INDEPENDENT AUDITORS' REPORT

To the Trustees of the
DSI 401(k) Plan
Dothan, Alabama

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of DSI 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits (modified cash basis) for the years ended December 31, 2024 and 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of DSI 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 10 to the financial statements, is complete and accurate.

MEMBERS:

AMERICAN INSTITUTE OF CERTIFIED PUBLIC ACCOUNTANTS
ALABAMA SOCIETY OF CERTIFIED PUBLIC ACCOUNTANTS

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 1.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of DSI 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis for Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedules are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 1; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about DSI 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of DSI 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about DSI 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting described in Note 1.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 1.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedules of Assets (Held at End of Year) (modified cash basis) for the year ended December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules (modified cash basis), other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules (modified cash basis) that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules (modified cash basis), we evaluated whether the supplemental schedules (modified cash basis), other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules (modified cash basis), other than the information in the supplemental schedules (modified cash basis) that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules (modified cash basis) related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DSI 401(k) PLAN
DOTHAN, ALABAMA
NOTES TO FINANCIAL STATEMENTS (MODIFIED CASH BASIS)
DECEMBER 31, 2024 AND 2023

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of DSI ("Company") 401(k) Plan ("Plan") are prepared on the modified cash basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Expenses: Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. The Plan does permit the payment of Plan expenses to be made from the Plan's assets. If expenses are paid using the Plan's assets, then the expenses will generally be allocated among the accounts of all Plan participants.

Estimates: The preparation of financial statements requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividends are recorded as received. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

DOTHAN, ALABAMA
NOTES TO FINANCIAL STATEMENTS (MODIFIED CASH BASIS)
DECEMBER 31, 2024 AND 2023

NOTE 2. DESCRIPTION OF THE PLAN

The DSI 401(k) Plan is a defined contribution plan which was established September 1, 2007 under the provisions of the Internal Revenue Service Code Section 401(k). The Plan's most recent amendment became effective July 1, 2023. The Plan provides employees that are eligible to participate in an opportunity to accumulate funds for retirement, death and disability benefits. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan has received a favorable determination letter from the Internal Revenue Service.

Eligibility to Participate: An employee, age 21 or older, will become eligible to participate after completing six months of service (with 500 hours). Once eligibility requirements are met, an employee may enter the Plan on the first day of any Plan quarter.

Contributions: Individual participants may elect to contribute the annual dollar limit as set by law from their total Plan compensation for the Plan year. Participants can contribute to the Plan with pre-tax deferrals or after-tax Roth deferrals. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. To the extent net profits are available, the Company may make contributions to the Plan in amounts that match 25% of the first 3% of a participant's elective contributions.

Vesting of Accrued Benefits: A participant's rights to employer basic contributions on the participant's behalf are 100% vested upon contribution. A participant's rights to employer matching contributions become 20% vested after two years of service, with an additional 20% vesting for each of the next four years. If a participant terminates employment before becoming 100% vested, the participant will forfeit the nonvested portion of his or her accrued benefit, which shall be used to reduce future contributions or Plan expenses. If a participant terminates employment due to death or disability, his interest in his accrued benefits becomes 100% vested without regard to the normal vesting schedule.

DSI 401(k) PLAN
DOTHAN, ALABAMA
NOTES TO FINANCIAL STATEMENTS (MODIFIED CASH BASIS)
DECEMBER 31, 2024 AND 2023

NOTE 2. DESCRIPTION OF THE PLAN (continued)

Payment of Benefits: The amount of benefits payable under the Plan will be the vested amount in the participant's account as of the date of a participant's retirement, death, disability or termination of employment other than death, disability or retirement. Benefits payable to participants upon termination of employment prior to normal retirement age will be the vested amount in the participant's account. The participant's accrued benefit will be distributed to him, or in case of death, to his beneficiary, either in lump sum, partial withdrawals or in periodic installments over a fixed reasonable period of time not more than the participant's, or beneficiary's, assumed life expectancy.

Plan Termination: Upon the date of either full or partial termination of the Plan, or if applicable, upon the date of complete discontinuance of contributions to the Plan, an affected participant's right to this accrued benefit shall become one hundred percent (100%) vested. While it has not expressed any intention to do so, the company has the right under the Plan to terminate the Plan subject to the provisions set forth in ERISA.

Participant Loans: Participants may borrow a minimum of \$1,000 from the Plan. The maximum loan amount within any 12 month period (computed from the date the loan is made) is the lesser of (i) \$50,000 (reduced by any outstanding loans) or (ii) 50% of the participant's vested interest in all of his/her accounts. Loans may be requested only once during a Plan Year. Loan repayments can only be made by salary deduction. The maximum term for loan repayment is 60 months. The loans are secured by the balance in the participant's account and bear interest at prime rate plus 1.00%.

