INDEPENDENT AUDITORS' REPORT

To the Trustees of the
403(b) Tax Deferred Annuity Plan
For Employees of Variety Child Learning Center
Syosset, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the 403(b) Tax Deferred Annuity Plan for Employees of Variety Child Learning Center (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of June 30, 2025 and December 31, 2024, and the related statement of changes in net assets available for benefits for the period January 1, 2025 - June 30, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of June 30, 2025 and December 31, 2024, and for the period January 1, 2025 - June 30, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

Effective January 1, 2025, Variety Child Learning Center changed the fiscal year-end for the Plan from December 31 to June 30. As a result, the accompanying financial statements present activity for the period January 1, 2025 through June 30, 2025. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4(i) – Schedule of Assets (Held at End of Year) as of June 30, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information,

including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO FINANCIAL STATEMENTS
FOR THE PERIOD JANUARY 1, 2025 - JUNE 30, 2025**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of the 403(b) Tax Deferred Annuity Plan for Employees of Variety Child Learning Center (the "Plan") is presented to assist in understanding the Plan's financial statements and supplemental information. These financial statements, supplemental information, and notes are representations of Variety Child Learning Center's (the "Employer" or "Plan Sponsor") management, who is responsible for the integrity and objectivity of the financial statements. These accounting policies have been consistently applied in the preparation of the financial statements and supplemental schedule.

Basis of Accounting: The financial statements of the Plan have been prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition: Investments (except for fully benefit-responsive investment contracts, which are reported at contract value) are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Fully benefit-responsive investment contracts are valued at contract value. Contract value represents contributions made under the contract, plus interest at the contract rate, less participant withdrawals and administrative expenses.

Purchases and sales of securities are recorded on a trade-date basis. Interest income on investments is recorded when earned. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. During the period January 1, 2025 - June 30, 2025, the Plan's net appreciation (including gains and losses on investments bought and sold, as well as held during the period) was \$1,102,567.

Notes Receivable From Participants: Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the Plan document.

Payment of Benefits: Benefits are recorded when paid to the Plan's participants.

Administrative Expenses: Administrative expenses may be paid by the employer or the Plan, at the Plan Sponsor's discretion.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and

disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Events Occurring After Report Date: The Plan Sponsor has evaluated events and transactions that occurred between July 1, 2025 and March 23, 2026, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements.

NOTE 2 - DESCRIPTION OF THE PLAN

The following description of the Plan is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan, which became effective October 1, 1979, is a contributory defined contribution plan covering all eligible employees of the Plan Sponsor. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* ("ERISA").

Mutual of America Life Insurance Company ("MOA") and Charles Schwab Trust Bank ("Charles Schwab") serve as the Plan Custodians of the Plan assets. The Plan Sponsor uses Sentinel Benefits and Financial Group as its third-party administrator.

Contributions: All employees are eligible to participate in the Plan. Participants may contribute through salary reductions, any amount to an annual limit set by the Internal Revenue Service ("IRS"). The limit is \$23,500 for 2025. If the participant reaches age 50 in calendar year 2025, an additional \$7,500 can be contributed into the Plan. Effective January 1, 2025, the Plan allows for higher catch-up limits for participants ages 60 to 63. The Plan does accept rollovers and transfers from other qualified plans, but only for those employees eligible to participate in the Plan. The Plan consists of employee contributions only. The Employer does not make contributions to the Plan.

Participant Investment Account Options: Investment account options available include mutual funds, general account, and pooled separate accounts. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their investment options at any time.

Participant Accounts: Each participant's account is credited with the participant's contributions and allocations of the participant's share of Plan earnings. Plan income and expenses are credited or debited to participant accounts based on the pro rata share of the participant's individual account balance to total Plan assets. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

**NOTES TO FINANCIAL STATEMENTS
FOR THE PERIOD JANUARY 1, 2025 - JUNE 30, 2025**

NOTE 2 - DESCRIPTION OF THE PLAN (continued)

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of 50% of the value of the individual's vested account balance of \$50,000. All loans are covered by demand notes and are repayable over a period not to exceed five years (except for loans for the purchase of a principal residence) through payroll withholdings unless the participant is paying the loan in full. The loans are secured by the balances in the participants' accounts and bear interest at prevailing market rates at the time the loan is taken. As of June 30, 2025, outstanding loans bore interest at a rate of 9.50%. Principal and interest are paid directly by participants. Participant loans that go into default or otherwise violate the provisions of the Plan documents are deemed to be distributed. During the period January 1, 2025 – June 30, 2025, there were no deemed distributions.

Vesting: The total value of a participant's account balance is fully and immediately vested.

Payment of Benefits: On termination of service due to disability or retirement, a participant (or a designated beneficiary) may elect to receive the interest in his or her account in either a lump-sum amount or annual installments (including interest) for life. If the participant dies before distribution begins, the entire interest earned in the Plan will be distributed to the spouse or the named beneficiary by December 31 or the calendar year immediately following the calendar year of the participant's death.

In-Service Withdrawals: In-service or hardship withdrawals are permitted by the Plan.

Plan Amendments: The Plan Sponsor has the right under the Plan to amend the Plan at any time. The Plan was restated, effective July 1, 2025, to comply with IRS Cycle 2 restatement for 403(b) pre-approved plans.

