INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Florence Crittenton Services 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Florence Crittenton Services 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the Statements of Net Assets Available for Benefits as of June 30, 2025, and the related Statements of Changes in Net Assets Available for Benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Florence Crittenton Services 403(b) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

continued

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Florence Crittenton Services 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Florence Crittenton Services 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT

continued

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Florence Crittenton Services 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Florence Crittenton Services 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

FLORENCE CRITTENTON SERVICES 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan

The following description of Florence Crittenton Services 403(b) Plan (“the Plan”) provides only general information. Participants should refer to the Plan’s documents for a more complete description of the Plan’s provisions.

General

Florence Crittenton Services 403(b) Plan is a defined contribution plan originally established by Florence Crittenton Services of Orange County, Inc. (“the Organization”) on January 1, 2010 to encourage and assist eligible employees of the Organization to adopt a regular program of savings to provide additional security for retirement. The Plan was amended and restated effective July 1, 2023 is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Eligibility

All employees of the Organization, with the exception of non-resident aliens, are eligible to make contributions to the Plan upon hire.

Contributions

Participants may elect to reduce their compensation by a specific percentage or dollar amount and have that amount contributed to the Plan on a pre-tax or Roth basis as a salary deferral, not to exceed the dollar limit set by law. If a participant is at least age 50 or will attain age 50 before the end of a calendar year, then the participant may defer additional amounts as catch-up contributions. The Plan also allows special 403(b) catch-up contributions for employees that have more than 15 years of service. Special 403(b) catch-up contributions are not eligible to be matched.

If a participant does not submit a salary deferral agreement or does not specifically decline to make salary deferrals, the Organization will automatically withhold 3% from their pay and contribute it to the Plan on the participant’s behalf in the form of an automatic elective deferral. The election will remain in effect until the participant modifies or terminates the election. Participants may revoke or make modifications to their salary deferral election at any time.

The Organization makes a matching contribution equal to 100% of each participant’s deferral, up to 4%. In order to receive a matching contribution, participants must have completed a year of service.

The Plan permits the Organization to make discretionary matching contributions to the participants’ accounts for those eligible participants who make elective deferrals, as defined by the Plan. If the employer makes the discretionary matching contribution, the percentage is allocated proportionately to the participants’ specific salary deferral accounts. For the years ended June 30, 2025 and 2024, the Organization made discretionary matching contributions of \$21,209 and \$185,027, respectively.

Participants are permitted to deposit into the Plan distributions they have received from other retirement plans and certain IRAs as rollover contributions.

FLORENCE CRITTENTON SERVICES 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan, continued

Participant Accounts

Each participant's account is credited with the participant's contributions, employer contributions, rollovers, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Retirement, Death, and Disability

A participant is entitled to 100% of his or her account balance upon retirement, death, or disability.

Vesting

Participants are always 100% vested in all of their Plan accounts.

Forfeited Accounts

Forfeitures consist of excess employer match contributions removed from participant accounts and are used, at the discretion of the Organization, to reduce future Organization contributions. There were no forfeited balances used during the years ended June 30, 2025 and 2024 to fund discretionary matching contributions. There were no balance at June 30, 2025 and 2024, of forfeited amounts available to offset future Organization contributions or pay Plan expenses.

Payments of Benefits

Participants may receive a distribution of the vested portion of their accounts in the Plan due to termination of employment, normal retirement, disability, or death. These payments may be paid in a lump sum payment or paid in installments over time. Account balances less than \$5,000 but greater than \$1,000 may be distributed in a single lump-sum payment. Account balances less than \$1,000 are distributed in the form of a direct rollover to an individual retirement account if no election is made by the participant. Participants may be entitled to receive an in-service distribution from the Plan from certain accounts prior to termination of employment provided they have attained age 59½. In addition, a hardship distribution may be made to satisfy certain immediate and heavy financial needs that a participant has.

Notes Receivable from Participants

Participants may borrow from their accounts up to 50% of their account balance up to a maximum of \$50,000 reduced by the participant's highest outstanding loan balance in the previous twelve months and the existing loan balance. The minimum loan amount is \$1,000 and participants may only have one promissory note outstanding at a time. The promissory notes are secured by the balance in the participant's account and must be repaid at a fixed interest rate, which is commensurate with local prevailing rates. Promissory notes must be repaid within five years, unless the promissory notes were for the purchase of a principal residence. In this case, the repayment period may be extended to ten years.

FLORENCE CRITTENTON SERVICES 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan:

Basis of Presentation

The financial statements of the Plan are reported on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are stated at fair value other than fully benefit responsive investment contracts as further described in Note 6. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measure for the Plan's fully benefit responsive investment contracts, because contract value is the amount Plan participants generally receive when executing transactions under the terms of the contract and Plan provisions. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gain on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid balance plus any accrued unpaid interest. Interest income on notes receivable from participants is recorded when it is earned, and related fees are recorded as administrative expenses and expensed when incurred. If a participant ceases to make loan payments and the Organization deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payments of Benefits

Benefits are recorded when paid.

