Part I	Service Provider Information (see instructions)
---------------	--

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

1 Information on Persons Receiving Only Eligible Indirect Compensation

- a** Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions)..... ☐ Yes ☒ No
- b** If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

2. Information on Other Service Providers Receiving Direct or Indirect Compensation. Except for those persons for whom you answered "Yes" to line 1a above, complete as many entries as needed to list each person receiving, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of value) in connection with services rendered to the plan or their position with the plan during the plan year. (See instructions).

(a) Enter name and EIN or address (see instructions)

j Total expenses. Add all expense amounts in column (b) and enter total	2j		2698334

Net Income and Reconciliation

k Net income (loss). Subtract line 2j from line 2d	2k		7038754
l Transfers of assets:			
(1) To this plan	2l(1)		
(2) From this plan	2l(2)		

Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☐ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☒ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **BAKER TILLY US LLP**

(2) EIN: **30-1413443**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)	☒		
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)			
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year?..... ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

Report of Independent Auditors

The Board of Trustees of
Medical Expense Reimbursement Plan of the Irvine Employees Benefit Trust

Report on the Audits of the Financial Statements

Opinion

We have audited the financial statements of Medical Expense Reimbursement Plan of the Irvine Employees Benefit Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Medical Expense Reimbursement Plan of the Irvine Employees Benefit Trust as of June 30, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America (GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Medical Expense Reimbursement Plan of the Irvine Employees Benefit Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Medical Expense Reimbursement Plan of the Irvine Employees Benefit Trust's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance; and therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Medical Expense Reimbursement Plan of the Irvine Employees Benefit Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Medical Expense Reimbursement Plan of the Irvine Employees Benefit Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of June 30, 2025, and Schedule H, Line 4(j) – Schedule of Reportable Transactions for the year ended June 30, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Medical Expense Reimbursement Plan of the Irvine Employees Benefit Trust

Notes to Financial Statements

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Medical Expense Reimbursement Plan of the Irvine Employees Benefit Trust (the Plan) provides only general information. Participants should refer to the Plan Document and Trust Agreement for a complete description of the Plan's provisions.

General – The Plan was established on September 10, 1999, with benefits and contributions determined retroactively to July 1, 1998, under an agreement between the City of Irvine (the City) and the Irvine Police Association (Plan Sponsor). The Plan provides health benefits covering all employees of the City who are members of bargaining units represented by the Irvine Police Association (IPA), the Irvine City Employees Association (ICEA), and the Association of Supervisory and Administrative Personnel (ASAP). The Plan is currently administered in compliance with the Employee Retirement Income Security Act of 1974 (ERISA).

Benefits – The Plan provides for reimbursement to eligible retirees, surviving spouses, and children of eligible retirees of health insurance premiums, qualified medical expenses, and long-term care insurance coverage. To be eligible for benefits, a covered employee must (1) have a minimum of five years of active service, as defined in the Plan Document, (2) be at least 50 years of age for IPA members, or 55 years of age for ICEA and ASAP members, (3) have ceased employment and be eligible to receive retirement benefits from the applicable retirement system, and (4) have contributed to the Plan for a minimum of five years and during all periods of employment after the effective date for the employee's bargaining unit. For participants who ceased employment with the City prior to March 10, 2008, the participant is eligible for benefits after ten years of active service if all other requirements are satisfied.

The reimbursement is not to exceed the actual premiums or expenses paid by the participant and is subject to a maximum monthly benefit amount set by the Board of Trustees from time to time, which can be adjusted up or down, depending upon the level of contributions, investment returns, and other factors (see Note 5).

In addition, the monthly benefit amount is not vested and is further adjusted based on the years of active service as follows:

<u>Years of Active Services</u>	<u>Percentage of Benefit Amount</u>
20 or more years	100%
15 to less than 20 years	75%
10 to less than 15 years	50%
5 to less than 10 years	25%

The category of "5 to less than 10 years" applies only to participants who ceased employment with the City on or after March 10, 2008. The Plan required ten years of minimum active service for eligibility for participants who ceased employment with the City prior to March 10, 2008.

The maximum monthly benefit amount is determined from time to time by the Plan's Board of Trustees for each bargaining unit, is not guaranteed, and is dependent on the level of contributions from the City, the participants, and other factors.

Medical Expense Reimbursement Plan of the Irvine Employees Benefit Trust

Notes to Financial Statements

Contributions – Participants and the City are required to contribute a percentage of the participant's base pay as follows during the years ended June 30, 2025 and 2024:

	<u>Employer</u>	<u>Participant</u>
IPA participants	6.25%	0.00%
ICEA participants	5.00%	0.00%
ASAP participants	4.00%	1.00%

Effective July 1, 2006, an employee of the City remains a participant of a health and welfare plan in which the employee's initial bargaining unit participates, even if the employee moves to a different bargaining unit due to a change of employment within the City. In the event of such changes, the City will contribute an amount up to the contribution required for the new bargaining unit. If the City's contribution required for the new bargaining unit is less than what is required for the previous bargaining unit, the difference will be made up by the participant through mandatory payroll deduction.

