INDEPENDENT AUDITOR'S REPORT

To the Trustees
Sunbeam Family Services 403(b) Thrift Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements

We have performed an audit of the accompanying financial statements of Sunbeam Family Services 403(b) Thrift Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of June 30, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2025 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of

HSPG & ASSOCIATES, PC

the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2025 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2025 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of June 30, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

403(b) THRIFT PLAN

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2025

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Sunbeam Family Services 403(b) Thrift Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

General – The Plan was established in 1990 to provide employees of Sunbeam Family Services Inc. (the “Plan Sponsor”) with a systematic means of savings and investing for the future. The Plan is a prototype defined contribution retirement plan of Standard Insurance Company (“The Standard”). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). There were no plan amendments for the year ended June 30, 2025.

Eligibility – All employees of Sunbeam Family Services, Inc. with the exception of non-resident aliens described in Code Section 3121(b)(10) are eligible to enroll to begin elective deferrals as of the first day of the first month following their date of hire. Employees must obtain one year of service and be at least 18 years of age to be eligible to receive employer contributions.

Employees who are students performing services described in Code Section 3121(b)(10) are eligible to enroll to begin elective deferrals only as of the first day of the first month following their date of hire.

Contributions and Forfeitures – Eligible employees may contribute up to the 100% percent of their annual compensation, as defined in the Plan, subject to limitations imposed by the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans in the form of rollovers.

The Plan Sponsor contributes a matching contribution based on all employees’ deferrals as established by the Plan Sponsor’s management, and may make a nonelective contribution allocated uniformly based on eligible compensation. Contributions are subject to certain limitations. For the years ended June 30, 2025 and 2024, the Plan Sponsor contributed to the Plan a matching amount equal to 100% of the employee’s contribution to the Plan up to 7% of the participant’s eligible compensation.

During 2025, employer contributions were reduced by approximately \$18,000 from forfeited non-vested accounts. Amounts totaling approximately \$17,850 net of gains and losses, were forfeited during the year and made available to reduce future employer contributions or pay Plan expenses. The Plan had \$0 and \$106 in forfeitures available for use at June 30, 2025 and 2024, respectively.

Participant Accounts - As provided in Code Section 403(b), an individual account balance is maintained for each participant. Each participant’s account is credited with the participant’s contributions, allocations of employer contributions and investment gains and losses.

Vesting - Participants are immediately 100% vested in their elective deferral contributions, rollovers, and actual earnings thereon. Participants become vested in the employer contributions, and the earnings thereon, at retirement age, as defined in the Plan, or in the event of death or disability. Employer contributions vest based on years of service. Vesting in the employer matching or non-elective

contributions portion of their accounts, plus actual earnings thereon, occurs when the employee completes three years of continuous service, at which point the employee becomes 100% vested.

Distributions – In the event of a participant reaching normal retirement age (65), terminating, or becoming disabled, participants are paid a single sum equal to their vested account balance if the account balance is less than \$5,000. If a participant dies before distributions begin, the participant's spouse or other designated beneficiary will be entitled to distributions of the vested account balance. Upon attaining the age of 70 ½ participants must generally begin receiving minimum account distributions. Married individuals may be required to obtain a spouse's consent for certain forms of benefits.

Investment Options – Upon enrollment in the Plan, a participant may direct contributions among investment choices in increments of one percent. Participants may change their investment options on any normal business day.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are presented on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP).

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value, with the exception of the investment contract with insurance company, which is stated at contract value. Shares of mutual funds are valued at the fair market value of shares held by the Plan at year end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Use of Estimates – The preparation of financial statements in conformity with GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of Plan assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits – Benefits are recorded when paid.

Administrative Expenses – Administrative expenses of the Plan including investment management fees and professional fees are paid by the Plan. Certain administrative expenses are absorbed by the Plan Sponsor at no cost to the Plan.

Plan Termination – Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA.

Subsequent Events – Management has evaluated subsequent events through **April 2, 2026**, which is the date the financial statements were available to be issued.

NOTE 3– FAIR VALUE MEASUREMENTS

The Plan measures fair value in accordance with accounting standards that establish a fair value hierarchy based on the observability of inputs used to measure fair value. These inputs are summarized in the three broad levels listed below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value of measurement.

In many cases, a valuation technique used to measure fair value includes inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

Mutual funds are generally valued using market quotations or prices obtained from independent pricing services. Each fund determines its share price or net asset value each day. (Level 1)

The following table presents the Plan's investments measured at fair value on a recurring basis at June 30, 2025:

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 6,484,115	\$ -	\$ -	\$ 6,484,115
Total investments at fair value	<u>\$ 6,484,115</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 6,484,115</u>

The following table presents the Plan's investments measured at fair value on a recurring basis at June 30, 2024:

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 5,206,444	\$ -	\$ -	\$ 5,206,444
Total investments at fair value	<u>\$ 5,206,444</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,206,444</u>

NOTE 4 –TAX STATUS

The plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provisions for income taxes have been included in the Plan's financial statements. The Plan is subject to routine audits by taxing jurisdictions. The plan administrator believes the Plan is no longer subject to income tax examinations for the years prior to 2022.

NOTE 5 – INFORMATION CERTIFIED BY TRUSTEE (UNAUDITED)

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Standard Insurance Company, the trustee of the Plan, and Reliance Trust Company, the custodian, have certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate:

- Investments at fair value and investment contract with insurance company at contract value, as shown in the statements of net assets available for benefits as of June 30, 2025, and 2024.
- Net change in fair value of investments, and interest and dividend income, as shown in the statement of changes in net assets available for benefits for the year ended June 30, 2025.

- Schedule H, Line 4i – Schedule of Assets (held at end of year) as of June 30, 2025.

NOTE 6 – INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan participates in a benefit-responsive group annuity contract with Standard Insurance Company (“the Standard”). The Standard maintains the contributions in a separate account, which is credited with a rate of interest contractually guaranteed by the Standard. The methodology for calculating the interest crediting rate is defined in the contract under the term “Composite Crediting Rate.” Under the terms of the contract, the crediting rate is currently re-set on a quarterly basis. The fund’s declared crediting rate will never be below 1% annually. The contract is recorded in the financial statements at contract value as reported to the Plan by the Standard. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The contract has certain restrictions that impact the ability to collect the full contract value, such events including termination of the contract, a spin-off of the plan, divestitures, layoffs, corporate relocation, partial or total plan termination, retirement incentive programs, and the liberalization of plan withdrawal or transfer rules. The Plan sponsor may elect to pay the market value adjustment directly, to mitigate changes in participants’ contract values. The Standard may terminate the contract with 30 days advance notice.

The Standard is contractually obligated to pay the principal and specified interest rate that is guaranteed to the Plan. The interest rates credited to participants by the Standard at June 30, 2025 and 2024 was 3.14% and 2.94%, respectively.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 – PARTIES-IN-INTEREST TRANSACTIONS

Certain of the investment securities are managed by the Standard Insurance Company and therefore qualify as party-in-interest transactions.
