INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Oxerra Americas 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of Oxerra Americas 401(k) Plan (formerly Venator Americas LLC 401(k) Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Oxerra Americas 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Disclaimer Opinion

We do not express an opinion on the accompanying financial statements of Oxerra Americas 401(k) Plan. Because of the significance of the matter described in the Basis of Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

Oxerra Americas 401(k) Plan does not have sufficient accounting records and source documents relating to participant transactions in 2023. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent of which the accompanying financial statements have been affected by these conditions.

Emphasis of Matter — Plan Merger

As discussed in Note 1 to the financial statements, effective December 31, 2023, the Oxerra Americas 401(k) Plan was merged into the Oxerra Americas, Inc. 401(k) Plan and net assets were transferred into the Oxerra Americas, Inc. 401(k) Plan. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of Oxerra Americas 401(k) Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of Oxerra Americas 401(k) Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4a – schedule of delinquent participant contributions for the year ended December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Oxerra Americas 401(k) Plan (the “Plan”), formerly Venator Americas LLC 401(k) Plan, provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions. The Plan was amended effective October 30, 2023 to change the name of the Plan.

General

The Plan is a defined contribution plan covering all employees of Oxerra Americas, LLC (formerly “Venator Americas LLC”) and participating employer Chemical Specialties LLC (collectively, the “Company” or “Employer”), except those covered by collective bargaining agreements, nonresident aliens who do not receive any earned income from the Employer that constitutes United States source income, leased employees, and those not regularly employed in the United States or included on the United States dollar payroll of the Company.

Employees are eligible to participate in the Plan on their date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Fidelity Management Trust Company (“Fidelity”) is the trustee for the Plan.

The Plan was amended on March 17, 2023 to add Venator Materials, LLC as an adopting employer and change the Plan to a multiple employer plan. Effective April 3, 2023, Venator Americas LLC was part of an acquisition by Cathay Industries. Upon the acquisition, Cathay Industries rebranded as Oxerra Group and the plan sponsor of the Plan transferred to Oxerra Americas, LLC.

Plan Transfer

Effective August 1, 2023, approximately \$19 million was transferred out of the Plan to a plan established by Venator Materials, LLC. Effective October 30, 2023, the Plan was amended to exclude Venator Materials, LLC as an adopting employer and the Plan reverted back to a single employer plan.

Plan Merger

Effective December 31, 2023, the Plan was merged into the Oxerra Americas, Inc. 401(k) Plan. Net assets of approximately \$15 million were transferred out of the Plan to the trustee of the Oxerra Americas, Inc. 401(k) Plan.

Contributions

Participants may elect to make pre-tax and/or Roth salary deferral contributions to the Plan of up to 100% of eligible compensation, subject to certain limitations provided under the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. The Plan allows for participants in a former employer’s qualified plan to contribute direct rollovers.

OXERRA AMERICAS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

The Employer shall contribute a safe harbor matching Employer contribution of one dollar for each dollar of participant contributions made by the participant for the plan year, up to a maximum of 4% of eligible compensation for the plan year. The Employer shall also contribute a nondiscretionary contribution to eligible participants ranging from 6% to 12% of eligible compensation during the plan year based on certain criteria outlined in the Plan document.

The Plan is participant directed and participants may change their contribution rates as of the beginning of each payroll period and investment options at any time.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Employer contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are at all times fully vested in their participant and Employer contributions and the appreciation or depreciation thereon.

Payment of Benefits

Benefits are payable upon retirement, disability, death, or termination of service with the Employer. Normal retirement age under the Plan is 65. Hardship withdrawals, from a participant's deferral contributions account, and in-service withdrawals for participants who have attained age 59½, from all vested accounts, are permitted. Participants may receive their distributions in a lump-sum or an installment payment.

Notes Receivable from Participants

Plan participants may borrow Plan assets at a minimum of \$1,000 and up to a maximum of the lesser of \$50,000 or 50% of their vested account balance in the Plan. Three outstanding notes per participant are permitted. Notes are repaid in level installments through payroll deductions for periods ranging up to five years unless the note is for the purchase of the participant's principal residence, in which case the note repayment may not extend beyond ten years from the date of the note. The notes bear interest as determined by the plan administrator at the date of the note and are secured by the participant's vested account to the extent of the principal amount of the note plus accrued interest.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Contributions

Contributions from Plan participants and the Company contributions are recorded in the plan year in which the participant contributions are withheld from compensation.

