INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Rochester Dairy Industry
Individual Pension Account Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Rochester Dairy Industry Individual Pension Account Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of March 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Rochester Dairy Industry Individual Pension Account Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended March 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ABC Company Employee Benefit Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Rochester Dairy Industry Individual Pension Account Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Rochester Dairy Industry Individual Pension Account Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Rochester Dairy Industry Individual Pension Account Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets held for investment, reportable transactions, and delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Rochester Dairy Industry
Individual Pension Account Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Rochester Dairy Industry Individual Pension Account Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of March 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Rochester Dairy Industry Individual Pension Account Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended March 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ABC Company Employee Benefit Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Rochester Dairy Industry Individual Pension Account Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Rochester Dairy Industry Individual Pension Account Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Rochester Dairy Industry Individual Pension Account Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets held for investment, reportable transactions, and delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 - Description of the Plan

The following description of the Rochester Dairy Industry Individual Pension Account Plan, hereafter called the "Plan", provides only general information. Participants should refer to the Trust Agreement for a more detailed explanation of the Plan's provisions.

General

The Plan was established April 1, 1982 as a defined contribution pension plan for the Teamsters Union Local No. 791, Rochester, New York, affiliated with the International Brotherhood of Teamsters, Chauffeurs, Warehousemen and Helpers of America. The Plan is intended to qualify as a profit-sharing plan, as defined in code section 401(a)(27). The Plan also includes a cash or deferred arrangement under code section 401(k). Effective December 1, 1997, the Plan was amended to establish and administer a loan program to allow participants to borrow money from the Plan. The purpose of the Plan is to provide retirement benefits for eligible employees of participating employers. An employee shall become a participant as of the date on which he is an eligible employee and has completed one year of service.

Contributions

Each employee may elect to contribute to his or her account under a written deferral agreement between one percent (1%) and eighty five percent (85%), but not more than the annual dollar amount allowed under code section 402(g). The employee also selects the funds in which his contributions will be invested. Under no circumstances will the total of a Participant's Elective Deferral Contributions and Catch-up Contributions exceed one hundred percent (100%) of his compensation reduced by other required or elected withholdings.

Upstate Niagara Cooperative, Inc. contributes for each participant, \$1.35 per compensated hour up to a maximum of forty hours per week.

Logan Linen's contributes \$91.03 per week for each employee that has worked three or more days in the payroll week. Vacation and holidays are considered as days worked. As of January 1, 2023 the amount increased to \$98.20 per week.

Upstate Farms Cultured Products, LLC contributes for each participant, \$1.74 per compensated hour up to a maximum of forty hours per week.

Vesting

Each participant shall have a fully vested, non-forfeitable interest in his Elective Deferral Account, Catch-up Contribution Account, Employer Contribution Account and Rollover Contribution Account.

**ROCHESTER DAIRY INDUSTRY
INDIVIDUAL PENSION ACCOUNT PLAN
NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2023 AND 2022**

Participants' Accounts

Each participant in the Plan shall have, if applicable, an elective deferral account, a catch-up contribution account, an employer contribution account and a rollover contribution account. As of each valuation date, each account shall be charged or credited, as appropriate, with the earnings, expenses, gains and losses of each investment fund in the proportion that the amount in the account invested in the investment fund as of that valuation date. Any other expenses of the fund not paid directly by an employer shall be paid from the fund and charged to each account in the proportion that the amount in the account bears to the total amount in all participants' accounts, except to the extent otherwise provided by the Plan or directed by the Board of Trustees pursuant to a nondiscriminatory expense policy. Notwithstanding the foregoing, in the event that the Plan receives extraordinary payments (as determined by the Board of Trustees in its discretion, but including payments received as a result of litigation that are not readily identifiable as allocable to particular participants' accounts), the Board of Trustees may determine the method of allocating such extraordinary payment or utilizing some or all of such payment for the benefit of the Plan in some other permissible manner.

Notwithstanding the foregoing, if a portion of an account is invested in a designated investment company or other type of investment fund which is valued more frequently and/or valued pursuant to a different procedure, each account may be valued and charged or credited as appropriate with earnings, expenses, gains and losses in accordance with the procedures of the designated investment company or other investment fund, but not less frequently than the last trading date of the New York Stock Exchange in each calendar quarter.

