Report on the Financial Statements

Opinion

We have audited the financial statements of ITCON Services, LLC Health & Welfare Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA) which comprise the statements of net assets available for benefits and of Plan's benefit obligations as of December 31, 2025 (in liquidation) and 2024 (ongoing), and the related statement of changes in net assets available for benefits and of changes in Plan's benefit obligations for the year ended December 31, 2025 (in liquidation), and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and of the Plan's benefit obligations of ITCON Services, LLC Health & Welfare Plan as of December 31, 2025 (in liquidation) and 2024 (ongoing), and the changes in its net assets available for benefits and of changes in the Plan's benefit obligations for the year ended December 31, 2025 (in liquidation), in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of ITCON Services, LLC Health & Welfare Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As discussed in Note 1 and Note 2 to the financial statements, ITCON Services, LLC, the Plan's Sponsor, approved a plan of liquidation on December 1, 2025, and management determined liquidation is imminent. In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2024 financial statements to the liquidation basis used in presenting the 2025 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ITCON Services, LLC Health & Welfare Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

ITCON SERVICES, LLC HEALTH & WELFARE PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 (IN LIQUIDATION) AND 2024 (ONGOING)

NOTE 1 DESCRIPTION OF PLAN

The following description of ITCON Services, LLC Health & Welfare Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan and Trust were established on June 1, 2023 to provide health and other benefits to eligible employees of ITCON Services, LLC (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Plan Termination and Plan of Liquidation

Termination notice was given by Plan management to the Plan administrator and the Trustee to terminate the Plan effective May 31, 2024. Contributions and existing benefit coverage ceased as of the termination date. ITCON Services, LLC, the Plan's Sponsor, approved a plan of liquidation on December 1, 2025, and management determined liquidation is imminent. Participants had until May 31, 2025 to submit claims for services incurred through May 31, 2024. The Plan sponsor established a health reimbursement benefit of up to \$275 per participant. Additionally, after the payment of administrative expenses, the Plan purchased a fixed health indemnity insurance policy effective December 1, 2025 to exhaust trust assets. The fixed indemnity plan provides an employee assistance program, telephonic physician consultation, and limited hospital and outpatient benefits. The plan of liquidation is expected to be complete in November 2026.

The following Plan provisions were in effect prior to the decision to terminate.

Eligibility

Prior to termination, employees were eligible to participate in the Plan on the first day of the month following one month of continuous employment.

Participants received coverage for any month in which they remained eligible for the Plan and for which the Plan management made contributions to the Plan on their behalf. The participants' coverage will end at midnight on the last day of the month in which eligibility ceases. The Plan also provided continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Contributions

The Company made contributions for participating employees covered under the Plan. For employees covered under contracts issued by Federal, State, municipal or other contracting authorities which require the payment of specified fringe dollar amounts, the Company contributed to the Plan based upon an hourly funding formula. Employer contributions were recognized as income in the month the employees worked. Any deficiency of the Plan's net assets over benefit obligations is funded by the Company on a pay-as-you-go basis. In addition to deductibles and copayments, participants contributed specified amounts to extend coverage to their eligible dependents.

ITCON SERVICES, LLC HEALTH & WELFARE PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 (IN LIQUIDATION) AND 2024 (ONGOING)

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Benefits

The Plan provided medical, dental, life, accidental death and dismemberment benefits, accident, prescription drug and employee assistance program coverage for eligible participants and their beneficiaries. The Plan provided health, prescription, life, and accidental death and dismemberment benefits through various contracts with insurance companies. The Plan purchased annual insurance contracts for these insured benefits. Premiums for these insured benefits were paid to the insurance company directly from the assets of the Plan. The Plan provided medical and prescription drug coverage benefits on both a level-funded basis and through contracts with insurance companies, depending upon participant classification. The Plan carried a stop-loss insurance policy which covered aggregate claims in excess of the funding factor as specified in the contract. Dental benefits were provided on a self-insured basis.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

As discussed in Note 1, the Plan sponsor approved a plan of liquidation on December 1, 2025, and management determined liquidation is imminent. In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting from the ongoing basis used in presenting the 2024 financial statements to the liquidation basis used in presenting the 2025 financial statements. Under the liquidation basis of accounting, assets are stated at their estimated cash value expected to be collected in settling or disposing of assets during the liquidation process and liabilities are stated at their anticipated settlement amounts.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Contributions Receivable

Employer contributions due but not paid at year end are recorded as contributions receivable. There was no allowance for uncollectible accounts as of December 31, 2025 and 2024.

