INDEPENDENT AUDITORS' REPORT

To Plan Management and Participants of
Aeyon 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Aeyon 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits in liquidation as of October 22, 2025 and December 31, 2024, the related statement of changes in net assets available for benefits in liquidation for the period ended October 22, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Aeyon 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Empower Trust Company, LLC as of October 22, 2025 and December 31, 2024, and for the period from January 1, 2025 through October 22, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Aeyon 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Aeyon 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Aeyon 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Aeyon 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Basis of Accounting

As described in Notes 1 and 5 to the financial statements, effective September 12, 2024 the Plan Sponsor made the decision to terminate the Plan. All assets were distributed out of the Plan by October 22, 2025. In accordance with accounting principles generally accepted in the United States of America, the Plan presented the financial statements as of October 22, 2025 and December 31, 2024 and for the period from January 1, 2025 through October 22, 2025 on the liquidation basis of accounting. Our Opinion is not modified with respect to this matter.

1. DESCRIPTION OF THE PLAN

The following description of the Aeyon 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General

The Plan was a defined contribution plan, which was established by Aeyon LLC (the Company), on January 1, 2011. The Plan covered all full-time employees of the Company, except those who were union employees or who were nonresident aliens. Employees were eligible to participate in the Plan upon reaching 21 years of age and could enter the Plan immediately upon satisfaction of eligibility requirements. As required under the Setting Every Community up for Retirement Enhancement (SECURE) Act, effective January 1, 2024, part-time employees who have worked at least 500 hours in the previous three consecutive years were allowed to participate in the Plan for employee deferrals only. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and was most recently amended and restated effective January 1, 2023.

Plan Termination

Effective September 12, 2024, the Plan Sponsor was acquired by CGI Federal Inc. In relation to the acquisition, the Plan Sponsor made the decision to terminate the Plan and began the process to distribute all assets to respective participants (Note 5). All assets were distributed from the Plan by October 22, 2025.

Participant Contributions

Prior to Plan termination, Participants could elect to contribute on a pre-tax or Roth (after tax) basis up to 100% of their eligible compensation, as defined by the Plan, not to exceed the maximum allowable contribution under the Internal Revenue Code (the Code), which totaled \$23,500 for the calendar year ended December 31, 2025. A participant's Roth elective contributions were allocated to a separate account maintained for such contributions. Participants who had attained age 50 before the end of the Plan year were eligible to make catch-up contributions, subject to limitations imposed by the Code. Participants were permitted to make rollover contributions from another qualified plan.

Company Contributions

Prior to Plan termination, the Company provided a safe harbor matching contribution equal to 100% of salary deferrals not to exceed 3% of eligible compensation plus 50% of salary deferrals between 3% and 5% of compensation. All employees who were eligible to participate and make elective deferrals into the Plan were eligible to receive Company safe harbor matching contributions. Safe harbor matching contributions were calculated and remitted each pay period. There were no safe harbor matching contributions for the period from January 1, 2025 through October 22, 2025.

The Plan could also make additional discretionary profit sharing contributions to the Plan. Discretionary profit sharing contributions were allocated to all eligible participants in proportion to their eligible compensation for the year. A participant must have been employed on the last day of the Plan year to be eligible for discretionary profit sharing contributions. The Company did not elect to make a discretionary profit sharing contribution to the Plan for the period from January 1, 2025 through October 22, 2025.

1. DESCRIPTION OF THE PLAN- cont'd.

Participant Accounts

Each participant's account was participant-directed and was credited with the participant's contributions and Company contributions in accordance with the investment options selected by the participant. Plan earnings, losses, and administrative expenses were allocated to each participant's account based upon the balance in each account. The benefit to which a participant was entitled is the benefit that could be provided from the participant's vested account.

Notes Receivable from Participants

Prior to Plan termination, participants could borrow up to 50% of their vested account balances, not to exceed \$50,000, without regard to the intended use of the funds. The minimum amount that could be borrowed was \$1,000 and participants could have a maximum of one note outstanding at any given time. Notes were collateralized by the participant's vested account balance. The Plan did not allow notes to be taken from Roth deferrals or earnings. Notes bore interest at the prime rate as published in the Wall Street Journal effective as of the date of note origination. Interest and principal repayments were made ratably through payroll deductions. Notes originated for reasons other than the purchase of a primary residence were to be repaid within 5 years. Notes originated for the purpose of the purchase of a primary residence were to be repaid within a period of no more than 15 years.

Upon proof, to the satisfaction of the Plan administrator, of an immediate and heavy financial need, amounts could have been withdrawn for a hardship purpose. Distributions were subject to the applicable provisions of the Plan agreement. Certain income tax penalties may apply to withdrawals or distributions prior to age 59 ½. As of October 22, 2025 and December 31, 2024 and
For the Period from January 1, 2025 through October 22, 2025**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

As described in Notes 1 and 5, the Plan terminated effective September 12, 2024. The Plan's financial statements are presented using the liquidation basis of accounting as of October 22, 2025 and December 31, 2024 and for the period from January 1, 2025 through October 22, 2025 in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets available for benefits in liquidation during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provided for investments in financial instruments that are exposed to risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities may occur in the near term and materially affect the amounts reported in the statements of net assets available for benefits in liquidation.

