INDEPENDENT AUDITORS' REPORT

To the Plan Administration of
S.P.E.A.R. Physical and Occupational Therapy, LLC Profit Sharing Plan:

Opinion on 2024 Financial Statements

We have audited the financial statements of S.P.E.A.R. Physical and Occupational Therapy, LLC Profit Sharing Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statement of net assets available for benefits as of December 31, 2024, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion on 2024 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the 2024 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2024 Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter - Report on Compiled 2023 Financial Statement

Plan management is responsible for the accompanying financial statement of the Plan, which comprise the statement of net assets available for benefits as of December 31, 2023, and the related notes to the financial statement in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. We did not audit or review the 2023 financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, or provide any form of assurance on the 2023 financial statement.

Notes to Financial Statements

NOTE 1 – PLAN DESCRIPTION

The following brief description of S.P.E.A.R. Physical and Occupational Therapy, LLC Profit Sharing Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General

The Plan is a defined contribution plan covering all employees of SPEAR Physical Therapy Associates PLLC (the "Sponsor" or "Employer") who are age 21 and have completed six months of service. On October 31, 2024, the Sponsor signed an amendment to freeze the Plan effective December 31, 2024. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year, the Employer may decide to make a discretionary contribution to the Plan for all eligible employees as defined in the Plan document. The Employer elected to make a contribution totaling \$350,955 and used \$170,715 from forfeiture accounts to reduce the amount contributed to the Plan to \$180,240 for the year ended December 31, 2024. Participants may rollover eligible contributions from another qualified retirement plan. The Plan does not permit voluntary employee contributions.

Participant Accounts

Each participant's account is credited with an allocation of the Employer's contribution, Plan earnings, and forfeitures of terminated participants' non-vested accounts and charged with an allocation of Plan expenses. Allocations are based on participants' earnings or account balances as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their rollover contributions plus actual earnings thereon. Prior to December 31, 2024, vesting in the Employer contributions portion of participant's accounts plus earnings thereon was based on years of service and was 100% vested after 6 years of service. A participant becomes fully vested in the portion attributable to the Employer contribution if employment is terminated because of death, normal retirement age, or total and permanent disability. Effective December 31, 2024, all participants are 100% vested in their accounts as a result of the Plan Sponsor's amendment to freeze the Plan.

Forfeited Accounts

A terminated participant's non-vested account balance is forfeited on the earlier date of such a participant's fifth consecutive one-year break in service or the date the participant receives a distribution of the participant's vested interest. Forfeitures are used to restore any prior account balances, any remaining forfeitures are used to reduce Employer contributions.

For the years ended December 31, 2024 and 2023, forfeited nonvested accounts before reduction of Employer contributions totaled \$170,715 and \$46,920, respectively. These amounts were used to reduce Employer contributions receivables as of December 31, 2024 and 2023.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Payment of Benefits

On termination of service, death, disability or retirement, a participant's vested account balance is paid in either a lump-sum amount as soon as it is administratively feasible following the termination of employment and the consent of the participant.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

Certain investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's retirement committee determines the Plan's valuation policies utilizing information provided by the custodian. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Administration of the Plan

Administrative expenses of the Plan may be paid by the Sponsor or by the Plan at the election of the Sponsor. Currently, the Sponsor pays most administrative expenses. Expenses that are paid by the Sponsor are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, "Fair Value Measurement" provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

S.P.E.A.R. PHYSICAL AND OCCUPATIONAL THERAPY, LLC
PROFIT SHARING PLAN

Notes to Financial Statements

NOTE 3 – FAIR VALUE MEASUREMENTS (continued)

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual Funds

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market Mutual Fund

Money market mutual fund is investment mutual funds comprised of high credit quality short-term securities that aim to pay money market interest rates while maintaining a NAV of \$1 per share.

Exchange Traded Funds

Exchange traded funds are valued at the daily closing price as reported on the active market where the individual security is traded.

Common stocks

Valued at the closing price reported on the active market on which the individual securities are traded.

U.S. Treasury Bills

Valued at the closing price or last quoted price in active public markets on the measurement date.

NOTE 3 – FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

Investments at Fair Value as of December 31, 2024				
	Level 1	Level 2	Level 3	Total
Money market fund	\$ 238,134	\$ -	\$ -	\$ 238,134
U.S. Treasury Bills	-	818,641	-	818,641
Total investments, at fair value	\$ 238,134	\$ 818,641	\$ -	\$ 1,056,775

Investments at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 535,640	\$ -	\$ -	\$ 535,640
Money Market fund	14,666	-	-	14,666
Exchange traded funds	140,451	-	-	140,451
Common Stock	36,736	-	-	36,736
Total investments, at fair value	\$ 727,493	\$ -	\$ -	\$ 727,493

NOTE 4 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to amend or terminate the Plan subject to the provisions of ERISA. Any unallocated assets of the Plan should be allocated to participant accounts and distributed in such a manner as the Sponsor may determine. Since the Plan was frozen at December 31, 2024, the affected participants are fully vested in their accounts.

NOTE 5 – TAX STATUS

On June 30, 2020, the IRS stated that the non-standardized pre-approved profit sharing adopted by the Plan, as then designed, qualifies under Internal Revenue Code ("IRC") Section 401 (a). The Plan has not received a determination letter specified to the Plan itself; however, the Plan administrator believes that the Plan was designed and was being operated in compliance with the applicable requirements of the IRC, and therefore believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

NOTE 6 – RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Advisory fees incurred by the Plan of \$8,669 were paid to Equitable Advisors, LLC for the year ended December 31, 2024. These transactions are party-in-interest transactions. Expenses of the Plan consisting of recordkeeping and administrative fees are paid directly by the Sponsor.

**S.P.E.A.R. PHYSICAL AND OCCUPATIONAL THERAPY, LLC
PROFIT SHARING PLAN**

Notes to Financial Statements

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 – SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through March 10, 2026, the date the financial statements were available to be issued.

On October 30, 2025, the Sponsor approved the merger of the Plan into the SPEAR Physical Therapy PLLC 401(k) Plan effective December 1, 2025. The transfer of Plan assets was completed on December 10, 2025.