A participant whose employment is terminated or reduced to less than full time (for reasons other than gross misconduct), may continue to contribute for a maximum of 18 months by periodic self-payment of COBRA contributions, and a spouse or child of an employee may also be entitled to self-pay COBRA contributions for a maximum of 36 months after death of an employee. If the period of self-payments plus the period of contributions prior to termination meet the time period required to qualify for benefits, then the participant will be eligible for benefits upon meeting all other eligibility requirements.

Plan termination – Although it has not expressed any intention to do so, the Board of Trustees, as the plan administrator, has the right to terminate the Plan. In the event of termination of the Plan, the Plan assets remaining after the payment of expenses shall be distributed to participants and beneficiaries as specified in Section 501(c)(9) of the Internal Revenue Code (IRC).

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting – The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP), using the accrual method of accounting.

Use of estimates – The preparation of financial statements in conformity with GAAP requires the use of estimates and assumptions that may affect certain amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment valuation – Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability (the exit price) in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Income recognition – Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. The net appreciation in fair value of investments consists of both the realized gains or losses and unrealized appreciation and depreciation of those investments.

Medical Expense Reimbursement Plan of the Irvine Employees Benefit Trust

Notes to Financial Statements

Payment of benefits – Benefits are recorded when paid.

Expenses – All expenses of maintaining the Plan are paid by the Plan.

Subsequent events – Subsequent events are events or transactions that occur after the statement of net assets available for benefits date, but before the financial statements are available to be issued. The Plan recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the statement of net assets available for benefits, including the estimates inherent in the process of preparing the financial statements. The Plan's financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the statement of net assets available for benefits but arose after the statement of net assets available for benefits date and before the financial statements were available to be issued. The Plan has evaluated subsequent events through April 6, 2026, which is the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2025 and 2024.

Corporate bonds – Valued using pricing models maximizing the use of observable inputs for similar securities, which includes basing value on yields currently available on comparable securities of issuers with similar credit ratings.

Medical Expense Reimbursement Plan of the Irvine Employees Benefit Trust

Notes to Financial Statements

Exchange-traded funds – Valued at the closing price reported on the active market on which the securities are traded.

Registered investment companies (mutual funds) – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables disclose the Plan's assets at fair value, by level of the fair value hierarchy, at the end of the plan year:

Investment Assets at Fair Value as of June 30, 2025				
	Level 1	Level 2	Level 3	Total
Corporate bonds	\$ -	\$ 89,506	\$ -	\$ 89,506

Interest-bearing cash				942,772
				<u>\$ 43,944,810</u>

Medical Expense Reimbursement Plan of the Irvine Employees Benefit Trust

Notes to Financial Statements

NOTE 4 – POSTRETIREMENT BENEFIT OBLIGATIONS AND FUNDING POLICY

The postretirement benefit obligation represents the actuarial present value of those estimated future benefits that are attributed to active service earned and contributions received on behalf of the participants (see Note 1) as of the valuation date. Postretirement benefits include future benefits expected to be paid to currently retired employees and their beneficiaries and to eligible active employees and their beneficiaries after retirement or resignation from service with the employer. The actuarial present value of the expected postretirement obligation is determined by an actuary and is the amount resulting from applying actuarial assumptions to historical claims cost data to estimate future annual incurred claims costs per participant, and to adjust such estimates for the time value of money (through discounts for interest) and the probability of payments (by means of decrements such as those for death or retirement) between the valuation date and the expected date of payment.

The following were significant assumptions used in the valuations:

Valuation dates	June 30, 2025 and 2024 (2024 valuation is a roll-forward from 2023 valuation).
Measurement dates	June 30, 2025 and 2024.
Discount rate	5.00% and 4.75%, net of administrative expenses, at June 30, 2025 and 2024, respectively.
Mortality	At June 30, 2025 and 2024, rates of mortality for nonretired, retired employees, beneficiaries, and disabled employees are based on the California Public Employees' Retirement System (CalPERS) base mortality assumptions from their 2021 experience study, with generational improvements applied using 80% of Society of Actuaries (SOA) Projection Scale MP-2020 from a base year of 2017 for the rates for all members.
Retirement	Demographic assumptions are based on the assumptions for public agency from the most recent CalPERS experience study dated November 2021. Rates of retirement are based on the participant's pension formula under CalPERS. Rates are different for those with more or less than 25 years of service at retirement.
Benefit inflation	The benefit amount is assumed to increase by 3.00% per year. While the maximum benefit amount payable to each bargaining unit is assumed to increase annually, the amount payable to any given participant is assumed to be frozen at the date that benefits commence (see Note 1).
Healthcare cost trend rate	The projected healthcare cost trend has no impact on the cost of the Plan, because the benefit increase rates are not directly tied to healthcare costs. Therefore, an exhibit that would demonstrate the impact on costs of an increase or decrease by 1% in the projected healthcare trend rates is not provided.

