Report of Independent Auditors

The Employee Benefits Committee of
The Clorox Company Group Insurance Plan for Retirees

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of The Clorox Company Group Insurance Plan for Retirees, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of The Clorox Company Group Insurance Plan for Retirees as of June 30, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America (GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Clorox Company Group Insurance Plan for Retirees and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Clorox Company Group Insurance Plan for Retirees' ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Baker Tilly Advisory Group, LP and Baker Tilly US, LLP, trading as Baker Tilly, are members of the global network of Baker Tilly International Ltd., the members of which are separate and independent legal entities. Baker Tilly US, LLP is a licensed CPA firm that provides assurance services to its clients. Baker Tilly Advisory Group, LP and its subsidiary entities provide tax and consulting services to their clients and are not licensed CPA firms.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Clorox Company Group Insurance Plan for Retirees' internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Clorox Company Group Insurance Plan for Retirees' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of June 30, 2025, and the Schedule H, Line 4(j) – Schedule of Reportable Transactions for the year ended June 30, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The Clorox Company Group Insurance Plan for Retirees

Notes to Financial Statements

1. Description of the Plan

General

The Clorox Company Group Insurance Plan for Retirees ("the Plan") was established effective July 1, 2018, to provide benefits for eligible former employees (also referred to as "participants") of The Clorox Company ("the Company"). Plan assets are held in a voluntary employees' beneficiary association ("VEBA") trust.

The following description of the Plan provides only general information. Participants should refer to the Plan document and the Summary Plan Descriptions ("SPDs") for a complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Employee Benefits Committee is established by the Company's Board of Directors to be the plan administrator for the purpose of managing the operation and administration of the Plan.

Eligible Participants

The Plan provides health and life insurance benefits for certain retired former employees of the Company and their eligible dependents. In general, employees are eligible to participate in medical, prescription drug, dental, and vision (collectively, health insurance benefits) if they:

- are under age 65;
- were enrolled in one of the Company-sponsored plans immediately before retirement; and
- are at least 55 years old with 10 years of service or have a combined age and years of service (when added together) equaling at least 75 at the time of retirement.

Certain retired employees covered by a collective bargaining agreement, previously employed at the Company's Cartersville location who met certain age and service requirements set forth in the collective bargaining agreement, can also participate in the Plan.

An eligible employee who retired could qualify for coverage under the retiree group basic life insurance, if such person was hired prior to January 1, 2001, and (1) was (i) at least 55 years old with at least 20 years of service or (ii) at least 65 years old with at least ten years of service; (2) attained age 65 on or before April 30, 2013; and (3) was enrolled in a Company-sponsored, post-65 group health plan as of April 30, 2013.

The Plan's life insurance benefits included certain eligible retirees aged 65 and over.

Plan Benefits

The Plan provides health insurance benefits to eligible participants and their dependents and beneficiaries. The Plan also provides life insurance benefits to certain eligible employees. The Plan utilizes a pharmacy benefit manager that periodically makes rebates or refunds to the Plan based on the Plan's actual utilization pattern of specific medications.

Contributions

Participants contribute to the Plan in the form of monthly premiums, as determined by the Company, based on their elected benefits.

The Company subsidizes a specific portion of the monthly contribution for medical coverage for certain retired employees who meet the following conditions:

- have a most recent hire date prior to January 1, 2001
- are at least 55 years old
- have at least 20 years of service

All other benefit costs not funded by participant contributions are funded by contributions from the Company.

The Plan's benefit obligations exceeded net assets at June 30, 2025 and 2024 (see Note 3). It is expected that the net obligation will be funded through future increases in contributions from the Company and participants.

Payment of Benefits and Administrative Expenses

The payment of benefits is based on predetermined amounts and percentages as specified in the contracts with the service providers.

Benefits paid take into consideration any payments made by Medicare. Certain health insurance benefits and administrative service fees are paid from the assets held in the VEBA Trust (see below for detail). Administrative expenses, when not paid from VEBA Trust assets, are paid by the Company and are not considered to be plan expenses.

Stop-Loss Coverage

The Company has a stop-loss arrangement to limit its exposure for self-insured medical and prescription drug benefits provided under the Plan and other plans sponsored by the Company. Consequently, the Plan does not recognize stop-loss activity, and no amounts related to the arrangement are included in the financial statements.

