Independent Auditors' Report

To the Plan Administrator
Eagle Fitness, LLC 401(k) Profit Sharing Plan & Trust
Cookeville, Tennessee

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of Eagle Fitness, LLC 401(k) Profit Sharing Plan & Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the years then ended, stating that the certified investment information, as described in note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Assets Held (at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements
December 31, 2023 and 2022

Note 1 - Description of Plan

The following description of Eagle Fitness, LLC 401(k) Profit Sharing Plan & Trust (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions, which are available from the plan administrator.

General

The Plan is a defined contribution plan of Eagle Fitness, LLC (the "Company") for the benefit of substantially all employees of the Company and all participating employers (Bay Fitness LLC, Elite Harvesting LLC, Heritage Fitness Club LLC, Plateau Fitness LLC, Shores Fitness Inc., SOFLO Fitness Inc., WOA Sylcauga LLC, WOAT Calhoun LLC, WOAT Chatsworth LLC, WOAT Danville LLC, WOAT Fitness Holdings LLC, WOAT Lynchburg LLC, WOAT Morristown LLC, WOAT Port Orange Inc., WOAT Rome LLC, WOAT Spring Hill LLC, WOAT West Plano LLC and WOATCHATT2 LLC) except for non-resident aliens and those employees covered by a collective bargaining agreement. Employees who are age 21 and completed 3 months of service are eligible to participate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Participants may contribute up to ninety-two (92%) of their annual eligible compensation, subject to Internal Revenue Service (IRS) limitations. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollovers). Participants age 50 or older, who are making contributions to the Plan, are allowed to make catch-up contributions as defined in the Plan. Participants may also make Roth contributions to the Plan. Eligible employees are automatically enrolled in the Plan at a three percent (3%) contribution rate unless the employee elects otherwise. Such deferral rates will automatically increase 1% each year until the participant reaches 6% of compensation.

The Company makes safe harbor matching contributions of one hundred percent (100%) of the first one percent (1%) of eligible compensation contributed and fifty percent (50%) of eligible compensation contributed in excess of one percent (1%) up to six percent (6%). The Company may also make discretionary profit sharing contributions in amounts determined by management. Participants must be employed on the last day of the Plan year and have at least one year of service to be eligible for the discretionary profit sharing contribution. There were no discretionary profit sharing contributions during 2023 or 2022.

Participant investment account options

The Plan currently offers a variety of mutual funds offered by Mid Atlantic Trust Company.

Participant accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contributions, if any, plus a proportionate interest in the investment earnings or losses

Notes to Financial Statements (Continued)
December 31, 2023 and 2022

Note 1 - Description of Plan (continued)

Participant accounts (continued)

of the funds in which the contributions are invested. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus earnings and losses thereon. Vesting in the Company's safe harbor matching contribution is based on a graded cliff vesting with 100% vesting occurring after two (2) years of credited service. Vesting in the Company's discretionary profit sharing contribution is based on a graded cliff vesting with 100% vesting occurring after three (3) years of credited service. In the event of death or disability, or if the Plan is discontinued, participants become 100% vested in all account balances.

Notes receivable from participants

Participants may borrow from their individual accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 47.5% of their vested account balance and may not have more than two (2) loans outstanding at any given time. The loans are secured by balance of the participant's account and bear interest at a rate equal to the current prime lending rate plus one percent (1%). Principal and interest is repaid ratably through payroll deductions.

Payment of benefits

Upon termination of service for any reason, a participant may request the value of his or her account as a lump sum distribution or installments over a period of time as defined by the plan document. Withdrawals by a participant while still employed are limited to those requested due to the attainment of age 59½. Participants may also request in-service distributions from rollover accounts at any time.

Forfeited accounts

If an employee terminates before his or her Company safe harbor matching or profit sharing contribution accounts have become fully vested, such portion of the account is forfeited. Forfeitures may be used to pay plan expenses, reduce any future Company contributions, or reallocated to remaining participants as a profit sharing contribution.

Note 2 - Summary of significant accounting policies

Basis of accounting

The financial statements of the Plan are prepared on the accrual method of accounting.

