INDEPENDENT AUDITOR'S REPORT

Board of Trustees and Management
Diversified Logistics Management, Inc.
Employee Benefit Plan
1894 South 14th Street, Suite 2
Fernandina Beach, Florida 32034

Opinion

We have audited the financial statements of Diversified Logistics Management, Inc. Employee Benefit Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended June 30, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Diversified Logistics Management, Inc. Employee Benefit Plan as of June 30, 2025 and 2024, and the changes in its net assets available for benefits for the year ended June 30, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Diversified Logistics Management, Inc. Employee Benefit Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Diversified Logistics Management, Inc. Employee Benefit Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Responsibilities of Management for the Financial Statements (Continued)
Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Diversified Logistics Management, Inc. Employee Benefit Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Diversified Logistics Management, Inc. Employee Benefit Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Note A: Description of Plan

The following description of the Diversified Logistics Management, Inc. Employee Benefit Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General

The Plan provides access to medical benefits covering all eligible employees of Diversified Logistics Management, Inc. and the following participating employers; Southeast Unloading, LLC, First Coast Pallet, LLC, and Triple C Enterprise, LLC. The Plan was established on August 1, 2021. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. On August 1, 2021, the Plan established a trust for medical benefits.

Consortium

The Plan belongs to a Consortium, which is designed to provide cost effective employee benefit programs for members and is a self-funded group-purchasing consortium that offers medical and prescription drug coverage for its members. Coverage programs are developed specific to each member's healthcare needs and the related premiums for coverage are determined through the application of uniform underwriting criteria. Variable plan options are available to members. These plans vary primarily by deductibles, coinsurance levels, office visit co-pays, and out-of-pocket maximums.

The Consortium is a self-insured program with stop loss and aggregate reimbursement arrangements in place to limit the liability of its members. The premium charged and collected from each of the members is fully funded.

The members pay fees that are based on the number of employees enrolled. These fees are charged to cover professional fees and other administrative expenses.

Members sign an agreement, which provides that each member agrees to pay all funding rates associated with the coverage it selects; as such, funding rates are set and billed to the members by various carriers, and premiums are billed and paid on a monthly basis. The assigned funding rates consist of administrative fees, stop loss and aggregate premium expense, expected claim costs, and reserves.

The Consortium has an agreement with Benecon Group, Inc. to provide agent management, underwriting, claims management, risk management, accounting, system support services, and consulting services.

Consortium members have an obligation to reimburse for all paid claims (less than the specific stop loss) up to the cumulative maximum liability limit (aggregate). The obligation to reimburse for any excess over the cumulative maximum liability limit is only to the extent that in any month there is a positive difference (monthly surplus) between cumulative paid claims and the cumulative maximum liability limit (aggregate). There is no obligation to pay any excess to the aggregate (cumulative monthly liability limit) other than through this funding arrangement. Monthly timing of paid claims may be such that a Consortium member may need to advance a payment that exceeds cumulative claims funds deposited to date until an aggregate claim reimbursement is received. Anticipated stop loss reimbursements are recorded as an operating receivable.

Note A: **Description of Plan** (Continued)

Benefits
The Plan provides access to medical benefits (medical, hospital, surgical and major medical, and prescription drug), to eligible participants (with at least 30 hours of work per week) and to their beneficiaries and covered dependents.

Medical benefits of active participants, dependents, and beneficiaries under the Plan are provided through insurance policies within the trust.

Contributions
The cost will be paid in part by the employer of its general assets and in part by participants with pre-tax contributions.

Note B: **Summary of Significant Accounting Policies**

Date of Management's Review
Subsequent events were evaluated through March 30, 2026, which is the date the financial statements were available to be issued.

Estimates
The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Valuation of Investments
The Plan's investments are stated at fair value.

Other Plan Benefits
Plan obligations at June 30 for medical claims incurred by active participants but not reported at that date are estimated by the Plan's actuary in accordance with accepted actuarial principles.

Basis of Accounting
The financial statements of the Plan are prepared on the accrual basis of accounting.

Note C: **Other Matters**

The trust established under the Plan to hold the Plan's assets is intended to qualify pursuant to Section 501(c)(9) of the Internal Revenue Code and, accordingly, the trust's net investment income is exempt from income taxes. The Plan as amended has not applied nor received a tax ruling determination letter from the IRS. The Plan sponsor believes that the trust, as amended, continues to qualify and to operate in accordance with applicable provisions of the Internal Revenue Code.

Note C: **Other Matters** (Continued)

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for periods prior to 2022.

Note D: **Fair Value Measurements**

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 or 3 inputs were available to the Plan.

The Plan's policy is to recognize transfer of investments into or out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended June 30, 2024, there were no transfers of investments into or out of Level 3.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2024. There have been no changes in methodologies or level designations as of June 30, 2024.

	Assets at Fair Value as of June 30, 2024			
	Level 1	**Level 2**	**Level 3**	**Total**
Interest Bearing Cash	$0	$46,643	$0	$46,643

Level 2 Fair Value Measurements

The objective of the interest bearing cash account is to earn interest while preserving the value of the account. The fair value of the interest bearing cash account is based on similar deposits with observable interest rates.

Note E: **Deferred Revenue**

Premiums collected in advance of applicable coverage years are classified as deferred revenue.

Note F: Benefit Obligations

Note G: Stop Loss Insurance

The Plan has stop loss insurance coverage with Fair American Insurance and Reinsurance Company (FAIRCO).

Note H: Risks and Uncertainties

The Plan invests in various investments. Investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

The actuarial present value of benefit obligations is reported based on certain assumptions, which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near-term would be material to the financial statements.

Note I: Administrative Expenses

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators, the trustee, and actuary. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. Certain administrative expenses are paid by the Company and excluded from these financial statements (see Note K).

Note J: Termination of the Plan

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to, and contributions required of, participants to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note K: Related Party and Party-In-Interest Transactions

Certain administrative functions of the Plan are performed by officers or employees of Diversified Logistics Management, Inc. No such officer or employee receives compensation from the Plan.

The Plan's trust account is with UMB Financial Corp. which is used by the consortium and plan.

As described in Notes A and G, the Plan has several arrangements with service providers. These transactions are party-in-interest transactions under ERISA.

Administrative expenses paid by the plan consisted of $87,390 of administrator fees and $47,318 of management fees.

Note L: Distribution of Surplus Funds

Each year, after the Annual Aggregate report is completed, a member of the Consortium with surplus funds may or may not elect to distribute those funds in the form of a credit against future monthly funding cost.

Note M: Fidelity Bonding

The Plan maintains a fidelity bond for its operations.

Note N: Concentration of Credit Risk

The Plan maintains investments in a bank account at financial institutions, which at times during the year exceed the federally insured limit of $250,000. As of June 30, 2025 and 2024, the amount of deposits at the financial institutions in excess of the insured limits was $0 and $0.