Elective deferral contributions and catch-up contributions shall be allocated to the appropriate accounts of eligible participants as soon as practicable after being contributed to the Plan. Employer contributions shall be allocated to the appropriate accounts as of a date no later than the end of the Plan Year. Notwithstanding the foregoing, no contributions will be taken into account for the purposes of allocations of fund income and losses until actually contributed and invested.

Distributions

A participant's vested interest in the Plan shall be distributed one of two ways. Either:

- 1) distributed no later than his required beginning date. A participant's required beginning date means April 1, of the calendar year following the calendar year in which the participant attains age 70½. However, in the case of a participant who had attained age 70½ by January 1, 2020, and who has not been a five-percent owner at any time since the beginning of the Plan year ending with or within the calendar year in which the participant attained age 72, the term "required beginning date" means the April 1, of the calendar year following the calendar year in which the participant retires. Or:

**ROCHESTER DAIRY INDUSTRY
INDIVIDUAL PENSION ACCOUNT PLAN
NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2023 AND 2022**

2) distributed no later than the required beginning date over the participant's life or over the lives of the participant and a designated beneficiary (or over a period not extending beyond the life expectancy of the participant or the life expectancy of the participant and a designated beneficiary). Any distribution paid will be in a single cash sum if under \$5,000. If over \$5,000 it will be paid in the form of a Qualified Joint and Survivor Annuity unless the participant elects to receive the distribution in a single cash sum or by periodic installments over a specified period not to exceed ten years.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for discussion of fair value measurements.

Net Appreciation (Depreciation) in Investments

The Plan presents in the statements of changes in net assets available for benefits, the appreciation (depreciation) in the fair value of its investments which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Participant Loans Receivable

Participants may receive a hardship loan if approved by the Board of Trustees. Participants may borrow from their fund accounts a maximum no greater than an amount equal to the lesser of \$10,000 or the Participant's vested interest in his Elective Deferral Account and Catch-up Contribution Account. When added to the outstanding balance of all other loans from this Plan and all other plans of the Employer and all Affiliates, loans may be no greater than an amount equal to the lesser of (1) \$50,000 minus the excess, if any, of: (A) the highest balance of loans from this Plan and all other plans of the Employer and all Affiliates to the Participant outstanding during the one-year period ending on the day before the loan is made, over (B) the outstanding balance of all loans from this Plan and all other plans of the Employer and all Affiliates on the day on which the loan is made, or (2) one-half of the total present value measured as the most recent Valuation Date of the Participant's vested interest in all of his accounts under this Plan. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 7.50%, which are commensurate with local prevailing rates as determined quarterly by the Plan administrator.

**ROCHESTER DAIRY INDUSTRY
INDIVIDUAL PENSION ACCOUNT PLAN
NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2023 AND 2022**

Generally, principal and interest is paid ratably through monthly payroll deductions.

Note 3 - Plan Termination

The Plan is intended to be a permanent program to provide retirement benefits for Participants. The employers and the union nevertheless reserve the right to terminate the Plan at any time and for any reason with respect to one or more of the employers. Such termination may be effected by a collective bargaining agreement. The discontinuance of contributions to the Plan by an Employer, pursuant to a collective bargaining agreement, shall be deemed a partial termination of the Plan with respect to such employer. If the Plan is terminated by any means or there is a partial termination, the accounts of all participants as of the date of termination or partial termination shall remain fully vested and non-forfeitable. At that time, the Board shall select and follow one of the following alternatives:

- (a) Keep the trust in existence, making distributions to participants and beneficiaries as they become entitled thereto, then liquidate the trust at such time as all benefits have been paid out; or
- (b) Distribute, or start to distribute, amounts in the accounts of all participants and beneficiaries (or affected participants and beneficiaries), then liquidate the trust at such time as all benefits have been paid out; or
- (c) Transfer all assets and liabilities of the trust to another continuing employee benefit trust described in Section 401(a) of the Code and exempt from tax under Section 501(a) of the Code.

Under alternatives (b) and (c) above, the Plan shall be valued as of a date just prior to the payment of benefits or the transfer of assets, respectively, and the net value of the fund shall be allocated among the accounts of participants and beneficiaries as if the Plan year had ended on such date.

