Opinion

We have audited the accompanying financial statements of Hub City Ford, Inc. Employee Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of August 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Hub City Ford, Inc. Employee Retirement Plan as of August 31, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hub City Ford, Inc. Employee Retirement Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hub City Ford, Inc. Employee Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

INDEPENDENT AUDITOR'S REPORT *(continued)*

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hub City Ford, Inc. Employee Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hub City Ford, Inc. Employee Retirement Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITOR'S REPORT *(continued)*

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule H, Line 4i of Form 5500 – Schedule of Assets (Held at End of Year), referred to as “supplementary information”, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of the Plan’s management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The supplementary information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1: DESCRIPTION OF PLAN *(continued)*

f) Payment of Benefits

Distributions as a result of death, disability, or retirement may be made as soon as administratively feasible. All other termination distributions will be made as soon as administratively feasible after the close of the plan year. Participants may elect to receive a lump-sum amount or installment payments equal to the value of his or her vested account.

g) Forfeited Accounts

As of August 31, 2025 and 2024, forfeited non-vested accounts totaled \$2,895 and \$4,386, respectively. These accounts will be used to reduce future employer contributions. In 2025 and 2024, employer contributions were reduced by \$3,572 and \$4,211 from the forfeited non-vested accounts, respectively.

h) Investment Options

Participant and employer contributions in various investment options are non-participant directed. The Board of Trustees for the Plan is responsible for all investment decisions.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value except for insurance contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to insurance contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. See Note 6 for discussion of fair value measurements. See Note 5 for discussion of insurance information.

Interest income is recorded on the accrual basis.

HUB CITY FORD, INC.

EMPLOYEE RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2: **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** *(continued)*

Cash Equivalents

The Plan considers all highly liquid investments purchased with a maturity of three months or less to be cash equivalents.

Credit Risk

Financial instruments which potentially subject the Plan to concentrations of credit risk include cash investments. The Plan maintains a cash account at a local commercial bank. The bank account is insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At August 31, 2025, the balance was fully insured.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of the Plan are paid directly by the plan sponsor and are excluded from the financial statements.

Prior Year Reclassification

Certain amounts in the prior year financial statements have been reclassified to conform with the current year presentation. Such reclassifications had no effect on net assets available for benefits.

Subsequent Events

Subsequent events have been evaluated through March 23, 2026, which is the date the Financial Statements were available to be issued.

NOTE 3: **TAX STATUS**

The prototype plan document used by the third-party administrator obtained its latest determination letter on June 30, 2020 in which the Internal Revenue Service stated that the document, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

HUB CITY FORD, INC.

EMPLOYEE RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 3: TAX STATUS *(continued)*

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdiction; however, there are currently no audits for any tax periods in progress.

NOTE 4: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 5: INVESTMENTS WITH INSURANCE COMPANIES

NOTE 6: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of fair value hierarchy under Topic 820 are described as follows:

Level 1: Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

HUB CITY FORD, INC. EMPLOYEE RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 6: FAIR VALUE MEASUREMENTS *(continued)*

Level 2: Inputs other than quoted prices included in Level 1 that are observable for the asset or liability either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs that are unobservable for the asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at August 31, 2025 and 2024.

Corporate debt instrument. Valued using pricing models maximizing the use of observable inputs for the security. This includes basing values on interest rates currently available through Ford Credit pricing supplements to their prospectus.

The following table sets forth by level, within the hierarchy, the Plan's assets at fair value as of August 31, 2025 and 2024. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

NOTE 9: PLAN TERMINATION

Although it has not expressed any intent to do so, the plan sponsor has the right under the Plan provisions to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of plan termination, any surrender charges will be allocated to plan participants in the same manner as earnings and participants will become 100 percent vested in their accounts.

NOTE 10: PLAN AMENDMENTS

During 2022, the SECURE 2.0 Act was passed, which expanded on provisions passed in the SECURE Act of 2019 and included new provisions that made improvements to retirement savings options. During 2024, the Plan implemented the required provisions of the SECURE 2.0 Act, which includes allowing long-term part time employees to participate in the plan if the eligibility requirement is met, excluding in-plan Roth amounts from required minimum distributions, and allowing spousal beneficiaries to elect to have required minimum distribution rules applied as if the participant is deceased. Formal amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable laws and IRS guidance.
