Independent Auditor's Report

To the Board of Directors
Tetco Employees' Savings Plan
San Antonio, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Financial Statements

We have performed an audit of the accompanying financial statements of Tetco Employees' Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Tetco Employees' Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended June 30, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (US GAAP).

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Tetco Employees' Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Tetco Employees' Savings Plan's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Tetco Employees' Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Tetco Employees' Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participation Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment

information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TETCO EMPLOYEES' SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

NOTE 1 – DESCRIPTION OF THE PLAN

The following brief description of Tetco Employees' Savings Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General

The Plan is a defined contribution plan which covers substantially all employees of Tetco, Inc. and subsidiaries and affiliates (collectively, the “Company”). Employees become eligible to participate in the Plan if they complete sixty days of service and have attained age 21. Entry dates for participants are the 1st day of the following month reaching eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

Participants may elect to contribute to the Plan a percentage or fixed amount of their compensation, as defined in Plan document; however, total deferrals in any taxable year may not exceed a certain dollar amount which is set by law. Each year, eligible participants can elect to defer up to 75% of their compensation up to the maximum, as permitted by the internal Revenue Service (IRS). The employer may make discretionary profit sharing and/or matching contributions each year. Participants who reach the age of 50 before the close of a calendar year are eligible to make catch-up elective deferral contributions to the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants may elect to change their investment options any time throughout the year via direct telephone or internet access. During the year ended June 30, 2025 and 2024, the Company made quarterly matching contributions totaling \$252,002 and \$243,152, respectively. Contributions are subject to certain limitations.

Participant Accounts

Participants direct the investment of their contributions into various investment options offered by the Plan. Each participant's account is credited with the participant's contributions and employer contributions, as well as allocation of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

JUNE 30, 2025 AND 2024

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms shall be no more than five years except when the proceeds of a loan are used to acquire a dwelling to be used as a participant's principal residence, then the Plan Administration may permit a longer repayment period. The loans are secured by the balance in participant's account and bear interest, as determined by the Plan Administrator. As of June 30, 2025, the interest rate is set at 4.25% to 10% with various maturities through 2032.

Principal and interest are paid ratably through monthly payroll deductions. If a terminated participant ceases to make loan repayments for 90 days and the Plan Administrator believes the loan to be in default, the participant's loan balance is reduced and a benefit payment is recorded. If an active participant ceases to make repayments for more than one quarter and the Plan Administrator believes the loan should be deemed distributed, then the participants loan balance will be considered a deemed distribution for tax purposes, but the loan balance remains a Plan asset until the participant repays the loan or takes a distribution. This is taxable event to the participant.

Notes receivable from participants are measured at the unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses have been recorded as of June 30, 2025 and 2024. Interest earned on participant loans was \$40,953 and \$32,752 for the years ended June 30, 2025 and 2024, respectively.

Notes receivable from participants have been classified as an investment asset for Form 5500 reporting purposes and, accordingly, have been included as an investment in the supplemental schedule H, Line 4i – Schedule of Assets (Held at End of Year).

Payment of Benefits

On termination, death, disability or termination of service for any reason, a participant may elect to receive an amount equal to the value of the participant's vested balance in the form of a lump-sum distribution or installments over a period of not more than their or their spouse's assumed life expectancy. Accounts under \$5,000 will be paid in a lump-sum distribution. Hardship withdrawals are also available subject to certain limitations. Benefits paid to participants are recorded when paid.

JUNE 30, 2025 AND 2024

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

New Legislative Changes - Secure 2.0 Act

The Setting Every Community Up for Retirement Enhancement (SECURE) 2.0 Act of 2022 (the “Act”) was signed into law on December 29, 2022. The Act includes both mandatory and optional provisions affecting retirement plans. Although the provisions of SECURE 2.0 are phased in over several years, the Plan, a defined contribution 401(k) plan, previously adopted or already included language in its governing document that aligns with certain provisions of the Act. These provisions include, but are not limited to:

- Eligibility for Long-Term Part-Time Employees
- Higher Catch-Up Contributions (Ages 60-63)

The Plan Administrator continues to assess the impact of SECURE 2.0 and is monitoring ongoing regulatory and administrative guidance to ensure full compliance with the applicable provisions as their effective dates approach. As of June 30, 2025, the implementation of these provisions has not had a material impact on the Plan’s financial statements.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting and present the net assets available for the benefit of the participants and changes in those net assets.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefits paid to participants are charged directly to the participant’s accounts and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

TETCO EMPLOYEES' SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the trustee. See Note 10 for discussion of fair value measurements.

Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's unrealized gains and losses as of period-end and realized gains and losses on investments bought and sold during the year.

Investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Vesting

Participants are immediately vested in their elective deferrals plus actual earnings thereon. Participants vest at the rate of 20% in employer contributions for each year of service resulting in a 100% vested interest after five years of service. Upon normal retirement age, or in the event of death or disability, the participant becomes 100% vested.