EAGLE FITNESS, LLC 401(k) PROFIT SHARING PLAN & TRUST

Notes to Financial Statements (Continued)
December 31, 2023 and 2022

Note 2 - Summary of significant accounting policies (continued)

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions which affect reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Certain expenses of the Plan are paid by the Company and are not included in the statements of changes in net assets available for benefits. Fees related to the administration of benefits paid to participants are charged directly to the respective participant's account. Certain investment related expenses are included in the net appreciation (depreciation) in fair value of investments.

Contributions

Contributions from Plan participants and the Company's safe harbor matching contributions are recorded in the year in which the employee contributions are withheld from compensation. The Company's discretionary profit sharing contributions are recorded in the year in which the underlying service is rendered.

December 31, 2023 and 2022

Note 3 - Information prepared and certified by the custodian

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mid Atlantic Trust Company, the custodian for the Plan, has certified that the following data included in the accompanying financial statements and the schedule of assets (held at end of year) is complete and accurate:

- Investments at fair value
- Net appreciation (depreciation) in fair value of investments
- Dividend income
- Schedule of assets (held at end of year), except loans to participants

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and the schedule of assets (held at end of year).

Note 4 - Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 are described below.

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Notes to Financial Statements (Continued)
December 31, 2023 and 2022

Note 4 - Fair value measurements (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the funds. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022.

Investments at Fair Value as of December 31, 2023				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ <u>522,924</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>522,924</u>

Investments at Fair Value as of December 31, 2022

Mutual funds	\$ <u>316,252</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>316,252</u>

Note 5 - Related party transactions and party-in-interest transactions

Plan investments are held by Mid Atlantic Trust Company, the custodian as defined by the Plan. These investments and related investment transactions qualify as party-in-interest transactions. Paychex Retirement Services is the Plan's recordkeeper and therefore related transactions also qualify as party-in-interest transactions. The Plan made direct payments to parties-in-interest totaling \$5,761 and \$3,278 in 2023 and 2022, respectively. Certain fees incurred by the Plan for investment management services are included in net appreciation (depreciation) in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. The Company pays directly any other fees related to the Plan's operations.

Note 6 - Reconciliation to Form 5500

The following is a reconciliation of net assets available for benefits for financial reporting purposes to net assets reported on Form 5500 as filed by the Plan for the years ended December 31, 2023 and 2022.

	2023	2022
Net assets available for benefits for financial reporting purposes	\$ 539,025	\$ 318,719

Less employer contributions receivable	(399)	(404)
Rounding differences	-	1
Net assets per Form 5500	<u>\$ 537,965</u>	<u>\$ 317,652</u>

The following is a reconciliation of net increase in net assets per the financial statements for the years ended December 31, 2023 and 2022 to net income on Form 5500:

	2023	2022
Net increase in net assets per the financial statements	\$ 220,306	\$ 107,288
Less participant contributions receivable in current year	(661)	(664)
Less employer contributions receivable in current year	(399)	(404)
Plus employer contributions receivable in prior year	404	524
Plus participant contributions receivable in prior year	664	840
Rounding differences	(1)	7
Net Income per Schedule H of Form 5500	<u>\$ 220,313</u>	<u>\$ 107,591</u>

Note 7 - Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 8 - Tax status

The IRS has determined that the Prototype Non-standardized Pre-Approved Profit Sharing 401(k) Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC) and informed the recordkeeper of such in a letter dated August 31, 2020. The plan administrator has adopted the prototype plan and believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC.

EAGLE FITNESS, LLC 401(k) PROFIT SHARING PLAN & TRUST

Notes to Financial Statements (Continued)
December 31, 2023 and 2022

Note 8 - Tax status (continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

Note 9 - Concentrations, risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

As of December 31, 2023, approximately 40% of the Plan's investments were invested in the Nuveen Lifecycle Index 2035 Fund and Nuveen Lifecycle Index 2060 Fund. As of December 31, 2022, approximately 53% of the Plan's investments were invested in the Nuveen Lifecycle Index 2035 Fund, Nuveen Lifecycle Index 2050 Fund and Nuveen Lifecycle Index 2060 Fund.

Note 10 - Subsequent events

Plan management has evaluated subsequent events through March 6, 2026, which is the date that the financial statements were available to be issued. No significant matters were identified for disclosure.