Plan Trustee

US Bank (the "Trustee") serves as the trustee and custodian of the VEBA Trust.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

The Plan's financial statements were evaluated for subsequent events from the date after the financial statement date through April 7, 2026, the date the financial statements were available to be issued.

Investment Valuation and Income Recognition

Assets held in the VEBA Trust consist of interest-bearing cash that is held by the Trustee in a money market deposit account, which is insured by the FDIC up to coverage limits set by law. Balance at times exceeded the FDIC limit, but the Plan has not experienced any losses thereon. Interest income is recognized when earned.

Payment of Benefits

Benefits are recognized when paid, net of rebates and/or refunds received.

Risks and Uncertainties

The actuarial present value of postretirement benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term could be material to the financial statements.

Postretirement Benefit Obligation

The postretirement benefit obligation represents the actuarial present value of those estimated future benefits that are attributed to employees' service rendered to the date of the financial statements, reduced by the actuarial present value of contributions expected to be received in the future from the current Plan participants. Postretirement benefits include future benefits expected to be paid to currently retired employees and their dependents and beneficiaries and to eligible active employees and their beneficiaries and dependents after retirement from service with the Company. Prior to an active employee's full eligibility date, the postretirement benefit obligation is the portion of the expected postretirement benefit obligation that is attributed to that employee's service rendered as of the valuation date.

The Plan's postretirement benefit obligation does not reflect an amount associated with the Medicare subsidy allowed under the Medicare Prescription Drug Improvement and Modernization Act of 2003 because neither the Plan nor the Company is entitled to the Medicare subsidy.

The actuarial present value of the expected postretirement obligation is determined by an actuary and is the amount resulting from applying actuarial assumptions to historical claims cost data to estimate future annual incurred claims costs per participant and to adjust such estimates for the time value of money (through discounts for interest) and the probability of payments (by means of

decrements such as those for death, withdrawal, or retirement) between the valuation date and the expected date of payment, and to reflect the portion of those costs expected to be borne by the retired participants, and other providers.

The postretirement benefit obligation is determined by an actuary for the aggregate pre-65 and post-65 retirees using assumptions noted below for Plan years ended June 30, 2025 and 2024, which is not sensitive to changes in health cost trend.

Amounts disclosed in Note 3 pertain to both pre-65 and post-65 retiree life insurance but only the pre-65 portion of health benefits.

The following were other significant assumptions used in the valuations:

Discount rate	4.90% and 5.30% at June 30, 2025 and June 30, 2024, respectively.
Mortality	Mercer Modified Retirement Plan Headcount weighted mortality tables (Pri-2012) for employees and Mercer Industry Longevity Experience Study Consumer Goods Food and Drink mortality tables for retirees, with generational projection using the Mercer Social Security improvement scale (MSS) MSS-2024.

The percentages of active participants at indicated ages assumed to be retiring are as follows:

Retirement Age	Percentage Assumed Retired
Age 55–59	2%
Age 60–61	4%
Age 62–64	12%
Age 65–69	35%
Age 70 and over	100%

Future retirees that will be eligible for the Company-subsidized benefits are assumed to elect coverage at 50% for June 30, 2025 and June 30, 2024. The rate of participation is assumed to decrease each year following retirement; 85% of current and future retirees who have elected coverage in the prior year are assumed to continue participation in the next year (i.e., 15% are assumed to drop participation each year after retirement).

The foregoing assumptions are based on the presumption that the Plan will continue. If the Plan was to terminate, different actuarial assumptions and other factors would be applicable in determining the actuarial present value of the postretirement benefit obligation.

Claims Payable and Claims Incurred but Not Reported

Claims payable represent claims that are processed but unpaid at fiscal year end. Claims incurred but not reported are estimated by the Plan's actuary based on financial data provided by the service providers and the Plan's historical lag time between the date of incurrence and the date the claim is paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements. Actual results could differ from those estimates.