Forfeitures

Forfeitures of nonvested nonelective and matching contributions may be used to reduce the Company's contribution for that Plan year or to pay Plan expenses. As of June 30, 2025 and 2024, the balance on the forfeiture account totaled \$9,726 and \$771, respectively. For the year ended June 30, 2025 and 2024, there was \$2,666 and \$27,278, respectively, utilized to pay expenses or reduce employer contributions.

TETCO EMPLOYEES' SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contributions

Contributions from Plan participants and the matching contributions from the Plan sponsor are recorded in the year in which the participant contributions are withheld from amounts paid. Profit sharing contributions are recognized upon authorization and in the underlying compensation is recognized under the Plan. All participant and employer contributions are participant-directed. Participant contributions in excess of amounts allowed by IRS are recorded as liability with a corresponding reduction in contributions.

NOTE 3 – CERTIFIED FINANCIAL INFORMATION

The following is a summary of the Plan's asset information as of June 30, 2025 and 2024, and for the years then ended, included throughout the Plan's financial statements and supplemental schedule that was prepared by or derived from information provided by the John Hancock Trust Company, LLC and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee that the information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information which appears throughout the financial statements and the supplemental schedule related to the following assets:

	2025	2024
Investments held by registered investment companies	\$ 23,684,153	\$ 22,126,976
Interest in common/collective trust	22,888	-
	23,707,041	22,126,976
Notes receivable from participants	467,120	517,036
	\$ 24,174,161	\$ 22,644,012

John Hancock Trust Company, LLC has also certified the completeness and accuracy of \$2,443,940 of net appreciation in the fair market value of investments, \$514,779 of interest and dividends, \$40,953 of interest income on note receivables from participants for the year ended June 30, 2025.

John Hancock Trust Company, LLC has also certified the completeness and accuracy of \$2,094,607 of net appreciation in the fair market value of investments, \$487,092 of interest and dividends, \$32,725 of interest income on note receivables from participants for the year ended June 30, 2024.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

NOTE 4 – TAX STATUS

The Internal Revenue Service has determined that the prototype plan, in a letter dated September 4, 2001, and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan Administrator and its legal counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken uncertain tax positions that more-likely-than-not would not be sustained upon examination by applicable taxing authorities. The Plan Administrator has analyzed tax positions taken by the Plan and has concluded that there are no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability or that would require disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions. However, currently no audits for any tax periods are in progress. The Plan Administrator believes that the Plan is no longer subject to income tax examination for years ended prior to June 30, 2022.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right, under the Plan to discontinue contributions at any time, and to terminate the Plan subject to provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 6 - ROLLOVERS

For the years ended June 30, 2025 and 2024, the Plan had rollovers of \$378,775 and \$0, respectively.

NOTE 7 – BONDING REQUIREMENT

The Plan was in compliance with the bonding requirement by ERISA, Title I, Section 412 as of July 1, 2025 and 2024.

NOTE 8 – RELATED PARTY TRANSACTIONS

Plan investments are managed by John Hancock Trust Company, LLC, the trustee as defined by the Plan and, therefore, these investments qualify as party-in-interest transactions. Fees paid by the Plan for investment management and other services totaled \$110,966 and \$103,035 for the years ended June 30, 2025 and 2024, respectively.

NOTE 9 - SUBSEQUENT EVENTS

Subsequent events have been evaluated by the Plan through April 2, 2026, the date the financial statements were available to be issued.

NOTE 10 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Statement ASC 820, *Fair Value Measurements* (FASB ASC 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Input to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value.

Interest in Common/Collective Trusts: Valued at the net asset value (NAV) of units of a collective trust. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities

TETCO EMPLOYEES' SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

NOTE 10 - FAIR VALUE MEASUREMENTS (CONTINUED)

Investments: Investments held by registered investments companies are valued at the daily closing price, as reported by the fund. Investments held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The investments held by the Plan are deemed to be actively traded.

The method above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's assets recorded at fair value have been categorized based upon the fair value hierarchy in accordance with FASB ASC 820. The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of June 30, 2025 and 2024.

Assets at Fair Value as of June 30, 2025				
Description	Total	Level 1	Level 2	Level 3
Investments held by registered investment companies	\$ 23,684,153	\$ 23,684,153	\$ -	\$ -
Interest in common/collective trusts (NAV)	22,888			
Total investment assets	<u>\$ 23,707,041</u>			

Assets at Fair Value as of June 30, 2024				
Description	Total	Level 1	Level 2	Level 3

Interest in common/collective trusts (NAV)	-			
Total investment assets	<u>\$ 22,126,976</u>			

Gains and losses included in changes in net assets available for benefits for the years ended June 30, 2025 and 2024, are reported in the net appreciation (depreciation) in fair value of investments. Unrealized gains/(losses) from the guaranteed investment contract are not reported in the statement of changes in net assets available for benefits as the contract is recorded at contract value for presentation in the net assets available for benefits.

JUNE 30, 2025 AND 2024

NOTE 10 - FAIR VALUE MEASUREMENTS (CONTINUED)

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. The Plan evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Net Asset Value Per Share

The following tables set forth information related to investment assets held by the Plan for which fair value is measured using net asset value per share as a practical expedient for the year ended June 30, 2025.
