Report of Independent Auditors

To the Retirement Benefits Committee,
AirBorn, Inc. Defined Contribution Plan

Opinion

We have audited the accompanying financial statements of AirBorn, Inc. Defined Contribution Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), which comprise the statement of net assets available for benefits as of June 30, 2025, and the related statement of changes in net assets available for benefits for the period from November 26, 2024 to June 30, 2025, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of AirBorn, Inc. Defined Contribution Plan as of June 30, 2025, and the changes in its net assets available for benefits for the period from November 26, 2024 to June 30, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of AirBorn, Inc. Defined Contribution Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about AirBorn, Inc. Defined Contribution Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan’s transactions that are presented and disclosed in the financial statements are in conformity with the plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of AirBorn, Inc. Defined Contribution Plan's internal controls. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about AirBorn, Inc. Defined Contribution Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule, which is composed of the Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of June 30, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

We have audited the accompanying financial statements of AirBorn, Inc. Defined Contribution Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), which comprise the statement of net assets available for benefits as of June 30, 2025, and the related statement of changes in net assets available for benefits for the period from November 26, 2024 to June 30, 2025, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of AirBorn, Inc. Defined Contribution Plan as of June 30, 2025, and the changes in its net assets available for benefits for the period from November 26, 2024 to June 30, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of AirBorn, Inc. Defined Contribution Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about AirBorn, Inc. Defined Contribution Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan’s transactions that are presented and disclosed in the financial statements are in conformity with the plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of AirBorn, Inc. Defined Contribution Plan's internal controls. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about AirBorn, Inc. Defined Contribution Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule, which is composed of the Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of June 30, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

As of June 30, 2025, and for the Period from November 26, 2024 to June 30, 2025

1. Description of Plan

General

The AirBorn, Inc. Defined Contribution Plan (the “Plan”) provides retirement, death, and disability benefits for eligible employees of AirBorn LLC (the “Company” or “Plan Sponsor”) and their beneficiaries. The Plan was established November 26, 2024, as a spin-off of the AirBorn, Inc. 401(k) Savings and Employer Stock Ownership Plan (the “former Plan”) and is intended to hold and administer the former AirBorn, Inc. Employee Stock Ownership Plan (“ESOP”) participants’ account balances and to provide for the payment of those benefits in accordance with the Plan document. The Plan qualifies under Section 401(a) of the Internal Revenue Code and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended. Participants should refer to the plan agreement for complete information.

SECURE 2.0 Act

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023, which included the Setting Every Community Up Retirement Act (“SECURE”) 2.0 Act. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2033. Since the provisions of SECURE Act 2.0 include both required and optional elements, applicable provisions will be evaluated and implemented in accordance with accompanying regulations and guidance prior to the deadline, December 31, 2026. Certain provisions became effective for 2024, including changes to long-term part-time eligibility. These changes had no material impact on the Plan’s 2025 financial statements.

Prior to November 26, 2024, the Company maintained the ESOP that held shares of AirBorn, Inc. common stock for the benefit of participants.

Effective November 26, 2024, in conjunction with the sale of the Company, the outstanding balance of the note payable collateralized by the Company stock held in trust was paid in full, the remaining unallocated shares were released, and allocated shares were exchanged for cash consideration. Immediately following the loan payoff and allocation of the cash to participant accounts, the funds were transferred to the Plan.

Administration

The Plan’s assets are held by Charles Schwab Bank (“Custodian”). Funds held by the Custodian are invested in a combination of money market, common collective trust fund, and mutual funds through a master trust. Participants direct the investment of their account balances.

Eligibility

Participation in the Plan is limited to individuals who were participants in the Company’s former ESOP and who had account balances transferred to this Plan in conjunction with the ESOP’s termination following the sale of the Company. No new employees are eligible to enter the Plan, and no additional participants may be admitted after the initial transfer.

Contributions

Contributions are not permitted under the Plan document.

Vesting

Participant account balances under the Plan represent the former ESOP account balances, including earnings thereon, and are fully vested.

NOTES TO FINANCIAL STATEMENTS

As of June 30, 2025, and for the Period from November 26, 2024 to June 30, 2025

1. Description of Plan (continued)

Distributions

Benefits under the Plan are payable upon a participant's retirement, death, disability, or other termination of employment, as provided in the Plan document. Distributions are generally made in cash and may be paid as a lump sum or, in certain cases, in installments, subject to the Plan's specific distribution rules and applicable tax law. Eligible distributions may be directly rolled over to another eligible retirement plan or individual retirement account at the participant's election, and all distributions are subject to required minimum distribution rules.

Following the establishment of the Plan, in conjunction with the termination of the ESOP, the Plan provides a two-stage distribution for participants' vested account balances. As soon as administratively practicable, after the closing date, November 26, 2024, each participant or beneficiary may elect to receive a distribution of up to 25% of his or her vested account balance, either as a lump sum cash payment or as a direct rollover.