Independent Auditors' Report

To the Plan Administrator
Eagle Fitness, LLC 401(k) Profit Sharing Plan & Trust
Cookeville, Tennessee

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of Eagle Fitness, LLC 401(k) Profit Sharing Plan & Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the years then ended, stating that the certified investment information, as described in note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Assets Held (at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements
December 31, 2023 and 2022

Note 1 - Description of Plan

The following description of Eagle Fitness, LLC 401(k) Profit Sharing Plan & Trust (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions, which are available from the plan administrator.

General

The Plan is a defined contribution plan of Eagle Fitness, LLC (the "Company") for the benefit of substantially all employees of the Company and all participating employers (Bay Fitness LLC, Elite Harvesting LLC, Heritage Fitness Club LLC, Plateau Fitness LLC, Shores Fitness Inc., SOFLO Fitness Inc., WOA Sylcauga LLC, WOAT Calhoun LLC, WOAT Chatsworth LLC, WOAT Danville LLC, WOAT Fitness Holdings LLC, WOAT Lynchburg LLC, WOAT Morristown LLC, WOAT Port Orange Inc., WOAT Rome LLC, WOAT Spring Hill LLC, WOAT West Plano LLC and WOATCHATT2 LLC) except for non-resident aliens and those employees covered by a collective bargaining agreement. Employees who are age 21 and completed 3 months of service are eligible to participate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Participants may contribute up to ninety-two (92%) of their annual eligible compensation, subject to Internal Revenue Service (IRS) limitations. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollovers). Participants age 50 or older, who are making contributions to the Plan, are allowed to make catch-up contributions as defined in the Plan. Participants may also make Roth contributions to the Plan. Eligible employees are automatically enrolled in the Plan at a three percent (3%) contribution rate unless the employee elects otherwise. Such deferral rates will automatically increase 1% each year until the participant reaches 6% of compensation.

The Company makes safe harbor matching contributions of one hundred percent (100%) of the first one percent (1%) of eligible compensation contributed and fifty percent (50%) of eligible compensation contributed in excess of one percent (1%) up to six percent (6%). The Company may also make discretionary profit sharing contributions in amounts determined by management. Participants must be employed on the last day of the Plan year and have at least one year of service to be eligible for the discretionary profit sharing contribution. There were no discretionary profit sharing contributions during 2023 or 2022.

Participant investment account options

The Plan currently offers a variety of mutual funds offered by Mid Atlantic Trust Company.

Participant accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contributions, if any, plus a proportionate interest in the investment earnings or losses

Notes to Financial Statements (Continued)
December 31, 2023 and 2022

Note 1 - Description of Plan (continued)

Participant accounts (continued)

of the funds in which the contributions are invested. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus earnings and losses thereon. Vesting in the Company's safe harbor matching contribution is based on a graded cliff vesting with 100% vesting occurring after two (2) years of credited service. Vesting in the Company's discretionary profit sharing contribution is based on a graded cliff vesting with 100% vesting occurring after three (3) years of credited service. In the event of death or disability, or if the Plan is discontinued, participants become 100% vested in all account balances.

Notes receivable from participants

Participants may borrow from their individual accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 47.5% of their vested account balance and may not have more than two (2) loans outstanding at any given time. The loans are secured by balance of the participant's account and bear interest at a rate equal to the current prime lending rate plus one percent (1%). Principal and interest is repaid ratably through payroll deductions.

Payment of benefits

Upon termination of service for any reason, a participant may request the value of his or her account as a lump sum distribution or installments over a period of time as defined by the plan document. Withdrawals by a participant while still employed are limited to those requested due to the attainment of age 59½. Participants may also request in-service distributions from rollover accounts at any time.

Forfeited accounts

If an employee terminates before his or her Company safe harbor matching or profit sharing contribution accounts have become fully vested, such portion of the account is forfeited. Forfeitures may be used to pay plan expenses, reduce any future Company contributions, or reallocated to remaining participants as a profit sharing contribution.

Note 2 - Summary of significant accounting policies

Basis of accounting

The financial statements of the Plan are prepared on the accrual method of accounting.

