INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Trustees
Adhesives Research, Inc. Group Medical Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Adhesives Research, Inc. Group Medical Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended June 30, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2025 and 2024 and for the year ended June 30, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements were available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditors' Responsibilities for the Audit - continued

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of June 30, 2025 and Schedule H, Line 4(j) - Schedule of Reportable Transactions for the year ended June 30, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matters - continued

Supplemental Schedules Required by ERISA - continued

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

June 30, 2025 and 2024

NOTE A - DESCRIPTION OF PLAN

The following description of the Adhesives Research, Inc. Group Medical Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a welfare benefit plan that provides medical benefits to covered persons who are employees of Adhesives Research, Inc. and its affiliates, Conductive Technologies, Inc. and Topflight Corporation (collectively, the Company). All regular full-time employees working at least thirty hours per week who have been employed for thirty days are eligible for coverage. Spouses and dependents of the full-time employees are also eligible for coverage if couple or family coverage is elected at enrollment.

The Company is a member of Keystone Benefit Partners, LLC which is a group of companies that have partnered together in efforts of obtaining more preferential treatment and insurance rates than the companies could have acquired individually. The Company established a trust to fund the medical benefits covered by the Plan. Employees are required to pay for a portion of the cost of the benefit. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants are required to contribute to the Plan to fund a portion of the cost of their medical benefits. Amounts required to be contributed by participants are determined annually in accordance with the plan document. The remainder of the funding required to pay benefits under the Plan is paid by the Company.

Self-Insured Benefits

All medical benefits are self-insured. The claims are processed by the Plan's third-party claims processors under administrative services only arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by the Plan's trust. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

Stop Loss Insurance

The Plan has a stop loss insurance arrangement whereby the stop loss insurance will cover the Plan's obligations for any participant's claims in excess of a fixed dollar amount (self-insured retention). The self-insured retention for the Plan for the periods April 1, 2024 through March 31, 2025 and April 1, 2025 through March 31, 2026 was \$85,000 and \$90,000, respectively. The aggregate benefit limit is \$1,000,000.

Notes to Financial Statements

June 30, 2025 and 2024

NOTE A - DESCRIPTION OF PLAN - continued

COBRA Insurance

The Plan allows for coverage under Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) for a specified time period. If a participant's medical coverage terminates because of a life event known as a "qualifying event," then the participant and eligible family members may have the right to purchase continued coverage for a temporary period of time. Each qualifying individual pays their premium directly to the third-party administrator. COBRA claims and other related expenses are paid by the third-party administrator.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared on the accrual basis of accounting.

Payment of Benefits

Claim payments are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investment is stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements are discussed in Note D. Purchases and sales are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Benefit Obligations

Plan obligations at June 30, 2025 and 2024 for claims incurred by active participants but not reported are calculated by an actuary retained by the Plan's management using historical claim information.

ADHESIVES RESEARCH, INC. GROUP MEDICAL PLAN

Notes to Financial Statements

June 30, 2025 and 2024

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

Risks and Uncertainties

The Plan invests in a money market fund that represents 100% of the Plan's investments. Money market funds are exposed to various risks, such as interest rate and credit risks. As such, it is reasonably possible that changes in the values of the money market fund may occur in the near term and that such changes could materially affect the amounts reported on the statements of net assets available for benefits.

The actuarial value of benefit obligations is reported based on certain assumptions applied to historical claim information which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near-term would be material to the financial statements.

Administrative Expenses

Substantially all administrative expenses of the Plan, including, but not limited to, costs related to claims processing are paid from plan assets. Certain other administrative expenses of the Plan, including legal, accounting, and certain recordkeeping services, are paid by the Company.

NOTE C - INVESTMENTS

The Plan's investment is held in trust and administered by Wilmington Trust, the custodian, as of June 30, 2025 and 2024, and for the year ended June 30, 2025. The investment and investment income disclosed in the accompanying financial statements and supplemental schedules were obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by the custodian. The fair market value is equal to cost and, as such, no appreciation or depreciation of value is recognized.

NOTE D - FAIR VALUE MEASUREMENT

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs consist of unobservable inputs and have the lowest priority. The Plan uses valuation techniques based on the available inputs to measure the fair value of its investment. When available, the Plan measures fair value using Level 1 inputs because they provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 and Level 2 inputs are not available.

ADHESIVES RESEARCH, INC. GROUP MEDICAL PLAN

Notes to Financial Statements

June 30, 2025 and 2024

NOTE D - FAIR VALUE MEASUREMENT - continued

The following table sets forth by level, within the fair value hierarchy, the Plan's investment at fair value:

	Investment at Fair Value as of June 30, 2025			
	Level 1	Level 2	Level 3	Total
Money market fund	<u>\$ 2,124,083</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,124,083</u>

	Investment at Fair Value as of June 30, 2024			
	Level 1	Level 2	Level 3	Total
Money market fund	<u>\$ 2,646,354</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,646,354</u>

The following is a description of the valuation methodologies used for the investment measured at fair value. There have been no changes to the methodology used at June 30, 2025 and 2024.

Money Market Fund: Valued at the daily closing price as reported by the fund. It is an open-end mutual fund that is registered with the Securities and Exchange Commission. The fund is required to publish its daily net asset value and to transact at that price. The fund held by the Plan is deemed to be actively traded.

NOTE E - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to modify the benefits provided to employees, to discontinue its contributions at any time, and amend or terminate the Plan subject to the provisions set forth in ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

NOTE F - PLAN TAX STATUS

The Plan is funded through a non-qualified trust under Internal Revenue Code (IRC) 419(a). The trust files Form 1041 U.S. Income Tax Return for Estates and Trusts. Plan management believes that the Plan is being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2022.

June 30, 2025 and 2024

NOTE G - TRANSACTIONS WITH PARTIES-IN-INTEREST

The Plan's investments are managed by Wilmington Trust Investment Advisors, Inc., an investment management affiliate of Wilmington Trust, the custodian of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Transactions resulting in plan assets being transferred to or used by a related party are prohibited under ERISA unless a specific exemption exists. Wilmington Trust is a party-in-interest as defined by ERISA as a result of investing plan assets in its funds and accounts and providing investment management services. However, these transactions are exempt under Section 408(b)(8) and are not prohibited by ERISA. As discussed in Note B, expenses of administering the Plan are paid from plan assets or by the Company pursuant to provisions of the plan document.

NOTE H - CONCENTRATION OF CASH AND SECURITIES RISK

The Plan maintains its balances in a brokerage institution, which at times may exceed the Securities Investor Protection Corporation limits of up to \$500,000 for balances (with a limit of \$250,000 for cash). The Plan has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and securities.

NOTE I - BENEFIT OBLIGATIONS

FASB ASC Topic 965, *Health and Welfare Benefit Plans*, requires disclosure of the following plan obligation at June 30, 2025 and 2024. Claims incurred but not reported to the Plan for active participants for the years ended June 30, 2025 and 2024 are approximately \$339,000 and \$294,000, respectively.

The claims incurred but not reported to the Plan is an estimate that is calculated by the actuary. The estimate is based on the group specific monthly paid claim averages, with adjustments for claim outliers.

The Plan does not offer postemployment benefits, and thus they are not included in the calculations below.

The following table sets forth the change in the Plan's benefit obligation as of June 30, 2025:
