**INDEPENDENT AUDITOR'S REPORT**

Board of Trustees and Management  
Allwell Behavioral Health Services  
Gain Sharing Plan  
Zanesville, Ohio 43701

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Allwell Behavioral Health Services Gain Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended June 30, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Allwell Behavioral Health Services Gain Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2025 and 2024 and for the year ended June 30, 2025 stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

## **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Allwell Behavioral Health Services Gain Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section

103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Allwell Behavioral Health Services Gain Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

#### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Allwell Behavioral Health Services Gain Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Allwell Behavioral Health Services Gain Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matter - Supplemental Schedules Required by ERISA**

The supplemental schedules of assets as of and for the years ended June 30, 2025 and 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a) (3) (C).

ALLWELL BEHAVIORAL HEALTH SERVICES GAIN SHARING PLAN  
NOTES TO FINANCIAL STATEMENTS  
June 30, 2025 and 2024

NOTE A - DESCRIPTION OF PLAN

The following description of the Allwell Behavioral Health Services Gain Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution Plan covering all full-time employees of the Company who have one year of service and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - A discretionary contribution is determined by the Employer each Plan Year to be allocated pro rata based on eligible compensation to all eligible participants.

Participant Accounts - Each participant's account is credited with the employer's contribution and an allocation of Plan earnings, and may be charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. These accounts are participant directed.

Vesting - Participants are vested in the Company's discretionary contribution portion of their accounts plus actual earnings thereon based on years of continuous service. A participant is 100% vested after six years of credited service.

Investment Options - Upon enrollment in the Plan, a participant may direct employer contributions to a variety of investment options. There are no non-participant-directed investment options.

Participants may change their investment options quarterly.

NOTES TO FINANCIAL STATEMENTS (continued)  
June 30, 2025 and 2024

Payment of Benefits - On termination of service due to death, disability or retirement, a participant may elect various methods by which benefits may be distributed to the participant from the Plan. The method depends on the participant's marital status, elections made by the participant and spouse (if any), and size of the vested benefit. All methods of distribution, however, have equivalent values. For termination of service due to other reasons, a participant will be entitled to the vested percentage of the contribution, if any, made by Allwell Behavioral Health Services to the participant's account.

Forfeited Accounts - At June 30, 2025 and 2024, forfeited non-vested accounts totaled \$5,305 and \$7,900. These accounts will be used to reduce future employer contributions. Also for the year ended, June 30, 2025 employer contributions were reduced by \$5,305 from forfeited non-vested accounts.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

METHOD OF ACCOUNTING

The financial statements of the Plan are prepared under the accrual method of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investment contract with the insurance company is stated at contract value which approximates cost. Plan management has determined the Fixed Account Plus and Short Term Fixed Account to have fully benefit-responsive features and thus have been reported at contract value. Contract value represents contributions made under the contract plus interest income less distributions for benefits and administration expenses to date. The Plan's Separate Accounts are stated at fair value. The value of the Separate

NOTES TO FINANCIAL STATEMENTS (continued)  
June 30, 2025 and 2024

accounts are valued at the net asset value per share at the close of each business day as reported by each fund, which is then adjusted for dividends and Separate Account fees.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

PAYMENTS OF BENEFITS

Benefits are recorded when paid.

NOTE C - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 1, 2 or 3 inputs for the periods presented.

The following is a description of the valuation methodologies used for assets measured at fair value.

Separate Accounts:

The Separate Accounts are valued at the net asset value per share at the close of each business day as reported by each fund, which is then adjusted for dividends and Separate Account fees.

ALLWELL BEHAVIORAL HEALTH SERVICES GAIN SHARING PLAN  
NOTES TO FINANCIAL STATEMENTS (continued)  
June 30, 2025 and 2024

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's investments are reported at fair value as follows:

|                                                | Level 1     | Level 2     | Level 3     | Total<br>Fair Value       |

- a.) Certain Investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits. They are valued daily, can be redeemed daily with no restrictions, and without prior notice. There are no unfunded commitments.

The investment strategies are to provide appreciation and long-term capital by investing in the following: U.S. equities, international equities, index funds, U.S. and international bond markets.

NOTE D - FULLY BENEFIT -RESPONSIVE INVESTMENT CONTRACT

The Fixed Account Plus and Short Term Fixed Account are reported at contract value. Contract value represents the amount participants would receive if they were to initiate a transaction under the terms of the ongoing plan. Interest is credited daily at an interest rate not less than the guaranteed minimum interest shown on the contract specifications. The interest crediting rate is declared on a quarterly basis. The accounts are guaranteed against loss of principal. The guarantee is based on the insurance company's ability to meet its financial obligations from general assets. The accounts are not available for sale or transfer on any securities exchange. Accordingly, transactions in similar investments are not observable. The contract value could be reduced by a Market Value Adjustment or surrender charge.

NOTE E - PARTY IN INTEREST TRANSACTIONS

Party in interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association, or relatives of such persons.

Certain Plan investments are shares of mutual funds managed by The Variable Annuity Life Insurance Company (VALIC). As VALIC is the custodian of the Plan, the related investment transactions qualify as party in interest transactions.

These transactions are not deemed prohibited party-in-interest transactions because they are covered by the statutory or administrative exceptions from the Internal Revenue Code's and ERISA's rules on prohibited transactions.
