INDEPENDENT AUDITOR'S REPORT

To the Plan Administrators
403(b) Thrift plan of Community Action Development Corporation
Frederick, Oklahoma

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

I have performed an audit of the accompanying financial statements of 403(b) Thrift plan of Community Action Development Corporation, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of June 30, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the June 30, 2025 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from the qualified institutions as of and for the year ended June 30, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In my opinion, based on my audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of 403(b) Thrift Plan of Community Action Development Corporation and to meet my other ethical responsibilities in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Community Action Development Corporation's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the June 30, 2025 Financial Statements section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 403(b) Thrift Plan of Community Action Development Corporation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Community Action Development Corporation's ability to continue as a going concern for a reasonable period of time.

My audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Part IV Line 4i – Schedule of Assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

In forming my opinion on the supplemental schedule, I evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the Prior Year Financial Statements

The financial statements of 403(b) Thrift Plan of Community Action Development Corporation as of June 30, 2024, were audited by me. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. My report dated April 14, 2025 indicated that in my opinion (a) the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). My report also indicated that the form and content of the supplemental schedule, other than the information in the supplemental schedule that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

403(b) THRIFT PLAN OF COMMUNITY ACTION DEVELOPMENT CORPORATION
Frederick, Oklahoma

NOTES TO FINANCIAL STATEMENTS

For the Years Ended June 30, 2025 and 2024

NOTE 1: DESCRIPTION OF THE PLAN

Community Action Development Corporation (CADC) is the plan sponsor (employer) for the 403(b) Thrift Plan of Community Action Development Corporation. CADC is a not-for-profit corporation organized under Section 501(c)(3) of the Internal Revenue Code. The following description of the 403(b) Thrift Plan of Community Action Development Corporation (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General – On December 1, 2008, Community Action Development Corporation adopted a pension plan in the form of a tax sheltered annuity in accordance with Section 403(b) of the Internal Revenue Code. All employees are eligible to contribute to the plan. Employees are eligible for company matching contributions after completion of one year's service.

Plan Contributions – Participants may contribute up to an annual maximum of \$23,500 for 2024-2025 and \$23,000 for 2023-2024. Participants who have attained age 50 before the end of the Plan year are eligible to make additional catch-up-contributions. Employees with fifteen years or more of service may make an additional elective deferral up to \$3,000 per year (\$15,000 lifetime maximum). Participants may also contribute amounts representing distributions from other qualified plans (rollover). CADC matches employee contributions (elective deferrals) up to 5% of compensation. Employees at least twenty-one (21) years of age are eligible to begin salary deferrals the month subsequent to their enrollment in the plan and are eligible for employer match after completing one year of service equivalent to 1,000 hours.

Vesting – Participants vest immediately in both their voluntary contributions and employer matching contributions.

Funding – The Plan offers a variety of investment and funding options including investment and annuity contracts. Participant and employer matching contributions are deposited to the plan by the employer. There were no changes in these procedures for the years ending June 30, 2025 and 2024.

Payment of Benefits – Prior to a Participant's separation from service, the participant's account balance shall be available for distribution in the event of hardship, attaining age 59 ½, or attaining normal retirement age. Upon termination of employment, death or disability, participants may elect to receive their account balances in the form of a lump sum, installment payments, or annuity payments.

Distributions – Upon retirement, disability, death, or other separation, a participant or beneficiary receives the entire amount credited to the participant's account in either a lump sum or, at the participant's election, in annual installments.

Plan Loans – Participant's may borrow in the form of a plan loan a minimum of \$1,000 up to a maximum equal to the lesser of 40% of the participant's vested account balance or \$50,000. Loan terms range from one to five years or up to 15 years for a loan on a principal residence. Loans issued are subject to restrictions: the amount of the loan as previously described; limitations on the loan subject to IRC provisions; only two active loans are allowed at one time, and spousal consent is required for married participants. Principal and interest payments are remitted by participants directly to Mutual of America and New York Life based upon the amortized scheduled repayment. Participant account balances are collateral for loans; balances must be maintained within the interest accumulation or fixed interest accounts as an amount equal to 120% of the outstanding loan balance.