Investment Valuation and Income Recognition

Investments were reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's administrative committee determines the Plan's valuation policies utilizing information provided by the Trustee.

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair Value Measurement

Accounting Standards Codification 820, *Fair Value Measurement (ASC 820)*, defines fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Notes to the Financial Statements – Liquidation Basis
As of October 22, 2025 and December 31, 2024 and
For the Period from January 1, 2025 through October 22, 2025**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont’d.

Fair Value Measurement – cont’d.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets’ or liabilities’ fair value measurement level within the fair value hierarchy are based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Interests in common/collective trusts: Valued using net asset value (NAV) practical expedient of units held by the plan at year end.

Interests in registered investment companies: Valued at the actively traded quoted closing price of shares held by the Plan at year-end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain instruments could result in a different fair value measurement at the reporting date.

There were no Plan investments at fair value as of October 22, 2025.

AEYON 401(k) PLAN

Notes to the Financial Statements – Liquidation Basis As of October 22, 2025 and December 31, 2024 and For the Period from January 1, 2025 through October 22, 2025

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

Fair Value Measurement – cont'd.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Interests in registered investment companies	\$ 409,123	\$ -	\$ -	\$ 409,123
Total investments in the fair value hierarchy	409,123	-	-	409,123
Investments valued using the NAV practical expedient - interests in common/collective trusts ^(a)	-	-	-	10,744,021
Total investments, at fair value	\$ 409,123	\$ -	\$ -	\$ 11,153,144

(a) In accordance with ASC 820-10, certain investments that were measured at net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits in liquidation.

In accordance with the fair value measurement and disclosure guidance, the following table presents the category, fair value, redemption frequency, redemption notice period, and unfunded commitments for Plan investments, the fair value of which are estimated using net asset value per share practical expedient as of December 31, 2024:

		Redemption Frequency	Redemption Notice Period	Unfunded Commitments
Interests in common/collective trusts ^(b)	\$ 10,744,021	Daily	Daily	None

(b) Funds in this category invest in a range of investments to achieve balanced investment growth while maintaining preservation of capital.

Notes Receivable from Participants

Notes receivable from participants were measured at their unpaid principal balances plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of October 22, 2025 and December 31, 2024. Delinquent notes were treated as distributions based on the terms of the Plan agreement.

Payment of Benefits

Benefits were recorded when paid.

Subsequent Events

The Plan evaluated for disclosure any subsequent events through March 3, 2026, the date the financial statements were available to be issued, and determined there were no material events that warrant disclosure.

Notes to the Financial Statements – Liquidation Basis As of October 22, 2025 and December 31, 2024 and For the Period from January 1, 2025 through October 22, 2025

3. INVESTMENTS

All investment data contained in the accompanying financial statements and supplemental schedule, including assets held as of October 22, 2025 and December 31, 2024, and interest and dividend income and net realized and unrealized appreciation in fair value of investments for the period from January 1, 2025 through October 22, 2025 was obtained or derived from the information supplied to the Plan administrator and certified as complete and accurate by Empower Trust Company, LLC, the Custodian of the Plan, as of October 22, 2025 and December 31, 2024 and for the period from January 1, 2025 through October 22, 2025.

4. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments were managed by Empower Trust Company, LLC. The Plan loaned funds to its participants according to the applicable provisions of the Plan agreement. The Company provided the Plan with certain accounting and administrative services for which no fees are charged. All such transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules.

5. PLAN TERMINATION

The company had the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Effective September 12, 2024, the Plan Sponsor was acquired by CGI Federal Inc. In relation to the acquisition, the Plan Sponsor adopted a resolution to terminate the Plan and began the process of distributing all assets to the respective participants. Upon termination, affected participants became 100% vested in all company contributions and the Plan began liquidating assets in 2024. Plan assets were fully liquidated by October 22, 2025.

6. INCOME TAX STATUS

The Plan adopted a pre-approved plan which received a favorable opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the Plan was qualified under Section 401(a) of the Code and therefore, the related trust was exempt from taxation. Subsequent to the issuance of the opinion letter, the Plan was amended. Once qualified, the Plan was required to operate in conformity with the Code to maintain its qualification. The Plan administrator believes that the Plan was designed and currently being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

ASC 740, *Income Taxes*, prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return as well as guidance on de-recognition, classification, interest and penalties, and financial statement reporting disclosures. For these benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. As the Plan is tax exempt and has no unrelated business income, the provisions of ASC 740 do not have an impact on the Plan's financial statements. The Plan recognizes interest and penalties accrued on any unrecognized tax exposures as a component of income tax expense. The Plan does not have any amounts accrued relating to interest and penalties as of October 22, 2025 and December 31, 2024.

The Plan was subject to routine audits by the IRS and Department of Labor; however, there are currently no audits in progress for any open tax periods.