Investment Valuation and Income Recognition

Investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan document.

Benefit Payments

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to notes receivable from participants, withdrawals, and certain investment transaction fees are charged directly to the participant's account and are included in administrative expenses. Other investment-related expenses are included in net appreciation in fair value of investments.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

OXERRA AMERICAS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Federal Income Taxes

The Plan has adopted a volume submitter prototype plan, which obtained its latest opinion letter dated June 30, 2020 in which the Internal Revenue Service (IRS) stated that the prototype document satisfies the applicable provisions of the IRC. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, contributions to the Plan and earnings from its assets are not currently taxable to the Plan or its participants.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan to determine if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 3 - COLLECTIVE TRUST

The Plan invests in the Vanguard Retirement Savings Trust I, a common collective trust fund. At December 31, 2022, all of the Vanguard Retirement Savings Trust I's investments were in the Vanguard Retirement Savings Master Trust (the "Vanguard Trust"). The common collective trust fund's investment objective is to seek the preservation of capital and to provide a competitive level of income over time that is consistent with the preservation of capital.

The Vanguard Trust provides for the collective investment of assets of tax-exempt pension and profit sharing plans, primarily in a pool of investment contracts that are issued by insurance companies and commercial banks and in contracts that are backed by bond trusts that are selected by the trustee, Vanguard Fiduciary Trust Company.

The fund held by the Plan provides for daily redemptions by participants with no advance notice requirement. The Plan has no unfunded commitments and no contractual obligations to further invest in the fund. If the Plan initiates a full redemption of the fund, the issuer reserves the right to temporarily delay withdrawal from the trust to ensure that securities liquidation will be carried out in an orderly business manner.

NOTE 4 - FAIR VALUE MEASUREMENTS

Various inputs are used in determining the fair value of the Plan's investments. Valuation techniques used to measure fair value must maximize the use of observable inputs and minimize the use of unobservable inputs. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy, including the types of investments that fall under each category and the valuation methodologies used to measure fair value, are described below:

OXERRA AMERICAS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Participant-Directed Brokerage Account: Includes investments valued at fair value using a market approach based on quotations from national securities exchanges.

Level 2 - Inputs to the valuation methodology are other than quoted market prices in active markets that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices that are in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable inputs (i.e., projections, estimates, interpretations, etc.) that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Investments measured using the NAV practical expedient are described below:

Common Collective Trust Fund: Valued at NAV based on the contractual terms of the underlying unit value reported by the investment advisor based on the fair value of the underlying investments less liabilities. The NAV is used as a practical expedient to estimate fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The inputs and methodologies used for valuing securities are not an indication of the risk associated with investing in those securities. There have been no changes in the methodologies used.

The following tables set forth by level, within the fair value hierarchy, the investments in the Plan at fair value as of December 31, 2022 (There were no investments at December 31, 2023):

OXERRA AMERICAS 401(k) PLAN

Investments measured at net asset value (a)				<u>974,331</u>
Total investments at fair value				<u>\$32,425,186</u>

(a) Certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the investment line item presented in the statements of net assets available for benefits.

NOTE 5 - INFORMATION CERTIFIED

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity, the trustee of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reflected in the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022 and the related investment activity and interest income on notes receivable from participants reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2023.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are in mutual funds and investments in a participant-directed brokerage account managed by entities related to Fidelity. Fidelity is the Plan's trustee, as defined by the Plan. In addition, certain fees are paid to the trustee. The Plan's management has approved these investment options and fees. Notes receivable from participants also qualify as party-in-interest transactions. These transactions are covered by an exemption from the prohibited transaction provisions.

OXERRA AMERICAS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan provides for various investments. In general, such investments are exposed to various risks, such as significant world events, interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 - OPERATIONAL ERRORS

Management has determined that there were operational errors during the plan year 2023. These errors resulted from not calculating a true up on employer contributions and incorrect participant and employer contributions remittances. Incorrect remittances include missed contributions and contributions remitted over the maximum participant and employer contributions amount allowed by the IRS. Management is in the process of analyzing the effect these errors will have on the Plan.

During 2023, there were unintentional delays in submitting participant contributions to the Plan in the amount of \$390,139. The Company plans to compensate participants through the Oxerra Americas, Inc. 401(k) Plan for any lost earnings resulting from delays in remitting the participant contributions and for submitting true up contributions.

NOTE 9 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 8, 2025, the date the financial statements were available to be issued.