Loans to participants are issued directly by Mutual of America and New York Life from each company's general account and not through the Plan or from participant's account balance. Loan balances of \$102,484 and \$114,654 were outstanding as of June 30, 2025 and 2024.

Principal repayments are applied to reduce the amount secured by assets held in the interest accumulation/fixed interest accounts, and a portion of the interest paid by the participant is retained by the trustees as compensation.

Interest is charged at adjustable rates on outstanding loan balances. Initial rates are based on Moody's Corporate Bond Index Average as determined two months prior to the effective date of a declared loan, and are adjusted accordingly on the anniversary date of the loan each year.

In the event of default, loan balances are considered a taxable deemed distribution. Participants may continue to make payments up to the full defaulted amount which are applied to the default balance, including any accrued interest. These payments, however, do not reverse the tax consequences previously occurred as a result of the default.

Forfeitures – Participants are vested 100% immediately in employer matching contributions, and as such, no amounts are forfeited upon separation of a participant.

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The accompanying financial statements were prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates – Management uses estimates and assumptions in preparing financial statements. The preparation of financial statements in accordance with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits – Benefits are recorded when paid. As of June 30, 2025 and 2024 there were no benefits processed and approved for payment but not paid.

Investment Valuation and Income Recognition – The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. The Plan's Administrator determines the Plan's valuation policies utilizing information provided by the custodian. See Note 4 for fair value measurements. Interest and dividend income are recorded when earned. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Fixed Interest and Interest Accumulation Accounts – New York Life's fixed interest and Mutual of America's Interest accumulation accounts are group annuity contracts held within each trustee's respective general account. The accounts are credited with a contractual rate of return and are carried at contract value, which is deemed to be fair value, and is comparable to a cash equivalent; therefore not subject to fair value reporting. See Note 4 for further information on fair value measurements.

Contributions – Contributions from participants and employer are recorded in the period in which CADC makes the payroll deductions from the employee's earnings. A receivable represents the amounts withheld and accrued as due but not received by the trustee.

Expenses – The Plan's administrative expenses are deducted from participant accounts in accordance with plan documents.

Subsequent Events – Subsequent events have been evaluated through March 23, 2026, which is the date the financial statements were available to be issued. Management has concluded that no additional material subsequent events have occurred through this date that requires recognition or disclosure in the financial statements.

NOTE 3: INVESTMENTS (UNAUDITED)

The Plan's investments are held and administered by Mutual of America and New York Life. All investments are participant directed. All investment information presented in the accompanying financial statements and supplemental schedule, including, investments held, net appreciation/depreciation in fair value of investments, interest and dividends, was obtained or derived from information supplied to the plan administrator, and certified as complete and accurate by the Plan's trustees Mutual of America and New York Life.

The fair value of investments held by the Plan appreciated (depreciated) in value for the years ended June 30, 2025 and 2024 as follows:

	2025	2024
Mutual of America	\$ 342,781	\$ 419,702
New Yourk Life	2,991	18,572
Total	<u>\$ 345,772</u>	<u>\$ 438,274</u>

NOTE 4: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2025 or 2024.

Shares in Registered Investment Companies (Mutual Funds):

Shares in registered investment companies included in the Plan investments represent investment in underlying mutual funds traded in established markets. As such, the funds begin with a price determined by the issuer, and the number of units issued is calculated to match the current fair market value of the underlying mutual fund holdings. All funds are valued daily using publicly available quoted market prices, and participants bear the investment risk. Mutual funds are thus measured using quoted prices in active markets for identical assets, or “level 1” inputs.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan’s fair value measurements at June 30, 2025 and 2024:

