Plan also provides for in-service distributions for participants who have attained age 59½.

f. Forfeited Accounts

Forfeitures are used to reduce employer contributions or to offset administrative expenses. Forfeitures were used to offset administrative expenses in the amount of \$23,201 and \$60,947 during the years ended June 30, 2025 and 2024, respectively. Forfeitures were also used during the year ended 4 to increase employer contributions by \$200,000. At June 30, 2025 and 2024, forfeited non-vested accounts totaled \$80,715 and \$93,818, respectively.

Note 2 - Summary of Significant Accounting Policies

a. Basis of Accounting and Financial Statement Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") for defined contribution plans.

Hebrew Academy for Special Children Defined Contribution Retirement Plan

Notes to Financial Statements

Years Ended June 30, 2025 and 2024

Note 2 - Summary of Significant Accounting Policies - Continued

b. Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting year. Actual results could differ from those estimates.

c. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Trustees determine the Plan's valuation policies utilizing information provided by the investment advisors and Trustee.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

d. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of June 30, 2025 and 2024. If a participant ceases to make loan payments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

e. Payment of Benefits

Benefits are recorded when paid.

f. Administrative Expenses

In accordance with the Plan, all administrative expenses may be paid by the Plan unless paid by the Organization. During the year ended June 30, 2025, substantially all plan expenses were paid by the Plan. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

g. Subsequent Events

The Plan has evaluated all subsequent events for potential recognition or disclosure through March 29, 2026, the date the financial statements were available to be issued.

Hebrew Academy for Special Children Defined Contribution Retirement Plan

Notes to Financial Statements

Years Ended June 30, 2025 and 2024

Note 3 - Information Certified and Provided by Plan Trustee (Unaudited)

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Great-West Trust Company, LLC, the Custodian of the Plan, as complete and accurate, except for comparing such information certified by the Custodian to information included in the Plan's financial statements and supplemental schedule:

	Years Ended June 30,	
	2025	2024
Mutual funds	\$ 17,663,428	\$ 15,934,129
Guaranteed interest account	\$ 2,183,231	\$ 2,206,631
Investment income		
Interest	\$ 66,164	\$ 86,726
Net appreciation (depreciation) in fair value of investments	\$ 949,635	\$ 1,437,831

Note 4 - Investments and Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset has a specified (contractual) term, the Level 2 input must be observable for substantially the full-term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Hebrew Academy for Special Children Defined Contribution Retirement Plan

Notes to Financial Statements

Years Ended June 30, 2025 and 2024

Note 4 - Investments and Fair Value Measurements - Continued

Fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level within the fair value hierarchy, the Plan's assets at fair value:

	June 30, 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 17,663,428	\$ -	\$ -	\$ 17,663,428
Total investments at fair value	<u>\$ 17,663,428</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 17,663,428</u>

	June 30, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 15,934,129	\$ -	\$ -	\$ 15,934,129
Total investments at fair value	<u>\$ 15,934,129</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 15,934,129</u>

Note 5 - Fully Benefit-Responsive Investment Contract

The Plan has a fully benefit-responsive investment contract with Great-West Life & Annuity Insurance Organization of New York ("Great-West"). The contributions are maintained in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than 0%. Such interest rates are reviewed on a semi-annual basis for resetting. The guaranteed investment contract does not permit the insurance Organization to terminate the agreement prior to the scheduled maturity date.

Hebrew Academy for Special Children Defined Contribution Retirement Plan

Notes to Financial Statements

Years Ended June 30, 2025 and 2024

Note 5 - Fully Benefit-Responsive Investment Contract - Continued

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the Plan. Contract value, as reported to the Plan by Great-West, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that would limit the ability of the Plan to transact at contract value with the participants.

Note 6 - Related Party and Party-In-Interest Transactions

Certain plan investments are managed by Great-West, who is an affiliate of the Plan's recordkeeper. These transactions qualify as party-in-interest transactions. Fees incurred by the Plan for other investment management services are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. The Plan paid certain expenses related to its operations and investment activity to various service providers. These transactions are party-in-interest transactions. The plan sponsor pays directly any other fees related to the Plan's operations.

Note 7 - Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Note 8 - Tax Status

On June 30, 2020, the Internal Revenue Service stated that the prototype adopted by the Plan, as then designed, qualified under Section 401(a) of the IRC. The Plan has not received a determination letter specific to the Plan itself; however, the Plan Administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC.

Hebrew Academy for Special Children Defined Contribution Retirement Plan

Notes to Financial Statements

Years Ended June 30, 2025 and 2024

Note 8 - Tax Status - Continued

The Plan's management evaluates tax positions taken by the Plan and recognizes a tax liability or asset if an uncertain tax position was taken and it is more-likely-than-not that the tax position would not be sustained upon examination by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions. The Plan is no longer subject to income tax examinations for years prior to 2021.

Note 9 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Recent market conditions have resulted in an unusually high degree of volatility and increased risks and short-term liquidity associated with certain investments held by the Plan, which could impact the value of investments after the date of the Plan's financial statements.