Payment of Benefits

Premiums paid by the Plan are recorded as premium payments in the accompanying statement of changes in net assets available for benefits. Benefits for medical reimbursement and claims runout are recorded when paid. Amounts due to claims processors that have yet to be reimbursed by the Plan are recorded as Benefit Claims Payable and Incurred, But Not Reported to claims administrators in the accompanying statements of plan's benefit obligations.

ITCON SERVICES, LLC HEALTH & WELFARE PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 (IN LIQUIDATION) AND 2024 (ONGOING)

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Insurance Premiums Payable

Insurance premiums payable are based upon the actual premiums due December 31, 2025 and 2024, but paid by the Plan after year end.

Benefit Claims Incurred But Not Reported

The obligation for benefit claims incurred but not reported is an estimate for self-funded and level-funded benefits incurred on or prior to May 31, 2024, prior to the termination of this Plan feature, and reported to and paid by the Plan after May 31, 2024. The estimates were calculated based on the funding factor as noted in the insurance contract, with a maximum exposure limit. The funding factor contains certain assumptions pertaining to claims lag and historical claims data.

Administrative Expenses

All administrative expenses may be paid out of the Plan unless paid by the Company. During the year ended December 31, 2025, the Plan paid for substantially all administrative expenses, which consisted of administration fees, trustee fees, and other miscellaneous expenses.

Income Taxes

The Trust established under the Plan to hold the Plan's assets has not applied for exemption from California or federal income taxes. The Plan is required to pay federal and state taxes on unrelated business income as defined by Internal Revenue Code Section 512(e)(3)(E). Unrelated business income consists of the investment income earned on the excess of the net assets available for benefits over the required reserve balance allowable under the Internal Revenue Code. The Plan had no investment income during the Plan year ended December 31, 2025.

Subsequent Events

The Plan has evaluated subsequent events through March 12, 2026, the date the financial statements were available to be issued.

NOTE 3 TAX STATUS

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examinations by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

ITCON SERVICES, LLC HEALTH & WELFARE PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 (IN LIQUIDATION) AND 2024 (ONGOING)

NOTE 4 PLAN TERMINATION

Due to the termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

NOTE 5 RE-INSURANCE LOSS COVERAGE

The Plan had entered into an excess loss insurance arrangement in an effort to limit its exposure for self-insured benefits. The Plan maintained an insurance policy with Fidelity Security Life Insurance Company through May 31, 2024. The policy provided reimbursement to the Plan for claim amounts paid in excess of the monthly funding factor for each participant. There was no limit on the maximum eligible claim expense per covered person under the policy. The insurance company was responsible for paying claims incurred in excess of the funding factor account balance. As of December 31, 2025 and 2024, the Plan has a stop loss receivable of \$0 and \$19,783, respectively, as presented in the accompany statements of net assets available for benefits.

The claims for self-insured benefits were processed by the Plan's third-party claims processors under administrative only (ASO) arrangements. The claims processors paid claims directly to or on behalf of participants from Plan assets and the Plan was subsequently reimbursed by the insurance company if the funding factor is exceeded. During the year ended December 31, 2025, there was an immaterial amount of stop loss recoveries netted against medical and other benefit claims paid in the accompanying statement of changes in net assets available for benefits.

NOTE 6 RISKS AND UNCERTAINTIES

The estimate for claims incurred but not reported is based on certain assumptions pertaining to claims lag and historical claims data. The liability recorded is the Plan's maximum exposure to the claims incurred but not reported. Should the Plan's claims be lower than the amount deposited into the funding factor account, the Plan may be entitled to the residual balance in the funding factor account. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.