In January 2020, Congress passed the Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE Act"). Many of the provisions of the SECURE Act became effective on January 1, 2020 and require significant changes to plan administration and recordkeeping. In December 2022, Congress passed the SECURE 2.0 Act. The Plan Sponsor adopted all mandatory SECURE 2.0 Act provisions. No voluntary provisions have been adopted as of June 30, 2025. The Plan Sponsor has until December 31, 2026 to amend the Plan document to include mandatory and voluntary SECURE Act and SECURE 2.0 Act provisions.

Effective January 1, 2025, the Plan Sponsor approved to change the Plan's year end from December 31 to June 30.

Plan Termination: Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed pursuant to the Plan document.

NOTE 3 – CERTIFICATION OF PLAN CUSTODIANS

All investment information and notes receivable from participants disclosed in the accompanying financial statements as of June 30, 2025 and December 31, 2024, and ERISA-required supplemental schedule, including net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the period January 1, 2025 - June 30, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by the Custodians.

NOTE 4 – FAIR VALUE MEASUREMENTS

Accounting standards establish a framework for measuring fair value, providing a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements). The three levels of the value hierarchy are described below:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset and liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There were no changes to the methodologies used for the Plan's mutual funds at June 30, 2025.

During 2025, the Plan refined its fair value disclosure presentation related to the Plan's general account held by MOA. Management determined that this account is comparable to a cash equivalent (see Note 6) and is not an investment measured at fair value on a recurring basis for purposes of the Plan's fair value hierarchy disclosure. Accordingly, the general account is presented as investments in interest accumulation account and is excluded from the fair value leveling table.

NOTE 4 - FAIR VALUE MEASUREMENTS (continued)

To conform to the current-period presentation, the prior-year fair value hierarchy disclosure has been reclassified to remove the general account previously reported as Level 2. This reclassification affected presentation only and had no impact on the Plan's net assets available for benefits or changes in net assets available for benefits for any period presented.

Mutual Funds (Registered Investment Companies): Valued at the quoted market price of units held by the Plan at year-end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2025:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 16,433,938	\$ -	\$ -	\$ 16,433,938
Total investments at fair value	\$ 16,433,938	\$ -	\$ -	\$ 16,433,938

The following table set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 15,006,821	\$ -	\$ -	\$ 15,006,821
Total investments at fair value	\$ 15,006,821	\$ -	\$ -	\$ 15,006,821

NOTE 5 - GUARANTEED INTEREST ACCOUNT WITH NEW YORK LIFE INSURANCE COMPANY

The Plan entered into a fully benefit-responsive guaranteed interest account with New York Life Insurance Company totaling \$2,091,327 and \$1,981,352 at June 30, 2025 and December 31, 2024, respectively. New York Life Insurance Company maintains the contributions in a guaranteed interest account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer but it may not be less than 1%. These rates ranged from 1% to 3% in 2025. Such interest rates are reviewed on a semiannual basis for resetting.

FOR THE PERIOD JANUARY 1, 2025 - JUNE 30, 2025**

NOTE 5 - GUARANTEED INTEREST ACCOUNT WITH NEW YORK LIFE INSURANCE COMPANY (continued)

The guaranteed investment contract is fully benefit responsive; therefore, contract value is the relevant measurement. Contract value, as reported to the Plan by New York Life Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against the contract value for credit risk of the contract issuer or otherwise.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan Documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Sponsor or other events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

NOTE 6 - INVESTMENT IN INTEREST ACCUMULATION ACCOUNT

The Plan has investments in an interest accumulation account ("general account") with MOA amounting to \$1,243,589 and \$1,229,559 at June 30, 2025 and December 31, 2024, respectively. MOA maintains the contributions in a general account. The account is credited with interest at a rate determined by MOA.

The Custodian reserves the right to change the interest at their discretion. The credited interest was at 3% for the period January 1, 2025 - June 30, 2025.

The general account is comparable to a cash equivalent and therefore is not subject to the leveling requirements of the Financial Accounting Standards Board's Accounting Standards Codification 820, *Fair Value Measurement*, for the following reasons:

- There are no front- or back-end charges, so investments in the general account are completely liquid;
- The interest rate credited to investment in the general account is a current rate, and is not dependent upon the length of time the assets are invested with the Custodian;
- Requests for withdrawals can be made at any time and are processed on the day that they are received; they are not dependent on the Plan having to liquidate securities in order to generate a payment; and

NOTE 6 - INVESTMENT IN INTEREST ACCUMULATION ACCOUNT (continued)

- The value shown on the Plan fund report is the redeemable value of the fund; there are no deferred sales charges, load assessments, or interest rate adjustments that would affect the value as a result of a withdrawal request.

For the reasons noted above, investments in the general account are liquid and not subject to any form of interest rate adjustment, "haircut," or loading charge. The general account is comparable to a cash equivalent and, therefore, is exempt from classification within the fair value hierarchy.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.

NOTE 8 - TRANSACTIONS WITH PARTY-IN-INTEREST

Certain Plan investments were managed by the Custodians and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included in net appreciation in fair value of investments.

NOTE 9 - TAX STATUS

The Plan operates under a non-standardized pre-approved 403(b) plan document sponsored by Sentinel Benefits Group Inc. This plan document has been filed with the appropriate agency and has obtained an opinion letter dated May 1, 2023 from the IRS stating that the non-standardized pre-approved plan document is acceptable under Section 403(b) of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of the tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2025, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.
