INDEPENDENT AUDITOR'S REPORT

To the Participants and the Trustees of
the 403(b) Thrift Plan for Dickinson Center, Inc.
Ridgway, PA

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the 403(b) Thrift Plan for Dickinson Center, Inc. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2025 and 2024, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements (Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended June 30, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of Attachment to Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year), June 30, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

403(b) THRIFT PLAN FOR DICKINSON CENTER, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

NOTE 1: DESCRIPTION OF PLAN

The following description of the 403(b) Thrift Plan for Dickinson Center, Inc. (the "Plan"), sponsored by Dickinson Center, Inc. (the "Center") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. General

The Plan is a defined contribution plan covering substantially all employees of the Center, pursuant to the participation rules in the Plan document. The Plan is subject to the provisions of the Employee Retirement Income Securities Act of 1974 (ERISA). Employees of the Center are eligible to participate in elective salary reduction deferral (employee) contributions immediately upon hire by the Center and are eligible to receive matching (employer) contributions when they have achieved 6 months. Employees who work less than 20 hours per week are not eligible to participate in the plan unless they complete one year of service. Also, effective July 1, 2023, in order to participate in the Plan, employees must have attained a minimum age of 18 years.

B. Contributions

Employer contributions under the Plan are made bi-weekly and correspond with each pay period of the Center. Each employee who has met the age and service requirements is eligible to receive employer matching contributions. Under the terms of the Plan, the Center makes employer matching contributions equal to 50% of an eligible participant's elective deferrals, up to a maximum of 6% of the participant's eligible compensation for each Plan year.

Employee contributions are elected as a deferral of eligible compensation. A participant's includible compensation means any salary, wages or other taxable remuneration that is includible in gross income for federal tax purposes plus any salary reduction contributions that are not includible in his federal gross income, including salary reduction contributions to the Plan.

Participants direct the investment of contributions into various investment options offered by the Plan. The Plan currently offers various mutual fund options for participants. Annual contributions are subject to certain limitations under the Internal Revenue Code.

C. Participant Accounts

Each participant's account is credited with their allocations of the employee's and the Center's contribution and Plan earnings and charged with an allocation of investment and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

403(b) THRIFT PLAN FOR DICKINSON CENTER, INC.
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2025 AND 2024

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

D. Vesting

Participants are vested immediately in all employee contributions plus actual earnings thereon. Employer matching contributions are subject to a two-year vesting requirement, with participants becoming 100% vested upon completion of two years of service. Participants are also fully vested upon death or disability, as defined by the Plan.

E. Notes Receivable from Participants

The Plan permits participants to borrow from their vested account balances in accordance with the provisions of the Plan document. The minimum loan amount available to a participant is \$1,000. The maximum loan amount is subject to the limits prescribed by the Internal Revenue Code and generally represents the lesser of (i) \$50,000, reduced by the participant's highest outstanding loan balance during the prior twelve months, or (ii) 50% of the participant's vested account balance. Loans are generally repayable over a period not to exceed five years. Loans used to acquire a participant's principal residence may be repaid over a period not to exceed ten years. Participants may have up to three loans outstanding at any time. Loans bear interest at a rate of the Mutual of America Interest Accumulation account plus 3%.

F. Payment of Benefits

For all terminations of service, a participant shall be entitled to receive a distribution from their accumulation account in accordance with the options set forth in their individual agreement(s) with Mutual of America.

G. Plan Termination

Although it has not expressed any intent to do so, the Center has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in their employer contributions.

H. Related Party Transactions

Plan investments consist of shares of mutual funds and annuities managed by Mutual of America. Mutual of America is the custodian of the Plan and, therefore, all transactions qualify as party-in-interest transactions exempt from prohibited transaction rules.

I. Forfeitures

At June 30, 2025 and 2024, there was \$1,204 and \$0 forfeited non-vested accounts respectively. Forfeited accounts will be used to reduce future employer contributions. During 2025 and 2024, employer contributions were reduced by \$34,887 and \$15,141 respectively, from forfeited non-vested accounts.

