Independent Auditor's Report

To the Plan Sponsor and Participants
Counseling Clinic, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements

We have performed an audit of the financial statements of Counseling Clinic, Inc. 401(k) Plan ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of June 30, 2025, and the related statement of changes in net assets available for benefits for the year ended, and the related notes to the financial statements ("2025 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2025 Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency ("qualified institution"), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of June 30, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying 2025 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The certified investment information in the accompanying 2025 financial statements agrees to or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements for the 2025 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment

information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplementary schedule of assets held at end of year as of June 30, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplementary schedule agrees to or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2025 Financial Statements

Predecessor auditors performed an audit of the 2025 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any certified investment information of the Plan that were certified by a qualified institution. Their report dated March 11, 2025, indicated that (a) the amounts and disclosures in the 2025 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with GAAP, and (b) the information in the 2025 financial statements related to the certified investment information by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2025 supplementary schedule, other than the information in the 2025 supplementary information prepared and

certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Sincerely,

A handwritten signature in black ink that reads "Ellis & Moore, PLLC". The script is fluid and cursive, with the letters "E" and "M" being particularly large and stylized.

COUNSELING CLINIC, INC. 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS

June 30, 2025 and 2024

NOTE 1 – PLAN ADMINISTRATION AND DESCRIPTION

The following brief description of the Counseling Clinic, Inc. 401(k) Plan (“Plan”) provides only general information. Participants should refer to the plan agreement or Summary Plan Description (“SPD”) for a more complete description of the Plan’s provisions.

General

The Plan is a defined-contribution plan covering most full-time employees of Counseling Clinic, Inc. (“Plan Sponsor”) who are at least 21 years old. Employees who are ineligible to participate are leased employees, physicians paid on an hourly basis, independent contractors, and temporary employees paid on a piece rate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

Each year, participants may contribute any amount, up to the legal limit, of their pretax annual compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified, defined benefit or defined contribution plans (“rollover”). The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2 percent of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. However, the auto escalation or increase provision is not applicable to the plan. The Plan Sponsor authorized a matching contribution equal to one hundred percent of a participant’s elective deferrals up to four percent of a participant’s compensation. The matching contribution is allocated using the same allocations as the employee’s elective deferral. The Plan Sponsor may also make a non-elective discretionary contribution (profit-sharing contribution) to the Plan. Participants must have performed one year of service (defined as 1,000 hours of service during the Plan year) and be employed on the last day of the plan year, except in the event of death, disability or retirement during the year, to be eligible for the profit-sharing contribution. For the year ended June 30, 2025, a 4% non-elective contribution was approved. Contributions are subject to certain limitations.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and an allocation of the Plan Sponsor’s contribution, plan earnings, and forfeitures of terminated participants’ nonvested accounts and charged with an allocation of administrative expense. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

COUNSELING CLINIC, INC. 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS

June 30, 2025 and 2024

Vesting

Participants are immediately vested in their contributions, rollover contributions, and safe harbor contributions plus actual earnings thereon. Vesting in the Sponsor's matching contribution and non-elective portion of their accounts plus actual earnings thereon is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Percent Vested</u>
< 1	0%
1 - 2	20%
2 - 3	40%
3 - 4	60%
4 - 5	80%
> 5	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's accounts. Interest rates are set prime plus 1% at the time the loan is processed. The interest rates on notes receivable from participants range from 4.25 to 9.5 percent as of June 30, 2025. The term of the loan may not exceed five years unless the loan is for the purpose of acquiring a primary residence in which the term of the loan may not exceed thirty years. Principal and interest is paid ratably through monthly payroll deductions. The notes are valued at the unpaid principal balance plus any accrued unpaid interest.

Payment of Benefits

A participant's entire interest in the Plan is payable upon death, attainment of normal retirement age, becoming disabled, as defined, or termination of service. A participant may elect to receive a lump-sum amount equal to the vested portion of the participant's account. Participants may elect to rollover their vested balance to another qualified retirement plan or IRA. Immediate lump-sum distributions may be made to terminated participants if the participant's vested account balance is \$5,000 or less. For terminated participants with vested balances greater than \$5,000, their vested balance may be automatically rolled into an IRA unless otherwise elected. Withdrawals from the Plan may also be made upon circumstances of financial hardship, in accordance with provisions specified in the Plan. Participants may also withdrawal an amount at age 59½ if certain criteria are met.

Forfeited Accounts

As of June 30, 2025 and 2024, there were no forfeited nonvested balances remaining. Forfeitures are used to pay plan expenses or to reduce employer contributions. There was \$942 of forfeitures used to reduce employer contributions for the year ended June 30, 2025.

COUNSELING CLINIC, INC. 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS

June 30, 2025 and 2024

Administration Expenses

The Plan permits the payment of Plan expenses to be made from Plan assets. If the Plan Sponsor does not pay these expenses, then the expenses paid using the Plan's assets will be allocated among the participant accounts. All fees related to contract administration, recordkeeping, and investment management are included in administration expenses. Additional investment related expenses are included in the net appreciation or depreciation of the fair value of investments. For the year ended June 30, 2025, \$39,657 of administrative fees were paid for by plan assets. Any expenses paid by the Plan Sponsor are excluded from these financial statements.

Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting and Use of Estimates

The financial statements of the Plan are prepared using the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP"), which requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

The Financial Accounting Standards Board ("FASB") has adopted the Accounting Standards Codification ("ASC") as the sole source of authoritative GAAP. The FASB will issue Accounting Standards Updates ("ASU") from time to time to make adjustments to GAAP.

B. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. The Plan's investments are valued daily.

Net appreciation or depreciation of investments included in the accompanying statement of changes in net assets available for benefits include realized gains or losses from the sale of investments and unrealized appreciation or depreciation in fair value of investments bought and sold as well as held during the year.

Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

COUNSELING CLINIC, INC. 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS

June 30, 2025 and 2024

C. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit loss has been recorded as of June 30, 2025 or 2024.

D. Contributions

Participant contributions and any related employer matching contributions are recognized in the period during which the Plan Sponsor makes the respective payroll deduction from the participant's compensation. Plan Sponsor contributions are recorded in the relevant period in accordance with the terms in the Plan document.

E. Payment of Benefits

Benefits are recorded when paid.

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE (UNAUDITED)

The following information included in the accompanying financial statements and supplementary schedule was obtained from data that has been prepared and certified as to complete and accurate by Ascensus Trust Company (a qualified institution), the trustee:

	<u>2025</u>	<u>2024</u>
Investments, at fair value:		
Treasury money market	\$ 338,608	\$ 481,206
Common collective trust funds	\$ 2,878,875	\$ 2,978,940
Mutual funds	\$ 4,303,408	\$ 3,319,996
Notes receivable from participants	\$ 171,187	\$ 131,036
Investment income:		
Interest income from money market accounts	\$ 15,917	
Net appreciation in fair value of common collective trusts	\$ 312,915	
Net appreciation in fair value of mutual funds	\$ 445,779	
Dividend income from mutual funds	\$ 76,418	
Interest income on notes receivable from participants	\$ 9,371	

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTES TO THE FINANCIAL STATEMENTS

June 30, 2025 and 2024

NOTE 4 – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 – Consists of unadjusted quoted prices in active markets for identical assets or liabilities and has the highest priority.

Level 2 – Consists of inputs other than quoted prices within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3 – Consists of significant unobservable inputs for the asset or liability and has the lowest priority.

The following table presents the Plan's hierarchy for its assets measured at fair value on a recurring basis as of June 30, 2025:

June 30, 2025	Fair Value	Fair Value Measurements Using:		
		Level 1	Level 2	Level 3
Treasury Money Market	\$ 338,608	\$ 338,608	\$ -	\$ -

Investment at Fair Value	<u>\$ 7,520,891</u>	<u>\$ 7,520,891</u>	<u>\$ -</u>	<u>\$ -</u>

The following table presents the Plan's hierarchy for its assets measured at fair value on a recurring basis as of June 30, 2024:

		Level 1	Level 2	Level 3
Treasury Money Market	\$ 481,206	\$ 481,206	\$ -	\$ -

COUNSELING CLINIC, INC. 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS

June 30, 2025 and 2024

Following are the valuation methodologies the Plan uses to measure financial instruments at fair value:

Treasury Money Market: The money market account is a form of cash and cash equivalents valued at the daily closing price as reported by the fund.

Common / Collective Trusts: The common collective trusts are valued based on the quoted market price of the underlying mutual funds.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The asset or liability's fair value measurement level with the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Vanguard Group ("Vanguard") and Ascensus Trust Company ("Ascensus") is the trustee and asset custodian of the Plan. The administrative fees paid to Vanguard and Ascensus by the Plan qualify as party in interest transactions. The Plan Sponsor pays directly any other fees related to the Plan's operations. Investment fees paid to Vanguard are netted against investment returns.

Administrative services to the plan provided by Vanguard included in the statements of changes in net assets are \$39,657 for the year ended June 30, 2025.

NOTE 6 – TAX STATUS

The Plan obtained its latest determination letter on June 30, 2020, in which the IRS stated that the Plan, as then designated, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan has had no amendments since receiving the determination letter. However, the Plan Administrator is not aware of any events that have occurred that might adversely affect the Plan's qualified status.

The Plan follows the accounting guidance for uncertainty in income taxes using the provisions of FASB ASC Topic 740, Income Taxes. Using that guidance, tax positions initially need to be recognized in the financial statements when it is more-likely-than-not the position will be sustained upon examination by the tax authorities.

The Plan has concluded that there are no significant uncertain tax positions requiring disclosure, and there are no material amounts of unrecognized tax benefits. The Plan's evaluation was performed for tax years ended June 30, 2022 through June 30, 2025, the years that remain subject to examination by major tax jurisdictions as of June 30, 2025.

NOTES TO THE FINANCIAL STATEMENTS

June 30, 2025 and 2024

NOTE 7 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The accompanying financial statements have been prepared in accordance with GAAP. The information required to be reported on Form 5500, Schedule H, is based on the instructions issued by the DOL.

The amounts reported in these financial statements for net assets available for benefits and changes in net assets during the year are consistent with the amounts reported on Form 5500. There are no differences between the financial statements and Form 5500 with respect to classification, valuation, or timing of transactions.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 – SUBSEQUENT EVENTS

The Plan Administrator evaluated events and transactions subsequent to June 30, 2025, through April 1, 2026, (the date the financial statements were available to be issued) for potential recognition or disclosure in the financial statements. The Plan Administrator has not identified any items requiring recognition or disclosure in the financial statements.