3. Benefit Obligations

The Plan's benefit obligations are as follows:

	June 30,	
	2025	**2024**
Claims payable and claims incurred but not reported:		
Claims payable	$ 24,757	$ 25,031
Claims incurred but not reported	192,000	166,000
Claims payable and claims incurred but not reported	216,757	191,031
Premiums due to insurance carriers	-	51,976
Postretirement benefit obligation:		
Retiree	5,479,467	5,770,518
Other participants fully eligible for benefits	1,310,500	1,503,413
Participants not yet fully eligible for benefits	425,556	504,271
Total postretirement benefit obligation	7,215,523	7,778,202
Total benefit obligations	$ 7,432,280	$ 8,021,209

The components of the Plan's claims payable and claims incurred but not reported are as follows:

	Years Ended June 30,	
	2025	**2024**
Claims payable and claims incurred but not reported:		
Beginning of year	$ 191,031	$ 160,649
Claims reported and approved for payment	2,006,513	2,140,575
Claims paid	(1,980,787)	(2,110,193)
End of year	$ 216,757	$ 191,031

The components of the Plan's current payable for insurance premiums are as follows:

	Years Ended June 30,	
	2025	**2024**
Premiums due to insurance carriers		
Beginning of year	$ 51,976	$ -
Premiums charges	567,333	630,474
Premiums paid	(619,309)	(578,498)
End of year	$ -	$ 51,976

The components of the Plan's postretirement benefit obligations are as follows:

	Years Ended June 30,	
	2025	**2024**
Benefit obligation, beginning of year	$ 7,778,202	$ 8,906,281
Increase (decrease) during the year attributed to:		
Benefits accumulated	14,994	32,311
Interest	398,111	422,497
Benefits reclassified to amounts currently payable	(789,953)	(843,661)
Changes in assumptions	143,000	(81,000)
Actuarial gain	(328,831)	(658,226)
Postretirement benefit obligation, end of year	$ 7,215,523	$ 7,778,202

4. Plan Termination

Although the Company has not expressed any intention to do so, it has the right under the Plan to modify the benefits provided to participants, to discontinue contributions at any time, and to terminate the Plan subject to the provisions set forth in ERISA. If the Company terminates or partially terminates the Plan, the Plan will pay benefits that participants would be entitled to receive under the terms of the Plan prior to such termination date.

5. Income Tax Status

The VEBA Trust has received a tax exemption letter from the Internal Revenue Service (the "IRS") dated March 18, 2002, stating that the VEBA Trust is qualified under the Section 501(c)(9) of the Internal Revenue Code (the "Code") and, therefore, the VEBA Trust's interest income was exempt from income taxes. Subsequent to the receipt of the tax exemption letter, the VEBA Trust had various amendments. Effective July 2018, the VEBA Trust has been used solely to fund the benefits of the Plan. The Company believes that the VEBA Trust is designed and operated in accordance with the applicable requirements of the Code Section 501(c)(9).

Accounting principles generally accepted in the United States require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of June 30, 2025, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Other Contingencies

The Plan is subject to various lawsuits and claims relating to issues such as claim disputes and other matters. Although the results of claims and litigation cannot be predicted with certainty, it is the opinion of management that the ultimate disposition of these matters, to the extent not previously provided for, will not have a material adverse effect, individually or in the aggregate, on the Plan's financial statements taken as a whole.

7. Party-in-Interest Transactions

Interest bearing cash is invested with the Trustee. Consequently, transactions with the Trustee qualify as party-in-interest transactions for which a statutory exemption exists.

8. Reconciliation of Financial Statements to Form 5500

The following reconciles net assets available for benefits per the financial statements to the Form 5500:

	June 30,	
	2025	**2024**
Net assets available for benefits per the financial statements	$ 1,051,475	$ 1,832,371
Less:		
Claims payable and claims incurred but not reported	(216,757)	(191,031)
Premiums due to insurance carriers	-	(51,976)
Net assets per the Form 5500	$ 834,718	$ 1,589,364

Amounts currently payable for claims and premiums are recorded as benefit obligations in the notes accompanying the financial statements but are recorded as Plan liabilities on the Form 5500.

The following reconciles claims paid and premiums paid per the financial statements to the Form 5500 as of June 30, 2025:

Claims paid per the financial statements	$ 1,980,787
Add (less):	
Claims payable and claims incurred but not reported at current year end	216,757
Claims payable and claims incurred but not reported at prior year end	(191,031)
Claims paid per the Form 5500	$ 2,006,513

Premiums paid per the financial statements	$ 619,309
Less:	
Premiums due to insurance carriers at prior year end	(51,976)
Premiums paid per the Form 5500	$ 567,333