Fair Value Measurements

Generally accepted accounting principles provide guidance on how fair value should be determined when financial statement elements are required to be measured at fair value. Valuation techniques are ranked in three levels depending on the degree of objectivity of the inputs used with each level:

Level 1 inputs - quoted prices in active markets for identical assets

Level 2 inputs - quoted prices in active or inactive markets for the same or similar assets

Level 3 inputs - estimates using the best information available when there is little or no market

The Plan is required to measure certain investments at fair value. The specific techniques used to measure fair value for the financial statement element is described in the notes below that relates to the element.

FLORENCE CRITTENTON SERVICES 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, continued

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market volatility, and credit risks. It is reasonably possible, given the level of risk associated with certain investment securities that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across various asset classes and the utilization of investment managers.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Organization. Expenses that are paid by the Organization are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures as of the date and for the period presented. Actual results could differ from those estimates.

Subsequent Events

Management has evaluated subsequent events through April 7, 2026, the date which the financial statements were available for issue. No events or transactions have occurred during this period that appear to require recognition or disclosure in the financial statements.

3. Notes Receivable from Participants

Notes receivable from participants are repaid semi-monthly at an interest rate at 4.50% to 9.50% with various maturities. Notes receivable from participants at June 30, 2025 and 2024 were \$391,928 and \$284,546, respectively. Notes receivable from participants are measured at the unpaid principal balance plus any accrued but unpaid interest. Upon default or if employment terminates with an outstanding loan, the remaining principal and interest are treated as a deemed distribution in accordance with Internal Revenue Service ("IRS") requirements and reported as taxable income to the participant.

During 2025, loans with an aggregate outstanding balance of \$20,001 were deemed distributed due to participant defaults or terminations, and such amounts were reported as taxable events to the affected participants.

4. Information Prepared and Certified by the Custodians

No auditing procedures were performed on certain investments and interest income as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The following information, included in the accompanying financial statements and supplemental schedule, was obtained from data that has been prepared and certified to as complete and accurate by the custodians of the Plan:

<u>Certified by American Trust Custody</u>	<u>2025</u>	<u>2024</u>
Pooled separate accounts	<u>\$12,518,631</u>	<u>\$10,857,858</u>

Loan account	<u>\$391,928</u>	<u>\$284,546</u>
<u>Certified by Empower</u>		
Contract account	<u>\$23,950</u>	<u>\$23,287</u>

During the years ended December 31, 2025 and 2024, the Plan's investments (including investments bought, sold, and held during the year appreciated in value by \$567,243 and \$809,295, respectively.

5. Fair Value Measurements

The table below sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2025 and 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>June 30, 2025</u>

The fair value of pooled separate accounts in the fair value hierarchy has been measured on a recurring basis using quoted market prices, for identical assets in active markets (Level 1 inputs).

6. Investments in Fully Benefit Responsive Investment Contracts

The following summarizes investments measured at contract value per share as of June 30, 2025 and 2024:

	<u>2025</u>	<u>2024</u>
General account	<u>\$23,950</u>	<u>\$23,287</u>

The general account is a guaranteed general account backed group annuity contract issued by Empower. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. Interest crediting rate is reset quarterly. The average yield earned by the Plan for the Fixed Account can be derived by averaging the quarterly gross interest rates for the fund over the year. The average yield for 2025 was 2.85% and for 2024 was 2.20%. Refer to the contract or plan description for a full explanation of investment details.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (e.g., divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the Fixed Account with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

7. Related Party and Party-in-Interest Transactions

ERISA defines parties-in-interest more broadly than generally accepted accounting principles' related parties, encompassing all service providers to the Plan. Management identified no related parties that were not also parties-in-interest, and no material related party transactions occurred during the Plan year regarding compensation arrangements, expense allowances, or similar items.

Parties-in-interest transactions include those with Plan fiduciaries or employees, service providers, employers with covered employees, employee organizations with covered members, and persons owning 50% or more of such employers or employee associations, along with their relatives. Custodians transactions, including revenue sharing and fee offset agreements, as well as the Plan's payment of certain plan fees and expenses, qualify as parties-in-interest transactions. Administrative fees paid by the Plan to the custodians were \$78,952.

continued

FLORENCE CRITTENTON SERVICES 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

7. **Related Party and Party-in-Interest Transactions**, continued

The Plan's investment options include funds managed by Mutual of America or its affiliates and contract managed by Empower or its affiliates. As custodians and recordkeeper, Mutual of America and Empower's transactions qualify as exempt parties-in-interest transactions.

Certain administrative functions are performed by officers and employees of the Organization. No officer or employee received compensation from the Plan for these services.

Fees incurred by the Plan for investment management services are included in net depreciation in fair value of investments, which were not covered by revenue sharing. The Plan also made direct payments to service providers which were not covered by revenue sharing.

8. **Plan Termination**

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contribution at any time and to terminate the Plan, subject to the provisions of ERISA.

9. **Tax Status**

The Plan has been designed to qualify under Section 403(b) of Internal Revenue Code ("IRC"). The terms of the Plan have been prepared to conform with the sample language provided by the IRS in Revenue Procedure 2007-71. The Plan is required to operate in conformity with IRC to maintain the tax-exempt status for plan participants under Section 403(b).

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2022.
