FORM 5500 SCHEDULE A INFORMATION

Dear Valued Customer:

Enclosed is information that you may need for completing your Form 5500 Schedule A, as required by the Employee Retirement Income Security Act of 1974 (ERISA).

This information reflects compensation paid to your agent/agency or consultant for the coverage or services you have with Medica. We are reporting base commissions and any other types of compensation, including any additional contingency fees (also known as Broker Incentive Program), paid in relation to the employer's plan during the plan year.

Please note that only base commissions are included in the calculation for your premium. Base commissions appear as "Total amount of commissions" (Part I, 3b)" on the Schedule A Information Form.

Contingency fees are not directly included in the determination of your premium. These payments are based upon the characteristics of the recipient's combined block of business with Medica (including both fully insured and self-insured business) and then are allocated to plans according to each plan's contribution to the total contingency fee earned by the recipient. Contingency fees appear as "Fees paid / amount" (Part I, 3c)" on the Schedule A.

Medica's contingency fees are calculated and released on May 1st each year for the prior calendar year. An employer may request an updated Form 5500 Schedule A after May 1st if needed. Example: If you request a Schedule A in January 2018, it will reflect the contingency fees for calendar year 2016. If you request a Schedule A in June 2018, it will reflect the contingency fees for calendar year 2017.
