INDEPENDENT AUDITOR'S REPORT

To the Trustees of the
American Federation of Teachers
Benefit Plan and Trust

Opinion

We have audited the accompanying financial statements of the American Federation of Teachers Benefit Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the American Federation of Teachers Benefit Plan and Trust as of June 30, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of administrative expenses are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

AMERICAN FEDERATION OF TEACHERS
BENEFIT PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2025 AND 2024

NOTE 1. DESCRIPTION OF THE PLAN

The following brief description of the American Federation of Teachers Benefit Plan and Trust (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

On July 1, 1993, the American Federation of Teachers, AFL-CIO (the Federation) established the Plan as a separate organization. The Plan was formed as a welfare benefit plan for members of the Federation and is fully subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The purpose of the Plan was to provide various medical, life and disability insurance benefits to participating Federation members as an enhancement to collectively bargained benefits.

The Plan transferred ownership of certain benefit programs to Union Privilege. Established in 1986, the AFL-CIO created Union Privilege to provide consumer benefit programs to union members. The benefits transferred are administered by AGIA Insurance Services which bills members and pays insurers. Any income from these transferred programs as well as income from programs retained by the Plan is revenue to the Plan which is used to further member benefit programs.

Beginning with the year ended June 30, 2014, all contributions from participants and premiums to insurance companies were collected and paid by Union Privilege.

The Plan provides accidental death and dismemberment insurance and identity theft insurance to all members of the Federation. During the year ended June 30, 2021, the Plan expanded the coverage to include trauma counseling insurance.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation - The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). Under this basis, revenue is recognized when earned and expenses are recognized when incurred.

Cash - Cash consist of monies in demand accounts.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investments - The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of investments are reported on a trade-date basis. Interest income is reported on the accrual basis.

Contributed Nonfinancial Assets - Contributions of donated administrative services from the Federation are recorded at their fair values in the period received, less any amounts reimbursed to the Federation.

Insurance Premiums - Accidental death and dismemberment insurance is provided through Chubb Limited effective January 1, 2021. Identity theft insurance is provided through CLC. Trauma counseling insurance is provided by International Specialty Insurance.

Premiums paid to insurance companies are expensed as premiums are paid, rather than over the period of coverage provided under the insurance contracts. Premium expense recognized under this method is not significantly different than the accrual basis.

Plan Termination - Although it has not expressed any desire to do so, the Federation has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, assets of the Plan will be used to pay all obligations of the Plan, and any surplus will be distributed to participants, their dependents or beneficiaries for payment of benefits.

Estimates - The preparation of financial statements in accordance with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

NOTE 3. TAX STATUS

Income Taxes - The Plan is exempt from federal income tax under Section 501(C)(5) of the Internal Revenue Code. As of June 30, 2025, the Plan accounts for income taxes in accordance with the Accounting Standards Codification (ASC) Topic *Income Taxes*. These provisions provide consistent guidance for the accounting for uncertainty in income taxes recognized in an entity's financial statements and prescribe a threshold of "more likely than not" for recognition and derecognition of tax positions taken or expected to be taken in a tax return. The Plan performed an evaluation of uncertain tax positions for the years ended June 30, 2025 and 2024, and determined that there were no matters that would require recognition in the financial statements.

NOTE 4. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Federation pays certain administrative services and expenses for the Plan. The Federation also made contributions to the Plan of $1,476,310 and $57,262 during the years ended June 30, 2025 and 2024, respectively. These contributions were used to pay the insurance premiums for insurance provided by the Plan.

The Plan also pays certain administrative fees to service providers. These transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction restrictions of ERISA.

NOTE 5. INVESTMENTS

Accounting standards provide the framework for measuring fair value which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include other significant observable inputs including:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 5. INVESTMENTS (CONTINUED)

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at June 30, 2025 and 2024.

Short-term investments: Valued at amortized cost which approximates fair value.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2025 and 2024:

Description	June 30, 2025 Total	Quoted Market Price for Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Short-term investments	$ 133,137	$ 133,137	$ -	$ -

Description	June 30, 2024 Total	Quoted Market Price for Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Short-term investments	$ 130,362	$ 130,362	$ -	$ -

NOTE 6. UNINSURED CASH

The Plan maintains cash in accounts which at times may exceed the federally insured limits per bank. There were no bank deposits in excess of Federal Deposit Insurance Corporation (FDIC) insured limits at June 30, 2025. The Plan has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk in cash.

NOTE 7. PLAN BENEFIT OBLIGATIONS

Benefit obligations consist of insurance premiums payable at year end. The following table presents the Plan's benefit obligations and the related changes in the Plan's benefit obligations as of June 30, 2025 and 2024.

	2025	2024
Benefit obligations		
Insurance premiums payable	$ 44,329	$ -
Benefit obligations, beginning of the year	$ -	$ 60,082
Premiums charged	1,361,835	1,548,685
Premiums paid	(1,317,506)	(1,608,767)
Benefit obligations, end of the year	$ 44,329	$ -

NOTE 8. SIGNIFICANT RISKS AND UNCERTAINTIES

Investment Risk - The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	2025	2024
Net assets available for benefits per the financial statements	$ 318,475	$ 508,044
Benefit obligations currently payable	(44,329)	-
Net assets available for benefits per the Form 5500	$ 274,146	$ 508,044

The following is a reconciliation of insurance premiums per the financial statement to the Form 5500:

	2025
Insurance premiums paid per the financial statements	$ 1,317,506
Subtract: amounts payable at beginning of the year	-
Add: amounts payable at year end	44,329
Insurance premiums paid per the Form 5500	$ 1,361,835

NOTE 10. SUBSEQUENT EVENTS REVIEW

Subsequent events have been evaluated through March 24, 2026, which is the date the financial statements were available to be issued. This review and evaluation revealed no material event or transaction which would require an adjustment to or disclosure in the accompanying financial statements.