After the one-year anniversary of the closing date, and within a limited period established by the Plan administrator, each participant or beneficiary may receive a distribution of the remainder of the vested account balance, in the form of a lump sum payment or direct rollover, at the election of the participant or beneficiary.

Participant Loans

Participant loans are not permitted under the Plan document.

Risks and Uncertainties

The Plan provides for various investment options of registered investment companies. The underlying investments held by the registered investment companies may include stocks, bonds, fixed income securities, mutual funds, and other investment securities. Such investments are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities in the near term could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

As of June 30, 2025, and for the Period from November 26, 2024 to June 30, 2025

2. Summary of Significant Accounting Policies (continued)

Master Trust

The investments of the Plan, along with investments of other plans of AirBorn, Inc. (the “Plan Sponsor”), are pooled for investment purposes in a master trust pursuant to the amendment dated November 11, 2026, between Schwab, the trustee of the Master Trust, and the Company – AirBorn, Inc. Master Trust (the “Master Trust”).

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability (an exit price) in an orderly transaction between market participants at the measurement date. The board of directors determines the Plan’s valuation policies utilizing information provided by the investment advisors and the trustee. Refer to Note 4 for a discussion of fair value measurements.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Company pays certain administrative expenses incurred by the Plan. Certain investment and administration fees are deducted directly from participant’s investment returns. Transaction costs borne by the Plan are charged to the individual participant who initiated the transaction to which the charge relates by reducing the participant’s account balance.

Subsequent Events

Subsequent events have been evaluated through the date of the report of independent auditors, which is the date the financial statements were available to be issued. There were no subsequent items that would require recognition in the financial statements or disclosure in the notes to the financial statements.

3. AirBorn, Inc. Master Trust

Certain Plan assets are held in the Master Trust as of June 30, 2025. The assets of the Master Trust are comprised of different investments in a money market fund, mutual funds, and a collective investment fund.

The amount of Master Trust’s assets, income and change in value which is allocated to the Plan is determined by the ratio of account balances in the Plan to the total account balances of all participating plans. As of June 30, 2025, the Plan’s ownership interest in the net assets of the Master Trust was approximately 81%.

4. Fair Value Measurements

Fair value is determined based on the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants. The fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value, which gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements) is described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Money market fund: Valued at the daily closing price as reported by the fund. The money market fund held by the Plan is an open-end money market fund that is registered with the Securities and Exchange Commission. This fund is required to publish its daily net asset value ("NAV") and to transact at that price. The money market fund held by the Plan is deemed to be actively traded.

Collective trust fund: Valued at the net asset value of units of a common collective trust. The NAV as provided by Schwab is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

NOTES TO FINANCIAL STATEMENTS

As of June 30, 2025, and for the Period from November 26, 2024 to June 30, 2025

4. Fair Value Measurements (continued)

Mutual funds: Quoted market prices are used to value investments in mutual funds, which are publicly traded funds of registered investment companies, and common stock.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2025:

	Level 1	Level 2	Level 3	Total
Money market fund	\$ 20,489,756	\$ -	\$ -	\$ 20,489,756
Mutual funds	270,529,856	-	-	270,529,856
Investments measured at net asset value (a)				\$ 37,057
Total investments at fair value				\$ 291,056,669

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amount presented in the table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan. Additional information regarding the Plan's interest in the Master Trust is provided in Note 3 to the financial statements.

As of June 30, 2025:

Investment	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Collective Trust Fund	\$37,057	N/A	Daily	N/A

5. Related Party and Party-in-Interest Transactions**Other Transactions**

Certain Plan investments are managed by Charles Schwab Trust Company, therefore, these transactions qualify as party-in-interest transactions. The Plan holds shares of Company stock and makes non-cash loan repayments to the Company, which qualify as related party transactions. The Plan made direct payments to the third-party administrator and record keeper totaling \$141,200. These costs incurred by the Plan are included in administrative expenses on the statement of changes in net assets available for benefits. The Plan Sponsor pays directly any other fees related to the Plan's operations.

NOTES TO FINANCIAL STATEMENTS

As of June 30, 2025, and for the Period from November 26, 2024 to June 30, 2025

6. Plan Termination

The Company has the right, under the plan agreement and the provisions of ERISA, to terminate the Plan, although the Company has no intention to do so. Upon termination of the Plan, the interest of each participant will be distributed to such participant, or designated beneficiary, at the time prescribed by the Plan agreement.

7. Tax Status

The Plan has not applied for or received a determination letter from the Internal Revenue Service regarding its tax-qualified status. However, the Plan is intended to be a qualified plan under the applicable provisions of the Internal Revenue Code, and the Plan administrator believes the Plan is currently being operated in compliance with those provisions and that the Plan and the related trust continue to be tax-exempt.

U.S. GAAP require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by IRS. The Plan is subject to routine audits taken by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan remains subject to income tax consideration since the Plan's formation effective November 26, 2024.