Trustee: The Trustees of the Plan are Alan B. Clark, Eddie Sorrells and James Snellgrove under a trust agreement with the Plan. All assets are held by the Trustees and transactions are administered by the Trustees.

Participant Accounts: Each participant's account is credited with the participant's contributions, allocations of the Company's matching contribution, Plan earnings (losses), and charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS (MODIFIED CASH BASIS)

NOTE 3. TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated June 1, 2021, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe the Plan is qualified and the related trust is tax-exempt.

The Plan administrator is required to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 4. RISKS AND UNCERTAINTIES

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 5. FAIR VALUE MEASUREMENTS

ASC 820, Fair Value Measurements and Disclosures, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. This plan has no assets valued using the Level 3 technique.

NOTE 5. FAIR VALUE MEASUREMENTS (continued)

Level 1 Fair Value Measurements

The fair value of these investments are measured using quoted prices in active markets for identical assets.

Level 2 Fair Value Measurements

The fair value of these investments are measured based on observable inputs other than Level 1 prices such as quoted prices for similar assets; quoted prices in markets that aren't active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the financial instrument.

The following is a description of the valuation methodologies used for investments measured at fair value:

Mutual Funds: investments in mutual funds are valued based on published market prices, which represent the net asset value ("NAV") of shares held at year-end.

Common/collective trust funds: investments in common/collective trusts are valued at the NAV which is based on the market value of its underlying investments. These values include quoted prices for similar assets in active or non-active markets.

NOTE 6. INVESTMENT AT CONTRACT VALUE

The Plan holds a fully benefit-responsive investment contract with Transamerica Life Insurance Company (TLIC) under their Stable Value Strategy Option. TLIC maintains contributions in a general account. Contract value is the relevant measurement attribute for this portion of net assets available for benefits. Contract value, as reported to the Plan by TLIC, is the beginning balance plus any deposits and credited interest, less any participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of TLIC or otherwise. The contract value of the investment contract at December 31, 2024 and 2023, was \$970,714.05 and \$885,753.32, respectively. The investment seeks to protect against any loss of principal while providing returns in excess of money market funds and one-year U.S. Treasury bills. The investment has a portfolio investment rate design in which all deposits are credited with the same interest rate, on a daily basis, and with no set maturity. The effective credited interest is set semi-annually and effective on the first day of the semi-annual period. Contract charges may reduce this return.

Certain events limit the Plan's ability to transact at contract value with TLIC. Such events include the following: (1) the Plan is changed so as to significantly affect TLIC's obligations to the contract, (2) the contract can no longer be treated as a pension plan contract, (3) the Plan is terminated, (4) failure to comply with the contract's requirements, (5) failure to provide information, (6) the sum of the contract account values at any time equals \$20,000 or less, or (7) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with the Plan participants are probable of occurring.

NOTE 7. FORFEITURES

At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$57,143.84 and \$48,577.86, respectively. These accounts will be used to reduce future employer contributions or Plan expenses. In 2024, Plan expenses were reduced by \$2,256.66 from forfeited nonvested accounts.

NOTES TO FINANCIAL STATEMENTS (MODIFIED CASH BASIS)
DECEMBER 31, 2024 AND 2023

NOTE 8. NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are reported at their unpaid principal balances. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2024 and 2023, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document. At December 31, 2024 and 2023, notes receivable from participants was \$9,827.48 and \$15,250.71, respectively.

NOTE 9. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Transamerica Life Insurance Company, which is a service provider defined by the Plan, and, therefore, these transactions qualify as party-in-interest transactions. The Plan paid Transamerica a total of \$16,968.97 and \$15,800.40 for the years ended December 31, 2024 and 2023, respectively, for recordkeeping services. Transamerica Retirement Solutions is an authorized agent of Transamerica Life Insurance Company, Inc. Fees paid by the Plan to Cambridge Investment Research Advisors for investment advisory services amounted to \$11,241.48 and \$1,596.84 for the years ended December 31, 2024 and 2023, respectively. Fees paid by the Plan to ERISA Services for third-party administration amounted to \$13,439.99 and \$0.00 for the years ended December 31, 2024 and 2023, respectively. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 10. INVESTMENT INFORMATION CERTIFIED

The Plan administrator elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator limited auditing procedures with respect to investment information certified by Reliance Trust Company, the custodian of the Plan, which included all assets reported in the accompanying statements of net assets available for benefits (modified cash basis) as of December 31, 2024 and 2023, the related investment activity reported in the statements of changes in net assets available for benefits (modified cash basis) for the years ended December 31, 2024 and 2023, and the supplemental schedule H, line 4i - schedule of assets (held at end of year) (modified cash basis) as of December 31, 2024.