Separate Accounts: Mutual Funds	Fair Value Measurement at June 30, 2025			
	Level 1	Level 2	Level 3	Total
	\$ 3,270,677	\$ -	\$ -	\$ 3,270,677
Total Investments, at fair value	\$ 3,270,677	\$ -	\$ -	\$ 3,270,677

Separate Accounts: Mutual Funds	Fair Value Measurement at June 30, 2024			
	Level 1	Level 2	Level 3	Total
	\$ 2,910,921	\$ -	\$ -	\$ 2,910,921
Total Investments, at fair value	\$ 2,910,921	\$ -	\$ -	\$ 2,910,921

NOTE 5: INFORMATION CERTIFIED BY PLAN TRUSTEES

The Plan administrator has elected the method of annual reporting compliance by 29 CFR §2520.103-8 of the Department of Labor’s *Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974*. The Plan’s Trustees, Mutual of America and New York Life, have certified the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- a) Investments and assets held in insurance company’s general account as shown in the statements of net assets available for benefits.
- b) Net appreciation in fair value of investments and interest from the interest accumulation & fixed interest accounts as shown in the statements of changes in net assets available for benefits and in Note 3.
- c) Plan loan information as described in Note 1.
- d) Investment information as disclosed in Note 3 and on Schedule H, Part IV, line 4(i) – Schedule of Assets (Held at End of Year).

NOTE 6: CONTRIBUTIONS RECEIVABLE

The accompanying financial statements are presented on the accrual basis of accounting. CADC withholds employee contributions from the employees’ paychecks and transfers the funds via electronic funds transfer, along with the employer match, to Mutual of America on the dates of payroll, the 15th and 30th of each month. Contributions withheld for June 30, 2025 and 2024 were received by Mutual of America in early July.

	2025	2024
Employee Contributions Withheld	\$ 4,651	\$ 4,895
Employer Match Contributions	4,103	4,140
Total contributions Receivable	<u>\$ 8,754</u>	<u>\$ 9,035</u>

NOTE 7: TAX STATUS OF THE PLAN

The Internal Revenue Service (IRS) provided 403(b) plans relief from obtaining a determination letter until the revenue procedures are finalized and the IRS announces the date that it will start accepting applications. A written 403(b) plan adopted prior to December 31, 2009, that is intended to satisfy the requirements of Section 403(b) and the regulations, will have a remedial amendment period in which to amend the plan to correct for any defects retroactive to January 1, 2010.

The Plan has not requested or received a tax ruling or determination letter from the Internal Revenue Service. The IRS has extended the deadline for submission of 403(b) documents for the prototype preapproval process. Mutual of America's specimen 403(b) Plan Document has been submitted to the IRS for approval as a prototype plan and is expected to receive the appropriate IRS Opinion Letter once they are available. The Plan administrator is not aware of any defects that have occurred that might adversely affect the plan from obtaining a qualified status.

The Plan is required to operate in conformity with the Internal Revenue Code to maintain the exclusion from tax for Plan participants. Plan management believes the Plan is currently designed and operated in compliance with the applicable requirements of the Code. Therefore, no provision for income tax has been included in the Plan's financial statements. The Plan and the Plan's Form 5500 "Annual Return/Report of Employee Benefit Plan" are subject to examination by the Internal Revenue Service, generally for three years after they are filed. There are currently no audits or examinations in progress.

NOTE 8: PARTY-IN-INTEREST & RELATED PARTY TRANSACTIONS

Mutual of America and New York Life serve as trustees of the Plan's investment assets and execute transactions therein. Participants direct how their contributions are invested with the Plan. During the year ended June 30, 2024 a portion of the investment transactions were with mutual funds and fixed income (allocated insurance) contracts managed by the trustees. Fees paid during the year for administrative services rendered by parties-in-interest were based on customary and reasonable rates for such services. Certain legal, accounting, and administrative expenses relating to the maintenance of the Plan are paid by the Employer.

NOTE 9: PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 10: RISK AND UNCERTAINTIES

The Plan invests in certain investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk and certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