EAGLE FITNESS, LLC 401(k) PROFIT SHARING PLAN & TRUST

Notes to Financial Statements (Continued)
December 31, 2023 and 2022

Note 2 - Summary of significant accounting policies (continued)

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions which affect reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Certain expenses of the Plan are paid by the Company and are not included in the statements of changes in net assets available for benefits. Fees related to the administration of benefits paid to participants are charged directly to the respective participant's account. Certain investment related expenses are included in the net appreciation (depreciation) in fair value of investments.

Contributions

Contributions from Plan participants and the Company's safe harbor matching contributions are recorded in the year in which the employee contributions are withheld from compensation. The Company's discretionary profit sharing contributions are recorded in the year in which the underlying service is rendered.

Notes to Financial Statements (Continued)
December 31, 2023 and 2022

Note 3 - Information prepared and certified by the custodian

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mid Atlantic Trust Company, the custodian for the Plan, has certified that the following data included in the accompanying financial statements and the schedule of assets (held at end of year) is complete and accurate:

- Investments at fair value
- Net appreciation (depreciation) in fair value of investments
- Dividend income
- Schedule of assets (held at end of year), except loans to participants

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and the schedule of assets (held at end of year).

Note 4 - Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 are described below.

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

EAGLE FITNESS, LLC 401(k) PROFIT SHARING PLAN & TRUST

Notes to Financial Statements (Continued)
December 31, 2023 and 2022

Note 4 - Fair value measurements (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the funds. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022.

Investments at Fair Value as of December 31, 2023				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ <u>522,924</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>522,924</u>

Investments at Fair Value as of December 31, 2022				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ <u>316,252</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>316,252</u>

Note 5 - Related party transactions and party-in-interest transactions

Plan investments are held by Mid Atlantic Trust Company, the custodian as defined by the Plan. These investments and related investment transactions qualify as party-in-interest transactions. Paychex Retirement Services is the Plan's recordkeeper and therefore related transactions also qualify as party-in-interest transactions. The Plan made direct payments to parties-in-interest totaling \$5,761 and \$3,278 in 2023 and 2022, respectively. Certain fees incurred by the Plan for investment management services are included in net appreciation (depreciation) in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. The Company pays directly any other fees related to the Plan's operations.

Note 6 - Reconciliation to Form 5500

The following is a reconciliation of net assets available for benefits for financial reporting purposes to net assets reported on Form 5500 as filed by the Plan for the years ended December 31, 2023 and 2022.

	2023	2022
Net assets available for benefits for financial reporting purposes	\$ 539,025	\$ 318,719
Less participant contributions receivable	(661)	(664)
Less employer contributions receivable	(399)	(404)
Rounding differences	-	1
Net assets per Form 5500	<u>\$ 537,965</u>	<u>\$ 317,652</u>

The following is a reconciliation of net increase in net assets per the financial statements for the years ended December 31, 2023 and 2022 to net income on Form 5500:

	2023	2022
Net increase in net assets per the financial statements	\$ 220,306	\$ 107,288

Less employer contributions receivable in current year	(399)	(404)
Plus employer contributions receivable in prior year	404	524
Plus participant contributions receivable in prior year	664	840
Rounding differences	(1)	7
Net Income per Schedule H of Form 5500	<u>\$ 220,313</u>	<u>\$ 107,591</u>

Note 7 - Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 8 - Tax status

The IRS has determined that the Prototype Non-standardized Pre-Approved Profit Sharing 401(k) Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC) and informed the recordkeeper of such in a letter dated August 31, 2020. The plan administrator has adopted the prototype plan and believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC.

Note 8 - Tax status (continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

Note 9 - Concentrations, risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

As of December 31, 2023, approximately 40% of the Plan's investments were invested in the Nuveen Lifecycle Index 2035 Fund and Nuveen Lifecycle Index 2060 Fund. As of December 31, 2022, approximately 53% of the Plan's investments were invested in the Nuveen Lifecycle Index 2035 Fund, Nuveen Lifecycle Index 2050 Fund and Nuveen Lifecycle Index 2060 Fund.

Note 10 - Subsequent events

Plan management has evaluated subsequent events through March 6, 2026, which is the date that the financial statements were available to be issued. No significant matters were identified for disclosure.