We were engaged to perform audits of the financial statements of Oxerra Americas 401(k) Plan (formerly Venator Americas LLC 401(k) Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Disclaimer Opinion

We do not express an opinion on the accompanying financial statements of Oxerra Americas 401(k) Plan. Because of the significance of the matter described in the Basis of Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

Oxerra Americas 401(k) Plan does not have sufficient accounting records and source documents relating to participant transactions in 2023. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent of which the accompanying financial statements have been affected by these conditions.

Emphasis of Matter — Plan Merger

As discussed in Note 1 to the financial statements, effective December 31, 2023, the Oxerra Americas 401(k) Plan was merged into the Oxerra Americas, Inc. 401(k) Plan and net assets were transferred into the Oxerra Americas, Inc. 401(k) Plan. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of Oxerra Americas 401(k) Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of Oxerra Americas 401(k) Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4a – schedule of delinquent participant contributions for the year ended December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Oxerra Americas 401(k) Plan (the “Plan”), formerly Venator Americas LLC 401(k) Plan, provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions. The Plan was amended effective October 30, 2023 to change the name of the Plan.

General

The Plan is a defined contribution plan covering all employees of Oxerra Americas, LLC (formerly “Venator Americas LLC”) and participating employer Chemical Specialties LLC (collectively, the “Company” or “Employer”), except those covered by collective bargaining agreements, nonresident aliens who do not receive any earned income from the Employer that constitutes United States source income, leased employees, and those not regularly employed in the United States or included on the United States dollar payroll of the Company.

Employees are eligible to participate in the Plan on their date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Fidelity Management Trust Company (“Fidelity”) is the trustee for the Plan.

The Plan was amended on March 17, 2023 to add Venator Materials, LLC as an adopting employer and change the Plan to a multiple employer plan. Effective April 3, 2023, Venator Americas LLC was part of an acquisition by Cathay Industries. Upon the acquisition, Cathay Industries rebranded as Oxerra Group and the plan sponsor of the Plan transferred to Oxerra Americas, LLC.

Plan Transfer

Effective August 1, 2023, approximately \$19 million was transferred out of the Plan to a plan established by Venator Materials, LLC. Effective October 30, 2023, the Plan was amended to exclude Venator Materials, LLC as an adopting employer and the Plan reverted back to a single employer plan.

Plan Merger

Effective December 31, 2023, the Plan was merged into the Oxerra Americas, Inc. 401(k) Plan. Net assets of approximately \$15 million were transferred out of the Plan to the trustee of the Oxerra Americas, Inc. 401(k) Plan.

Contributions

Participants may elect to make pre-tax and/or Roth salary deferral contributions to the Plan of up to 100% of eligible compensation, subject to certain limitations provided under the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. The Plan allows for participants in a former employer’s qualified plan to contribute direct rollovers.

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

The Employer shall contribute a safe harbor matching Employer contribution of one dollar for each dollar of participant contributions made by the participant for the plan year, up to a maximum of 4% of eligible compensation for the plan year. The Employer shall also contribute a nondiscretionary contribution to eligible participants ranging from 6% to 12% of eligible compensation during the plan year based on certain criteria outlined in the Plan document.

The Plan is participant directed and participants may change their contribution rates as of the beginning of each payroll period and investment options at any time.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Employer contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are at all times fully vested in their participant and Employer contributions and the appreciation or depreciation thereon.

Payment of Benefits

Benefits are payable upon retirement, disability, death, or termination of service with the Employer. Normal retirement age under the Plan is 65. Hardship withdrawals, from a participant's deferral contributions account, and in-service withdrawals for participants who have attained age 59½, from all vested accounts, are permitted. Participants may receive their distributions in a lump-sum or an installment payment.

Notes Receivable from Participants

Plan participants may borrow Plan assets at a minimum of \$1,000 and up to a maximum of the lesser of \$50,000 or 50% of their vested account balance in the Plan. Three outstanding notes per participant are permitted. Notes are repaid in level installments through payroll deductions for periods ranging up to five years unless the note is for the purchase of the participant's principal residence, in which case the note repayment may not extend beyond ten years from the date of the note. The notes bear interest as determined by the plan administrator at the date of the note and are secured by the participant's vested account to the extent of the principal amount of the note plus accrued interest.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Contributions

Contributions from Plan participants and the Company contributions are recorded in the plan year in which the participant contributions are withheld from compensation.

Investment Valuation and Income Recognition

Investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan document.

