Report of Independent Auditors

To the Plan Administrator and Participants
Pension Plan for Legacy and Lowell Employees of
Coca-Cola Beverages Northeast, Inc.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Pension Plan for Legacy and Lowell Employees of Coca-Cola Beverages Northeast, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Pension Plan for Legacy and Lowell Employees of Coca-Cola Beverages Northeast, Inc. Plan's financial statements performed in accordance with the ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Pension Plan for Legacy and Lowell Employees of Coca-Cola Beverages Northeast, Inc. Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting

As described in Note 1 and Note 2 to the financial statements, the Board of Directors authorized the termination of the Pension Plan for Legacy and Lowell Employees of Coca-Cola Beverages Northeast, Inc. effective April 30, 2024, and management determined liquidation is imminent. As a result, the financial statements have been prepared on the liquidation basis of accounting. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Pension Plan for Legacy and Lowell Employees of Coca-Cola Beverages Northeast, Inc. Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of reportable transactions for the year ended December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of the Plan

The following brief description of the Pension Plan for Legacy and Lowell Employees of Coca-Cola Beverages Northeast, Inc., (the “Plan” or “Spin off Plan”) is provided for general information purposes only. Participants should refer to the Plan document for more complete information. Copies of the Plan document are available from the plan administrator.

The Plan Sponsor is Coca-Cola Beverages Northeast, Inc. (Company).

The Plan is a non-contributory spin-off defined benefit pension plan for eligible employees included in the Plan on or after January 1, 2024 (Spin-off Date). Each employee who on December 31, 2023:

- Was a participant in the Pension Plan for Employees of Coca-Cola Beverages Northeast, Inc. (Prior Plan); and
- Had an accrued benefit under the Prior Plan that was spun off to the Spin off Plan on the Spin off date; and
- Is a member of the Lowell union, Bangor union or a non-bargained employee.

This Spin off Plan does not include any participants that have an accrued benefit in both this Plan and the Prior Plan. Those participants shall remain in the Prior Plan.

Plan of Liquidation

Based on the Plan’s termination, in 2025 all frozen and previously terminated vested participants were allowed to elect either a lump sum payment or an annuity from an insurance company to settle their pension liability. Participants that did not respond were included in the annuity purchase.

An annuity contract was purchased from American National Insurance Company for \$16,590,938, net of refund, for purposes of annuitizing in-pay retirees, and participants who did not return information for a lump sum distribution or who desired an annuity. Final termination payments in the form of lump sums and rollovers to individual qualified retirement vehicles and/or the Coca-Cola Beverages Northeast, Inc. Incentive Savings Plan, and other amounts paid in the normal course of Plan operations prior to the final termination payments amounted to approximately \$50 million for the year ended December 31, 2025.

1. Description of the Plan (continued)

Plan of Liquidation (continued)

There were remaining assets of \$283,369 from the additional \$3,300,000 contribution on May 30, 2025, which was an estimated amount to cover final payments required. This amount was returned to the Plan Sponsor on December 12, 2025, as all required liabilities were settled.

Plan Termination

On March 31, 2022, benefit accruals under the Prior Plan were frozen for Lowell participants. No periods of employment and compensation after March 31, 2022, count in calculating the amount of accrued benefit due to Lowell employees under the Prior Plan. However, periods of employment after March 31, 2022 count for vesting, as well as for eligibility for early retirement benefits under the Prior Plan through December 31, 2023, and under this Plan on and after January 1, 2024.

On June 30, 2023, benefit accruals under the Prior Plan were frozen for Bangor employees. No periods of employment and compensation after June 30, 2023, count in calculating the amount of accrued benefit due to Bangor employees under the Prior Plan. However, periods of employment after June 30, 2023, count for vesting, as well as for eligibility for early retirement benefits under the Prior Plan through December 31, 2023, and under this Plan on and after January 1, 2024.

On December 31, 2023, benefit accruals under the Prior Plan were frozen for non-bargained employees. No periods of employment and compensation after December 31, 2023, count in calculating the amount of accrued benefit due to non-bargained employees under the Prior Plan. However, periods of employment will be taken into account for vesting, as well as for eligibility for early retirement benefits under this Plan on and after January 1, 2024.

Effective January 1, 2024, no employee hired or rehired who is a member of the Lowell union, Bangor union or a non-bargained employee will be eligible to participate in the Prior Plan.

Effective January 1, 2024, the assets and liabilities attributable to the frozen accrued benefits of all participants under the Prior Plan who are Lowell employees, Bangor employees and the non-bargained employees (collectively the Spin-Off Group), were spun off to the Spin off Plan. See contributions and funding noted below.

1. Description of the Plan (continued)

Plan Termination (continued)

The Spin off Plan was terminated effective April 30, 2024, and to the extent not already fully vested as of April 30, 2024, all participants were 100% vested as of this date.

As a result of the termination, liquidation basis was determined to be imminent as of April 30, 2024, and the accompanying financial statements have been prepared on the liquidation basis of accounting.