Medical Expense Reimbursement Plan of the Irvine Employees Benefit Trust

Notes to Financial Statements

The foregoing assumptions are based on the presumption that the Plan will continue. If the Plan was to terminate, different actuarial assumptions and other factors would be applicable in determining the actuarial present value of the postretirement benefit obligation. The Plan does not have an obligation under prevailing law, collective bargaining agreements, or the Plan Document to provide postretirement benefits on a lifetime basis or to arrange for the funding of such benefits. The Plan Document specifically recognizes the Board of Trustees' right to modify or terminate postretirement benefits at any time for current and/or future retirees (see Note 5).

The Plan's benefit obligations are as follows at June 30:

	2025	2024
Actuarial present value of postretirement benefit obligations		
Current retirees	\$ 35,691,025	\$ 37,700,665
Other participants fully eligible for benefits	23,727,280	13,307,454
Other participants not yet fully eligible for benefits	40,004,872	46,652,984
Total	<u>\$ 99,423,177</u>	<u>\$ 97,661,103</u>

The changes in the benefit obligations for the years ended June 30 are as follows:

	2025	2024
Actuarial present value of postretirement benefit obligations		
Beginning of year	\$ 97,661,103	\$ 82,028,463
Increase (decrease) during the year attributed to:		
Changes in actuarial assumptions (*)	(4,246,130)	-
Benefits earned and other changes	3,788,027	3,622,943
Benefits paid	(2,363,249)	(2,094,889)
Plan amendments (**)	-	10,085,320
Passage of time	4,583,426	4,019,266
End of year	<u>\$ 99,423,177</u>	<u>\$ 97,661,103</u>

(*) Changes in actuarial assumptions are related to changes in discount rate from 2024 to 2025, reflecting the rates of return on high-quality fixed-income investments as of the valuation dates.

(**) The Board of Trustees approved an increase to the maximum monthly benefit amount effective November 2023.

NOTE 5 – RISKS AND UNCERTAINTIES

The actuarial present value of benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near-term would be material to the financial statements.

Medical Expense Reimbursement Plan of the Irvine Employees Benefit Trust

Notes to Financial Statements

The Plan's principal sources of funds to make benefit payments are from: (1) funds currently on hand, (2) contributions to be received in the future from the City under the terms of agreements between the participating bargaining units and the City, (3) contributions to be received in the future from the participants, and (4) gains or losses from investment of funds. Contributions from the City and the participants are subject to agreements with the participating bargaining units, which have a limited term. Although the participating bargaining units intend to bargain for continued contribution obligations in future collective bargaining agreements, continuation is subject to the collective bargaining process. Accordingly, it is possible that contributions will not be extended beyond the term of the existing agreements.

The Board of Trustees' determination of benefit levels is based on estimates and assumptions, including anticipated investment return, participant turnover, participant mortality, and continuance of funding from the participants and City beyond the termination date of the current funding agreements. There are risks that the estimates and assumptions made in determination of the benefit levels will not be realized. While the Board of Trustees' determination of benefit levels is intended to provide benefits over the long term, there is no guarantee that funds will be available in sufficient amounts to continue benefits at the current level, or at all.

The Plan may invest in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statement of net assets available for benefits.

NOTE 6 – CASH CONCENTRATION

The Plan maintains cash accounts at banks that, at times, may exceed the limit insured by the Federal Deposit Insurance Corporation. The interest-bearing cash account balance is included in investments on the statements of net assets available for benefits.

NOTE 7 – TAX STATUS

The Trust established under the Plan to hold the Plan's assets and fund benefits of the Plan received an exemption letter from the Internal Revenue Service dated January 19, 2001, stating that the trust is tax-exempt under the provisions of Section 501(c)9 of the Internal Revenue Code (IRC). The Plan and the Trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the Trust. Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Trust is tax-exempt.

In accordance with guidance on accounting for uncertainty in income taxes, management evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 – PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in certain bank sweep accounts affiliated with the Plan's custodians. Fees paid by the Plan for the investment management services were \$80,203 and \$69,638 for the years ended June 30, 2025 and 2024, respectively. Additionally, the Plan's administrative expenses included \$238,834 and \$243,763 for the years ended June 30, 2025 and 2024, respectively, of actuary, administrator, accounting, and attorney fees related to services provided by parties-in-interest. These transactions are exempt party-in-interest transactions.