Benefit Payments

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to notes receivable from participants, withdrawals, and certain investment transaction fees are charged directly to the participant's account and are included in administrative expenses. Other investment-related expenses are included in net appreciation in fair value of investments.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Federal Income Taxes

The Plan has adopted a volume submitter prototype plan, which obtained its latest opinion letter dated June 30, 2020 in which the Internal Revenue Service (IRS) stated that the prototype document satisfies the applicable provisions of the IRC. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, contributions to the Plan and earnings from its assets are not currently taxable to the Plan or its participants.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan to determine if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 3 - COLLECTIVE TRUST

The Plan invests in the Vanguard Retirement Savings Trust I, a common collective trust fund. At December 31, 2022, all of the Vanguard Retirement Savings Trust I's investments were in the Vanguard Retirement Savings Master Trust (the "Vanguard Trust"). The common collective trust fund's investment objective is to seek the preservation of capital and to provide a competitive level of income over time that is consistent with the preservation of capital.

The Vanguard Trust provides for the collective investment of assets of tax-exempt pension and profit sharing plans, primarily in a pool of investment contracts that are issued by insurance companies and commercial banks and in contracts that are backed by bond trusts that are selected by the trustee, Vanguard Fiduciary Trust Company.

The fund held by the Plan provides for daily redemptions by participants with no advance notice requirement. The Plan has no unfunded commitments and no contractual obligations to further invest in the fund. If the Plan initiates a full redemption of the fund, the issuer reserves the right to temporarily delay withdrawal from the trust to ensure that securities liquidation will be carried out in an orderly business manner.

NOTE 4 - FAIR VALUE MEASUREMENTS

Various inputs are used in determining the fair value of the Plan's investments. Valuation techniques used to measure fair value must maximize the use of observable inputs and minimize the use of unobservable inputs. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy, including the types of investments that fall under each category and the valuation methodologies used to measure fair value, are described below:

OXERRA AMERICAS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Participant-Directed Brokerage Account: Includes investments valued at fair value using a market approach based on quotations from national securities exchanges.

Level 2 - Inputs to the valuation methodology are other than quoted market prices in active markets that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices that are in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable inputs (i.e., projections, estimates, interpretations, etc.) that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Investments measured using the NAV practical expedient are described below:

Common Collective Trust Fund: Valued at NAV based on the contractual terms of the underlying unit value reported by the investment advisor based on the fair value of the underlying investments less liabilities. The NAV is used as a practical expedient to estimate fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The inputs and methodologies used for valuing securities are not an indication of the risk associated with investing in those securities. There have been no changes in the methodologies used.

The following tables set forth by level, within the fair value hierarchy, the investments in the Plan at fair value as of December 31, 2022 (There were no investments at December 31, 2023):

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

<u>Description</u>	<u>2022</u>			<u>Total</u>

Mutual Funds	\$30,511,192			\$30,511,192

Total investments in the fair value hierarchy	<u>\$31,450,855</u>			31,450,855
Investments measured at net asset value (a)				<u>974,331</u>
Total investments at fair value				<u>\$32,425,186</u>

(a) Certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the investment line item presented in the statements of net assets available for benefits.

NOTE 5 - INFORMATION CERTIFIED

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity, the trustee of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reflected in the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022 and the related investment activity and interest income on notes receivable from participants reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2023.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are in mutual funds and investments in a participant-directed brokerage account managed by entities related to Fidelity. Fidelity is the Plan's trustee, as defined by the Plan. In addition, certain fees are paid to the trustee. The Plan's management has approved these investment options and fees. Notes receivable from participants also qualify as party-in-interest transactions. These transactions are covered by an exemption from the prohibited transaction provisions.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan provides for various investments. In general, such investments are exposed to various risks, such as significant world events, interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 - OPERATIONAL ERRORS

Management has determined that there were operational errors during the plan year 2023. These errors resulted from not calculating a true up on employer contributions and incorrect participant and employer contributions remittances. Incorrect remittances include missed contributions and contributions remitted over the maximum participant and employer contributions amount allowed by the IRS. Management is in the process of analyzing the effect these errors will have on the Plan.

During 2023, there were unintentional delays in submitting participant contributions to the Plan in the amount of \$390,139. The Company plans to compensate participants through the Oxerra Americas, Inc. 401(k) Plan for any lost earnings resulting from delays in remitting the participant contributions and for submitting true up contributions.

NOTE 9 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 8, 2025, the date the financial statements were available to be issued.