Note 4 - Tax Status

The Internal Revenue Service (IRS) has determined and informed the Plan by a letter dated September 24, 2015, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt. Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**ROCHESTER DAIRY INDUSTRY
INDIVIDUAL PENSION ACCOUNT PLAN
NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2023 AND 2022**

Note 5 - Information Prepared and Certified by the Plan Trustee

The following information included in the accompanying financial statements and supplementary schedules was obtained from data that has been prepared and certified to as complete and accurate by Empower.

The March 31, 2023 and 2022 Statements of Net Assets Available for Benefits, the investment activities included on the Statement of Changes in Net Assets Available for Benefits for the years then ended, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by Empower in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes total investments of \$18,405,008 and \$20,799,090 at March 31, 2023 and 2022, respectively, and the related investment income/(loss) of (\$918,774) and \$671,993 for the fiscal years ended March 31, 2023 and 2022, respectively.

Note 6 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks.

Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the statement of net assets available for benefits.

Note 7 - Concentrations

The Plan receives employer and employee contributions. A majority of these employers are Companies in the Greater Rochester area and their ability to fulfill their commitment is dependent upon that area's business economic sector.

Note 8 - Investments - Fair Value Measurements

The Board of Trustees may appoint one or more banks or trust companies to serve as Corporate Trustee and/or one or more investment managers to manage the investment of all or part of the Plan funds. Any investment manager shall acknowledge in writing that he is a fiduciary with respect to the Plan and shall be and continue to be (a) registered in good standing as an investment adviser under the Investment Advisers Act of 1940, (b) a bank, as defined in the Act, or (c) an insurance company qualified to perform investment management services under the laws of more than one state of the United States.

ASC 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted

**ROCHESTER DAIRY INDUSTRY
INDIVIDUAL PENSION ACCOUNT PLAN
NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2023 AND 2022**

prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of fair value hierarchy under the ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of March 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Note 9 - Plan Amendments

On December 2, 2022 the Thirty-Second Plan Amendment was signed that each Employer shall contribute to the Fund, for the purposes of crediting the Elective Deferral Account of each of its Employees who is a Participant, such amount measured in whole percentages as the Participant may elect to defer and have contributed to the Fund for the Plan Year. Such contributions shall not exceed the lesser of the annual dollar amount determined by the Secretary of Treasurer under Section 402(g) of the Code and regulations thereunder or one-hundred percent (100%) of the Participant's Compensation. Provided, however, no circumstances will the total of a Participant's Elective Deferral Contributions and Catch-up Contributions exceed one hundred percent (100%) of his Compensation reduced by any other required or elective withholdings. Section 7.4(a)(ii) is amended to read as follows: (ii) his estate. Section 7.6(a)(ii) is amended for periodic installments or partial payments, with any balance remaining after the Participant's death paid as soon as practicable after his death in a single cash sum to his designated beneficiary. A new Section 7.8(c)(i)(7) is added to read as follows. Expenses for the repair of damage to the Participant's principal residence that would qualify for the casualty deduction under Section 165 of the Code (determined without regard to whether the loss exceeds ten (10%) percent of adjusted gross income and without regard to Section 165(h)(5) of the Code and its requirement that a casualty loss be attributed to a federally declared disaster).

On June 8, 2023 the Thirty-Third Plan Amendment was signed to adopt an Eligible Automatic Contribution Arrangement effective April 1, 2023. If an Automatic Election with respect to Elective Deferral Contributions (whether such affirmative election consists of an election to make Elective Deferral Contributions or an election not to make Elective Deferral Contributions), such individual shall be deemed to have made an election to defer and have contributed to the Board of Trustees in an amount equal to four (4%) of his or her Compensation ("Automatic Election"), provided that the amount of such Participant's Automatic Election shall automatically increase with respect to each component by one (1%) percent as soon as administratively practicable after each subsequent April 1 (commencing April 1, 2023), unless the Participant subsequently opts out of this automatic increase. The automatic increase will continue each year up to a maximum Automatic Election of ten (10%) percent of his or her Compensation. A Participant may discontinue