Effective December 31, 2024, the Plan terminated its trustee relationship with Empower Annuity Insurance Company of America and Empower Trust Company, LLC (collectively “Empower”) and the assets, including cash and in-kind investments, were transferred to Principal Bank (Principal). This transfer is reflected in the statements of net assets available for benefits as a settlement receivable to the Plan as of December 31, 2024. These assets were received by Principal Bank and settled in the Trust on January 2, 2025, with additional amounts settled on January 3, 10 and 27, 2025. The Form 5500 as of and for the year ended December 31, 2024, presents the fair value of the specific investments that were settled in January 2025, as owned by the Plan for 5500 reporting as these amounts were transferred in-kind on December 31, 2024.

Contributions and Funding Policy

The Company has agreed to contribute such amounts as are necessary to provide sufficient assets to meet the benefits to be paid to Spin off Plan participants upon termination. The funding for the Spin off Plan from the Prior Plan was actuarially determined at January 1, 2024 (December 31, 2023) and the contribution required to settle all remaining liabilities at that date of \$68,942,470 was transferred from the Pension Plan for Employees of Coca-Cola Beverages Northeast, Inc. In addition, a contribution of \$3,300,000 was made to the Spin off Plan May 30, 2025, for additional funding required in connection with the payment of final lump sum benefits and the purchase of an annuity to settle the remaining benefit liability.

Retirement Benefits

A participant shall be entitled to a normal retirement benefit calculated based upon a formula, which takes into account years of credited service and potentially the compensation level of the participant, depending on union/non-union group, as defined in the Plan document, and frozen as noted above.

2. Summary of Accounting Policies

Basis of Accounting

As a result of the Plan termination, the financial statements of the Plan are prepared on the liquidation basis of accounting.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for the insurance contract, which was reported at contract value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See Note 5 for discussion of fair value measurements.

During the years ended December 31, 2025 and 2024, purchases and sales of securities are recorded on a trade-date basis.

Management fees and operating expenses charged to the Plan for the management of investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Gains and losses on security transactions are recorded as the difference between the proceeds received and cost. Cost is determined on the average cost basis. Net appreciation or depreciation, including realized and unrealized gains or losses, is reflected in the statement of changes in net assets available for benefits as net realized and unrealized appreciation (depreciation) in fair value of investments.

Administrative Expenses

The Plan's expenses are paid either by the Plan or the Company, as provided by the Plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid directly by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits.

Notes to Financial Statements (continued)

2. Summary of Accounting Policies (continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. Certified Investments

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2025 and 2024, and net appreciation (depreciation) in fair value of investments and investment expenses for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal Bank, the trustee of the Plan as of December 31, 2025 and from January 1, 2025 through December 31, 2025 and Empower Annuity Insurance Company of America and Empower Trust Company, LLC, the custodian and trustee of the Plan as of December 31, 2024 and from January 1, 2024 through December 31, 2024.

4. Investment Contract

The Plan investments included the *Guaranteed Deposit Account* through December 31, 2024, an offering through Empower Annuity Insurance Company of America (Empower). Contributions to this investment were fully guaranteed by Empower's general account assets. This insurance contract was reported at contract value. Contract value is the relative measure for this investment because this is the amount received by the Plan if they were to initiate permitted transactions under the investment. Contract value, as reported by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

Pension Plan for Legacy and Lowell
Employees of Coca-Cola Beverages Northeast, Inc.

Notes to Financial Statements (continued)

4. Investment Contract (continued)

The effective annual interest rate will never be less than 0%. Interest rates are established each year in advance. The new money interest rate for the year ended December 31, 2024 was 3.35%. The net credited interest rate will not be less than 1% nor greater than 3%. Should the Plan Sponsor terminate the group annuity contract, or withdrawals for the full calendar year exceed 10% of the *Guaranteed Deposit Account* balance at the beginning of the year plus 100% of any contributions and transfers made to the *Guaranteed Deposit Account* during the year, a market value adjustment will be made to reflect the difference between book and market value or other pay out restrictions may be imposed. There were no transactions in 2024 that resulted in adjustments to the value of the investment contract.

5. Parties-In-Interest

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan or an employer whose employees are covered by the Plan. Accordingly, the management of investments held by the custodian and trustees are considered party-in-interest transactions.

Certain plan investments included a common/collective trust fund managed by Gallagher. Gallagher, is a consultant and actuary to the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Certain plan investments were also units of pooled separate accounts managed by Empower Annuity Insurance Company of America (Empower), (previously The Prudential Retirement Insurance and Annuity Company (Prudential)). Prudential, prior to Empower acquisition, was a plan custodian and, therefore, these transactions qualify as party-in-interest transactions.

6. Income Tax Status

The Plan applied for determination for the terminating Plan to the IRS on March 15, 2024. The IRS is currently reviewing the application.

Accounting standards require recording uncertain income tax positions that exist in the Plan's financial statements. Plan management has determined there are no uncertain tax positions and believes there is no adjustment or disclosure required in the Plan's financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Notes to Financial Statements (continued)

7. Subsequent Events

The Company has evaluated all subsequent events through April 1, 2026, the date the financial statements were available to be issued. During this period, there have been no other material events that would require recognition in the financial statements or disclosures to the financial statements.