403(b) THRIFT PLAN FOR DICKINSON CENTER, INC.
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2025 AND 2024

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates.

C. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/(depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

D. Notes Receivable from Participants

Notes receivable from participants are measured at the unpaid principal balance plus any accrued interest. Interest income is recorded on an accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of June 30, 2025 and 2024, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the loan to be in default, the loan balance is reduced, and the delinquent participant loan receivable is recorded as a benefit payment based on the terms of the Plan Document.

E. Payment of Benefits

Benefits are recorded when paid.

F. Subsequent Events

Subsequent events have been evaluated through April 9, 2026, which is the date the financial statements were available to be issued.

NOTE 3: PLAN ADMINISTRATION

The Plan is administered by the Center. The Plan is responsible for payment of all administrative expenses. For the years ended June 30, 2025 and 2024, such expenses totaled \$5,049 and \$3,700, respectively. All other administrative costs (i.e. payroll costs related to administration of the Plan) are paid by the Center and not a deduction from Plan net assets.

403(b) THRIFT PLAN FOR DICKINSON CENTER, INC.
 NOTES TO FINANCIAL STATEMENTS (CONTINUED)
 JUNE 30, 2025 AND 2024

NOTE 4: TAX STATUS

The Internal Revenue Service does not currently have a process for this type of plan to be submitted for a determination letter. However, the Plan's tax counsel believes that the Plan is designed, and the Plan administrator believes that the Plan is currently operating, in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained up examination by the Internal Revenue Service. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5: INVESTMENTS AND FAIR VALUE MEASUREMENTS

During 2025 and 2024, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated/(depreciated) in value by \$920,559 and \$1,082,922, respectively.

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

403(b) THRIFT PLAN FOR DICKINSON CENTER, INC.
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2025 AND 2024

NOTE 5: INVESTMENTS AND FAIR VALUE MEASUREMENTS (CONTINUED)

Mutual of America's investments consist of investments in mutual funds registered with the Securities and Exchange Commission. Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. There have been no changes in the methodologies used at June 30, 2025 and 2024.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2025 and 2024:

	Assets at Fair Value as of June 30, 2025	
	Level 1	Total
Registered Investment Companies		
Mutual Funds at Fair Value	\$ 7,884,083	\$ 7,884,083
Total Registered Investment Companies	<u>\$ 7,884,083</u>	<u>\$ 7,884,083</u>
	Assets at Fair Value as of June 30, 2024	
	Level 1	Total

NOTE 6: INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has a group annuity investment contract with Mutual of America. The Mutual of America Interest Accumulation Account deposits participant contributions to this contract in a general account. The account is credited with earnings on the underlying investments and charged for plan withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Contract value approximates fair value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at June 30, 2025 and 2024 was \$869,037 and \$1,031,010, respectively. All contributions and transfers to the contract will earn interest at the guaranteed rate in effect at the time of the contribution or transfer. All monies in the investment contract will earn interest at the guaranteed rate until the guaranteed rate is changed. Mutual of America may declare a new guaranteed rate for the investment contract that becomes effective on January 1st. The guaranteed interest rate as of June 30, 2025 and 2024 was 2.85%.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2025 AND 2024

NOTE 6: INVESTMENT CONTRACT WITH INSURANCE COMPANY (CONTINUED)

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. Certain events limit the ability of the plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, (4) the failure to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

NOTE 7: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the Statement of Net Assets Available for Benefits.

NOTE 8: CERTIFIED FINANCIAL INFORMATION

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments at June 30, 2025 and 2024, and net appreciation in fair value of investments and interest and dividends, for the years ended June 30, 2025 and 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Mutual of America (the trustee/custodian) of the Plan.

The following information certified by Mutual of America was relied upon in the preparation of the 2025 and 2024 financial statements.

- Investment amounts included in the Statements of Net Assets Available for Benefits at June 30, 2025 and 2024.
- Interest and dividend income and net appreciation (depreciation) in fair value of investments included in the Statements of Changes in Net Assets Available for Benefits for the years ended June 30, 2025 and 2024.
